II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, ICC included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. ICC has prepared summaries, set forth in sections (A), (B), and (C) below, of the most significant aspects of these statements.³

(A) Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

As with the Standard North American Corporate Single Names currently cleared, ICC plans to provide for the clearance of contracts with a restructuring type of no restructuring, standardized maturity dates up to the 10-year tenor and both standardized coupons. One of the Additional Single Names (Starwood Hotels & Resorts Worldwide, Inc.) was recently added by Markit as one of the one hundred twenty-five single constituents of its Markit CDX North American Investment Grade Series 18 Index, and is not currently being cleared by ICC. Another of the Additional Single Names (Textron Financial Corporation) is a constituent of the Series 8 through 12 of the Markit CDX North American Investment Grade Index, and has not been cleared previously by ICC. All other Additional Single Names are not constituents of Series 8 through 18 of the Markit CDX North American Investment Grade Index. The Additional Single Names do not require any changes to the body of the ICC Rules. ICC will clear the Additional Single Names pursuant to ICC's existing Rules. The Additional Single Names do not require any changes to the ICC risk management framework including the ICC margin methodology, guaranty fund methodology, pricing parameters, or pricing model. The only change being

³ The Commission has modified the text of the summaries prepared by ICC.

submitted is the inclusion of the Additional Single Names to Schedule 502 of the ICC Rules.

The Additional Single Names have been reviewed by the ICC Risk Department, the ICC Trading Advisory Committee, and the ICC Risk Committee.

ICC believes that the clearing of the Additional Single Names is consistent with the purposes and requirements of Section 17A of the Act⁴ and the rules and regulations thereunder applicable to ICC because it will facilitate the prompt and accurate settlement of security-based swaps and contribute to the safeguarding of securities and funds associated with security-based swap transactions.

(B) Self-Regulatory Organization's Statement on Burden on Competition

ICC does not believe the proposed rule change would have any impact, or impose any burden, on competition.

(C) Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants or Others

Written comments relating to the proposed rule change have not been solicited or received. ICC will notify the Commission of any written comments received by ICC.

Within 45 days of the date of publication of this notice in the Federal Register or within such longer period up to 90 days (i) as the Commission may designate if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the self-regulatory organization consents, the Commission will:
