MEMORANDUM OF DECISION

Procedural Background

The Board of Examiners for Nursing (hereinafter "the Board") was presented by the Department of Public Health (hereinafter "the Department") with a Motion for Summary Suspension and a Statement of Charges dated May 16, 2006. Dept. Exh. 1. The Statement of Charges alleged violations of certain provisions of Chapter 378 of the General Statutes of Connecticut by Orphia Wilson (hereinafter "respondent") which would subject respondent’s registered nurse license to disciplinary action pursuant to Conn. Gen. Stat. §§ 19a-17 and 20-99(b). Based on the allegations in the Statement of Charges and accompanying affidavits and reports, the Board found that respondent’s continued nursing practice presented a clear and immediate danger to public health and safety. On June 7, 2006, the Board ordered, pursuant to its authority under § 4-182(c) and § 19a-17(c) of the General Statutes of Connecticut, that respondent’s registered nurse license be summarily suspended pending a final determination by the Board of the allegations contained in the Statement of Charges. Dept. Exh. 1.

Respondent was provided notice of the hearing and charges against her. The Summary Suspension Order, Notice of Hearing and Statement of Charges were served on respondent by State Marshal on June 13, 2006. Dept. Exh. 1.

The hearing took place on June 21, 2006, in Room 1-A, Legislative Office Building, Capitol Avenue, Hartford, Connecticut.

Respondent was not present during the hearing and was not represented by counsel. Tr. pp. 2-8.

Respondent did not submit an Answer to the Statement of Charges. The Department moved to have the Allegations Deemed Admitted. The Board granted the motion. Tr. pp. 8-9.

Each member of the Board involved in this decision attests that he/she was present at the hearing or has reviewed the record, and that this decision is based entirely on the record, the law, and the Board’s specialized professional knowledge in evaluating the evidence.

Conclusions of Law and Discussion

In consideration of the above Findings of Fact, the following conclusions are rendered:

Orpha Wilson held a valid registered nurse license in the State of Connecticut at all times referenced in the Statement of Charges.

The Notice of Hearing and Statement of Charges provided sufficient legal notice as mandated by Conn. Gen. Stat. §§ 4-177(a) and (b), and 4-182(c). The hearing was held in accordance with Conn. Gen. Stat. Chapters 54 and 368a as well as §§ 19a-9-1 through 19a-9-29 of the Regulations of Connecticut State Agencies.

The Notice of Hearing, Statement of Charges, and the hearing process provided respondent with the opportunity to demonstrate compliance with all lawful requirements for the retention of her license as required by Conn. Gen. Stat. § 4-182(c).

The Department bears the burden of proof by a preponderance of the evidence in this matter. Respondent did not submit an Answer to the Statement of Charges. Pursuant to § 19a-9-20 of the Regulations of Connecticut State Agencies the Board deems the allegations in the First, Second and Third Counts of the Statement of Charges to be admitted.

The General Statutes of Connecticut § 20-99 provides in relevant part:

(a) The Board of Examiners for Nursing shall have jurisdiction to hear all charges of conduct which fails to conform to the accepted standards of the nursing profession brought against persons licensed to practice nursing. After holding a hearing . . . said board, if it finds such person to be guilty, may revoke or suspend his or her license or take any of the actions set forth in section 19a-17. . . .
(b) Conduct which fails to conform to the accepted standards of the nursing profession includes, but is not limited to, the following: (1) Fraud or material deception in procuring or attempting to procure a license to practice nursing; (2) illegal conduct, incompetence or negligence in carrying out usual nursing functions...(6) fraud or material deception in the course of professional services or activities...

Based on its findings, the Board concludes that respondent’s conduct constitutes grounds for disciplinary action pursuant to Conn. Gen. Stat. §§ 20-99(b)(1)(2), and (6) and 19a-17.

Order

Pursuant to its authority under Conn. Gen. Stat. §§ 19a-17 and 20-99, the Board of Examiners for Nursing hereby orders the following:

1. That for First Count, Second Count and Third Count of the Statement of Charges, respondent’s registered nurse license number E56160, is revoked effective the date this Memorandum of Decision is signed by the Board.

2. The Board finds the violations set forth in the First Count, Second Count and Third Count are severable and each separate Count warrants the revocation of respondent’s license.

The Board of Examiners for Nursing hereby informs respondent, Orphia Wilson, and the Department of Public Health of the State of Connecticut of this decision.

Dated at Hartford, Connecticut this 1st day of November, 2006.
