

BILLING CODE: 4163-18 P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Centers for Disease Control and Prevention

Subcommittee for Dose Reconstruction Reviews (SDRR), Advisory
Board on Radiation and Worker Health (ABRWH or the Advisory
Board), National Institute for Occupational Safety and Health
(NIOSH)

In accordance with section 10(a)(2) of the Federal Advisory
Committee Act (Pub. L. 92-463), the Centers for Disease Control
and Prevention (CDC), announces the following meeting for the
aforementioned subcommittee:

TIME AND DATE:

8:30 a.m. - 5:00 p.m., June 6, 2012

PLACE: Cincinnati Airport Marriott, 2395 Progress Drive,
Hebron, Kentucky 41018, Telephone (859)334-4611, Fax
(859)334-4619.

STATUS: Open to the public, but without an oral public comment period. To access by conference call dial the following information 1(866)659-0537, Participant Pass Code 9933701.

BACKGROUND: The Advisory Board was established under the Energy Employees Occupational Illness Compensation Program Act of 2000 to advise the President on a variety of policy and technical functions required to implement and effectively manage the new compensation program. Key functions of the Advisory Board include providing advice on the development of probability of causation guidelines that have been promulgated by the Department of Health and Human Services (HHS) as a final rule; advice on methods of dose reconstruction, which have also been promulgated by HHS as a final rule; advice on the scientific validity and quality of dose estimation and reconstruction efforts being performed for purposes of the compensation program; and advice on petitions to add classes of workers to the Special Exposure Cohort (SEC).

In December 2000, the President delegated responsibility for funding, staffing, and operating the Advisory Board to HHS, which subsequently delegated this authority to CDC. NIOSH implements this responsibility for CDC. The charter was issued

on August 3, 2001, renewed at appropriate intervals, and will expire on August 3, 2013.

PURPOSE: The Advisory Board is charged with (a) Providing advice to the Secretary, HHS, on the development of guidelines under Executive Order 13179; (b) providing advice to the Secretary, HHS, on the scientific validity and quality of dose reconstruction efforts performed for this program; and (c) upon request by the Secretary, HHS, advise the Secretary on whether there is a class of employees at any Department of Energy facility who were exposed to radiation but for whom it is not feasible to estimate their radiation dose, and on whether there is reasonable likelihood that such radiation doses may have endangered the health of members of this class. The Subcommittee for Dose Reconstruction Reviews was established to aid the Advisory Board in carrying out its duty to advise the Secretary, HHS, on dose reconstruction.

MATTERS TO BE DISCUSSED: The agenda for the Subcommittee meeting includes: discussion of dose reconstruction cases under review (sets 7-9 and claims with Category A findings from sets 10-13); dose reconstruction quality management and assurance activities, including overview of contractor quality management and internal dose reconstruction blind reviews; dose

reconstruction issues from NIOSH 10-year review, including review of resource impact of possible changes to efficiency process and plans for claimant favorability analysis.

The agenda is subject to change as priorities dictate.

In the event an individual cannot attend, written comments may be submitted. Any written comments received will be provided at the meeting and should be submitted to the contact person below well in advance of the meeting.

CONTACT PERSON FOR MORE INFORMATION: Theodore Katz, Executive Secretary, NIOSH, CDC, 1600 Clifton Road, Mailstop E-20, Atlanta, Georgia 30333, Telephone (513)533-6800, Toll Free 1(800)CDC-INFO, E-mail ocas@cdc.gov.

The Director, Management Analysis and Services Office, has been delegated the authority to sign Federal Register notices pertaining to announcements of meetings and other committee management activities, for both the Centers for Disease Control and Prevention and the Agency for Toxic Substances and Disease Registry.

Dated: May 4, 2012

Cathy Ramadei

Acting Director, Management Analysis and Services Office
Centers for Disease Control and Prevention
