Please Note:

Any member of the public interested in presenting oral comments to the Committee must notify the Contact Person listed on this notice by 5:00 PM ET on Monday, December 10, 2012 with their request to present oral comments at the meeting. Interested individuals and representatives of organizations must submit a written/electronic copy of the oral statement/comments including a brief description of the organization represented by 5:00 PM ET on Tuesday, December 11, 2012. Statements submitted will become a part of the public record. Only one representative of an organization will be allowed to present oral

comments, and presentations will be limited to three to five minutes per speaker, depending on the number of speakers to be accommodated within the allotted time. Speakers will be assigned a time to speak in the order of the date and time when their request to speak is received, along with the required submission of the written/electronic statement by the specified deadline.

In addition, any interested person may submit written comments to the IACC prior to the meeting by sending the comments to the Contact Person listed on this notice by 5:00 PM ET, Friday, December 14, 2012. The comments should include the name and, when applicable, the business or professional affiliation of the interested person. All written comments received by the deadlines for both oral and written public comments will be provided to the IACC for their consideration and will become part of the public record.

The conference call and in-person oral public comment session will be open to the public. Members of the public who participate using the conference call phone number will be able to listen to the meeting but will not be heard. If you experience any technical problems with the conference call, please e-mail iacchelpdesk2012@gmail.com.

If you experience any technical problems with the web presentation tool, please contact GoToWebinar at (800) 263-6317. To access the web presentation tool on the Internet the following computer capabilities are required:
