Arrestees Name: Aldaz, Jaime

Date of Arrest: 09-05-05

Time of Arrest: 1019

Charges: Domestic Battery 1st 200.485-1a (M)

THE UNDERSIGNED MAKE THE FOLLOWING DECLARATIONS SUBJECT TO THE PENALTY FOR PERJURY AND SAYS: That I am a peace officer with the Henderson Police Department, Clark County, Nevada, being so employed since February 18, 2003. That I learned the following facts and circumstances which lead me to believe that the above named subject committed (or was committing) the above offense/offenses at the location of, 917 Noche De Paz Henderson, Nv. 89015 and that the offense occurred at approximately 0930 hours on the 5th day of September 2005.

DETAILS OF PROBABLE CAUSE:

On 9-05-05 at about 0930 hours Sgt. John Gayer #683, Officer K. Frampton #1212, and I (Officer D. Adams #1184) responded to 917 Noche De Paz in regards to a possible Domestic Battery. The person reporting had informed Henderson Dispatch that her boyfriend, Jaime Aldaz DOB [REDACTED] had battered her and also was a Federal Air Marshall.

Upon officer's arrival I observed that only the mesh security door to the residence was closed and I announced my presence. The person reporting, Michelle Nilson DOB [REDACTED] answered and exited the residence. As Officer Frampton escorted her around the corner into the driveway she stated that Jaime was still inside. I called to Jaime and requested he exit which he did.

I immediately could see a fresh red abrasion on Jaime's inner right forearm as he was not wearing a shirt.

Jaime advised the following:

He and Michelle had been dating for about a year and living together at the residence for about 9 months. The relationship had been deteriorating over the past several months and Michelle had become distant.

Jaime had gone to sleep last night about 2230 hours and Michelle had not yet come home. This morning he had confronted her about this and other issues in the bedroom that the two shared. The bedroom has an open bath area toward the rear of the room in which Michelle was standing with Jaime facing her with his back towards the bedroom door. As the verbal altercation escalated Michelle grabbed at his arms, which were extended as he spoke, and pushed past him. Jaime believed this was when he suffered the mark on his arm and stated that as a reaction to Michelle grabbing him he had swung his arms down and up in a circular motion contacting her face with both hands.

I then spoke to Michelle who confirmed Jaime's details on the relationship but advised the following on the incident in the bedroom:

It had started over the couple's growing problems and Michelle felt the relationship needed to end.

pushed past him. Jaime believed this was when he suffered the mark on his arm and stated that as a reaction to Michelle grabbing him he had swung his arms down and up in a circular motion contacting her face with both hands.

I then spoke to Michelle who confirmed Jaime's details on the relationship but advised the following on the incident in the bedroom:

It had started over the couple's growing problems and Michelle felt the relationship needed to end. She had been standing in the bath area of the master bedroom when Jaime confronted her standing between her and the bedroom door. As the altercation continued Jaime grabbed her head with both hands and pressed his thumbs into the corners of her eyes along her nose. Michelle said that she began flailing her arms in an attempt to escape and believed this was when Jaime suffered the mark on his arm. Michelle said that once she broke free she left the house and called Henderson Police.

I inspected the area around Michelle's eyes and could see discoloration around the areas where she stated Jaime had pressed his thumbs. Michelle's eyes were also red and watery though she did state that she had been crying.

Digital photographs of both parties and their injuries were taken with the CD being impounded into evidence.

Due to the fact that Jaime had what is commonly seen as a defensive wound on his arm and admitted to having contacted Michelle's face with his hands, coupled with Michelle's account of the incident and her injuries I determined Jaime to be the primary physical aggressor in a Domestic Battery. I placed Jaime into custody and transported him to the Henderson Detention Center where he was booked accordingly.

Because of Jaime's status as a Federal Air Marshall his supervisor was contacted with his service weapon being turned over to him.

Wherefore, Declarant prays that a finding be made by a magistrate that probable cause exists to hold said person for preliminary hearing (if charges are a felony or gross misdemeanor) or for trial charges are a misdemeanor).
