.....Not Just Another Realtor.....

With over 30 years experience, I have personally bought, built, sold, and made hundreds of thousands for myself. The same is true for my clients. Obtaining for sellers not only fast sales but also thousands more than they expected. Buyers have experienced the same opportunities from my vast experience with properties hidden values, finance and more. If I feel you not making the right decision, I will sell you, because I enjoy what I do and compensation is not first on my mind.

With all that said, I would appreciate an opportunity to speak personally with you and offer my personal experience and your assurance of my trust, honesty and credibility.

#### COMMITMENT

#### AND

#### EXPERIENCE

I am a dedicated family man with three grown children - two girls and a boy, one grand daughter and a loving supportive fiancée. I own several properties in Webster and Irondequoit, enjoy driving my AMC AMX in addition to jet skiing and boating. Supporting charities that help individuals in their time of need is also important to me.

I have over 30 years experience with Real Estate, my knowledge goes well beyond Listing & Selling with a thorough understanding of tax and finance. I consider myself a people person that understands the thoughts, feelings and concerns of individuals and am willing to help them in making important decisions without regard to my own consequence and will always place my Client's needs first.

THANK YOU,

Peter Napolitano
