We are Shadybrook real estate specialists

We love Shadybrook. We don't suggest you move, but if you do someday, you should know we specialize in Shadybrook and we have a website dedicated to it at: www.ShadybrookCondos.com where we advertise our Shadybrook condos to buyers in and out of town and all over the web.

If you know a neighbor who is thinking of selling, please recommend us. Don't let them under-sell and take less. We will sell their home for more and that will help everyone in Shadybrook increase their property values...and your home's value too.

Please keep this postcard. You may not need us now, but someday you may and we will be here to help you if you keep our number and call us.
