Federal Railroad Administration

[Docket Number FRA-2009-0077]

Petition for Waiver of Compliance

In accordance with Part 211 of Title 49 Code of Federal Regulations, this document provides the public notice that by a document dated December 5, 2011, the Central California Traction Company (CCT) and the United Transportation Union (UTU) have jointly petitioned the Federal Railroad Administration (FRA) for an extension of their waiver of compliance from certain provisions of the Federal hours of service laws contained at 49 U.S.C. 21103(a)(4). FRA assigned the petition Docket Number FRA-2009-0077.

In their petition, CCT and UTU seek relief from 49 U.S.C. 21103(a)(4), which, in part, requires a train employee to receive 48 hours off duty after initiating an on-duty period for 6 consecutive days. Specifically, CCT and UTU seek an extension of the existing waiver to allow a train employee to initiate an on-duty period for 6 consecutive days followed by 24 hours off duty. In support of their request, CCT explained that the waiver allows for better flexibility and responsiveness to its customers, and that FRA inspectors monitoring CCT's operations have found no violations of the regulations. CCT also stated that this type of schedule has not compromised rail safety.

A copy of the petition, as well as any written communications concerning the petition, is available for review online at www.regulations.gov and in person at the
