Statement of Process – Marking of Plastic Explosives for the Purpose of Detection

ACTION: 60-Day Notice.

The Department of Justice (DOJ), Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF), will submit the following information collection request to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995. The proposed information collection is published to obtain comments from the public and affected agencies. Comments are encouraged and will be accepted for “sixty days” until [insert the date 60 days from the date this notice is published in the Federal Register]. This process is conducted in accordance with 5 CFR 1320.10.

If you have comments especially on the estimated public burden or associated response time, suggestions, or need a copy of the proposed information collection instrument with instructions or additional information, please contact Anita Scheddel, Explosives Industry Programs Branch at eipb-informationcollection@atf.gov.

Written comments and suggestions from the public and affected agencies concerning the proposed collection of information are encouraged. Your comments should address one or more of the following four points:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Summary of Information Collection:

- (1) Type of Information Collection: Extension of a currently approved collection.

- (2) Title of the Form/Collection: Statement of Process – Marking of Plastic Explosives for the Purpose of Detection.
- (3) Agency form number, if any, and the applicable component of the Department of Justice sponsoring the collection: Form Number: None. Bureau of Alcohol, Tobacco, Firearms and Explosives.
- (4) Affected public who will be asked or required to respond, as well as a brief abstract: Primary: Business or other for-profit. Other: None.

Need for Collection:

The information contained in the statement of process is required to ensure compliance with the provisions of Public Law 104-132. This information will be used to ensure that plastic explosives contain a detection agent as required by law.

(5) An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond: It is estimated that 8 respondents will complete the required information in 30 minutes.

(6) An estimate of the total public burden (in hours) associated with the collection: There are an estimated 16 annual total burden hours associated with this collection.
