Still thinking about a condo life style? This may be the time to do so! GrandView at the Annapolis Towne Center is now over 90% units sold. This is a great opportunity to pick-up one of these units at new lower market pricing.

For the past four years we have been the on-site GrandView sales team and clearly can best advise you on the ins and outs of the GrandView property. There are still many great units available.

If you are interested in pursuing a GrandView life style, please stop by the sales center or call for a personal appointment.

Feel free to call us on (Steve) 410.490.8276 or (David) 410.487.5980 to arrange a tour of the GrandView building and/or to get more information on the property. We welcome you to pick our brain.
