SUPPLEMENTARY INFORMATION: This ICR describes reemployment activities for Unemployment Insurance (UI) claimants in Federal programs to comply with the Middle Class Tax Relief and Job Creation Act of 2012, Pub. L. 112-96. The basic report format is very similar to reporting Form ETA-9002 (see OMB Control Number 1205-0240), which covers quarterly performance data for the Wagner-Peyser Act funded public labor exchange. The ETA has well established reporting instructions, reporting software, reporting formats and reporting logic that are used with existing reemployment service delivery reporting for UI claimants, and this structure also serves UI claimants in Federal programs required by Pub. L. 112-96.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under Control Number 1205-0493. The current approval is scheduled to expire on October 31, 2012; however, it should be noted that existing

information collection requirements submitted to the OMB receive a month-to-month extension while they undergo review. For additional information, see the related notice published in the Federal Register on August 13, 2012 (77 FR 48176).
