

[Billing Code 4710-25]

DEPARTMENT OF STATE

[Public Notice 7949]

Bureau of Political-Military Affairs: Directorate of Defense Trade Controls;
Notifications to the Congress of Proposed Commercial Export Licenses

SUMMARY: Notice is hereby given that the Department of State has forwarded the attached Notifications of Proposed Export Licenses to the Congress on the dates indicated on the attachments pursuant to sections 36(c) and 36(d) and in compliance with section 36(f) of the Arms Export Control Act (22 U.S.C. 2776).

DATES: Effective Date: As shown on each of the 37 letters.

FOR FURTHER INFORMATION CONTACT: Mr. Robert S. Kovac,
Managing Director, Directorate of Defense Trade Controls, Bureau of
Political-Military Affairs, Department of State (202) 663-2861.

SUPPLEMENTARY INFORMATION: Section 36(f) of the Arms Export Control Act mandates that notifications to the Congress pursuant to sections 36(c) and 36(d) must be published in the Federal Register when they are transmitted to Congress or as soon thereafter as practicable.

April 27, 2012 (Transmittal Number 11-024)

The Honorable John A. Boehner, Speaker of the House of Representatives.

Dear Mr. Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed amendment to a technical assistance agreement for the manufacture and the export of defense articles, including technical data, and defense services in the amount of \$100,000,000 or more.

The transaction described in the attached certification involves the export of defense articles, including technical data, and defense services to France, Italy, Belgium and Spain for the design, manufacture and delivery of Satellite Subsystems On-Board Processors for the Iridium NEXT program.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations. This notification should not be interpreted as the Department's conclusion that the applicant or any manufacturer, supplier or vendor or other entity related to it has not violated any of the statutes enumerated at 22 U.S.C. 2778(g) with respect to this or other related transactions. The Department reserves its ability to approve or deny this transaction.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the

Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

David S. Adams

Assistant Secretary, Legislative Affairs.

April 27, 2012 (Transmittal Number 11-075)

The Honorable John A. Boehner, Speaker of the House of Representatives.

Dear Mr. Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed technical assistance agreement for the export of defense articles, including technical data, and defense services sold commercially under contract in the amount of \$50,000,000 or more.

The transaction described in the attached certification involves the transfer of defense articles, including technical data, and defense services to support the design, manufacturing and delivery phases of the SES-8 Commercial Communications Satellite Program for the Netherlands.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations. This notification should not be interpreted as the Department's conclusion that the applicant or any manufacturer,

supplier or vendor or other entity related to it has not violated any of the statutes enumerated at 22 U.S.C. 2778(g) with respect to this or other related transactions. The Department reserves its ability to approve or deny this transaction.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

David S. Adams

Assistant Secretary, Legislative Affairs.

December 15, 2011 (Transmittal Number 11-081)

The Honorable John A. Boehner, Speaker of the House of Representatives.

Dear Mr. Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed technical assistance agreement to include the export of defense articles, to include technical data, and defense services in the amount of \$50,000,000 or more.

The transaction described in the attached certification involves the export of defense articles, including technical data, and defense services to support the

design, development, testing and qualification of weapon kits to be installed on UH-60M helicopters owned and operated by the Armed Forces of the United Arab Emirates.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

David S. Adams

Assistant Secretary, Legislative Affairs.

December 12, 2011 (Transmittal Number 11-094)

The Honorable John A. Boehner, Speaker of the House of Representatives.

Dear Mr. Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed manufacturing license agreement for the export of defense articles, to include technical data, and defense services in the amount of \$50,000,000 or more.

The transaction described in the attached certification involves the export of defense articles, including technical data, and defense services to Hong Kong for the manufacture of transformers, inductors, and coils for power supplies.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

David S. Adams

Assistant Secretary, Legislative Affairs.

April 27, 2012 (Transmittal Number 11-100)

The Honorable John A. Boehner, Speaker of the House of Representatives.

Dear Mr. Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed technical assistance agreement to

include the export of defense articles, to include technical data, and defense services in the amount of \$50,000,000 or more.

The transaction described in the attached certification involves the transfer of defense articles, to include technical data, and defense services to support the Proton launch of the W3D Commercial Communication Satellites from the Baikonur Cosmodrome in Kazakhstan.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations. This notification should not be interpreted as the Department's conclusion that the applicant or any manufacturer, supplier or vendor or other entity related to it has not violated any of the statutes enumerated at 22 U.S.C. 2778(g) with respect to this or other related transactions. The Department reserves its ability to approve or deny this transaction.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

David S. Adams

Assistant Secretary, Legislative Affairs.

March 27, 2012 (Transmittal Number 11-105)

The Honorable John A. Boehner, Speaker of the House of Representatives.

Dear Mr. Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification for the export of defense articles, to include technical data, and defense services in the amount of \$1,000,000 or more.

The transaction contained in the attached certification involves the export of firearms to the Government of India, Ministry of Home Affairs.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

David S. Adams

Assistant Secretary, Legislative Affairs.

April 27, 2012 (Transmittal Number 11-112)

The Honorable John A. Boehner, Speaker of the House of Representatives.

Dear Mr. Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed agreement for the export of defense articles or defense services sold commercially under contract in the amount of \$50,000,000 or more.

The transaction described in the attached certification involves the transfer of defense articles, including technical data, and defense services for the design, manufacture, test, on-ground launch-site delivery, completion of in-orbit testing and long-term support for the MEXSAT Commercial Communication Satellite Program.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations. This notification should not be interpreted as the Department's conclusion that the applicant or any manufacturer, supplier or vendor or other entity related to it has not violated any of the statutes enumerated at 22 U.S.C. 2778(g) with respect to this or other related transactions. The Department reserves its ability to approve or deny this transaction.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

David S. Adams

Assistant Secretary, Legislative Affairs.

December 16, 2011 (Transmittal Number 11-120)

The Honorable John A. Boehner, Speaker of the House of Representatives.

Dear Mr. Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed export of major defense equipment, in the amount of \$14,000,000 or more.

The transaction contained in the attached certification involves the transfer of F-110-GE-132 jet engines to the United Arab Emirates to support their F-16 Block 60 aircraft.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

David S. Adams

Assistant Secretary, Legislative Affairs.

January 3, 2012 (Transmittal Number 11-124)

The Honorable John A. Boehner, Speaker of the House of Representatives.

Dear Mr. Speaker:
