DEPARTMENT OF COMMERCE

International Trade Administration

Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Advance Notification of Sunset Reviews

AGENCY: Import Administration, International Trade Administration, Department of Commerce

Background

Every five years, pursuant to section 751(c) of the Tariff Act of 1930, as amended (“the Act”), the Department of Commerce (“the Department”) and the International Trade Commission automatically initiate and conduct a review to determine whether revocation of a countervailing or antidumping duty order or termination of an investigation suspended under section 704 or 734 of the Act would be likely to lead to continuation or recurrence of dumping or a countervailable subsidy (as the case may be) and of material injury.

Upcoming Sunset Reviews for April 2013

The following Sunset Reviews are scheduled for initiation in April 2013 and will appear in that month’s Notice of Initiation of Five-Year Sunset Review. With respect to the orders on Light-Walled Rectangular Pipe and Tube, we have advanced the initiation date of certain Sunset Reviews upon determining that initiation of the Sunset Reviews for all of the Light-Walled Rectangular Pipe and Tube orders on the same date would promote administrative efficiency.

Please note that if the Department receives a Notice of Intent to Participate from a member of the domestic industry within 15 days of the date of initiation, the review will
