**ACTION:** Notice.

**SUMMARY:** The Rural Business-Cooperative Service (Agency) published a notice in the Federal Register of March 29, 2013, (78 FR Doc. 2013-07275) announcing the acceptance of applications for funds available under the Rural Energy for America Program (REAP) for Fiscal Year 2013. The Consolidated and Further Continuing Appropriations Act, 2013 (P.L. 113-6), provides additional funding for REAP. To provide the public additional opportunity to apply for these additional funds, this Notice extends the application period from April 30, 2013, to May 31, 2013, for renewable energy systems and energy efficiency improvement projects grants and grant and loan combination applications and for renewable energy system feasibility study applications. The Agency is also adding a provision to ensure consistency with the intent of 2 CFR 25.205. A separate notice will be

published to amend the funding available under REAP.

**SUPPLEMENTARY INFORMATION**

The Agency is amending the DATES section in the Notice of Funding Availability for the Rural Energy for America Program, which was published on March 29, 2013 (78 FR Doc. 2013-07275). To provide the public additional time to submit applications as the result of additional funding being made available to the Agency, the Agency is extending the application deadline for three sets of applications: (1) renewable energy system (RES) and energy efficiency improvement (EEI) grants, (2) RES and EEI grant and loan combinations and (3) RES feasibility study grants. For this set of applications, the deadline is being extended from April 30, 2013, to May 31, 2013. Note that the application deadline for RES and EEI guaranteed loan only applications is not being modified. The Agency is adding a provision to conform with the intent of 2 CFR 25.205, which

allows the Agency to determine an applicant is not eligible for an award if the System for Award Management and Dun and Bradstreet Data Universal Numbering System requirements are not met. No other changes are being made to the March 29, 2013, Notice at this time.
