

**Paystaff Pacific
Nurse Supplement Service**

To: Mr. Raphael Obiora

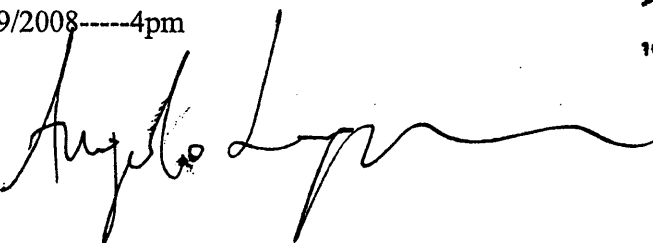

Raphael Obiora has been do not send at various hospitals through eight month of working with Paystaff Pacific. He has been do not send due to inappropriate interpersonal communication with patient family member, not following doctor's order, incomplete nursing documentation and ineligible patient care standard, and medication error. RN- Raphael Obiora has been counseled on several do not send incident and have been given enough chance to correct by paystaff staffers. To be exact he has been do not send at hospitals such as San Gabriel Valley Medical Center, Huntington Memorial Hospital, Beverly Hospital, Garfield Medical Center, Gardena Memorial Hospital, Monterey Park Hospital, Whittier Medical Center and Los Angeles Metropolitan Hospital. It is the duty of management to relay all incidents and to terminate such patient care immediately. It is also the recommendation of the director of nurse of Paystaff Pacific to stop utilizing his service. Do Not Send means the nurse HE/SHE is Fired from that hospital due to inappropriate patient care standard.
