The Board is authorized by Title III, Part D, Section

1998 (20 U.S.C. 1066f). The Board is established within
the Department of Education to provide advice and counsel
to the Secretary and the Designated Bonding Authority as to
the most effective and efficient means of implementing
construction financing on Historically Black College and
University (HBCU) campuses and to advise Congress regarding
the progress made in implementing the program.
Specifically, the Board provides advice as to the capital
needs of HBCUs, how those needs can be met through the
program, and what additional steps might be taken to

improve the operation and implementation of the construction-financing program.

The purpose of this meeting is to review current program activities, to make administrative and legislative recommendations to the Secretary and the U.S. Congress addressing the capital financing issues of HBCUs, and to discuss additional steps in which the HBCU Capital Financing Program might improve its operation.
