This rule will add a part to DoD regulations to implement policy, responsibilities and procedures for executing an information assurance scholarship and grant program, known as the DoD Information Assurance Scholarship Program (IASP). Authorized by 10 U.S.C 2200, the DoD IASP will be used to recruit and retain the nation's top information assurance and information technology talent, which is critical as DoD progresses into the cybersecurity arena.

The DoD IASP proposed rule, 32 CFR part 240, was published to the Federal Register, (75 FR 9142) on Monday, March 1, 2010 for public comments. The comment period ended on
April 30, 2010. DoD received no comments. However, the Department did make minor changes to the final rule that were not included in the proposed rule. These changes were based upon additional coordination of the rule document within the Department and will help clarify policy, responsibilities, and procedures pertaining to the implementation of the scholarship program.

(c) The student selection process occurs annually in April. The selection process is outlined in the DoD IASP Nomination Process for Recruitment Students.

(d) Recruitment students are provided scholarships, covering the full cost of tuition and selected books and fees. Students are also provided a stipend to cover room and board expenses.

(e) Recruitment students may be required to complete a student internship, depending on the length of their individual scholarship. For example, if a scholar receives a scholarship their junior year, an internship is required. If they receive the scholarship their senior year, an internship is not required. DoD Components typically use the authority granted in 5 CFR 213.3102(r) to arrange the internship.

(f) Pursuant to 10 U.S.C. 2200a, all recruitment students shall sign a service agreement prior to commencement of their education and incur a service commitment, which commences after the award of the DoD IASP authorized degree on a date to be determined by the relevant DoD Component. The obligated service in DoD shall be as a civilian employee of the Department or as an active duty enlisted member or officer in one of the Military Services.

(1) Individuals selecting employment in the civil service shall incur a service obligation of 1 year of service to the DoD upon graduation for each year or partial year of scholarship they
receive, in addition to an internship, if applicable. Pursuant to the authority granted in 10
U.S.C. 2200a(g) and the Under Secretary of Defense for Personnel and Readiness
Memorandum, “Implementation Authority to Employ Individuals Completing Department of
Defense Scholarship or Fellow Programs,” April 5, 2010. DoD Components may appoint
DoD IASP graduates to IT positions as members of the excepted service. Upon satisfactory

these individuals to career or career-conditional appointments without competition.
(2) Individuals enlisting or accepting a commission to serve on active duty in one of the
Military Services shall incur a service obligation of a minimum of 4 years on active duty in
that Service upon graduation. The Military Services may establish a service obligation longer
than 4 years, depending on the occupational specialty and type of enlistment or commissioning
program selected.
(g) Individuals in the recruitment program who fail to complete the degree program
satisfactorily or to fulfill the service commitment upon graduation shall be required to
reimburse the United States pursuant to 10 U.S.C. 2200a(e) for payments made to them
through the DoD IASP unless a waiver, in whole or in part, is granted by the DoD IASP
Executive Administrator.
