[Property Summary Paragraph goes here]

300 feet of frontage on Beautiful Lightning Creek! This level property with views of the surrounding mountains, mature trees and nice building spots is perfect for year round living or as a recreational property. Power is right near the property. Fish on your own property and enjoy the mountain views and sunrises from your deck. Just minutes to as much Forest Service land as you can imagine and also close to the Clark Fork River. The town of Clark Fork is close by and Sandpoint is only about 20 miles. No CC&R's or HOA. Live the North Idaho dream on this property!
