At Norman Estates, a curated collection of elegant SHAWOOD homes pair human-centric design and ingenious engineering for ultimate liveability. These homes have been designed by Sekisui House to work in harmony with each other and the surrounding landscape.

This unique SHAWOOD home features an intuitive floorplan that maximises movement between the integrated living zones and generous outdoor alfresco area. An intelligent combination of form and function, this generously proportioned single storey home has been luxuriously appointed with premium appliances and finishes. Striking architectural features such as an oversized internal timber pivot door and flawless square set finished ceilings take this family home to another level.
