5 bedrooms | 4 baths

This spacious 5-bedroom, 4-bathroom home offers 4,062 square feet of thoughtfully designed living space, ideal for a growing or multigenerational family. With generous bedrooms and multiple gathering areas, the layout allows everyone to have their own space while still feeling connected.

Upstairs, both bedrooms feature private en suite bathrooms — perfect for teenagers, extended family, or long-term guests who appreciate added privacy. The large bonus room is set up for a projector screen and includes a wet bar, creating the ultimate space for family movie nights, game days, or sleepovers.

A two-car garage with a tandem bay provides extra room for storage, bikes, or weekend projects. Designed for comfort, flexibility, and togetherness, this home offers the space to grow and the setting to create lasting memories.

This thoughtfully updated Craftsman home was designed with both elegance and function in mind. From the moment you enter, the quality is evident — engineered hardwood floors, fresh designer paint, and a layout that flows beautifully for everyday living and entertaining. The heart of the home is the expansive kitchen, featuring granite
