

9110-04-P

DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Part 165

[Docket Number USCG-2012-0351]

RIN 1625-AA00

Safety Zone; Olcott Fireworks, Lake Ontario, Olcott, NY.

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule

SUMMARY: The Coast Guard will establish a temporary safety zone on Lake Ontario, Olcott, New York. This safety zone is intended to restrict vessels from a portion of Lake Ontario during the Olcott fireworks on July 3, 2012. The safety zone is necessary to protect participants, spectators, and vessels from the hazards associated with a firework display.

DATES: This regulation will be effective July 3, 2012 from 9:30 p.m. until 11 p.m.

ADDRESSES: Comments and material received from the public, as well as documents mentioned in this preamble as being available in the docket, are part of docket [USCG-2012-0351]. To view documents mentioned in this preamble as being available by going to <http://www.regulations.gov>, type the docket number in the "SEARCH" box and click "SEARCH." You may visit the Docket Management Facility, Department of Transportation, West Building

Ground Floor, Room W12-140, 1200 New Jersey Avenue SE, Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: If you have questions on this temporary rule, call or email LT Christopher Mercurio, Chief of Waterway Management, U.S. Coast Guard Sector Buffalo; telephone 716-843-9343, e-mail SectorBuffaloMarineSafety@uscg.mil. If you have questions on viewing or submitting material to the docket, call Renee V. Wright, Program Manager, Docket Operations, telephone 202-366-9826.

SUPPLEMENTARY INFORMATION:

Table of Acronyms

DHS	Department of Homeland Security
FR	Federal Register
NPRM	Notice of Proposed Rulemaking

A. Regulatory History and Information

On May 23, 2012, we published a notice of proposed rulemaking (NPRM) entitled Safety Zone; Olcott Fireworks, Lake Ontario, Olcott, NY in the Federal Register (77 FR 30451). We received no letters commenting on the proposed rule. No public meeting was requested, and none was held.

Under 5 U.S.C. 553(d)(3), the Coast Guard is issuing this temporary final rule less than 30 days after publication in the Federal Register. Under 5 U.S.C. 553(d)(3), an agency may issue a rule less than 30 days before its effective date when the agency for good cause finds that those procedures are

"impracticable, unnecessary, or contrary to the public interest." Accordingly, the Coast Guard finds that good cause exists for publishing this temporary final rule less than 30 days before its effective date because delaying the effective date of this temporary final rule would prevent its enforcement on the scheduled night of the event and thus, would preclude the Coast Guard from protecting spectators and vessels from the hazards associated with a maritime fireworks display.

B. Basis and Purpose

Between 10 p.m. and 10:30 p.m. on July 3, 2012, a fireworks display will be held on the waters of Lake Ontario near Olcott, NY. The Captain of the Port Buffalo has determined that fireworks launched proximate to watercraft pose a significant risk to public safety and property. Such hazards include premature detonations, dangerous detonations, dangerous projectiles, and falling or burning debris.

C. Discussion of Comments, Changes and the Final Rule

As mentioned above, no comments were received from the public in response to the NPRM that preceded this temporary rule. Furthermore, there were no changes made between the proposed rule and this temporary final rule. Thus, there are no comments and no changes to discuss.

Just as was described in the NPRM, the Captain of the Port Buffalo has determined that a temporary safety zone is necessary to ensure the safety of the boating public during the Olcott

Fireworks. The safety zone will be effective and enforced from 9:30 p.m. until 11 p.m. on July 03, 2012. The safety zone will encompass all waters of Lake Ontario, Olcott, NY within a 1120 FT radius of position 43°20'23.57"N, 78°43'09.50"W (DATUM: NAD 83). Entry into, transiting, or anchoring within the safety zone is prohibited unless authorized by the Captain of the Port Buffalo or his designated on-scene representative. The Captain of the Port or his designated on-scene representative may be contacted via VHF Channel 16.

D. Regulatory Analyses

We developed this rule after considering numerous statutes and executive orders related to rulemaking. Below we summarize our analyses based on 13 of these statutes or executive orders.

1. Regulatory Planning and Review

This rule is not a significant regulatory action under section 3(f) of Executive Order 12866, Regulatory Planning and Review, as supplemented by Executive Order 13563, Improving Regulation and Regulatory Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of Executive Order 12866 or under section 1 of Executive Order 13563. The Office of Management and Budget has not reviewed it under those Orders. It is not "significant" under the regulatory policies and procedures of the Department of Homeland Security (DHS). We conclude that this rule is not a significant regulatory action because we anticipate that it will have minimal

impact on the economy, will not interfere with other agencies, will not adversely alter the budget of any grant or loan recipients, and will not raise any novel legal or policy issues. The safety zone created by this rule will be relatively small and enforced for relatively short time. Also, the safety zone is designed to minimize its impact on navigable waters. Furthermore, the safety zone has been designed to allow vessels to transit around it. Thus, restrictions on vessel movement within that particular area are expected to be minimal. Under certain conditions, moreover, vessels may still transit through the safety zone when permitted by the Captain of the Port.

2. Impact on Small Entities

The Regulatory Flexibility Act of 1980 (RFA), 5 U.S.C. 601-612, as amended, requires federal agencies to consider the potential impact of regulations on small entities during rulemaking. The Coast Guard received 0 comments from the Small Business Administration on this rule. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.

This temporary final rule may affect the following entities, some of which may be small entities: the owners of operators of vessels intending to transit or anchor in a portion of Lake Ontario near Olcott, NY between 9:30 p.m. to 11 p.m. on July 03, 2012.

This safety zone would not have a significant economic

impact on a substantial number of small entities for the following reasons. This safety zone would be activated, and thus subject to enforcement, for only 90 minutes late in the day when vessel traffic is low. Vessel traffic could pass safely around the safety zone. Before the effective period, maritime advisories will be issued, which include a Broadcast Notice to Mariners.

3. Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Public Law 104-121), we want to assist small entities in understanding this rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact the person listed in the FOR FURTHER INFORMATION CONTACT section above.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency's responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1-888-REG-FAIR (1-888-734-3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

4. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520).

5. Federalism

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that Order and determined that this rule does not have implications for federalism.

6. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531-1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

7. Taking of Private Property

This rule will not cause a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally

Protected Property Rights.

8. Civil Justice Reform

This rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

9. Protection of Children

We have analyzed this rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and does not create an environmental risk to health or risk to safety that may disproportionately affect children.

10. Indian Tribal Governments

This rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

11. Energy Effects

This action is not a "significant energy action" under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use.

12. Technical Standards

This rule does not use technical standards. Therefore, we

did not consider the use of voluntary consensus standards.

13. Environment

We have analyzed this rule under Department of Homeland Security Management Directive 023-01 and Commandant Instruction M16475.1D, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321-4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves the establishment of a safety zone and thus, is categorically excluded from further review under paragraph 34(g) of Figure 2-1 of the Commandant Instruction. An environmental analysis checklist supporting this determination and a Categorical Exclusion Determination are available in the docket where indicated under ADDRESSES. We seek any comments or information that may lead to the discovery of a significant environmental impact from this rule.

E. List of Subjects in 33 CFR Part 165

Harbors, Marine Safety, Navigation (water), Reporting and record keeping requirements, Security measures, Waterways.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

PART 165- REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

1. The authority citation for Part 165 continues to read as follows:

Authority: 33 U.S.C. 1231; 46 U.S.C. Chapters 701, 3306, 3703; 50 U.S.C. 191, 195; 33 CFR 1.05-1, 6.04-1, 6.04-6, and 160.5; Pub. L. 107-295, 116 Stat. 2064; Department of Homeland Security Delegation No. 0170.1.

2. Add § 165.T09-0351 to read as follows:

§ 165.T09-0351 Safety Zone; Olcott Fireworks, Lake Ontario, Olcott, NY

(a) Location. The safety zone will encompass all waters of Lake Ontario, Olcott, NY within an 1120 FT radius of position 43°20'23.57"N and 78°43'09.50"W (NAD 83).

(b) Effective and enforcement period. This regulation is effective and will be enforced on July 3, 2012 from 9:30 p.m. until 11 p.m.

(c) Regulations. (1) In accordance with the general regulations in § 165.23 of this part, entry into, transiting, or anchoring within this safety zone is prohibited unless authorized by the Captain of the Port Buffalo or his designated on-scene representative.

(2) This safety zone is closed to all vessel traffic, except as may be permitted by the Captain of the Port Buffalo or his designated on-scene representative.

(3) The "on-scene representative" of the Captain of the Port Buffalo is any Coast Guard commissioned, warrant or petty officer who has been designated by the Captain of the Port Buffalo to act on his behalf.

(4) Vessel operators desiring to enter or operate within the safety zone shall contact the Captain of the Port Buffalo or his on-scene representative to obtain permission to do so. The Captain of the Port Buffalo or his on-scene representative may be contacted via VHF Channel 16. Vessel operators given permission to enter or operate in the safety zone must comply with all directions given to them by the Captain of the Port Buffalo, or his on-scene representative.

Dated: June 13, 2012

S. M. WISCHMANN
Captain, U. S. Coast Guard
Captain of the Port Buffalo
