#### **SUPPLEMENTARY INFORMATION:**

Executive Order 13175 directs all Federal agencies to ensure consultation and coordination with Indian tribal governments on Federal actions that will affect tribal governments. Under Public Law 108-199, this consultation policy also applies to corporations established under the Alaska Native Claims Settlement Act (ANCSA). Federal agencies are therefore required to consult and coordinate with ANCSA corporations on the same basis as Indian tribes in developing policies that would affect these corporations and their tribal shareholders. To implement these

requirements, the Department is proposing and seeking comments on a draft consultation policy to govern all activities that will affect ANCSA corporations. Copies of the draft policy are available at the address given in the ADDRESSES section of this notice.

Before including your address, phone number, e-mail address, or other personal identifying information in your comment, you should be aware that your entire comment -- including your personal identifying information -- may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.
