**TITLE OF PROPOSAL:** Fiscal Year 2012 Disaster Recovery Grant Application and Setup in the Disaster Recovery Grant Reporting System

**DESCRIPTION OF INFORMATION COLLECTION:** This emergency processing request meets the requirements at 5 CFR 1320.13 due to the Department's inability to anticipate the Presidentially-declared disasters and the impact on local housing stock and businesses. Even after a disaster occurred, funding appropriations take place only at the will of Congress, further limiting the Department's ability to predict if, when, and how funds will be appropriated. Although Congress appropriated the funds in November 2011, grantees were not identified and requirements of the program were not known for some time after. Submitting a standard (60 day) PRA collection will negatively impact both families and local economies by delaying the implementation of recovery activities beyond this construction season.
