The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

in Item IV below. The self-regulatory organization has prepared summaries, set forth in Sections A, B and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of this proposed rule change is to amend ISE Rule 711 to provide for the nullification of trades by mutual agreement of the parties thereto. Under Proposed ISE Rule 711(b), a trade would be nullified if all parties to the trade agree to the nullification.³ After agreement has been reached between the parties to nullify a trade, one party would be required to notify the Exchange and the Exchange promptly will disseminate the nullification to the Options Price Reporting Authority ("OPRA"). Proposed ISE Rule 711(b) would provide the parties to a trade with the ability to nullify a trade under circumstances where, for example, an obvious or catastrophic error is not deemed to have occurred, but the parties to the trade nonetheless desire that the trade be nullified.

2. Statutory Basis

The Exchange believes that the proposed rule change, which would permit a trade to be nullified upon the mutual agreement of all parties to the trade, is consistent with Section 6(b) of the Securities Exchange Act of 1934 (the "Exchange Act"),⁴ in general, and furthers the objectives of Section 6(b)(5) of the Exchange Act,⁵ in particular, because it is designed to

³ The changes proposed to ISE Rule 711 are based on NYSE MKT LLC (formerly known as NYSE Amex LLC) Rule 965NY, Commentary .02. The Exchange believes that, though not required, parties generally would need to agree to nullify a trade prior to that trade being settled.

promote just and equitable principles of trade, remove impediments to and perfect the mechanism for a free and open market and a national market system, and in general, to protect investors and the public interest. The proposed rule change makes clear the contractual rights of the parties to a trade to nullify the trade upon mutual agreement. The Exchange believes that the proposed rule change is consistent with a free and open market and the public interest because it gives effect to the contractual rights of the parties to a trade.

B. Self-Regulatory Organization's Statement on Burden on Competition

The proposed rule change does not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

The Exchange has not solicited, and does not intend to solicit, comments on this proposed rule change. The Exchange has not received any unsolicited written comments from members or other interested parties.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) does not impose any significant burden on competition; and (iii) does not become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A)⁶ of the Act and Rule 19b-4(f)(6)⁷ thereunder.

⁶ 15 U.S.C. 78s(b)(3)(A).

⁷ 17 CFR 240.19b-4(f)(6). As required under Rule 19b-4(f)(6)(iii), the Exchange provided the Commission with written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing the proposed rule change.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
