UNITED STATES v. ANHEUSER-BUSCH InBEV SA/NV, GRUPO MODELO S.A.B DE C.V.

Proposed Final Judgment and Competitive Impact Statement

Notice is hereby given pursuant to the Antitrust Procedures and Penalties Act, 15 U.S.C. § 16(b)-(h), that a proposed Final Judgment, Stipulation and Competitive Impact Statement have been filed with the United States District Court for the District of Columbia in *United States of America v. Anheuser-Busch InBev SA/NV, et al.*, Civil Action No.1:13-CV-00127. On January 31, 2013, the United States filed a Complaint alleging that the proposed acquisition by Anheuser-Busch InBev SA/NV (“ABI”) of the remaining interest in Grupo Modelo S.A.B. de C.V. (“Modelo”) would violate Section 7 of the Clayton Act, 15 U.S.C. § 18. The proposed Final Judgment, filed on April 19, 2013, requires ABI and Modelo to divest Modelo’s entire U.S. business to Constellation Brands, Inc. (“Constellation”), or if that transaction fails to consummate, to an alternative purchaser.

Copies of the Complaint, proposed Final Judgment and Competitive Impact Statement are available for inspection at the Department of Justice, Antitrust Division, Antitrust Documents Group, 450 Fifth Street, NW, Suite 1010, Washington, DC 20530 (telephone: 202-514-2481), on the Department of Justice’s website at <http://www.justice.gov/atr>, and at the Office of the Clerk of the United States District Court for the District of Columbia. Civil Action No. 13-127 (RWR)
Judge Richard W. Roberts

COMPLAINT

The United States of America, acting under the direction of the Attorney General of the United States, brings this civil action under the antitrust laws of the United States to enjoin the proposed acquisition by Anheuser-Busch InBev SA/NV (“ABI”) of the remainder of Grupo Modelo S.A.B. de C.V. (“Modelo”) that it does not already own, and to obtain equitable and other relief as appropriate. The United States alleges as follows:

I. INTRODUCTION

1. Fundamental to free markets is the notion that competition works best and consumers benefit most when independent firms battle hard to win business from each other. In industries characterized by a small number of substantial competitors and high barriers to entry, further consolidation is especially problematic and antithetical to the nation's antitrust laws. The U.S. beer industry – which serves tens of millions of consumers at all levels of income – is highly concentrated with just two firms accounting for approximately 65% of all sales nationwide. The transaction that is the subject of this Complaint threatens competition by combining the largest and third-largest brewers of beer sold in the United States. The United States therefore seeks to enjoin this acquisition and prevent a serious violation of Section 7 of the Clayton Act.

2. Today, Modelo aggressively competes head-to-head with ABI in the United States. That competition has resulted in lower prices and product innovations that have benefited consumers across the country. The proposed acquisition would eliminate this competition by further concentrating the beer industry, enhancing ABI's market power, and facilitating coordinated pricing between ABI and the next largest brewer, MillerCoors, LLC. The approximate market shares of U.S. beer sales, by dollars, are illustrated below:

3. Defendants' combined national share actually *understates* the effect that eliminating Modelo would have on competition in the beer industry, both because Modelo's share is substantially higher in many local areas than its national share, and because of the interdependent pricing dynamic that already exists between the largest brewers. As the two largest brewers, ABI and MillerCoors often find it more profitable to follow each other's prices than to compete aggressively for market share by cutting price. Among other things, ABI typically initiates annual price increases in various markets with the expectation that MillerCoors' prices will follow. And they frequently do.

4. In contrast, Modelo has resisted ABI-led price hikes. Modelo's pricing strategy – "The Momentum Plan" – seeks to narrow the "price gap" between Modelo beers and lower-priced premium domestic brands, such as Bud and Bud Light. ABI internal documents acknowledge that Modelo has put "increasing pressure" on ABI by pursuing a competitive strategy *directly at odds* with ABI's well-established practice of leading prices upward.

5. Because Modelo prices have not closely followed ABI's price increases, ABI and MillerCoors have been forced to offer lower prices and discounts for their brands to discourage consumers from "trad[ing] up" to Modelo brands. If ABI were to acquire the remainder of Modelo, this competitive constraint on ABI's and MillerCoors' ability to raise their prices would be eliminated.

6. The acquisition would also eliminate the substantial head-to-head competition that currently exists between ABI and Modelo. The loss of this head-to-head competition would enhance the ability of ABI to unilaterally raise the prices of the brands that it would own post-acquisition, and diminish ABI's incentive to innovate with respect to new brands, products, and packaging.

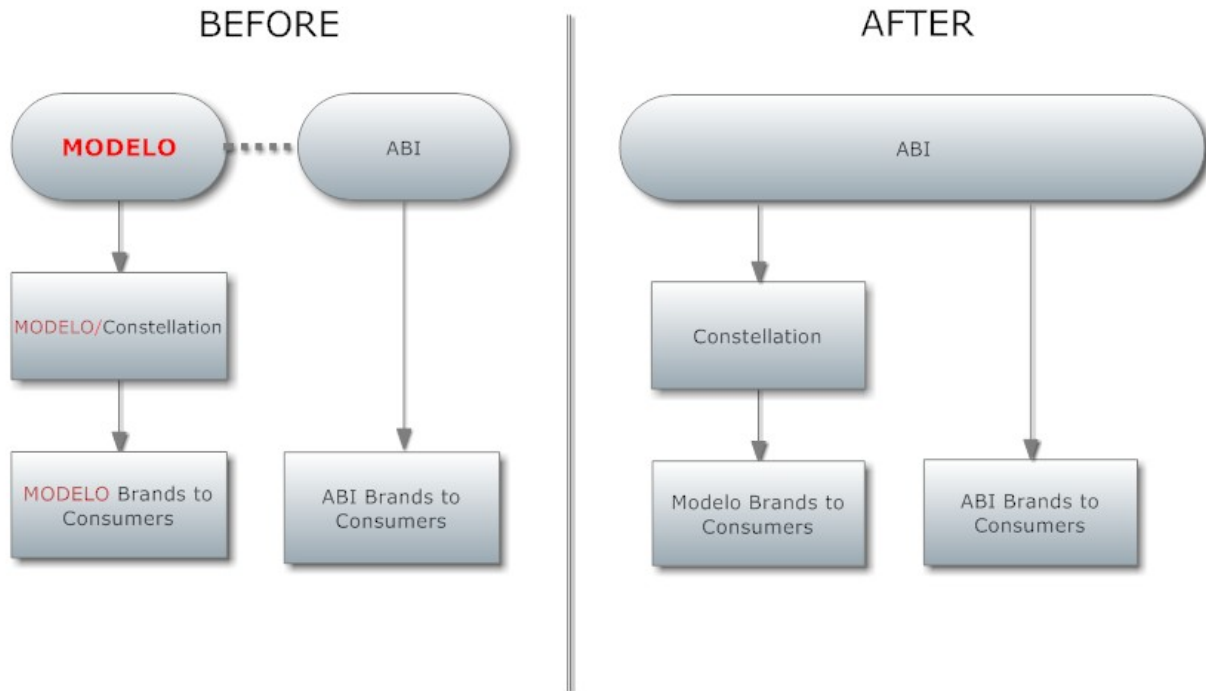

7. Accordingly, ABI's acquisition of the remainder of Modelo would likely substantially lessen competition and is therefore illegal under Section 7 of the Clayton Act, 15 U.S.C. § 18.

8. For no substantial business reason other than to avoid liability under the antitrust laws, ABI has entered into an additional transaction contingent on the approval of its acquisition of the remainder of Modelo. Specifically, ABI has agreed to sell Modelo's existing 50% interest in Crown Imports LLC ("Crown")¹ – which currently imports Modelo beer into the United States – to Crown's other owner, Constellation Brands, Inc. ("Constellation"). ABI and Constellation have also negotiated a proposed Amended and Restated Importer Agreement (the "supply agreement"), giving Constellation the exclusive right to import Modelo beer into the United States for ten years. Constellation, however, would acquire no Modelo brands or brewing facilities under this arrangement – it remains simply an importer, required to depend on ABI for its supply of Modelo-branded beer. At the end of the ten-year period, ABI could unilaterally terminate its agreement with Constellation, thereby giving ABI full control of all aspects of the importation, sale, and distribution of Modelo brands in the United States.

9. The sale of Modelo's 50% interest in Crown to Constellation is designed predominantly to help ABI win antitrust approval for its acquisition of Modelo, creating a façade of competition between ABI and its importer. In reality, Defendants' proposed "remedy" eliminates from the market Modelo – a particularly aggressive competitor – and replaces it with an entity wholly dependent on ABI. As Crown's CEO wrote to his employees after the acquisition was announced: "our #1 competitor will now be our supplier . . . it is not currently or will not, going forward, be 'business as usual.'" The deficiencies of the "remedy" are apparent from the

illustrations of the pre- and post-transaction chains of supply below, demonstrating how the “remedy” transforms horizontal competition into vertical dependency:

10. Constellation has already shown through its participation in the Crown joint venture that it does not share Modelo’s incentive to thwart ABI’s price leadership. In fact, Constellation consistently has urged *following* ABI’s price leadership. Given that Constellation was inclined to follow ABI’s price leadership *before* the acquisition, it is unlikely to reverse course after – when it would be fully dependent on ABI for its supply of beer, and will effectively be ABI’s business partner. In addition, Constellation would need to preserve a strong relationship with ABI to encourage ABI from exercising its option to terminate the agreement after 10 years.

11. For these reasons, as alleged more specifically below, the proposed acquisition, if consummated, would likely substantially lessen competition in violation of Section 7 of the Clayton Act. The likely anticompetitive effects of the proposed acquisition would not be

prevented or remedied by the sale of Modelo's existing interest in Crown to Constellation and the supply agreement between ABI and Constellation.

II. JURISDICTION, VENUE, AND INTERSTATE COMMERCE

12. The United States brings this action under Section 15 of the Clayton Act, as amended, 15 U.S.C. § 25, to prevent and restrain Defendants ABI and Modelo from violating Section 7 of the Clayton Act, as amended, 15 U.S.C. § 18.

13. This Court has subject matter jurisdiction over this action under Section 15 of the Clayton Act, 15 U.S.C. § 25, and 28 U.S.C. §§ 1331, 1337, and 1345.

14. Venue is proper under Section 12 of the Clayton Act, 15 U.S.C. § 22, and 28 U.S.C. § 1391.

15. Defendants are engaged in, and their activities substantially affect, interstate commerce. ABI and Modelo annually brew several billion dollars worth of beer, which is then advertised and sold throughout the United States.

16. This Court has personal jurisdiction over each Defendant. Modelo has consented to personal jurisdiction in this judicial district. ABI is found and transacts business in this District through its wholly-owned United States subsidiaries, over which it exercises control.

III. THE DEFENDANTS AND THE TRANSACTIONS

17. ABI is a corporation organized and existing under the laws of Belgium, with headquarters in Leuven, Belgium. ABI is the largest brewer and marketer of beer sold in the United States. ABI owns and operates 125 breweries worldwide, including 12 in the United States. It owns more than 200 beer brands, including Bud Light, the number one brand in the United States, and other popular brands such as Budweiser, Busch, Michelob, Natural Light, Stella Artois, Goose Island, and Beck's.

18. Modelo is a corporation organized and existing under the laws of Mexico, with headquarters in Mexico City, Mexico. Modelo is the third-largest brewer of beer sold in the United States. Modelo's Corona Extra brand is the top-selling import in the United States. Its other popular brands sold in the United States include Corona Light, Modelo Especial, Negra Modelo, Victoria, and Pacifico.

19. ABI currently holds a 35.3% direct interest in Modelo, and a 23.3% direct interest in Modelo's operating subsidiary Diblo, S.A. de C.V. ABI's current part-ownership of Modelo gives ABI certain minority voting rights and the right to appoint nine members of Modelo's 19-member Board of Directors. However, as ABI stated in its most recent annual report, ABI does "not have voting or other effective control of . . . Grupo Modelo."

20. ABI and Modelo executives agree that there is currently vigorous competition between the ABI and Modelo brands in the United States. Indeed, firewalls are in place to ensure that the ABI members of Modelo's Board do not become privy to information about the pricing, marketing, or distribution of Modelo brands in the United States.

21. Modelo executives run its day-to-day business, including Modelo's relationship and interaction with its U.S. importer, Crown. Modelo owns half of Crown and may exercise an option at the end of 2013, to acquire in 2016, the half of Crown it does not already own. Today, Modelo must approve Crown's general pricing parameters, changes in strategic direction, borrowing activities, and capital investment above certain thresholds. Modelo also sets the global strategic themes for the brands it owns. Essentially, Crown is a group of employees who report to Crown's owners: Modelo and Constellation.

22. The acquisition gives complete control of Modelo to ABI, and gives ABI full access to competitively sensitive information about the sale of the Modelo brands in the United States –

access that ABI does not currently enjoy. ABI presently has no day-to-day role in Modelo's United States business and is walled off from strategic discussions regarding Modelo sales in the United States.

23. On June 28, 2012, ABI agreed to purchase the remaining equity interest from Modelo's owners, thereby obtaining full ownership and control of Modelo, for about \$20.1 billion.

24. As noted above, in an effective acknowledgement that the acquisition of Modelo raises significant competitive concerns, Defendants simultaneously entered into another transaction in an attempt to "remedy" the competitive harm caused by ABI's acquisition of the remainder of Modelo: ABI has agreed to sell Modelo's existing 50% interest in Crown to Constellation, so that Crown, previously a joint-venture between Modelo and Constellation, would become wholly owned by Constellation. As part of this strategy, ABI and Constellation have negotiated a supply agreement giving Constellation the exclusive right to import Modelo beer into the United States for ten years. These transactions are contingent on the closing of ABI's acquisition of Modelo.

IV. THE RELEVANT MARKET

A. Description of the Product

25. "Beer" is comprised of a wide variety of brands of alcoholic beverages usually made from a malted cereal grain, flavored with hops, and brewed via a process of fermentation. Beer is substantially differentiated from other alcoholic beverages by taste, quality, alcohol content, image, and price.

26. In addition to brewing, beer producers typically also sell, market, and develop multiple brands. Marketing and brand building take various forms including sports sponsorships, print advertising, national television campaigns, and increasingly, online marketing. For example,

Modelo has recently invested in “more national advertising [and] more national sports” in order to “build the equity of [its] brands.”

27. Most brewers use distributors to merchandise, sell, and deliver beer to retailers. Those end accounts are primarily grocery stores, large retailers such as Target and Walmart, and convenience stores, liquor stores, restaurants, and bars which, in turn, sell beer to the consumer. Beer brewed in foreign countries may be sold to an importer, which then arranges for distribution to retailers.

28. ABI groups beer into four segments: sub-premium, premium, premium plus, and high-end. The sub-premium segment, also referred to as the value segment, generally consists of lager beers, such as Natural and Keystone branded beer, and some ales and malt liquors, which are priced lower than premium beers, made from less expensive ingredients and are generally perceived as being of lower quality than premium beers. The premium segment generally consists of medium-priced American lager beers, such as ABI’s Budweiser, and the Miller and Coors brand families, including the “light” varieties. The premium plus segment consists largely of American beers that are priced somewhat higher than premium beers, made from more expensive ingredients and are generally perceived to be of superior quality. Examples of beers in the premium plus category include Bud Light Lime, Bud Light Platinum, Bud Light Lime-a-Rita and Michelob Ultra.

29. The high-end category includes craft beers, which are often produced in small-scale breweries, and imported beers. High-end beers sell at a wide variety of price points, most of which are higher than premium and premium plus beers. The high-end segment includes craft beers such as Dogfish Head, Flying Dog, and also imported beers, the best selling of which is Modelo’s Corona. ABI also owns high-end beers including Stella Artois and Goose Island.

Brewers with a broad portfolio of brands, such as ABI, seek to maintain “price gaps” between each segment. For example, premium beer is priced above sub-premium beer, but below premium plus beer.

30. Beers compete with one another across segments. Indeed, ABI and Modelo brands are in regular competition with one another. For example, Modelo, acting through Crown in the United States, usually selects “[d]omestic premium” beer, namely, ABI’s Bud Light, as its benchmark for its own brands’ pricing.

B. Relevant Product Market

31. Beer is a relevant product market and line of commerce under Section 7 of the Clayton Act. Other alcoholic beverages, such as wine and distilled spirits, are not sufficiently substitutable to discipline at least a small but significant and nontransitory increase in the price of beer, and relatively few consumers would substantially reduce their beer purchases in the event of such a price increase. Therefore, a hypothetical monopolist producer of beer likely would increase its prices by at least a small but significant and non-transitory amount.

C. Relevant Geographic Market

32. The 26 local markets, defined by Metropolitan Statistical Areas (“MSAs”)², identified in Appendix A, are relevant geographic markets for antitrust purposes. Each of these local markets currently benefits from head-to-head competition between ABI and Modelo, and in each the acquisition would likely substantially lessen competition.

33. The relevant geographic markets for analyzing the effects of this acquisition are best defined by the locations of the customers who purchase beer, rather than by the locations of breweries. Brewers develop pricing and promotional strategies based on an assessment of local

² As defined by the SymphonyIRI Group, a market research firm, whose data is commonly used by industry participants.

demand for their beer, local competitive conditions, and local brand strength. Thus, the price for a brand of beer can vary by local market.

34. Brewers are able to price differently in different locations, in part, because arbitrage across local markets is unlikely to occur. Consumers buy beer near their homes and typically do not travel to other areas to buy beer when prices rise. Also, distributors' contracts with brewers and their importers contain territorial limits and prohibit distributors from reselling beer outside their territories. In addition, each state has different laws and regulations regarding beer distribution and sales that would make arbitrage difficult.

35. Accordingly, a hypothetical monopolist of beer sold into each of the local markets identified in Appendix A would likely increase its prices in that local market by at least a small but significant and non-transitory amount.

36. Therefore, the MSAs identified in Appendix A are relevant geographic markets and "sections of the country" within the meaning of Section 7 of the Clayton Act.

37. There is also competition between brewers on a national level that affects local markets throughout the United States. Decisions about beer brewing, marketing, and brand building typically take place on a national level. In addition, most beer advertising is on national television, and brewers commonly compete for national retail accounts. General pricing strategy also typically originates at a national level. A hypothetical monopolist of beer sold in the United States would likely increase its prices by at least a small but significant and non-transitory amount. Accordingly, the United States is a relevant geographic market under Section 7 of the Clayton Act.

V. ABI'S PROPOSED ACQUISITION IS LIKELY TO RESULT IN ANTICOMPETITIVE EFFECTS

A. The Relevant Markets are Highly Concentrated and the Merger Triggers a Presumption of Illegality in Each Relevant Market

38. The relevant markets are highly concentrated and would become significantly more concentrated as a result of the proposed acquisition.

39. ABI is the largest brewer of beer sold in the United States. MillerCoors is the second-largest brewer of beer sold in the United States. MillerCoors owns the Miller and Coors brands and also many smaller brands including Blue Moon and Keystone Light. Modelo is the third-largest brewer of beer sold in the United States, with annual U.S. sales of \$2.47 billion, 7% market share nationally, and a market share that is nearly 20% in some local markets. Modelo owns the Corona, Modelo, Pacifico, and Victoria brands. The remaining sales of beer in the U.S. are divided among Heineken and fringe competitors, including many craft brewers, which the Defendants characterize as being “fragmented . . . small player[s].”

40. Concentration in relevant markets is typically measured by the Herfindahl-Hirschman Index (“HHI”). Market concentration is often one useful indicator of the level of competitive vigor in a market and the likely competitive effects of a merger. The more concentrated a market, and the more a transaction would increase concentration in a market, the more likely it is that a transaction would result in a meaningful reduction in competition. Markets in which the HHI is in excess of 2,500 points are considered highly concentrated.

41. The beer industry in the United States is highly concentrated and would become substantially more so as a result of this acquisition. Market share estimates demonstrate that in 20 of the 26 local geographic markets identified in Appendix A, the post-acquisition HHI exceeds 2,500 points, in one market is as high as 4,886 points, and there is an increase in the

HHI³ of at least 472 points in each of those 20 markets. In six of the local geographic markets, the post-merger HHI is at least 1,822, with an increase of the HHI of at least 387 points, and in each of those six markets the parties combined market share is greater than 30%.

42. In the United States, the Defendants will have a combined market share of approximately 46% post-transaction. The post-transaction HHI of the United States beer market will be greater than 2800, with an increase in the HHI of 566.

43. The market concentration measures, coupled with the significant increases in concentration, described above, demonstrate that the acquisition is presumed to be anticompetitive.

B. Beer Prices in the United States Today are Largely Determined by the Strategic Interactions of ABI, MillerCoors, and Modelo

1. ABI's Price Leadership

44. ABI and MillerCoors typically announce annual price increases in late summer for execution in early fall. The increases vary by region, but typically cover a broad range of beer brands and packs. In most local markets, ABI is the market share leader and issues its price announcement first, purposely making its price increases transparent to the market so its competitors will get in line. In the past several years, MillerCoors has followed ABI's price increases to a significant degree.

45. The specifics of ABI's pricing strategy are governed by its "Conduct Plan," a strategic plan for pricing in the United States that reads like a how-to manual for successful price coordination. The goals of the Conduct Plan include: "yielding the highest level of followership in the short-term" and "improving competitor conduct over the long-term."

³ Even if these concentration measures are modified to reflect ABI's current partial ownership of Modelo, the effective levels of concentration would still support a presumption of illegality.

46. ABI's Conduct Plan emphasizes the importance of being "Transparent – so competitors can clearly see the plan;" "Simple – so competitors can understand the plan;" "Consistent – so competitors can predict the plan;" and "Targeted – consider competition's structure." By pursuing these goals, ABI seeks to "dictate consistent and transparent competitive response." As one ABI executive wrote, a "Front Line Driven Plan sends Clear Signal to Competition and Sets up well for potential conduct plan response." According to ABI, its Conduct Plan "increases the probability of [ABI] sustaining a price increase."

47. The proposed merger would likely increase the ability of ABI and the remaining beer firms to coordinate by eliminating an independent Modelo – which has increasingly inhibited ABI's price leadership – from the market.

2. *Modelo Has Constrained ABI's Ability to Lead Prices Higher*

48. In the past several years, Modelo, acting through Crown, has disrupted ABI's pricing strategy by declining to match many of the price increases that were led by ABI and frequently joined by MillerCoors.

49. In or around 2008, Crown implemented its "Momentum Plan" with Modelo's enthusiastic support. The Momentum Plan is specifically designed to grow Modelo's market share by shrinking the price gaps between brands owned by Modelo and domestic premium brands. By maintaining steady pricing while the prices of premium beer continues to rise, Modelo has narrowed the price gap between its beers and ABI's premium beers, encouraging consumers to trade up to Modelo brands. These narrowed price gaps frustrate ABI and MillerCoors because they result in Modelo gaining market share at their expense.

50. Under the Momentum Plan, Modelo brand prices essentially remained flat despite price increases from ABI and other competitors, allowing Modelo brands to achieve their targeted

price gaps to premium beers in various markets. After Modelo implemented its price gap strategy, Modelo brands experienced market share growth.

51. Because of the Momentum Plan, prices on the Modelo brands have increased more slowly than ABI has increased premium segment prices. Thus, as ABI has observed, in recent years, the “gap between Premium and High End has been reducing . . . due to non [high-end] increases.” Over the same time period, the high-end segment has been gaining market share at the expense of ABI’s and MillerCoors’ premium domestic brands.

52. In internal strategy documents, ABI has repeatedly complained about pressure resulting from price competition with the Modelo brands: “Recent price actions delivered expected Trade up from Sub Premium, however it created additional share pressure from volume shifting to High End where we under-index;” “Consumers switching to High End accelerated by price gap compression;” “While relative Price to MC [MillerCoors] has remained stable the lack of Price increase in Corona is increasing pressure in Premium.” An ABI presentation from November 2011 stated that ABI’s strategy was “Short-Term []: We must slow the volume trend of High End Segment and cannot let the industry transform.” Owning the Modelo brands will enable ABI to implement that strategy.

53. The competition that Modelo has created by not following ABI price increases has constrained ABI’s ability to raise prices and forced ABI to become more competitive by offering innovative brands and packages to limit its share losses and to attract customers.

54. Competition between the ABI and Modelo brands has become increasingly intense throughout the country, particularly in areas with large Latino populations. As the country’s Latino population is forecasted to grow over time, ABI anticipates even more rigorous

competition with Modelo. Here are some examples of how the Modelo brands have disciplined the pricing of the market leaders.

a. California

55. Modelo, acting through Crown, has not followed ABI-led price increases in local markets in California. Because of the aggressive pricing of the Modelo brands, ABI's Bud and Bud Light brands have reported "[h]eavy share losses" to Modelo's Corona and Modelo Especial.

56. Consumers in California markets have been the beneficiaries of Modelo's aggressive pricing. ABI rescinded a planned September 2010 price increase because of the share growth of Modelo's Corona brand. ABI also considered launching a new line, "Michelob Especial," – a Modelo brand is "Modelo Especial" – targeted at California's Latino community. ABI recognized that Corona's strength in California meant that "innovation [is] required."

Nonetheless, Modelo continued "eating [Budweiser's] lunch" in California to the point where ABI's Vice President of Sales observed that "California is a burning platform" for ABI, which was "losing share" because of "price compression" between ABI and Corona.

57. In 2012, ABI's concern about losing market share to Modelo in California caused a full-blown price war. ABI implemented "aggressive price reductions . . ." that were seen as "specifically targeting Corona and Modelo." These aggressive discounts appear to have been taken in support of ABI's expressed desire to discipline Modelo's aggressive pricing with the ultimate goal of "driv[ing] them to go up" in price. Both MillerCoors and Modelo followed ABI's price decrease, and ABI responded by dropping its price even further to stay competitive.

b. Texas

58. Competition between the ABI and Modelo brands in local markets in Texas is also intense. Beginning in or about 2010, some Modelo brands began to be priced competitively with

ABI's Bud Light, the leading domestic brand throughout the state. Modelo brands also benefited from price promotions and regional advertising. By 2011, Modelo had begun gaining market share at ABI's expense. ABI recognized Modelo's aggressive price strategy as an issue contributing to its market share loss.

59. Ultimately, aggressive pricing on some Modelo brands forced ABI to lower its prices in local Texas markets, and adjust its marketing strategy to better respond to competition from the Modelo brands. According to an ABI Regional Vice President of Sales, ABI set "pricing, packaging and retail activity targets to address [Modelo's] Especial" brand. In both Houston and San Antonio, ABI also lowered the price of its Bud Light Lime brand to match Modelo Especial price moves.

c. New York City

60. In the summer of 2011, Modelo, acting through Crown, sought to narrow the gap in price between its brands and those of domestic premiums, including the ABI brands in New York City. ABI became concerned that "price compression on Premiums by imports" would cause premium domestic customers to trade up to the import segment. ABI's Vice President of Sales observed that the price moves on Modelo's Corona brand, and corresponding reductions by MillerCoors and Heineken, meant that ABI would "need to respond in some fashion," and that its planned price increase was "in jeopardy." ABI ultimately chose to respond by delaying a planned price increase to "limit the impact of price compression on our premiums as a result of the Corona . . . deeper discount."

C. The Elimination of Modelo Would Likely Result in Higher Coordinated Pricing by ABI and MillerCoors

61. Competition spurred by Modelo has benefitted consumers through lower beer prices and increased innovation. It has also thwarted ABI's vision of leading industry prices upward with

MillerCoors and others following. As one ABI executive stated in June 2011, “[t]he impact of Crown Imports not increasing price has a significant influence on our volume and share. The case could be made that Crown’s lack of increases has a bigger influence on our elasticity than MillerCoors does.” ABI’s acquisition of full ownership and control of Modelo’s brands and brewing assets will facilitate future pricing coordination.

D. The Loss of Head-to-Head Competition Between ABI and Modelo Would Likely Result in Higher Prices on ABI-Owned Brands

62. ABI is intent on moderating price competition. As it has explained internally: “We must defend from value-destroying pricing by: [1] Ensuring competition does not believe they can take share through pricing[,] [and] [2] Building discipline in our teams to prevent unintended initiation or acceleration of value-destroying actions.” ABI documents show that it is increasingly worried about the threat of high-end brands, such as Modelo’s, constraining its ability to increase premium and sub-premium pricing. In general, ABI, as the price leader, would prefer a market not characterized by aggressive pricing actions to take share because “[t]aking market share this way is unsustainable and results in lower total industry profitability which damages all players long-term.”

63. ABI would have strong incentives to raise the prices of its beers were it to acquire Modelo. First, lifting the price of Modelo beers would allow ABI to further increase the prices of its existing brands across all beer segments. Second, as the market leader in the premium and premium-plus segments, and as a brewer with an approximate overall national share of approximately 46% of beer sales post-acquisition, coupled with its newly expanded portfolio of brands, ABI stands to recapture a significant portion of any sales lost due to such a price increase, because a significant percentage of those lost sales will go to other ABI-owned brands.

64. Therefore, ABI likely would unilaterally raise prices on the brands of beer that it owns as a result of the acquisition.

E. The Loss of Head-to-Head Competition Between ABI and Modelo Will Harm Consumers Through Reduced New Product Innovation and Product Variety

65. Modelo's growth in the United States has repeatedly spurred product innovation by ABI. In 2011, ABI decided to "Target Mexican imports" and began planning three related ways of doing so. First, ABI would acquire the U.S. sales rights to Presidente beer, the number one beer in Central America, and greatly expand Presidente's distribution in the United States. Second, ABI would acquire a "Southern US or Mexican craft brand," and use it to compete against Mexican imports. Finally, ABI would license trademarks to another tropical-style beer, in a project that the responsible ABI manager described as a "Corona killer."

66. ABI's Bud Light Lime, launched in 2008, was also targeted at Corona (commonly served with a slice of lime), going so far as to mimic Corona's distinctive clear bottle. As one Modelo executive noted after watching a commercial for Bud Light Lime, the product was "invading aggressively and directly the Corona territory." Another executive commented that the commercial itself was "[v]ery similar" to one Modelo, through Crown, was developing at the same time.

67. The proposed acquisition's harmful effect on product innovation is already evident. If ABI were to acquire Modelo and enter into the supply agreement with Constellation, ABI would be forbidden from launching a "Mexican-style Beer" in the United States. Further, ABI would no longer have the same incentives to introduce new brands to take market share from the Modelo brands.

F. Summary of Competitive Harm from ABI's Acquisition of the Remainder of Modelo

68. The significant increase in market concentration that the proposed acquisition would produce in the relevant markets, combined with the loss of head-to-head competition between ABI and Modelo, is likely to result in unilateral price increases by ABI and to facilitate coordinated pricing between ABI and remaining market participants.

VI. ABSENCE OF COUNTERVAILING FACTORS

69. New entry and expansion by existing competitors are unlikely to prevent or remedy the acquisition's likely anticompetitive effects. Barriers to entry and expansion within each of these harmed markets include: (i) the substantial time and expense required to build a brand reputation; (ii) the substantial sunk costs for promotional and advertising activity needed to secure the distribution and placement of a new entrant's beer products in retail outlets; (iii) the difficulty of securing shelf-space in retail outlets; (iv) the time and cost of building new breweries and other facilities; and (v) the time and cost of developing a network of beer distributors and delivery routes.

70. Although ABI asserts that the acquisition would produce efficiencies, it cannot demonstrate acquisition-specific and cognizable efficiencies that would be passed-through to U.S. consumers, of sufficient size to offset the acquisition's significant anticompetitive effects.

VII. DEFENDANTS' PROFFERED "REMEDY" DOES NOT PREVENT THE ANTICOMPETITIVE EFFECT OF ABI'S ACQUISITION OF MODELO

71. In light of the high market concentration, and substantial likelihood of anticompetitive effects, ABI's acquisition of the remainder of Modelo is illegal. Defendants thus evidently structured their transactions with a purported "remedy" in mind: the sale of Modelo's interest in Crown to Constellation, coupled with a supply agreement that gives Constellation the right to

import Modelo beer into the United States. This proposal is inadequate to remedy Defendants' violation of Section 7 of the Clayton Act.

A. Constellation Has Not Shown Modelo and Crown's Past Willingness to Resist ABI's "Leader-Follower" Industry Plan

72. Constellation has not shown Crown and Modelo's past willingness to thwart ABI's price leadership. While Modelo supported narrowing the gap between the prices of its brands and those of ABI premium brands, Constellation's executives have sought to follow ABI's pricing lead. In August 2011, Constellation's Managing Director wrote to Crown's CEO: "Since ABI has already announced an October general price increase I was wondering if you are considering price increases for the Modelo portfolio? From a positioning and image perspective I believe it would be a mistake to allow the gaps to be narrowed . . . I think ABI's announcement gives you the opportunity to increase profitability without having to sacrifice significant volume." Similarly, in December of 2011, Constellation's CFO wrote to his counterpart at Crown that he thought price increases on the Modelo brands were viable "if domestics [i.e. Bud and Bud Light] keep going up" but worried that "Modelo gets a vote as well." And in June of 2012, a Crown executive stated that Constellation's plan for annual price increases "put at risk the relative success" of the Momentum Plan.

73. Crown executives have recognized the differing incentives, as it relates to pricing, of their two owners. As one Crown executive observed in a March 2011 email, "Modelo has a higher interest in building volume so that they can cover manufacturing costs, gain manufacturing profits and build share as the brand owners." Constellation, however, "is interested primarily in the financial return on a short-term or at the most on a mid-term basis."

74. Post-transaction, Constellation would no longer be so constrained. Even if Crown's own executives wanted to continue an aggressive pricing strategy, they would be required to answer to Crown's new sole owner – Constellation.

75. Crown executives were concerned about what would happen if Constellation gained complete control of Crown. Crown's CEO wrote to Constellation's CEO after Defendants' proposed "remedy" was announced: "the Crown team [] is extremely anxious about this change in ownership. This is in no small part the result of Constellation's actions over the term of the joint venture to limit investment in the business in the areas of manpower and marketing." Constellation's CEO responded internally: "[Q]uite something. I see a management issue brewing." In another email, Crown's CEO wrote to his employees that Constellation had been "consistently non supportive of the business through Crown's history . . . seeking to drive profits at all costs."

76. Crown's fears appear well-grounded. In 2010, Modelo sued Constellation for breach of fiduciary duty, after Constellation had refused to invest in marketing the Modelo brands. In its Complaint, Modelo alleged "Constellation [] knew that [Crown] management's plan was in Crown's best interests, but they blocked it anyway in an effort to secure unwarranted benefits for Constellation."

77. Post-acquisition, Constellation would not need to ask Modelo for permission to follow ABI's price-leadership. Instead, Constellation would be free to follow ABI's lead. Moreover, ABI and Constellation will have every incentive to act together on pricing because of the vast profits each would stand to make if beer prices were to increase.

78. The contingent supply relationship between ABI and Constellation would also facilitate joint pricing between the two companies. Post-acquisition, there would be day-to-day interaction

between ABI and Constellation on matters such as volume, packaging, transportation of product, and new product innovation. ABI and Constellation would have countless opportunities that could creatively be exploited, and that no one could predict or control, to allow ABI to reward Constellation (or refrain from punishing Constellation) in exchange for Constellation raising the price of the Modelo brands. The lucrative supply agreement from which Constellation seeks to gain billions of dollars in profits itself incentivizes Constellation to keep ABI happy to avoid terminating Constellation's rights in ten years.

79. ABI and Constellation are more likely to decide on mutually profitable pricing. Unlike ABI and Modelo, which are horizontal competitors, Constellation would be a mere participant in ABI's supply chain under the proposed arrangement.

80. ABI and Modelo have sought to avoid acting together on matters of competitive significance in the relevant markets in the U.S. Accordingly, they have built in several firewalls – including ABI's exclusion from sensitive portions of Modelo board meetings concerning the sale of Modelo beer in the U.S. – to insulate ABI from Modelo's U.S. business. Post-acquisition, those firewalls would be gone.

81. The loss of Modelo also, by itself, facilitates interdependent pricing. Today, ABI would need to reach agreement with both Modelo and Constellation to ensure that pricing for the Modelo brands followed ABI's lead. After the proposed transactions, working together on price would be easier because only Constellation would need to follow or agree with ABI.

B. Constellation Will Not Be an Independent Firm Capable of Restoring Head-To-Head Competition Between ABI and Modelo

82. Even if Constellation wanted to act at odds with ABI post-transaction, it would be unlikely to do so. Constellation will own no brands or brewing or bottling assets of its own. It would be dependent on ABI for its supply. Thus, Defendants' proposed remedy puts

Constellation in a considerably weaker competitive position compared to Modelo, which owns both brands and breweries.

83. ABI could terminate the contingent supply agreement at any time. And if ABI is displeased with Constellation's strategy in the United States, it might simply withhold or delay supply to punish Constellation.

84. The supply agreement may also be renegotiated at any time during the 10-year period. Thus, it provides no guaranteed protection for consumers that any of its terms will be followed if ABI is able to secure antitrust approval for this acquisition.

VIII. VIOLATIONS ALLEGED

85. The United States incorporates the allegations of paragraphs 1 through 84 above as if set forth fully herein.

Violation of Clayton Act § 7, 15 U.S.C. § 18 *ABI Agreement to Acquire Remainder of Modelo*

86. The proposed acquisition of the remainder of Modelo by ABI would likely substantially lessen competition – even after Defendants' proposed "remedy" – in the relevant markets, in violation of Section 7 of the Clayton Act, 15 U.S.C. § 18. The transactions would have the following anticompetitive effects, among others:

(a) Eliminating Modelo as a substantial, independent, and competitive force in the relevant markets, creating a combined firm with reduced incentives to lower price or increase innovation or quality;

(b) Competition generally in the relevant markets would likely be substantially lessened;

(c) Prices of beer would likely increase to levels above those that would

prevail absent the transaction, forcing millions of consumers in the United States to pay higher prices;

(d) Quality and innovation would likely be less than levels that would prevail absent the transaction;

(e) The acquisition would likely promote and facilitate pricing coordination in the relevant markets; and

(f) The acquisition would provide ABI with a greater incentive and ability to increase its pricing unilaterally.

IX. REQUEST FOR RELIEF

87. The United States requests that:

(a) The proposed acquisition be adjudged to violate Section 7 of the Clayton Act, 15 U.S.C. § 18;

(b) The Defendants be permanently enjoined and restrained from carrying out the Agreement and Plan of Merger dated June 28, 2012, and the “Transaction Agreement” dated June 28, 2012, between Modelo, Diblo, and ABI, or from entering into or carrying out any agreement, understanding, or plan by which ABI would acquire the remaining interest in Modelo, its stock, or any of its assets;

(c) The United States be awarded costs of this action; and

(d) The United States be awarded such other relief as the Court may deem just and proper.

Dated this 31st day of January 2013.

Civil Action No. 13-127 (RWR)
Judge Richard W. Roberts

COMPETITIVE IMPACT STATEMENT

Pursuant to Section 2(b) of the Antitrust Procedures and Penalties Act (“APPA” or “Tunney Act”), 15 U.S.C. § 16(b)-(h), Plaintiff United States of America (“United States”) files this Competitive Impact Statement relating to the proposed Final Judgment submitted on April 19, 2013, for entry in this civil antitrust proceeding.

I.

NATURE AND PURPOSE OF THE PROCEEDING

On June 28, 2012, Defendant Anheuser-Busch InBev SA/NV (“ABI”) agreed to purchase the remaining equity interest in Defendant Grupo Modelo, S.A.B. de C.V. (“Modelo”) for approximately \$20.1 billion. The United States filed a civil antitrust Complaint against ABI and Modelo on January 31, 2013, seeking to enjoin the proposed acquisition. The Complaint alleges that the likely effect of this acquisition would be to lessen competition substantially for beer in the United States and specifically in twenty-six local markets in violation of Section 7 of the Clayton Act, 15 U.S.C. § 18. This loss of competition would likely result in higher beer prices and less innovation.

On April 19, 2013, the United States filed an Explanation of Consent Decree Procedures, which included a Stipulation and Order and a proposed Final Judgment as exhibits that are collectively designed to eliminate the anticompetitive effects that the acquisition would have otherwise caused. The proposed Final Judgment, which is explained more fully below, will accomplish the complete divestiture of Modelo's U.S. business to Modelo's current joint venture partner, Constellation Brands, Inc. ("Constellation"), or, if that transaction fails to close, to another acquirer capable of replacing the competition that Modelo currently brings to the United States market. This structural fix will maintain Modelo Brand Beers⁴ as independent competitors to ABI's flagship brands in the United States and will eliminate the existing entanglements between ABI and Modelo vis-à-vis the beer market in the United States.

Specifically, under the proposed Final Judgment, ABI is required to divest and/or license to Constellation (or to an alternative purchaser if the sale to Constellation for some reason does not close) certain tangible and intangible assets (hereafter the "Divestiture Assets"), including:

- A perpetual and exclusive United States license to Corona Extra, this country's best-selling imported beer and #5 brand overall, and to nine other Modelo Brand Beers including Corona Light, Modelo Especial, Negra Modelo, and Pacifico;
- Modelo's newest, most technologically advanced brewery (the "Piedras Negras Brewery"), which is located in Mexico near the Texas border, and the assets and companies associated with it;⁵
- Modelo's limited liability membership interest in Crown Imports, LLC ("Crown"), the joint venture established by Modelo and Constellation to import, market, and sell certain Modelo beers into the United States; and
- Other assets, rights, and interests necessary to ensure that Constellation (or an alternative purchaser) is able to compete in the beer market in the United States using the Modelo Brand Beers, independent of a relationship with ABI and Modelo.

⁴ Capitalized terms in this Competitive Impact Statement are defined in the proposed Final Judgment.

⁵ The Piedras Negras Brewery is owned by a subsidiary of Modelo - Compañía Cervecería de Coahuila S.A. de C.V., which will be transferred as part of the divestiture.

Under the terms of the Stipulation and Order, Constellation will be added as a Defendant for purposes of settlement,⁶ and ABI, Modelo, and Constellation will take certain steps to operate Crown, the Piedras Negras Brewery, and the other Divestiture Assets as competitively independent, economically viable, and ongoing assets whose commercial activities will remain uninfluenced by ABI until the sale to Constellation has closed.

In order to guarantee that the acquirer of the Divestiture Assets will be able to supply Modelo Brand Beer to the United States market independent of ABI, the proposed Final Judgment contains provisions designed to ensure that Constellation (or an alternative acquirer) will have sufficient brewing capacity to meet current and future demand for Modelo Brand Beer in the United States. Because the Piedras Negras Brewery currently produces enough Modelo Brand Beer to serve only approximately 60% of present U.S. demand, Constellation has committed to build out and expand the Piedras Negras Brewery to brew and package sufficient quantities of Corona, Modelo Especial, and other Modelo Brand Beer to meet the large and growing demand for these beers in the United States. This expansion is included as a direct requirement under the proposed Final Judgment and will assure Constellation's future independence as a self-supplied brewer and seller in the United States beer market.

The United States and Defendants have stipulated that the proposed Final Judgment may be entered after compliance with the APPA. Entry of the proposed Final Judgment would terminate this action, except that the Court would retain jurisdiction to construe, modify, or enforce the provisions of the proposed Final Judgment and to punish violations thereof.

⁶ As discussed further below and in Section III.B herein, Constellation will be joined as a settling Defendant because it will be required, as a condition of acquiring the Divestiture Assets, to complete an expansion of the Piedras Negras Brewery to serve current and future United States demand.

II.

DESCRIPTION OF THE EVENTS GIVING RISE TO THE ALLEGED VIOLATION*A. The Defendants and the Proposed Transaction*

ABI is a corporation organized and existing under the laws of Belgium, with headquarters in Leuven, Belgium. ABI brews and markets more beer sold in the United States than any other firm, with a 39% market share nationally. ABI owns and operates 125 breweries worldwide, including 12 in the United States. It owns more than 200 different beer brands, including Bud Light, the highest selling brand in the United States, and other popular brands such as Budweiser, Busch, Michelob, Natural Light, Stella Artois, Goose Island, and Beck's.

Modelo is a corporation organized and existing under the laws of Mexico, with headquarters in Mexico City, Mexico. Modelo is the third-largest brewer of beer sold in the United States, with a 7% market share nationally. Modelo owns the top-selling beer imported into the United States, Corona Extra. Its other popular brands sold in the United States include Corona Light, Modelo Especial, Negra Modelo, Victoria, and Pacifico. Crown, the joint venture established by Modelo and Constellation, imports, markets, and sells certain Modelo's brands into the United States.

Constellation, headquartered in Victor, New York, is a beer, wine, and spirits company with a portfolio of more than 100 products, including Robert Mondavi, Clos du Bois, Ruffino, and SVEDKA Vodka. It produces wine and distilled spirits, with more than forty facilities worldwide. Constellation is not currently a beer brewer; Constellation's only involvement in the beer market in the United States is through its interest in Crown, although it actively participates in the management of that joint venture. Constellation is a Defendant to this action for the

purpose of assuring the satisfaction of the objectives of the proposed Final Judgment, including the expansion of the Piedras Negras Brewery.

ABI currently holds a 35.3% direct interest in Modelo, and a 23.3% direct interest in Modelo's operating subsidiary Diblo S.A. de C.V ("Diblo"). ABI's current stake in Modelo gives ABI certain minority voting rights and the right to appoint nine members of Modelo's 19-member Board of Directors.⁷

On June 28, 2012, ABI agreed to purchase, through an Agreement and Plan of Merger, along with a Transaction Agreement between ABI, Modelo and Diblo, the remaining equity interest from Modelo's owners, thereby obtaining full ownership and control of Modelo, for approximately \$20.1 billion.

At the time, Defendants also proposed to sell Modelo's stake in Crown to Constellation and enter into a ten-year supply agreement to provide Modelo beer to Constellation to import into the United States. The United States rejected this proposed vertical "fix" to a horizontal merger as inadequate to address the likely harm to competition that would result from the proposed transaction. Most importantly, the proposed supply agreement would not have alleviated the potential harm to competition that the proposed transaction created: It did not create an independent, fully-integrated brewer with permanent control of Modelo Brand Beer in the United States. The United States therefore filed a Complaint to enjoin this proposed acquisition on January 31, 2013.

B. The Competitive Effects of the Transaction on the Market for Beer in the United States

1. Relevant Markets

⁷ The sale of the Divestiture Assets to Constellation (or another acquirer) will eliminate ABI's minority right and sharing of profits in Modelo's U.S. business.

Beer is a relevant product market under Section 7. Wine, distilled liquor, and other alcoholic or non-alcoholic beverages do not substantially constrain the prices of beer, and a hypothetical monopolist in the beer market could profitably raise prices. ABI and other brewers generally categorize beers internally into different tiers based primarily on price, including sub-premium, premium, premium plus, and high-end. However, beers in different categories compete with each other, particularly when in adjacent tiers. For example, Modelo's Corona Extra—usually considered a high-end beer—regularly targets ABI's Bud Light, a premium light beer, as its primary competitor.

Both national and local geographic markets exist in this industry. The proposed merger would likely result in increased prices for beer in the United States market as a whole and in at least 26 Metropolitan Statistical Areas ("MSAs"). Large beer companies make competitive decisions and develop strategies regarding product development, marketing, and brand-building on a national level. Further, large beer brewers typically create and implement national pricing strategies.

However, beer brewers make many pricing and promotional decisions at the local level, reflecting local brand preferences, demographics, and other factors, which can vary significantly from one local market to another. The 26 MSAs alleged in the Complaint are areas in which beer purchasers are particularly vulnerable to targeted price increases.

2. Competitive Effects

The beer industry in the United States is highly concentrated and would become more so if ABI were allowed to acquire all of the remaining Modelo assets required to compete in the United States, as the transaction was originally proposed. ABI and MillerCoors, the two largest beer brewers in the United States, account for more than 65% of beer sold in the United States.

Modelo is the third largest beer brewer, constituting approximately 7% of national sales, and in certain MSAs its market share approaches 20%. Heineken and hundreds of smaller fringe competitors comprise the remainder of the beer market. In the 26 MSAs alleged in the Complaint, ABI and Modelo control an even larger share of the market, creating a presumption under the Clayton Act that the merger of the two firms would result in harm to competition in those markets.

Even so, the market shares of ABI and Modelo understate the potential anticompetitive effect of the proposed merger. The United States determined through its investigation that large brewers engage in significant levels of tacit coordination and that coordination has reduced competition and increased prices. In most regions of the United States, major brewers implement price increases on an annual basis in the fall. ABI is usually first to announce its annual price increases, setting forth recommended wholesale price increases designed to be transparent and to encourage others to follow. MillerCoors typically announces its price increases after ABI has publicized its price increases, and largely matches ABI's price increases. As a result, although ABI and MillerCoors have highly visible competing advertising and product innovation programs, they do not substantially constrain each other's annual price increases.

The third largest brewer, Modelo, has increasingly constrained ABI's and MillerCoors's ability to raise prices. To build its market share, Modelo (through its importer Crown) has tended not to follow the announced price increases of ABI and MillerCoors. This competitive strategy narrowed the price gap between Modelo's high-end brands and ABI's and MillerCoors's premium and premium plus brands, allowing Modelo to build market share at the expense of ABI and MillerCoors. By compressing the price gap between high-end and premium brands,

Modelo's actions have increasingly limited ABI's ability to lead beer prices higher. Therefore, ABI's acquisition of Modelo, as originally proposed, would have been likely to lead to higher beer prices in the United States by eliminating a competitor that resisted coordinated price increases initiated by the market share leader, ABI.

ABI and Modelo compete aggressively. Modelo brands compete with ABI brands in numerous venues and occasions, appealing to similar sets of consumers in terms of taste, quality, consumer perception, and value. As a result, Modelo (through its importer Crown) often sets its prices in particular markets with reference to the price of the leading ABI products, and engages in price competition through promotional activity designed to take share from the market leaders. Because a significant number of consumers regard the ABI brands and Modelo brands as substitutes, the merger, absent the divestiture, would create an incentive for ABI to raise the prices of some or all of the merged firm's brands and profitably recapture sales that result from consumers switching between the ABI brands and Modelo brands.

Further, competition from Modelo has spurred additional significant product innovation from ABI, including the introduction of Bud Light Lime, the introduction of new packages such as "Azulitas,"⁸ and the expansion of Landshark Lager. The merger of the two firms, as originally proposed, would have been likely to negatively affect ABI's incentive to innovate, bring new products to market, and otherwise invest in attracting consumers away from the unique Modelo brands.

3. Entry and Expansion

Neither entry into the beer market, nor any repositioning of existing brewers, would undo the anticompetitive harm from ABI's acquisition of Modelo, as originally proposed. Modelo's brands compete well against ABI due to their brand positioning and reputation, their well-

established marketing and broad acceptance by a wide range of consumers, and their robust distribution network resulting in the near-ubiquity of Corona Extra in the establishments where consumers purchase and consume beer. Any entrant would face enormous costs in attempting to replicate these assets, and would take many years to succeed. Building nationally recognized and accepted brands, which retailers will support with feature and display activity, is difficult, expensive, and time consuming. While consumers have undoubtedly benefited from the launch of many individual craft and specialty beers in the United States, the multiplicity of such brands does not replace the nature, scale, and scope of competition that Modelo provides today, and that would otherwise be eliminated by the proposed transaction.

III.

EXPLANATION OF THE PROPOSED FINAL JUDGMENT

The proposed Final Judgment contains a clean, structural remedy that eliminates the likely anticompetitive effects of the acquisition in the market for beer in the United States and the 26 local markets identified in the Complaint. The divestitures required by the proposed Final Judgment will create an independent and economically viable competitor that will stand in the shoes of Modelo in the United States. Specifically, the divestiture of the Piedras Negras Brewery and Modelo's interest in Crown, and the perpetual brand licenses required by the proposed Final Judgment, will vest in Constellation (or an alternative purchaser, should ABI's divestiture to Constellation not be completed) the brewing capacity, the assets, and the other rights needed to produce, market, and sell Modelo Brand Beer in a manner similar to that which we see today. In short, the divestiture preserves the current structure of the beer market in the United States by maintaining an independent brewer with an incentive to resist following ABI's price leadership in order to expand share. Furthermore, the proposed Final Judgment puts an end

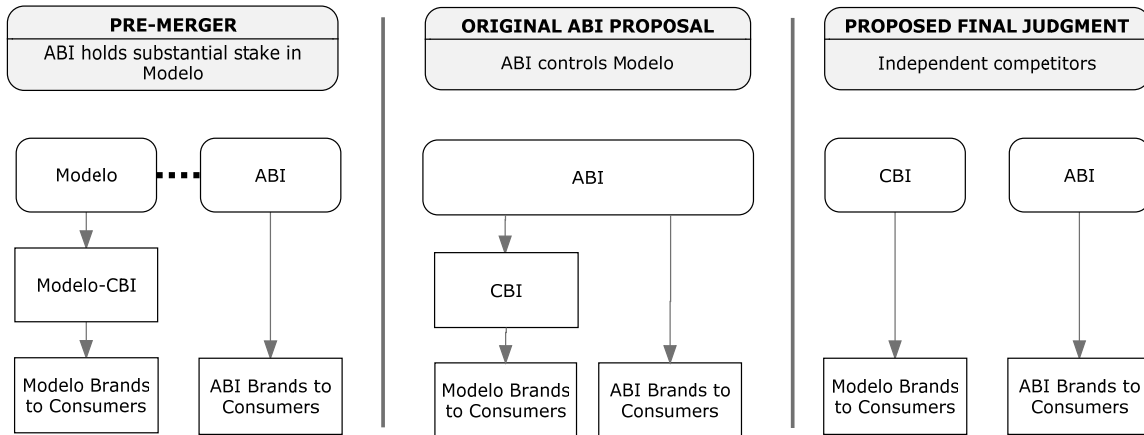

to the existing entanglements between ABI and Modelo with respect to the United States beer market. Finally, the proposed Final Judgment also provides for supervision by this Court and the United States of the transition services necessary to allow Constellation or another acquirer to compete effectively while the divestiture and expansion of the Piedras Negras Brewery are completed.

A. *The Divestiture*

The proposed Final Judgment requires ABI, within 90 days after entry of the Stipulation and Order by the Court, to (1) divest to Constellation Modelo's current interest in Crown, along with the Piedras Negras Brewery and associated assets, and (2) grant to Constellation a perpetual, assignable license to ten of the most popular Modelo Brand Beers, including Corona and Modelo Especial, for sale in the United States.⁹ The rights, assets, and interests to be divested to Constellation are set forth in the transaction agreements that are attached as exhibits to the proposed Final Judgment. If the divestiture to Constellation should fail to close, ABI would be required to make those same divestitures, and grant the same licenses, to another acquirer acceptable to the United States for the purpose of enabling that alternative acquirer to brew Modelo Brand Beer, and to market and distribute them in the United States market.

The proposed Final Judgment differs significantly from the deal that ABI sought unilaterally to impose and that is described in the Complaint. It vertically integrates the production and sale of Modelo Brand Beer in the United States and eliminates ABI's control of Modelo Brand Beer in the United States, as illustrated below:

⁹ The licensed brands include all the brands that Modelo currently offers (through its distributor Crown) in the United States: Corona, Corona Light, Modelo Especial, Negra Modelo, Modelo Light, Pacifico, and Victoria. The license also includes certain brands not yet offered in the United States, but that Constellation would be free to launch here: Pacifico Light, Barrilito, and León.

The proposed Final Judgment requires ABI to license rather than divest the brands because ABI retains the right to brew and market Modelo's brands throughout the rest of the world. The structure of the licenses provides Constellation all the rights and abilities it needs to compete in the United States as Modelo did before the merger, including the opportunity to introduce new brands in the United States that Modelo already markets in Mexico, such as León. The licenses are perpetual and assignable and cannot be terminated by ABI for any reason. They include the right to develop and launch new brand extensions and packages, to update brand recipes in response to consumer demand, and to adopt, or decline to adopt, any updated recipes for any of the licensed brands that ABI may choose to use outside the United States. This flexibility allows Constellation to adapt to changing market conditions in the United States to compete effectively in the future, and reduces ABI's ability to interfere with those adaptations.

The assets must be divested and/or licensed in such a way as to satisfy the United States, in its sole discretion, that the operations can and will be operated by the purchaser as a viable, ongoing business that can compete effectively in the relevant market. Defendants ABI and Modelo must take all reasonable steps necessary to accomplish the divestiture quickly. In the event that ABI does not accomplish the divestiture within 90 days as prescribed in the proposed

Final Judgment, the Final Judgment provides that the Court will appoint a trustee selected by the United States to complete the divestiture.¹⁰

B. *Mandatory Expansion of the Piedras Negras Brewery*

For the divestiture to be successful in replacing Modelo as a competitor, Constellation must expand the Piedras Negras Brewery's production capabilities. Section V.A of the proposed Final Judgment requires Constellation (or an alternative purchaser) to expand the Piedras Negras Brewery to be able to produce 20 million hectoliters of packaged beer annually by December 31, 2016. Such expansion will allow Constellation to produce, independently from ABI, enough Modelo Brand Beer to replicate Modelo's current competitive role in the United States. The required expansion also allows for expected future growth in sales of the licensed brands. In carrying out the expansion, Constellation is required to use its best efforts to adhere to specific construction milestones delineated in Sections V.A.1-8 of the proposed Final Judgment. A Monitoring Trustee will be appointed who will have the responsibility to observe the expansion and to report to the United States and the Court on whether the expansion is on track to be completed in the required timeframe.

Requiring the buyer of divested assets to improve those assets for the purposes of competing against the seller is an exceptional remedy that the United States found appropriate under the specific set of facts presented here. The recently constructed Piedras Negras Brewery is an ideal brewery for divestiture because it is near the United States border, is highly efficient, and features modular construction that was designed and equipped specifically to allow for economical expansion. No other combination of Modelo's brewing assets would have properly

¹⁰ The proposed Final Judgment also provides that the United States may extend the time for ABI to accomplish the divestiture by up to 60 days, in its sole discretion.

addressed the competitive harm caused by the proposed merger and allowed the acquirer of the Divestiture Assets to compete as effectively and economically with ABI as Modelo does today.

C. Employee Retention Provisions; Transitional Support and Supply Agreements

The proposed Final Judgment provides for or incorporates agreements protecting Constellation's ability to operate and expand the Piedras Negras Brewery while actively competing in the United States.

As part of the asset purchase, Constellation (or an alternative purchaser) will become the owner of the company that employs personnel who currently operate the Piedras Negras Brewery.¹¹ Section IV.D of the proposed Final Judgment prevents ABI or Modelo from interfering with Constellation's retention of those employees as part of the asset transfer. Together with the transition services, this provides Constellation with the specific knowledge necessary to operate the Piedras Negras Brewery.

Sections IV.G-I of the proposed Final Judgment require the parties to enter into transition services and interim supply agreements. The transition services agreement (Section IV.G) requires ABI to provide consulting services with respect to topics such as the management of the Piedras Negras Brewery, logistics, material resource planning, and other general administrative services that Modelo currently provides to the Piedras Negras Brewery. The transition services agreement also requires ABI to supply certain key inputs (such as aluminum cans, glass, malt, yeast, and corn starch) for a limited time. The interim supply agreement (Section IV.H-I) requires ABI to supply Constellation with sufficient Modelo Brand Beer each year to make up for any difference between the demand for such beers in the United States and the Piedras Negras Brewery's capacity to fulfill that demand.

¹¹ The company is Servicios Modelo de Coahuila, S.A. de C.V., a subsidiary of Grupo Modelo with its headquarters in Coahuila, Mexico.

The transition services and interim supply agreements are necessary to allow Constellation (or an alternative purchaser) to continue to compete in the United States during the time it takes to expand the Piedras Negras Brewery's capacity to brew and bottle beer, but are time-limited to assure that Constellation will become a fully independent competitor to ABI as soon as practicable. As such, in conjunction with the firewall provisions described below, they prevent the vertical supply arrangement from causing competitive harm in the near term. The proposed Final Judgment subjects these agreements, including any extensions, to monitoring by a court-appointed trustee and, in the event that a firm other than Constellation acquires the assets, the acquisition requires approval by the United States.

D. Distribution of Modelo Brand Beer

Effective distribution is important for a brewer to be competitive in the beer industry. The proposed Final Judgment imposes two requirements on ABI regarding its distribution network that are designed to limit ABI's ability to interfere with Constellation's effective distribution of Modelo Brand Beer. These requirements ensure that Constellation can reduce the threat of discrimination in distribution at the hands of ABI-owned distributors or ABI-sponsored distributor incentive programs, in recognition of the influence ABI already exercises in the concentrated beer distribution markets.

First, Section V.C of the proposed Final Judgment provides that, for ABI's majority-owned distributors ("ABI-Owned Distributors") that distribute Modelo Brand Beer, Constellation will have a window of opportunity to terminate that distribution relationship and direct the ABI-owned distributor to sell the distribution rights to another distributor. Similarly, should ABI subsequently acquire any distributors that have contractual rights to distribute Modelo Brand Beer, Constellation may require ABI to sell those rights.

Second, the proposed Final Judgment prevents ABI for 36 months from downgrading a distributor's ranking in ABI's distributor incentive programs by virtue of the distributor's decision to carry Modelo Brand Beer. The 36-month time period tracks the initial term of the transition service and interim supply agreements, and thus allows Constellation to maintain a status quo position for the Modelo Brand Beer in ABI's distribution incentive programs until Constellation can operate independently of ABI.

E. *Divestiture Trustee*

In the event that Defendants do not accomplish the divestiture as prescribed in the proposed Final Judgment, either to Constellation or to an alternative buyer, Section VI of the proposed Final Judgment provides that the Court will appoint a Divestiture Trustee selected by the United States to complete the divestiture. If a Divestiture Trustee is appointed, the proposed Final Judgment provides that ABI will pay all costs and expenses of the Divestiture Trustee. Under the proposed Final Judgment, the Divestiture Trustee shall have the ability to modify the package of assets to be divested, should such modification become necessary to enable an acquirer to expand and operate the Piedras Negras Brewery or if there has been a breach in the representations made by ABI and Modelo regarding the completeness of the assets. After his or her appointment becomes effective, the Divestiture Trustee will file monthly reports with the Court and the United States setting forth his or her efforts to accomplish the divestiture.

F. *Monitoring Trustee*

Section VIII of the proposed Final Judgment permits the appointment of a Monitoring Trustee by the United States in its sole discretion and the United States intends to appoint one and seek the Court's approval. The Monitoring Trustee will ensure that Defendants expeditiously comply with all of their obligations and perform all of their responsibilities under

the proposed Final Judgment and the Stipulation and Order; that the Divestiture Assets remain economically viable, competitive, and ongoing assets; and that competition in the sale of beer in the United States in the relevant markets is maintained until the required divestitures and other requirements of the proposed Final Judgment have been accomplished. The Monitoring Trustee will have the power and authority to monitor Defendants' compliance with the terms of the Final Judgment and attendant interim supply and services contracts. The Monitoring Trustee will have access to all personnel, books, records, and information necessary to monitor such compliance, and will serve at the cost and expense of ABI. The Monitoring Trustee will file reports every 90 days with the United States and the Court setting forth Defendants' efforts to comply with their obligations under the proposed Final Judgment and the Stipulation and Order.

G. Stipulation and Order Provisions

Defendants have entered into the Stipulation and Order attached as an exhibit to the Explanation of Consent Decree Procedures, which was filed simultaneously with the Court, to ensure that, pending the divestitures, the Divestiture Assets are maintained as an ongoing, economically viable, and active business. The Stipulation and Order ensures that the Divestiture Assets are preserved and maintained in a condition that allows the divestitures to be effective. The Stipulation and Order also adds Constellation as a Defendant for purposes of entering the Final Judgment.

H. Notification Provisions

Section XII of the proposed Final Judgment requires ABI to notify the United States in advance of executing certain transactions that would not otherwise be reportable under the Hart-Scott-Rodino Antitrust Improvements Act of 1976. The transactions covered by these provisions include the acquisition or license of any interest in non-ABI brewing assets or brands, excluding

acquisitions of: (1) foreign-located assets that do not generate at least \$7.5 million in annual gross revenue from beer sold for resale in the United States; (2) certain ordinary-course asset purchases and passive investments; and (3) distribution licenses that do not generate at least \$3 million in annual gross revenue in the United States. This provision ensures that the United States will have the ability to take action in advance of any transactions that could potentially impact competition in the United States beer market.

I. *Firewall*

Section XIII of the proposed Final Judgment requires ABI and Modelo to implement firewall procedures to prevent Constellation's (or an alternative acquirer's) confidential business information from being used within ABI or Modelo for any purpose that could harm competition or provide an unfair competitive advantage to ABI based on its role as a temporary supplier to Constellation under either the transition services or interim supply agreements. Within ten days of the Court approving the Stipulation and Order described above, ABI and Modelo must submit their planned procedures for maintaining a firewall. Additionally, ABI and Modelo must brief certain officers of the company and business personnel who have responsibility for commercial interactions with Constellation as to their required treatment of Constellation's confidential business information. This provision ensures that ABI and Modelo cannot improperly use any confidential information they receive from Constellation in ways that would harm competition in the beer industry or impair Constellation's competitive prospects.

IV.

REMEDIES AVAILABLE TO POTENTIAL PRIVATE LITIGANTS

Section 4 of the Clayton Act, 15 U.S.C. § 15, provides that any person who has been injured as a result of conduct prohibited by the antitrust laws may bring suit in federal court to

recover three times the damages the person has suffered, as well as costs and reasonable attorneys' fees. Entry of the proposed Final Judgment will neither impair nor assist the bringing of any private antitrust damage action. Under the provisions of Section 5(a) of the Clayton Act, 15 U.S.C. § 16(a), the proposed Final Judgment has no prima facie effect in any subsequent private lawsuit that may be brought against Defendants.

V.

PROCEDURES AVAILABLE FOR MODIFICATION
OF THE PROPOSED FINAL JUDGMENT

The United States and Defendants have stipulated that the proposed Final Judgment may be entered by the Court after compliance with the provisions of the APPA, provided that the United States has not withdrawn its consent. The APPA conditions entry upon the Court's determination that the proposed Final Judgment is in the public interest.

The APPA provides a period of at least sixty (60) days preceding the effective date of the proposed Final Judgment within which any person may submit to the United States written comments regarding the proposed Final Judgment. Any person who wishes to comment should do so within sixty (60) days of the date of publication of this Competitive Impact Statement in the Federal Register, or the last date of publication in a newspaper of the summary of this Competitive Impact Statement, whichever is later. All comments received during this period will be considered by the United States Department of Justice, which remains free to withdraw its consent to the proposed Final Judgment at any time prior to the Court's entry of judgment. The comments and the response of the United States will be filed with the Court. In addition, comments will be posted on the U.S. Department of Justice, Antitrust Division's internet website and published in the Federal Register.

Written comments should be submitted to:

James Tierney
Chief, Networks and Technology Enforcement Section
Antitrust Division
United States Department of Justice
450 5th Street NW; Suite 7100
Washington, DC 20530

The proposed Final Judgment provides that the Court retains jurisdiction over this action, and the parties may apply to the Court for any order necessary or appropriate for the modification, interpretation, or enforcement of the Final Judgment.

VI.

ALTERNATIVES TO THE PROPOSED FINAL JUDGMENT

The United States considered, before initiating this lawsuit to enjoin the proposed merger, the Defendants' proposal of selling Modelo's stake in Crown to Constellation and entering into a ten-year supply agreement. The United States ultimately rejected this proposal as inadequate to address the merger's likely anticompetitive effects. The settlement embodied within the proposed Final Judgment differs significantly from the Defendants' original solution. Most importantly, the proposed Final Judgment ensures that Modelo Brand Beer sold in the United States will be brewed, imported, and sold by a firm that is vertically integrated and completely independent from ABI. Unlike the Defendants' original proposal, which left Constellation with no brewing assets, beholden to ABI for the supply of beer, and was terminable after ten years, the proposed Final Judgment ensures Constellation will have independent brewing assets and the ownership of the Modelo Brand Beer for sale in the United States in perpetuity.

The United States also considered, as an alternative to the proposed Final Judgment, a full trial on the merits against Defendants ABI and Modelo. The United States could have continued the litigation and sought preliminary and permanent injunctions against ABI's

acquisition of Modelo. The United States is satisfied, however, that the divestiture of assets described in the proposed Final Judgment, and concomitant expansion of the brewery assets, will preserve competition for the provision of beer in the relevant market identified by the United States. Thus, the proposed Final Judgment would achieve all or substantially all of the relief the United States would have obtained through litigation, but avoids the time, expense, and uncertainty of a full trial on the merits of the Complaint.

VII.

STANDARD OF REVIEW UNDER THE APPA FOR THE PROPOSED FINAL JUDGMENT

The Clayton Act, as amended by the APPA, requires that proposed consent judgments in antitrust cases brought by the United States be subject to a sixty-day comment period, after which the court shall determine whether entry of the proposed Final Judgment “is in the public interest.” 15 U.S.C. § 16(e)(1). In making that determination, the court, in accordance with the statute as amended in 2004, is required to consider:

(A) the competitive impact of such judgment, including termination of alleged violations, provisions for enforcement and modification, duration of relief sought, anticipated effects of alternative remedies actually considered, whether its terms are ambiguous, and any other competitive considerations bearing upon the adequacy of such judgment that the court deems necessary to a determination of whether the consent judgment is in the public interest; and

(B) the impact of entry of such judgment upon competition in the relevant market or markets, upon the public generally and individuals alleging specific injury from the violations set forth in the complaint including consideration of the public benefit, if any, to be derived from a determination of the issues at trial.

15 U.S.C. § 16(e)(1)(A) & (B). In considering these statutory factors, the court’s inquiry is necessarily a limited one as the government is entitled to “broad discretion to settle with the defendant within the reaches of the public interest.” *United States v. Microsoft Corp.*, 56 F.3d

1448, 1461 (D.C. Cir. 1995); *see generally United States v. SBC Commc'ns, Inc.*, 489 F. Supp. 2d 1 (D.D.C. 2007) (assessing public interest standard under the Tunney Act); *United States v. InBev N.V./S.A.*, 2009-2 Trade Cas. (CCH) ¶ 76,736, 2009 U.S. Dist. LEXIS 84787, No. 08-1965 (JR), at *3, (D.D.C. Aug. 11, 2009) (noting that the court's review of a consent judgment is limited and only inquires "into whether the government's determination that the proposed remedies will cure the antitrust violations alleged in the complaint was reasonable, and whether the mechanism to enforce the final judgment are clear and manageable.").¹²

As the United States Court of Appeals for the District of Columbia Circuit has held, under the APPA a court considers, among other things, the relationship between the remedy secured and the specific allegations set forth in the government's complaint, whether the decree is sufficiently clear, whether enforcement mechanisms are sufficient, and whether the decree may positively harm third parties. *See Microsoft*, 56 F.3d at 1458-62. With respect to the adequacy of the relief secured by the decree, a court may not "engage in an unrestricted evaluation of what relief would best serve the public." *United States v. BNS, Inc.*, 858 F.2d 456, 462 (9th Cir. 1988) (citing *United States v. Bechtel Corp.*, 648 F.2d 660, 666 (9th Cir. 1981)); *see also Microsoft*, 56 F.3d at 1460-62; *United States v. Alcoa, Inc.*, 152 F. Supp. 2d 37, 40 (D.D.C. 2001); *InBev*, 2009 U.S. Dist. LEXIS 84787, at *3. Courts have held that:

[t]he balancing of competing social and political interests affected by a proposed antitrust consent decree must be left, in the first instance, to the discretion of the Attorney General. The court's role in protecting the public interest is one of insuring that the government has not breached its duty to the public in consenting to the decree. The court is required to determine not whether a particular decree is the one that will best serve society, but whether the settlement is "*within the reaches of the public interest.*" More elaborate requirements might undermine the effectiveness of antitrust enforcement by consent decree.

¹² The 2004 amendments substituted "shall" for "may" in directing relevant factors for court to consider and amended the list of factors to focus on competitive considerations and to address potentially ambiguous judgment terms. *Compare* 15 U.S.C. § 16(e) (2004), *with* 15 U.S.C. § 16(e)(1) (2006); *see also SBC Commc'ns*, 489 F. Supp. 2d at 11 (concluding that the 2004 amendments "effected minimal changes" to Tunney Act review).

Bechtel, 648 F.2d at 666 (emphasis added) (citations omitted).¹³ In determining whether a proposed settlement is in the public interest, a district court “must accord deference to the government’s predictions about the efficacy of its remedies, and may not require that the remedies perfectly match the alleged violations.” *SBC Commc’ns*, 489 F. Supp. 2d at 17; *see also Microsoft*, 56 F.3d at 1461 (noting the need for courts to be “deferential to the government’s predictions as to the effect of the proposed remedies”); *United States v. Archer-Daniels-Midland Co.*, 272 F. Supp. 2d 1, 6 (D.D.C. 2003) (noting that the court should grant due respect to the United States’ prediction as to the effect of proposed remedies, its perception of the market structure, and its views of the nature of the case).

Courts have greater flexibility in approving proposed consent decrees than in crafting their own decrees following a finding of liability in a litigated matter. “[A] proposed decree must be approved even if it falls short of the remedy the court would impose on its own, as long as it falls within the range of acceptability or is ‘within the reaches of public interest.’” *United States v. Am. Tel. & Tel. Co.*, 552 F. Supp. 131, 151 (D.D.C. 1982) (citations omitted) (quoting *United States v. Gillette Co.*, 406 F. Supp. 713, 716 (D. Mass. 1975)), *aff’d sub nom. Maryland v. United States*, 460 U.S. 1001 (1983); *see also United States v. Alcan Aluminum Ltd.*, 605 F. Supp. 619, 622 (W.D. Ky. 1985) (approving the consent decree even though the court would have imposed a greater remedy). To meet this standard, the United States “need only provide a factual basis for concluding that the settlements are reasonably adequate remedies for the alleged harms.” *SBC Commc’ns*, 489 F. Supp. 2d at 17.

¹³ *Cf. BNS*, 858 F.2d at 464 (holding that the court’s “ultimate authority under the [APPA] is limited to approving or disapproving the consent decree”); *United States v. Gillette Co.*, 406 F. Supp. 713, 716 (D. Mass. 1975) (noting that, in this way, the court is constrained to “look at the overall picture not hypercritically, nor with a microscope, but with an artist’s reducing glass”). *See generally Microsoft*, 56 F.3d at 1461 (discussing whether “the remedies [obtained in the decree are] so inconsonant with the allegations charged as to fall outside of the ‘reaches of the public interest’”).

Moreover, the court's role under the APPA is limited to reviewing the remedy in relationship to the violations that the United States has alleged in its Complaint, and does not authorize the court to "construct [its] own hypothetical case and then evaluate the decree against that case." *Microsoft*, 56 F.3d at 1459; see also *InBev*, 2009 U.S. Dist. LEXIS 84787, at *20 ("the 'public interest' is not to be measured by comparing the violations alleged in the complaint against those the court believes could have, or even should have, been alleged"). Because the "court's authority to review the decree depends entirely on the government's exercising its prosecutorial discretion by bringing a case in the first place," it follows that "the court is only authorized to review the decree itself," and not to "effectively redraft the complaint" to inquire into other matters that the United States did not pursue. *Microsoft*, 56 F.3d at 1459-60. As this court confirmed in *SBC Communications*, courts "cannot look beyond the complaint in making the public interest determination unless the complaint is drafted so narrowly as to make a mockery of judicial power." *SBC Commc'ns*, 489 F. Supp. 2d at 15.

In its 2004 amendments, Congress made clear its intent to preserve the practical benefits of utilizing consent decrees in antitrust enforcement, adding the unambiguous instruction that "[n]othing in this section shall be construed to require the court to conduct an evidentiary hearing or to require the court to permit anyone to intervene." 15 U.S.C. § 16(e)(2). The language wrote into the statute what Congress intended when it enacted the Tunney Act in 1974, as Senator Tunney explained: "[t]he court is nowhere compelled to go to trial or to engage in extended proceedings which might have the effect of vitiating the benefits of prompt and less costly settlement through the consent decree process." 119 Cong. Rec. 24,598 (1973) (statement of Senator Tunney). Rather, the procedure for the public interest determination is left to the discretion of the court, with the recognition that the court's "scope of review remains sharply

proscribed by precedent and the nature of Tunney Act proceedings.” *SBC Commc’ns*, 489 F. Supp. 2d at 11.¹⁴

PROPOSED FINAL JUDGMENT

WHEREAS, Plaintiff United States of America (“United States”) filed its Complaint against Defendants Anheuser-Busch InBev SA/NV (“ABI”) and Grupo Modelo, S.A.B. de C.V. (“Modelo”) on January 31, 2013;

AND WHEREAS, pursuant to a Stipulation among Plaintiff and the Defendants including Defendant Constellation Brands, Inc., (“Constellation”), the Court has joined Constellation as a Defendant to this action for the purposes of settlement and for the entry of this Final Judgment;

AND WHEREAS, the United States and Defendants ABI, Modelo, and Constellation, by their respective attorneys, have consented to entry of this Final Judgment without trial or adjudication of any issue of fact or law, and without this Final Judgment constituting any evidence against or admission by any party regarding any issue of fact or law;

AND WHEREAS, Defendants agree to be bound by the provisions of the Final Judgment pending its approval by the Court;

AND WHEREAS, the essence of this Final Judgment is (a) the prompt and certain divestiture of certain rights and assets held by Defendants ABI and Modelo to Defendant Constellation (or other firm) as an Acquirer, to assure that competition is not substantially lessened; and (b) the necessary and appropriate build-out and capacity expansion of the Piedras Negras Brewery by the Acquirer over time to ensure that the Acquirer is able to compete in the United States independent of a relationship to the Sellers;

AND WHEREAS, this Final Judgment requires Defendants ABI and Modelo to make certain divestitures to Defendant Constellation (or other Acquirer) for the purpose of remedying the loss of competition alleged in the Complaint;

AND WHEREAS, Defendants ABI and Modelo intend for the divestiture of certain rights and assets to Constellation (or other Acquirer) to be permanent;

AND WHEREAS, this Final Judgment requires Defendant Constellation (or other Acquirer) to make certain investments for the purpose of expanding the capacity of the Piedras Negras Brewery;

AND WHEREAS, Defendants have represented to the United States that the divestitures required below can and will be made, and Defendant Constellation has represented that the Piedras Negras Brewery investments and expansion can and will be accomplished, and that Defendants will later raise no claim of hardship or difficulty as grounds for asking the Court to modify any of the provisions contained below;

NOW THEREFORE, before any testimony is taken, without trial or adjudication of any issue of fact or law, and upon consent of the parties, it is ORDERED, ADJUDGED, AND DECREED:

I. JURISDICTION

This Court has jurisdiction over the subject matter of and each of the parties to this action. The Complaint states a claim upon which relief may be granted against Defendants ABI and Modelo under Section 7 of the Clayton Act, as amended (15 U.S.C. § 18). 2. confidential unit sales data, non-public pricing strategies and plans, or any other confidential commercial information of the Acquirer that either an ABI-Owned Distributor, or any other Distributor in which ABI acquires a majority interest after the date of the divestiture contemplated herein, obtains from the Acquirer by virtue of its relationship with the Acquirer.

B. If, prior to complying with Section IV and VI of this Final Judgment, Sellers sell or otherwise dispose of all or substantially all of their assets or of lesser business units that include the Divestiture Assets, they shall require the purchaser to be bound by the provisions of this Final Judgment.

IV. DIVESTITURE

A. The Court orders the divestitures set forth in this Section IV, having accepted the following representations made by the parties as of the date of filing this Final Judgment:

1. by ABI, the certain representations contained in Section 3.25 of the Stock Purchase Agreement attached in Exhibit A hereto regarding the sufficiency of the assets to be divested;
2. by ABI, the certain representations contained in Section 3.26 of the Stock Purchase Agreement attached in Exhibit A hereto regarding the absence of present knowledge of impediments to the expansion of capacity of the Piedras Negras Brewery;
3. by Modelo, the representations set forth in the Letter of Grupo Modelo, S.A.B. de C.V., dated April 17, 2013, attached hereto as Exhibit C, regarding the issues described in subparagraphs A.1 and A.2 above; and
4. by Modelo, the representations set forth in the Letter of Grupo Modelo, S.A.B. de C.V., dated April 17, 2013, attached hereto as Exhibit C, regarding the sufficiency of the assets being divested for the importation, marketing, distribution and sale of Modelo Brand Beer in the United States.

B. ABI is ordered and directed, upon the later of (1) the completion of the Transaction or (2) ninety (90) calendar days after the filing of this proposed Final Judgment, to divest the Divestiture Assets in a manner consistent with this Final Judgment to an Acquirer acceptable to the United States in its sole discretion. The United States, in its sole discretion, may agree to one or more extensions of this time period not to exceed sixty (60) calendar days in total, and shall notify the Court in such circumstances. ABI agrees to use its best efforts to divest the Divestiture Assets as expeditiously as possible.

C. In the event Sellers are attempting to divest the Divestiture Assets to an Acquirer other than Constellation, in accomplishing the divestiture ordered by this Final Judgment, Sellers promptly shall make known, by usual and customary means, the availability of the Divestiture Assets. Sellers shall inform any person making inquiry regarding a possible purchase of the Divestiture Assets that they are being divested pursuant to this Final Judgment and provide that person with a copy of this Final Judgment. Sellers shall offer to furnish to all prospective Acquirers, subject to customary confidentiality assurances, all information and documents relating to the Divestiture

Assets customarily provided in a due diligence process except such information or documents subject to the attorney-client privileges or work-product doctrine. Sellers shall make available such information to the United States at the same time that such information is made available to any other person.

D. Sellers shall provide the Acquirer and the United States information relating to the personnel involved in the operation of the Divestiture Assets to enable the Acquirer to make offers of employment. Sellers will not interfere with any negotiations by the Acquirer to retain, employ or contract with any employee of the Brewery Companies. Interference with respect to this paragraph includes, but is not limited to, enforcement of non-compete clauses, solicitation of employment with ABI or Modelo, offers to transfer to another facility of ABI or Modelo, and offers to increase salary or other benefits apart from those offered company-wide.

E. In the event the Sellers are attempting to divest the Divestiture Assets to an Acquirer other than Constellation, Sellers shall permit prospective Acquirers of the Divestiture Assets to have reasonable access to personnel and to make inspections of the physical facilities of the Piedras Negras Brewery; access to any and all environmental, zoning, and other permit documents and information; and access to any and all financial, operational, or other documents and information customarily provided as part of a due diligence process.

F. Defendants shall, as soon as possible, but within two (2) business days after completion of the relevant event, notify the United States of: (1) the effective date of the completion of the Transaction; and (2) the effective date of the sale of the Divestiture Assets to the Acquirer.

G. Any amendment or modification of any of the agreements in Exhibit A, or any similar agreements entered with an Acquirer pursuant to Section IV.B, may only be entered into with the approval of the United States in its sole discretion. Sellers and the Acquirer shall enter into a Transition Services Agreement for a period up to three (3) years from the date of the divestiture to enable the Acquirer to compete effectively in providing Beer in the United States. Sellers shall perform all duties and provide any and all services required of Sellers under the Transition Services Agreement. Any amendments or modifications of the Transition Services Agreement may only be entered into with the approval of the United States in its sole discretion.

H. Sellers and the Acquirer shall enter into an Interim Supply Agreement for a period up to three (3) years from the execution date of the divestiture to enable the Acquirer to compete effectively in providing Beer in the United States. Sellers shall perform all duties and provide any and all services required of Sellers under the

Interim Supply Agreement. Any amendments, modifications, or extensions of the Interim Supply Agreement beyond three (3) years may only be entered into with the approval of the United States in its sole discretion.

I. If the Acquirer seeks an extension of the Interim Supply Agreement, the Acquirer shall so notify the United States in writing at least four (4) months prior to the date the Interim Supply Agreement expires. If the United States approves such an extension, it shall so notify the Acquirer in writing at least three (3) months prior to the date the Interim Supply Agreement expires. The total term of the Interim Supply Agreement and any extension(s) so approved shall not exceed five (5) years.

J. Unless the United States otherwise consents in writing, the divestiture pursuant to Section IV or VI shall include the entire Divestiture Assets, and shall be accomplished in such a way as to satisfy the United States, in its sole discretion, that the Divestiture Assets can and will be used by the Acquirer as part of a viable, ongoing business, engaged in providing Beer in the United States. The divestiture shall be:

1. made to an Acquirer that, in the United States' sole judgment, has the intent and capability (including the necessary managerial, operational, technical and financial capability) to complete the expansion of the Piedras Negras Brewery as contemplated herein, and to compete in the business of providing Beer; and
2. accomplished so as to satisfy the United States, in its sole discretion, that none of the terms of the agreement between an Acquirer and Sellers gives Sellers the ability unreasonably to raise the Acquirer's costs, to lower the Acquirer's efficiency, or otherwise to interfere in the ability of the Acquirer to compete effectively.

V. REQUIRED EXPANSION AND OTHER PROVISIONS DESIGNED TO PROMOTE COMPETITION

A. Acquirer shall accomplish the expansion of the Piedras Negras Brewery to a Nominal Capacity of at least twenty (20) million hectoliters of packaged Beer annually, to include the ability to produce commercially reasonable quantities of each Modelo Brand Beer offered by Crown for sale in the United States as of the date of filing this proposed Final Judgment. Acquirer shall complete the above expansion by December 31, 2016. As part of the expansion of the Piedras Negras Brewery, Defendant Constellation shall use its best efforts to complete the following construction milestones by the specified deadlines:

1. Within six (6) months from the date of divestiture, the appointment of, and contracts executed with, design and engineering firms;

2. Within twelve (12) months from the date of divestiture, the completion of the design and engineering (including specifications and rated capacities) of the brewhouse, packaging hall, and warehouse;
3. Within twelve (12) months from the date of divestiture, the obtainment of all necessary permits;
4. Within twelve (12) months from the date of divestiture, the commencement of construction of the brewhouse, packaging hall, and warehouse;
5. Within twenty-four (24) months from the date of divestiture, the completion of the construction of the warehouse and completion of the installation of equipment in the warehouse;
6. Within thirty (30) months from the date of divestiture, the completion of the construction of the brewhouse and completion of the installation of equipment in the brewhouse;
7. Within thirty-six (36) months from the date of divestiture, the completion of the construction of the packaging hall and the completion of the installation of equipment in the packaging hall; and
8. Within thirty-six (36) months from the date of divestiture, Constellation determines in its discretion that it is able to obtain its supply requirements from the Piedras Negras Brewery and is no longer dependent on supply under the Interim Supply Agreement.

B. For a period of thirty-six (36) months after the date of the divestiture, (i) ABI shall not make any change to its Distributor Incentive Program that would cause any Modelo Brand Beer to count against a Distributor's level of alignment, nor implement a new Distributor Incentive Program that would have a similar effect; and (ii) additionally, any Distributor's carrying of Modelo Brand Beer shall not be considered by ABI to be an adverse factor or circumstance when determining whether or not to approve such Distributor's purchase of any other Distributor.

C. For a period of two (2) years beginning one (1) year after filing of this proposed Final Judgment, as to any ABI-Owned Distributor that has rights to distribute Modelo Brand Beer in the Territory, the Acquirer shall have the right, upon sixty (60) days notice to ABI, to direct the ABI-Owned Distributor to sell those rights to another Distributor identified by Acquirer, subject to the terms for such sales set forth in Exhibit D hereto, and

incorporated herein. At least thirty (30) days before ABI acquires a majority of the equity interests in any additional Distributors after divestiture of the Divestiture Assets, and such Distributors have rights to distribute Modelo Brand Beer in the Territory, ABI shall notify the Acquirer of any such planned acquisition and the Acquirer shall have thirty (30) days from the date of such notice to provide notice to ABI that the Acquirer intends to exercise the rights outlined in Exhibit D hereto.

D. If Sellers and the Acquirer enter into any new agreement(s) with each other with respect to the brewing, packaging, production, marketing, importing, distribution, or sale of Beer in the United States or elsewhere, Sellers and the Acquirer shall notify the United States of the new agreement(s) at least sixty (60) calendar days in advance of such agreement(s) becoming effective and such agreement(s) may only be entered into with the approval of the United States in its sole discretion.

VI. APPOINTMENT OF TRUSTEE TO EFFECT DIVESTITURE

A. If Sellers have not divested the Divestiture Assets within the time period specified in Section IV.B, Sellers shall notify the United States of that fact in writing. Upon application of the United States, the Court shall appoint a Divestiture Trustee selected by the United States and approved by the Court to divest the Divestiture Assets in a manner consistent with this Final Judgment.

B. After the appointment of a Divestiture Trustee becomes effective, only the Divestiture Trustee shall have the right to sell the Divestiture Assets. The Divestiture Trustee shall have the power and authority to accomplish the divestiture to an Acquirer acceptable to the United States at such price and on such terms as are then obtainable upon reasonable effort by the Divestiture Trustee, subject to the provisions of Sections IV, V, VI, and VII of this Final Judgment, and shall have such other powers as this Court deems appropriate.

C. Subject to Section VI.E of this Final Judgment, the Divestiture Trustee may hire at the cost and expense of Sellers any investment bankers, attorneys, or other agents, who shall be solely accountable to the Divestiture Trustee, reasonably necessary in the Divestiture Trustee's judgment to assist in the divestiture.

D. Defendants shall not object to a sale by the Divestiture Trustee on any ground other than the Divestiture Trustee's malfeasance. Any such objections by Defendants must be conveyed in writing to the United States and the Divestiture Trustee within ten (10) calendar days after the Divestiture Trustee has provided the notice required under Section VII.A.

E. The Divestiture Trustee shall serve at the cost and expense of Sellers, pursuant to a written agreement with Sellers on such terms and conditions as the United States approves, and shall account for all monies derived from the sale of the assets sold by the Divestiture Trustee and all costs and expenses so incurred. After approval by the Court of the Divestiture Trustee's accounting, including fees for its services and those of any professionals and agents retained by the Divestiture Trustee, all remaining money shall be paid to Sellers and the trust shall then be terminated. The compensation of the Divestiture Trustee and any professionals and agents retained by the Divestiture Trustee shall be reasonable in light of the value of the Divestiture Assets and based on a fee arrangement providing the Divestiture Trustee with an incentive based on the price and terms of the divestiture and the speed with which it is accomplished, but timeliness is paramount.

F. Defendants shall use their best efforts to assist the Divestiture Trustee in accomplishing the required divestiture. The Divestiture Trustee and any consultants, accountants, attorneys, and other persons retained by the Divestiture Trustee shall have full and complete access to the personnel, books, records, and facilities of the business to be divested, and Defendants shall develop financial and other information relevant to such business as the Divestiture Trustee may reasonably request, subject to reasonable protection for trade secret or other confidential research, development, or commercial information. Defendants shall take no action to interfere with or to impede the Divestiture Trustee's accomplishment of the divestiture.

G. After its appointment, the Divestiture Trustee shall file monthly reports with the United States and the Court setting forth the Divestiture Trustee's efforts to accomplish the divestiture ordered under this Final Judgment. To the extent such reports contain information that the Divestiture Trustee deems confidential, such reports shall not be filed in the public docket of the Court. Such reports shall include the name, address, and telephone number of each person who, during the preceding month, made an offer to acquire, expressed an interest in acquiring, entered into negotiations to acquire, or was contacted or made an inquiry about acquiring the Divestiture Assets, and shall describe in detail each contact with any such person. The Divestiture Trustee shall maintain full records of all efforts made to divest the Divestiture Assets.

H. If the Divestiture Trustee has not accomplished the divestiture ordered under this Final Judgment within six (6) months after its appointment, the Divestiture Trustee shall promptly file with the Court a report setting forth (1) the Divestiture Trustee's efforts to accomplish the required divestiture, (2) the reasons, in the Divestiture Trustee's judgment, why the required divestiture has not been accomplished, and (3) the Divestiture Trustee's

recommendations. To the extent such reports contain information that the Divestiture Trustee deems confidential, such reports shall not be filed in the public docket of the Court. The Divestiture Trustee shall at the same time furnish such report to the Defendants and to the United States, which shall have the right to make additional recommendations consistent with the purpose of the trust. The Court thereafter shall enter such orders as it shall deem appropriate to carry out the purpose of the Final Judgment, which may, if necessary, include extending the trust and the term of the Divestiture Trustee's appointment by a period requested by the United States.

VII. NOTICE OF PROPOSED DIVESTITURE

A. Within two (2) business days following execution of a definitive divestiture agreement with an Acquirer other than Constellation, the Defendants or the Divestiture Trustee, whichever is then responsible for effecting the divestiture required herein, shall notify the United States of any proposed divestiture required by Section IV of this Final Judgment. If the Divestiture Trustee is responsible, it shall similarly notify Defendants. The notice shall set forth the details of the proposed divestiture and list the name, address, and telephone number of each person who offered or expressed an interest in or desire to acquire any ownership interest in the Divestiture Assets or, in the case of the Divestiture Trustee, any update of the information required to be provided under Section VI.G above.

B. Within fifteen (15) calendar days of receipt by the United States of such notice, the United States may request from Defendants, the proposed Acquirer, any other third party, or the Divestiture Trustee if applicable, additional information concerning the proposed divestiture, the proposed Acquirer, and any other potential Acquirer. Defendants and the Divestiture Trustee shall furnish any additional information requested within fifteen (15) calendar days of the receipt of the request, unless the parties shall otherwise agree.

C. Within thirty (30) calendar days after receipt of the notice or within twenty (20) calendar days after the United States has been provided the additional information requested from Defendants, the proposed Acquirer, any third party, and the Divestiture Trustee, whichever is later, the United States shall provide written notice to Defendants and the Divestiture Trustee, stating whether or not it objects to the proposed divestiture. If the United States provides written notice that it does not object, the divestiture may be consummated, subject only to Defendants' limited right to object to the sale under Section VI.D of this Final Judgment. Absent written notice that the United States does not object to the proposed Acquirer or upon objection by the United States, a divestiture

proposed under Section VI shall not be consummated. Upon objection by Defendants under Section VI.D, a divestiture proposed under Section VI shall not be consummated unless approved by the Court.

VIII. MONITORING TRUSTEE

A. Upon the filing of this Final Judgment, the United States may, in its sole discretion, appoint a Monitoring Trustee, subject to approval by the Court.

B. The Monitoring Trustee shall have the power and authority to monitor Defendants' compliance with the terms of this Final Judgment and the Hold Separate Stipulation and Order entered by this Court, and shall have such powers as this Court deems appropriate. The Monitoring Trustee shall be required to investigate and report on the Defendants' compliance with this Final Judgment and the Defendants' progress toward effectuating the purposes of this Final Judgment, including but not limited to:

1. the attainment of the construction milestones by the Acquirer as set forth in Section V.A, the reasons for any failure to meet such milestones, and recommended remedies for any such failure;
2. any breach or other problem that arises under the Transition Services Agreement, Interim Supply Agreement, or other agreement between Sellers and Acquirer that may affect the accomplishment of the purposes of this Final Judgment, the reasons for such breach or problem, and recommended remedies therefor; and
3. any breach or other concern regarding the accuracy of the representations made by ABI in sections 3.25 and 3.26 of the Stock Purchase Agreement, incorporated herein, or successor agreements thereto, and by Modelo in the Letter of Grupo Modelo, S.A.B. de C.V., incorporated herein as Exhibit C, and recommended remedies therefor.

C. Subject to Section VIII.E of this Final Judgment, the Monitoring Trustee may hire at the cost and expense of ABI, any consultants, accountants, attorneys, or other persons, who shall be solely accountable to the Monitoring Trustee, reasonably necessary in the Monitoring Trustee's judgment.

D. Defendants shall not object to actions taken by the Monitoring Trustee in fulfillment of the Monitoring Trustee's responsibilities under any Order of this Court on any ground other than the Monitoring Trustee's malfeasance. Any such objections by Defendants must be conveyed in writing to the United States and the

Monitoring Trustee within ten (10) calendar days after the action taken by the Monitoring Trustee giving rise to the Defendants' objection.

E. The Monitoring Trustee shall serve at the cost and expense of ABI on such terms and conditions as the United States approves. The compensation of the Monitoring Trustee and any consultants, accountants, attorneys, and other persons retained by the Monitoring Trustee shall be on reasonable and customary terms commensurate with the individuals' experience and responsibilities. The Monitoring Trustee shall, within three (3) business days of hiring any consultants, accountants, attorneys, or other persons, provide written notice of such hiring and the rate of compensation to ABI.

F. The Monitoring Trustee shall have no responsibility or obligation for the operation of Defendants' businesses.

G. Defendants shall use their best efforts to assist the Monitoring Trustee in monitoring Defendants' compliance with their individual obligations under this Final Judgment and under the Hold Separate Stipulation and Order. The Monitoring Trustee and any consultants, accountants, attorneys, and other persons retained by the Monitoring Trustee shall have full and complete access to the personnel, books, records, and facilities relating to compliance with this Final Judgment, subject to reasonable protection for trade secret or other confidential research, development, or commercial information or any applicable privileges. Defendants shall take no action to interfere with or to impede the Monitoring Trustee's accomplishment of its responsibilities.

H. After its appointment, the Monitoring Trustee shall file reports every ninety (90) days, or more frequently as needed, with the United States, the Defendants and the Court setting forth the Defendants' efforts to comply with their individual obligations under this Final Judgment and under the Hold Separate Stipulation and Order. To the extent such reports contain information that the trustee deems confidential, such reports shall not be filed in the public docket of the Court.

I. The Monitoring Trustee shall serve until the divestiture of all the Divestiture Assets is finalized pursuant to either Section IV or Section VI of this Final Judgment and the Transition Services Agreement and the Interim Supply Agreement have expired and all other relief has been completed as defined in Section V.A.

IX. FINANCING

Sellers shall not finance all or any part of any purchase made pursuant to Section IV or VI of this Final Judgment.

X. HOLD SEPARATE

Until the divestiture required by this Final Judgment has been accomplished, Defendants shall take all steps necessary to comply with the Hold Separate Stipulation and Order entered by this Court. Defendants shall take no action that would jeopardize the divestiture ordered by this Court.

XI. AFFIDAVITS

A. Within twenty (20) calendar days of the filing of this proposed Final Judgment, and every thirty (30) calendar days thereafter until the divestiture has been completed under Section IV or VI, each Seller shall deliver to the United States an affidavit as to the fact and manner of its compliance with Section IV or VI of this Final Judgment. Each such affidavit shall include the name, address, and telephone number of each person who, during the preceding thirty (30) calendar days, made an offer to acquire, expressed an interest in acquiring, entered into negotiations to acquire, or was contacted or made an inquiry about acquiring, any interest in the Divestiture Assets, and shall describe in detail each contact with any such person during that period. Each such affidavit shall also include a description of the efforts Sellers have taken to solicit buyers for the Divestiture Assets, and to provide required information to prospective Acquirers, including the limitations, if any, on such information. Assuming the information set forth in the affidavit is true and complete, any objection by the United States to information provided by Sellers, including limitation on information, shall be made within fourteen (14) calendar days of receipt of such affidavit.

B. Within twenty (20) calendar days of the filing of this proposed Final Judgment, each Defendant shall deliver to the United States an affidavit that describes in reasonable detail all actions it has taken and all steps it has implemented on an ongoing basis to comply with Section X of this Final Judgment. Each Defendant shall deliver to the United States an affidavit describing any changes to the efforts and actions outlined in its earlier affidavits filed pursuant to this section within fifteen (15) calendar days after the change is implemented.

C. Defendants shall keep all records of all efforts made to preserve and divest the Divestiture Assets until one year after such divestiture has been completed.

XII. NOTIFICATION OF FUTURE TRANSACTIONS

A. Unless such transaction is otherwise subject to the reporting and waiting period requirements of the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, 15 U.S.C. § 18a (the “HSR Act”), ABI, without providing at least sixty (60) calendar days advance notification to the United States, shall not directly or indirectly acquire or license a Covered Interest in or from a Covered Entity; provided, however, that advance notification shall not be required for acquisitions of the type addressed in 16 C.F.R. §§ 802.1 and 802.9.

B. Any notification pursuant to Section XII.A above shall be provided to the United States in letter format, and shall identify the parties to the transaction, the assets being acquired or licensed, the value of the transaction, the seller’s annual gross revenue from each brand or asset being acquired, and the identity of the current importer for any Beer being acquired that is brewed outside the United States.

C. All references to the HSR Act in this Final Judgment refer to the HSR Act as it exists at the time of the transaction or agreement and incorporate any subsequent amendments to the Act.

XIII. FIREWALL

A. During the term of the Transition Services Agreement and the Interim Supply Agreement, Sellers shall implement and maintain reasonable procedures to prevent Acquirer Confidential Information from being disclosed by or through Sellers to those of Sellers’ affiliates who are involved in the marketing, distribution, or sale of Beer in the United States, or to any other person who does not have a need to know the information.

B. Sellers shall, within ten (10) business days of the entry of the Hold Separate Stipulation and Order, submit to the United States a document setting forth in detail the procedures implemented to effect compliance with Section XIII.A of this Final Judgment. The United States shall notify Sellers within five (5) business days whether it approves of or rejects Sellers’ compliance plan, in its sole discretion. In the event that Sellers’ compliance plan is rejected, the reasons for the rejection shall be provided to Sellers and Sellers shall be given the opportunity to submit, within ten (10) business days of receiving the notice of rejection, a revised compliance plan. If the parties cannot agree on a compliance plan, the United States shall have the right to request that the Court rule on whether Sellers’ proposed compliance plan is reasonable.

C. Defendants may at any time submit to the United States evidence relating to the actual operation of the firewall in support of a request to modify the firewall set forth in this Section XIII. In determining whether it would be appropriate for the United States to consent to modify the firewall, the United States, in its sole discretion, shall consider the need to protect Acquirer Confidential Information and the impact the firewall has had on Sellers' ability to efficiently provide services, supplies and products under the Transition Services Agreement and the Interim Supply Agreement.

D. Sellers and the Acquirer shall:

1. furnish a copy of this Final Judgment and related Competitive Impact Statement within sixty (60) days of entry of the Final Judgment to (a) each officer, director, and any other employee that will receive Acquirer Confidential Information; (b) each officer, director, and any other employee that is involved in (i) any contact with the other companies that are parties to the Transition Services Agreement and Interim Supply Agreement, (ii) making decisions under the Transition Services Agreement or the Interim Supply Agreement, (iii) making decisions regarding ABI's Distributor Incentive Programs, or (iv) making decisions regarding the treatment of Crown by either ABI-Owned Distributors, or by any other Distributor in which ABI acquires a majority interest after the date of the divestiture contemplated herein; and (c) any successor to a person designated in Section XIII.D.1(a) or (b);
2. annually brief each person designated in Section XIII.D.1 on the meaning and requirements of this Final Judgment and the antitrust laws; and
3. obtain from each person designated in Section XIII.D.1, within sixty (60) days of that person's receipt of the Final Judgment, a certification that he or she (i) has read and, to the best of his or her ability, understands and agrees to abide by the terms of this Final Judgment; (ii) is not aware of any violation of the Final Judgment that has not been reported to the company; and (iii) understands that any person's failure to comply with this Final Judgment may result in an enforcement action for civil or criminal contempt of court against each Defendant and/or any person who violates this Final Judgment.

XIV. COMPLIANCE INSPECTION

A. For the purposes of determining or securing compliance with this Final Judgment, or of determining whether the Final Judgment should be modified or vacated, and subject to any legally recognized privilege, from time to time authorized representatives of the United States Department of Justice Antitrust Division (“Antitrust Division”), including consultants and other persons retained by the United States, shall, upon written request of an authorized representative of the Assistant Attorney General in charge of the Antitrust Division, and on reasonable notice to Defendants, be permitted:

1. access during Defendants’ office hours to inspect and copy, or at the option of the United States, to require Defendants to provide hard copy or electronic copies of, all books, ledgers, accounts, records, data, and documents in the possession, custody, or control of Defendants, relating to any matters contained in this Final Judgment; and
2. to interview, either informally or on the record, Defendants’ officers, employees, or agents, who may have their individual counsel present, regarding such matters. The interviews shall be subject to the reasonable convenience of the interviewee and without restraint or interference by Defendants.

B. Upon the written request of an authorized representative of the Assistant Attorney General in charge of the Antitrust Division, Defendants shall submit written reports or respond to written interrogatories, under oath if requested, relating to any of the matters contained in this Final Judgment as may be requested. Written reports authorized under this paragraph may, at the sole discretion of the United States, require Defendants to conduct, at Defendants’ cost, an independent audit or analysis relating to any of the matters contained in this Final Judgment.

C. No information or documents obtained by the means provided in this section shall be divulged by the United States to any person other than an authorized representative of the executive branch of the United States, except in the course of legal proceedings to which the United States is a party (including grand jury proceedings), or for the purpose of securing compliance with this Final Judgment, or as otherwise required by law.

D. If at the time information or documents are furnished by Defendants to the United States, Defendants represent and identify in writing the material in any such information or documents to which a claim of

protection may be asserted under the Protective Order, then the United States shall give Defendants ten (10) calendar days notice prior to divulging such material in any legal proceeding (other than a grand jury proceeding).

XV. NO REACQUISITION

THIS STOCK PURCHASE AGREEMENT (this "*Agreement*") is made and entered into as of February 13, 2013, between Anheuser-Busch InBev SA/NV, a public company organized under the laws of Belgium ("*ABF*") and Constellation Brands, Inc., a Delaware corporation ("*CBI*").

RECITALS:

WHEREAS, on June 28, 2012, ABI, and certain of its affiliated entities, Grupo Modelo, S.A.B. de C.V., a *sociedad anónima bursátil de capital variable* organized under the laws of Mexico ("*Grupo Modelo*"), Diblo S.A. de C.V., a Mexican *sociedad anónima de capital variable* ("*Diblo*"), and Dirección de Fabricas, S.A. de C.V., a Mexican *sociedad anónima de capital variable* partially owned but not controlled by Diblo ("*Dijon*"), as applicable, entered into certain transaction agreements pursuant to which (i) Diblo will be merged with and into Grupo Modelo, and simultaneously therewith or subsequently thereafter, Dijon will be merged with and into Grupo Modelo, with Grupo Modelo continuing as the surviving company of these mergers and (ii) a Subsidiary of ABI will commence a public tender offer in Mexico to purchase all the outstanding shares of capital stock of Grupo Modelo not owned directly or indirectly by ABI, in each case on the terms and subject to the conditions set forth therein (collectively, the "*GM Transaction*");

WHEREAS, GModelo Corporation, a Delaware corporation and a Subsidiary of Grupo Modelo ("*GMC*"), holds 50 percent (the "*Importer Interest*") of the limited liability company membership interests of Crown Imports LLC, a Delaware limited liability company ("*Importer*"), and, in connection with and contingent on the closing of the GM Transaction, ABI desires to cause GMC to sell the Importer Interest to Constellation Beers Ltd. a Maryland corporation, and Constellation Brands Beach Holdings, Inc., a Delaware corporation, pursuant to the terms and conditions in the Amended and Restated Membership Interest Purchase Agreement, among Constellation Beers Ltd., Constellation Brands Beach Holdings, Inc., CBI, and ABI, dated June 28, 2012 and as amended and restated as of the date hereof (such agreement, the "*MIPA*" and such sale, the "*MIPA Transaction*");

WHEREAS, as of the date hereof, Grupo Modelo and Diblo collectively own (i) all of the issued and outstanding shares of capital stock (no par value) (the "*CCC Company Shares*") of Compañía Cervecería de Coahuila, S.A. de C.V., a *sociedad anónima de capital variable* organized under the laws of Mexico (the "*CCC Company*") and (ii) all of the issued and outstanding shares of capital stock (no par value) (the "*Servicios Company Shares*" and, together with the CCC Company Shares, the "*Shares*") of Servicios Modelo de Coahuila, S.A. de C.V., a *sociedad anónima de capital variable* organized under the laws of Mexico (the "*Servicios Company*" and, together with the CCC Company, the "*Companies*" and each a "*Company*"), and, after the merger of Diblo into Grupo Modelo, Grupo Modelo and another direct or indirect Subsidiary of Grupo Modelo will collectively own all of the issued and outstanding Shares, and in connection with and contingent on the consummation of the GM Transaction and the MIPA Transaction, ABI desires to cause Grupo Modelo to sell, or cause to be sold, the Shares to the Buyer Parties, as designated by CBI, and to grant to Constellation Beers the rights described under the License Agreement, immediately following the consummation of the MIPA Transaction, all upon the terms and conditions set forth in this Agreement; and

NOW, THEREFORE, in consideration of the premises and of the representations, warranties, covenants and agreements set forth in this Agreement, and subject to and on the terms and conditions set forth in this Agreement, the parties hereto agree as follows:

ARTICLE I
PURCHASE AND SALE; CLOSING

1.1 Purchase and Sale. Upon the terms and subject to the conditions set forth in this Agreement, ABI agrees (a) to cause Grupo Modelo to sell and transfer, or cause to be sold and transferred, one of each of the CCC Company Shares and the Servicios Company Shares to one of the other Buyer Parties, as designated by CBI, and the remainder of the CCC Company Shares and the Servicios Company Shares to one of the other Buyer Parties, as designated by CBI, and CBI agrees to cause such Buyer Parties to purchase the Shares, directly or indirectly, from Grupo Modelo, free and clear of any Liens other than Share Permitted Liens and (b) to cause Marcas Modelo to grant to Constellation Beers the rights described in the License Agreement (collectively, the "*Purchase*").

1.2 Closing. Unless this Agreement shall have terminated and the transactions herein contemplated shall have been abandoned in accordance with the terms and provisions of Article VIII and except as agreed to in writing by ABI and CBI, the closing of the Purchase (the "*Closing*") shall take place on the date on which the MIPA Transaction Closing takes place and immediately following consummation of the MIPA Transaction (the "*Closing Date*"). The Closing shall take place at the offices of ABI's counsel, Sullivan & Cromwell LLP, 125 Broad Street, New York, New York, at 10:00 a.m., New York City time on the Closing Date.

1.3 Purchase Price. Upon the terms and subject to the conditions of this Agreement, including, without limitation, the Purchase Price Adjustment described in Section 1.4 of this Agreement, at the Closing, CBI shall pay or cause to be paid to the parties set forth in Schedule 1.3 of this Agreement Two Billion Nine Hundred Million Dollars (\$2,900,000,000) for the Shares and the rights described in the License Agreement (the "*Purchase Price*"), in cash, by wire transfer of immediately available funds.

1.4 Adjustment to the Purchase Price. (a) Promptly following the Closing, ABI and CBI shall engage Ernst & Young LLP, or if such firm is not willing to act in such capacity, such other internationally recognized accounting firm reasonably acceptable to ABI and CBI (the "*Initial EBITDA Accountant*") to prepare a statement (the "*Initial Statement*") calculating and setting forth EBITDA (the amount calculated and set forth on such Initial Statement, the "*Initial EBITDA Amount*"), which statement shall include a worksheet setting forth in reasonable detail how such amount was calculated. The Initial EBITDA Accountant shall prepare the Initial Statement as described herein and utilizing the definitions set forth herein. The Initial Statement shall be completed and delivered to ABI and CBI by the Initial EBITDA Accountant within ninety (90) days after the Closing Date. In connection with the foregoing, ABI and CBI shall each cooperate with the Initial EBITDA Accountant and provide all relevant books and records and other information in the possession or control of such party relating to determining the Initial EBITDA Amount as the Initial EBITDA Accountant may reasonably request. If the Initial EBITDA Accountant determines in the Initial Statement that Initial EBITDA Amount is less than \$310 million, ABI shall cause a payment equal to 9.3 times the absolute value of the

difference between \$310 million and the Initial EBITDA Amount, to be made to CBI within 30 days of the delivery of the Initial Statement by the Initial EBITDA Accountant (such amount, the “*Preliminary Adjustment Amount*”).

(b) During the 90 days immediately following ABI’s and CBI’s receipt of the Initial Statement (the “*Adjustment Review Period*”), ABI and CBI and their representatives shall be permitted to review all working papers and working papers of such parties and their independent accountants, as well as those of the Initial EBITDA Accountant, relating to the preparation of the Initial Statement and the calculation of the Initial EBITDA Amount, and each party and the Initial EBITDA Accountant shall make reasonably available to the other the individuals responsible for and knowledgeable about the information used in, and the preparation or calculation of, the Initial Statement and the Initial EBITDA Amount; provided, however, that the independent accountants shall not be obligated to make any working papers available unless and until the other requesting party has signed a customary confidentiality and hold harmless agreement relating to such access to working papers in form and substance reasonably acceptable to such independent accountants.

(c) Each party shall, following the Closing through the date that the Final Statement becomes such in accordance with the last sentence of Section 1.4(f), take all actions reasonably necessary to maintain and preserve all necessary accounting books and records, policies and procedures on which the Initial Statement is based so as not to impede or delay the determination of the Initial EBITDA Amount or the Final EBITDA Amount or the Final Statement in the manner and utilizing the methods permitted by this Agreement.

(d) Each party shall notify the other in writing (each, a “*Notice of Disagreement*”) prior to the expiration of the Adjustment Review Period if such party disagrees with the Initial Statement or the Initial EBITDA Amount. Each Notice of Disagreement shall set forth in reasonable detail the basis for such disagreement, the amounts involved and such party’s determination of the Initial EBITDA Amount with reasonably detailed supporting documentation. If no Notice of Disagreement is received on or prior to the expiration date of the Adjustment Review Period, then the Initial Statement and the Initial EBITDA Amount set forth in the Initial Statement shall be deemed to have been accepted by both parties and shall become final and binding upon CBI and ABI in accordance with the last sentence of Section 1.4(f).

(e) If any Notice of Disagreement is received during the Adjustment Review Period, during the 30 days immediately following the Adjustment Review Period (the “*Adjustment Consultation Period*”), CBI and ABI shall seek in good faith to resolve any disagreement that they may have with respect to the matters specified in either party’s Notice of Disagreement.

(f) If, at the end of the Adjustment Consultation Period, CBI and ABI have been unable to resolve all disagreements that they may have with respect to the matters specified in the Notice of Disagreement, then CBI and ABI shall submit all matters that remain in dispute with respect to the Notice of Disagreement(s) (along with a copy of the Initial Statement marked to indicate those line items that are in dispute) to Deloitte Touche Tohmatsu Limited (the “*Independent Accountant*”) within 30 days. In the event that Deloitte Touche Tohmatsu Limited is not willing to act as the Independent Accountant, CBI and ABI shall cooperate in good faith to

appoint another internationally recognized accounting firm reasonably acceptable to ABI and CBI in which event "Independent Accountant" shall mean such firm. If within ten (10) days of referral of such disagreements to Deloitte Touche Tohmatsu Limited, Deloitte Touche Tohmatsu Limited declines to accept its appointment as Independent Accountant, or if ABI and CBI are unable to agree on the selection of an independent internationally recognized accounting firm that will agree to act as Independent Accountant within ten (10) days, then either ABI or CBI may request the American Arbitration Association to appoint such a firm, and such appointment shall be conclusive and binding on all of the parties hereto. Within 120 days after the submission of such matters to the Independent Accountant, or as soon as practicable thereafter, the Independent Accountant, acting as an expert and not as an arbitrator, will make a final determination, binding on CBI and ABI, on the basis of the definition of EBITDA and in accordance with this Section 1.4(f), of the appropriate amount of each of the line items in the Initial Statement as to which CBI and ABI disagree as specified in the Notice of Disagreement(s) and a determination of EBITDA based thereon and on line items in the Initial Statement not disputed by the parties. With respect to each disputed line item, such determination, if not in accordance with the position of either CBI and ABI, shall not be in excess of the higher, nor less than the lower, of the amounts advocated by CBI or ABI in the Notice of Disagreements. For the avoidance of doubt, the Independent Accountant shall not review any line items or make any determination with respect to any matter other than those matters in the Notice of Disagreements that remain in dispute (unless an adverse determination as to one line item would have a positive financial impact to the other party as a result of a corresponding change in a separate line item). The determination of EBITDA that is final and binding on CBI and ABI, as determined either through agreement of CBI and ABI (deemed or otherwise) pursuant to Section 1.4(b), (d), (e) and this Section 1.4(f) or through the determination of the Independent Accountant pursuant to this Section 1.4(f), are referred to herein as the "*Final Statement*" and the "*Final EBITDA Amount*", respectively; provided, however, that if the Final EBITDA Amount exceeds \$370 million, the Final EBITDA Amount used for purposes of Section 1.4(h) below shall be \$370 million.

(g) The cost of the Independent Accountant's review and determination shall be entirely borne by that party whose submission to the Independent Accountant is furthest from the determination of the Final EBITDA Amount (with any ABI submission over \$370 million deemed to be a submission of \$370 million solely for this purpose). For example, if CBI submits that the Final EBITDA Amount is \$365 million and ABI submits that the Final EBITDA Amount is \$400 million, but the Independent Accountant determines that the Final EBITDA Amount is \$370 million, CBI shall bear 100% of the fees and expenses of the Independent Accountant. During the review by the Independent Accountant, CBI and ABI shall each make available to the Independent Accountant such individuals and such information, books, records and work papers, as may be reasonably required by the Independent Accountant to fulfill its obligations under Section 1.4(f); provided, however, that the independent accountants of CBI and ABI shall not be obligated to make any working papers available to the Independent Accountant unless and until the Independent Accountant has signed a customary confidentiality and hold harmless agreement relating to such access to working papers in form and substance reasonably acceptable to such independent accountants.

(h) The amount equal to the product of (A) (i) the Final EBITDA Amount minus (ii) Target EBITDA Amount and (B) nine and three-tenths (9.3) is hereinafter referred to as the "*Purchase Price Adjustment*".

If the sum of the Purchase Price Adjustment and the Preliminary Adjustment Amount, if any, is a negative number, ABI shall cause payment of the absolute value of such amount by wire transfer of immediately available funds to a bank account designated in writing by CBI (such designation to be made at least three (3) days prior to the date such payment is due). If the sum of the Purchase Price Adjustment and the Preliminary Adjustment Amount, if any, is a positive number, CBI shall cause payment of such amount by wire transfer of immediately available funds to a bank account designated in writing by ABI (such designation to be made at least three (3) days prior to the date such payment is due). Any payment to be made pursuant to the prior two sentences shall be made within thirty (30) days after the Final EBITDA Amount has been determined; provided, however, that notwithstanding the foregoing, CBI shall not be required to make any payment in excess of the value of the Preliminary Adjustment Amount until the first anniversary of the Closing. Any amounts due and not paid within period required hereunder shall accrue interest at an annual rate equal to the rate of interest from time to time announced by the Bank of America as its prime rate, plus four percent (4%), calculated on the basis of the actual number of days elapsed from the end of such period to the date of payment.

1.5 Deliveries by Buyer Parties. At the Closing, CBI shall deliver or cause to be delivered to ABI the following:

(a) The Purchase Price by wire transfer of immediately available funds to an account or the accounts designated by ABI and beneficially owned by the applicable Persons described on Schedule 1.3; and

(b) Duly executed counterparts to the Ancillary Agreements.

1.6 Deliveries by ABI and the Companies. At the Closing, ABI shall deliver or cause to be delivered the following:

(a) The stock certificates representing the Shares, duly endorsed in property by each Company's shareholders to the Buyer Parties to be designated by CBI not less than two Business Days prior to the Closing Date, in form and substance acceptable to CBI;

(b) A copy of each Company's stock register entry, certified by each Company's Secretary, in form and substance acceptable to CBI, evidencing the sale of the Shares to the Buyer Parties to be designated by CBI;

(c) A copy of the documents evidencing the authority of the representative of each of the Companies' shareholders to endorse the stock certificates representing the Shares to the Buyer Parties to be designated by CBI, in form and substance acceptable to CBI;

(d) The corporate seal and minute books of each of the Companies; and

(e) Duly executed counterparts to the Ancillary Agreements.

1.7 Adjustments to Transactions. The parties hereto acknowledge that it may become necessary or advisable after the date of this Agreement to adjust or modify the structure of the various transactions described in this Agreement and, subject to Section 5.2, agree to cooperate in good faith in order to preserve the economic benefits reasonably expected to be achieved by each of the parties hereto and to consider and, to the extent mutually agreed, effectuate the adjustments or modifications reasonably requested by any other party by amending the terms of this Agreement or the Ancillary Agreements; provided that, subject to Section 5.2, no such adjustment or modification shall, in any material respect, adversely affect the rights and obligations of any party or any of its Affiliates under this Agreement or disadvantage any party or any of its Affiliates (including, for the avoidance of doubt, any disadvantage which may result from adverse Tax consequences), or reasonably be expected to prevent or materially delay the consummation of the transactions contemplated by this Agreement; provided, further, that, subject to Section 5.2, ABI shall have the right to amend any term or provision of this Agreement or any other Ancillary Agreement with the consent of CBI, which consent shall not be unreasonably withheld or delayed (it being agreed and understood that: (a) it would be unreasonable for CBI to withhold, delay or condition its consent if any such amendment is beneficial, or not adverse in any respect, to the rights and obligations of CBI hereunder or thereunder; (b) if the economics of this Agreement or any of the other Ancillary Agreement, as applicable, are modified or supplemented to the benefit of CBI, such changes to this Agreement or such other Ancillary Agreement shall be considered as beneficial, and not adverse, to the rights and obligations of CBI, hereunder or under such other Ancillary Agreement; and (c) it would be reasonable for CBI to withhold, delay or condition its consent if any such amendment would be materially adverse to the lenders and other Persons providing the Financing). For the avoidance of doubt, if there is any conflict between the terms of this Section 1.7 and the terms of Section 5.2, the terms of Section 5.2 shall govern.

ARTICLE II REPRESENTATIONS AND WARRANTIES OF ABI

Except as set forth in the ABI Disclosure Letter, ABI represents and warrants as of the date hereof and as of the Closing (or if specified as of a different date, on such date), as follows:

2.1 Corporate Status. ABI is a legal entity duly organized or formed, validly existing and in good standing, under the laws of its jurisdiction of organization.

2.2 Authority Relative to Agreement. ABI has all necessary corporate power and authority to execute and deliver this Agreement, to perform its obligations hereunder and, at the Closing, to consummate the other transactions contemplated hereby, including, but not limited to, causing the Companies' shareholders to sell the Shares to the Buyer Parties to be designated by CBI. The execution and delivery of this Agreement by ABI and the consummation by ABI of the other transactions contemplated hereby have been duly and validly authorized by all necessary corporate action, and no other corporate proceedings on the part of ABI are necessary to authorize the execution and delivery of this Agreement or to consummate the other transactions contemplated hereby. This Agreement has been duly and validly executed and delivered by ABI and, assuming the due authorization, execution and delivery by CBI, this Agreement constitutes a legal, valid and binding obligation of ABI, enforceable against it in

accordance with its terms (except as such enforceability may be limited by bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and other similar laws of general applicability relating to or affecting creditor's rights, and to general equitable principles). As of the Closing, the transfer of the Shares, directly or indirectly, by Grupo Modelo to the Buyer Parties, as designated by CBI, shall have been duly and validly authorized by all necessary corporate action, and no other corporate proceeding on the part of ABI shall be necessary to authorize the consummation of such transfer.

2.3 No Conflicts. The execution and delivery of this Agreement by ABI, the performance of its obligations hereunder and the consummation of the transactions contemplated hereby, will not (a) result in any violation of the Organizational Documents of ABI or (b) subject to receipt of the ABI Required Approvals, conflict with or violate any Law or Governmental Order applicable to ABI.

ARTICLE III REPRESENTATIONS AND WARRANTIES REGARDING THE COMPANIES

Except as set forth in the ABI Disclosure Letter, ABI represents and warrants to the Buyer Parties as of the date hereof and as of the Closing Date (or if specified as of a different date, on such date), as follows:

3.1 Corporate Status, Etc.

(a) Organization and Qualification. Each Company is a corporation or other legal entity duly organized or formed, and validly existing under the Laws of its jurisdiction of organization or formation. Each Company has the requisite corporate, partnership, limited liability company or similar power and authority and all necessary governmental approvals to own, lease and operate its properties and to carry on its business as it is now being conducted, except where the failure to have such power, authority and governmental approvals (i) has not had and would not reasonably be expected to have, individually or in the aggregate, a Company Material Adverse Effect and (ii) would not reasonably be expected to prevent or materially delay consummation of the transactions contemplated hereby. Each Company is duly qualified or licensed as a foreign corporation or other legal entity to do business, and is in good standing (to the extent applicable), in each jurisdiction in which the character of the properties owned, leased or operated by it or the nature of its business makes such qualification or licensing necessary, except for such failures to be so qualified or licensed or in good standing as (i) has not had and would not reasonably be expected to have, individually or in the aggregate, a Company Material Adverse Effect and (ii) would not reasonably be expected to prevent or materially delay the ability of ABI to consummate the transactions contemplated hereby.

(b) Organizational Documents. ABI has made available to CBI complete and correct copies of the Organizational Documents of each Company, each as in effect or adopted on the date hereof. The Organizational Documents of each Company are in full force and effect. Each Company is not in violation of any provision of its Organizational Documents, except as (i) has not had and would not reasonably be expected to have, individually or in the aggregate, a Company Material Adverse Effect and (ii) would not reasonably be expected to prevent or materially delay the ability of ABI to consummate of the transactions contemplated hereby.

3.2 Capitalization: Ownership of Shares; Foreign Investment.

(a) As of the date hereof, the authorized capital stock of the CCC Company consists of (i) 10,000 shares of Fixed Capital Series "A" capital stock, no par value, and (ii) 3,622,050,000 shares of Variable Capital Series "B" capital stock, no par value, of which 3,622,060,000 shares, which constitute the CCC Company Shares, are issued and outstanding. The CCC Company Shares constitute the only issued and outstanding shares of capital stock of the CCC Company, have been duly authorized and are validly issued, fully paid and non-assessable, and not subject to preemptive rights. Except as set forth above, there are no issued and outstanding securities, rights or obligations which are convertible into, exchangeable for, or exercisable to acquire any capital stock or other equity securities of the CCC Company. At Closing, foreign investment will exceed 49% of the capital of each Company, and thus no authorization from the Mexican National Commission on Foreign Investment is necessary for the sale of the Shares as set forth in this Agreement.

(b) As of the date hereof, the authorized capital stock of the Servicios Company consists of (i) 50,000 shares of Fixed Capital Series "A" capital stock, no par value, and (ii) 4,100,000 shares of Variable Capital Series "B" capital stock, no par value, of which 4,150,000 shares, which constitute the Servicios Company Shares, are issued and outstanding. The Servicios Company Shares constitute the only issued and outstanding shares of capital stock of the Servicios Company, have been duly authorized and are validly issued, fully paid and non-assessable, and not subject to preemptive rights. Except as set forth above, there are no issued and outstanding securities, rights or obligations which are convertible into, exchangeable for, or exercisable to acquire any capital stock or other equity securities of the Servicios Company.

(c) The sale and delivery of the Shares as contemplated by this Agreement are not subject to any preemptive right, right of first refusal or other right or restriction. Grupo Modelo and/or one of its direct or indirect Subsidiaries has good and valid title to, all of the Shares, free and clear of any Liens (other than Share Permitted Liens). No party other than Grupo Modelo and/or one of its direct or indirect Subsidiaries has any record or beneficial interest in the Shares. Except as provided under this Agreement, no Person has any right (whether by Law, preemptive or contractual) to purchase or acquire the Shares or any portion thereof or any securities of the CCC Company or the Servicios Company.

3.3 No CCC Company or Servicios Company Subsidiaries. Neither Company has any Subsidiaries, and neither Company owns any shares of capital stock of, or any equity interest of any nature in, any other Person. There are no agreements, side letters or arrangements to which CBI or its Affiliates is a party relating to the Financing Commitment that could affect the availability of the Financing. The Financing Commitment constitutes the legally valid and binding obligation of CBI and, to the knowledge of CBI, the other parties thereto, enforceable in accordance with its terms (except as such enforceability may be limited by bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and other similar Laws of general applicability relating to or affecting creditors' rights, and by general equitable principles). The Financing Commitment is in full force and effect and has not been withdrawn, rescinded or terminated or otherwise amended or modified in any respect, and no such amendment or modification is contemplated. Neither CBI nor any of its Affiliates is in breach of any of the terms or conditions set forth in the Financing Commitment, and assuming the accuracy of the representations and warranties set forth in Articles II and III and performance by ABI of its obligations under this Agreement and the MIPA, as of the date hereof, no event has occurred which, with or without notice, lapse of time or both, would reasonably be expected to constitute a breach, default or failure to satisfy any condition precedent set forth therein. As of the date hereof, no lender has notified CBI of its intention to terminate the Financing Commitment or not to provide the Financing. There are no conditions precedent or other contingencies related to the funding of the full amount of the Financing, other than as expressly set forth in the Financing Commitment. The aggregate proceeds available to be disbursed pursuant to the Financing Commitment, together with available cash on hand and availability under ABI's existing credit facilities, will be sufficient for CBI to pay the Purchase Price and all related fees and expenses on the terms contemplated hereby in accordance with the terms of this Agreement and all amounts due under the MIPA and all related fees and expense on the terms contemplated by the MIPA in accordance with the terms of the MIPA. As of the date hereof, CBI has paid in full any and all commitment or other fees required by the Financing Commitment that are due as of the date hereof. As of the date hereof, CBI has no reason to believe that CBI and any of its applicable Affiliates will be unable to satisfy on a timely basis any conditions to the funding of the full amount of the Financing, or that the Financing will not be available to CBI on the Closing Date.

4.9 Investment Intent. Each relevant Buyer Party is acquiring the Shares for its own account, for the purpose of investment only and not with a view to, or for sale in connection with, any distribution thereof in violation of applicable securities Laws.

4.10 No Reliance. CBI acknowledges and agrees that the only representations, warranties, covenants and agreements made by ABI in this Agreement are the only representations, warranties, covenants and agreements made with respect to the transactions contemplated by this Agreement and CBI has not relied upon any other representations or other information made or supplied by or on behalf of ABI or the Companies or by any Affiliate or representative of ABI or the Companies.

5.2 Antitrust Approval. Each of ABI and CBI shall use its reasonable best efforts to take, or cause to be taken, all actions, and to do, or cause to be done, and assist and cooperate with each other in doing, all things necessary, proper or advisable (subject to applicable Law) to consummate and make effective the transactions contemplated by this Agreement. In furtherance and not in limitation of the foregoing, each of ABI and CBI shall use its reasonable best efforts to (i) prepare and file all filings, notices, notifications, petitions, requests, statements, *folletos informativos*, registrations and updates to registrations, submissions of information, applications and other documents with Governmental Authorities necessary or advisable to consummate the transactions contemplated by this Agreement; (ii) comply promptly with any request of any Governmental Authority for additional information, documents or other materials, including, without limitation, participating in meetings with officials of such Governmental Authority during the course of its review of the transactions contemplated hereby; (iii) with respect to CBI, support ABI and Grupo Modelo in their response to requests for information from any Governmental Authority in connection with its investigation of the transactions contemplated hereby and/or the GM Transaction; and (iv) otherwise assist in facilitating antitrust approval of the transactions contemplated by this Agreement. practicable, consult with CBI, ABI and Grupo Modelo in advance of any meeting, material conference or material discussion with any Governmental Authority relating to the transactions contemplated herein (and allow ABI to attend and participate in such meeting, conference or discussion). If reasonably requested by ABI or Grupo Modelo, and if permitted to do so by the relevant Governmental Authority, CBI and ABI shall, upon reasonable notice, cause an informed representative to attend any one or more meetings, either by phone or in person, before a Governmental Authority in support of approval of the transactions contemplated by this Agreement. Without limiting in any respect the parties' obligations contained in this Section 5.2, in the event that the parties do not agree with respect to strategy or tactics in connection with a Governmental Authority's review of the transactions contemplated hereby, ABI's decision shall control. Each of CBI and ABI agrees to use its reasonable best efforts to propose, negotiate, commit to and effect any consent decree, settlement, remedy, undertaking, commitment, action or agreement, including any amendment or other revision to this Agreement (each, a "*Remedial Action*"), as may be required in connection with a Governmental Authority's review of the transactions contemplated hereby; provided that any such Remedial Action (1) is conditioned on the consummation of the transactions contemplated by this Agreement and (2) does not, individually or in the aggregate, have a material adverse effect on such party as measured against the business of CBI (it being agreed and understood that, the parties shall cooperate in good faith in connection with any Remedial Action to attempt to preserve the economic benefits reasonably expected to be achieved by each of the parties hereto, but shall in any event effect any such Remedial Action required pursuant to this sentence notwithstanding anything in this parenthetical). Notwithstanding anything to the contrary contained in this Section 5.2 or elsewhere in this Agreement, a party shall not have any obligation under this Agreement to take any of the following actions or commit to take any of the following actions if such party, in good faith, reasonably expects such action to have more than a *de minimis* adverse effect on the business or interests of such party: (x) to sell, dispose of or transfer or cause any of its Subsidiaries to sell, dispose of or transfer any assets; (y) to discontinue or cause any of its Subsidiaries to discontinue offering any product or service; or (z) to hold separate or cause any of its Subsidiaries to hold separate any assets or operations (either before or after the Closing Date). Notwithstanding anything to the contrary in this Agreement, the parties hereby acknowledge and agree that none of ABI or any of its Affiliates has any obligation to the Buyer Parties under this Agreement or otherwise to consummate, or seek to receive any consent required to consummate, the transactions contemplated by the GM Transaction Agreement and the Buyer Parties shall not have any rights under, and are not intended third party beneficiaries of, the GM Transaction Agreement.

5.3 Other Regulatory Matters. Except as otherwise provided in Section 5.2, the parties hereto shall proceed diligently and in good faith and shall use their reasonable best efforts to do, or cause to be done, all things necessary, proper or advisable to, as promptly as practicable, (a) obtain all Permits from, make all filings with and give all notices to Governmental Authorities, including the Alcoholic Beverage Authorities or any other Person required to consummate the transactions contemplated by this Agreement, and (b) provide such other information and communications to such Governmental Authorities or other Person as the other party or such Governmental Authorities or other Person may reasonably request.

5.4 Notification of Certain Matters. Subject to compliance with applicable Law or as required by any Governmental Authority, CBI and ABI shall notify the other promptly in

writing of, and contemporaneously shall provide the other with true and complete copies of any and all material information or documents relating to, and shall use reasonable best efforts to cure before the Closing, any event, transaction or circumstance occurring after the date of this Agreement that causes or is reasonably expected to cause a failure of any condition to the other party's obligations to consummate the transactions contemplated hereby. No notice given pursuant to this Section 5.4 shall have any effect on the representations, warranties, covenants or agreements contained in this Agreement for purposes of determining satisfaction of any condition contained herein or the rights of the parties hereunder.

5.5 Access to Information.

(a) To the extent permitted by applicable Laws and subject to each party's confidentiality obligations and the preservation of the attorney-client privilege, from the date hereof until the Closing Date, each of the parties shall furnish to the other party, its counsel, financial and tax advisors, auditors and other authorized representatives such financial, tax and operating data and other information as such Persons may reasonably request and instruct the employees, counsel, financial and tax advisors, auditors and other authorized representatives of such party and its Affiliates to cooperate with such other party and its Affiliates in its investigation of the other party and its Subsidiaries and, in the case of CBI, the Companies. Any investigation pursuant to this Section 5.5 shall be conducted in such manner as not to interfere unreasonably with the conduct of the business of the other party and its Affiliates and, if applicable, the Companies.

(b) Prior to the Closing, ABI shall use reasonable best efforts to provide to CBI, including by using its reasonable best efforts to cause Grupo Modelo and its subsidiaries to provide, all cooperation reasonably requested by CBI that is customary or necessary in connection with registered or Rule 144A offerings of debt securities in the United States and outside the United States in reliance on Regulation S under the Securities Act (the "*Debt Financing*"), including:

(i) using its reasonable best efforts to provide the Required Information no later than 30 days after the date of this Agreement (for purposes hereof "*Required Information*" means carve-out financial statements of CCC Company and Servicios Company on a combined basis in accordance with U.S. GAAP and as required by applicable provisions of Regulations S-X and S-K promulgated under the Securities Act of 1933, as amended, and the Securities Exchange Act of 1934, as amended, and the rules and regulations thereunder (including any applicable rule of the New York Stock Exchange), as of December 31, 2012 and December 31, 2011 and for each of the years ending December 31, 2012, 2011 and 2010 accompanied by an audit opinion of PWC that is not qualified as to scope),

(ii) using its reasonable best efforts to prepare and furnish to CBI as promptly as practicable all Required Information and all other available pertinent information and disclosures relating to the CCC Company and Servicios Company (including their businesses, operations, financial projections and prospects) as may be reasonably requested by CBI in connection with the preparation of offering memorandum, private

placement memorandums or prospectuses (each an “*Offering Document*”) relating to the Debt Financing.

CBI shall be responsible for the costs and expenses incurred in connection with any such preparation, review and audit and shall promptly reimburse ABI or Grupo Modelo therefore.

(c) For a period of one year after the Closing Date, upon the request of CBI, ABI: (i) during ordinary business hours and upon reasonable notice, shall, or shall cause its Affiliates to, provide to CBI and its representatives reasonable access to the books, records and employees of ABI and its Affiliates pertaining to the Companies and required for CBI to revise the Financial Information, and any subsequent consolidated financial statements of the Companies in connection with the preparation of selected and summary financial data and pro forma financial information regarding the businesses of the Companies for all periods required by the applicable provisions of Regulation S-X and S-K promulgated under the Securities Act of 1933, as amended, and the Securities Exchange Act of 1934, as amended, and required to be prepared by CBI under such Regulations; and (ii) upon reasonable notice, ABI shall, or shall cause its Affiliates to, use their respective reasonable best efforts to cause the officers, employees, representatives, agents and advisors of ABI, or its Affiliates, as applicable, to (A) as necessary, assist with CBI’s preparation of revised financial statements and disclosure therein, (B) execute such certifications and documents, based on their actual knowledge, as are customary and required of acquired businesses, are reasonably requested by CBI, and are necessary for CBI’s, or any Affiliate of CBI’s, compliance with applicable Law, including, without limitation, the rules and regulations promulgated by the New York Stock Exchange and the Securities and Exchange Commission applicable to the acquisition of material assets in the United States, and (C) use reasonable best efforts to facilitate cooperation of ABI’s outside independent public accountants to deliver such consents and comfort as are customary under applicable accounting standards, as promptly as reasonably practicable, but in no event later than forty-five (45) days after receipt of a request by CBI therefor. CBI shall be responsible for the costs and expenses incurred in the connection with such preparation, review and audit. ABI agrees that CBI may use, and ABI shall use its reasonable best efforts to, deliver such consents and shall authorize ABI’s outside independent public accountants to deliver such consents as may reasonably be requested by CBI for the use of, the financial and other information provided pursuant to this Section 5.5(b), or any other financial information provided by, or on behalf of ABI to CBI specifically for the following purposes: in any registration statement, prospectus, offering memorandum, Form 8-K or other public filing, at any time on and after the date of this Agreement. CBI waives any rights against, and fully releases and discharges, ABI from any claims for indemnification it may have or acquire solely for any breach of ABI’s representations and warranties contained in Section 3.8 that result from ABI’s compliance with this Section 5.5(b).

5.6 Publicity. ABI and CBI shall consult with each other prior to issuing any press releases regarding the transactions contemplated by this Agreement and any other press releases or otherwise making public announcements with respect to the transactions contemplated by this Agreement, except as may be required by Law or by obligations pursuant to any listing agreement with or rules of any applicable securities exchange.

5.7 ABI Right of First Offer. On and after the Closing Date:

(a) In the event that CBI or any Subsidiary thereof, in any tier, determines to enter into an agreement providing for, or otherwise regarding, directly or indirectly, the distribution or sale (including resale) of Non-GM Beer in Mexico, CBI shall, before entering, or allowing such Subsidiary to enter, into any such agreement, notify ABI in writing of its decision to do so. For a period of 60 days following ABI's receipt of such notice, CBI and ABI shall discuss in good faith the possibility of ABI or an Affiliate thereof serving as the exclusive distributor of such Non-GM Beer in Mexico.

(b) If, by the end of such 60-day period, the parties (or their respective Affiliates) have not entered into an agreement providing for the exclusive distribution and sale of such Non-GM Beer in Mexico by ABI or a Subsidiary thereof, in any tier, then CBI for a period of 90 days immediately following the end of such 60-day period may attempt to find another Person to distribute and sell such Non-GM Beer in Mexico on terms and conditions that are no more favorable to such other Person (taken as a whole) than the last set (if any) of terms and conditions that were offered by CBI to ABI and rejected by ABI and should CBI not find such Person within such 90 day period then CBI shall again be subject to the requirements of this Section 5.7; provided that CBI shall provide ABI sixty (60) days' advance written notice of such more favorable terms and a good faith opportunity to enter into a distribution or sale agreement on such terms.

5.8 CBI Right of First Offer. On and after the Closing Date:

(a) In the event that ABI or a Subsidiary thereof, in any tier, determines to sell the Glass Plant to any Person (other than a Subsidiary or Affiliate of ABI) other than CBI or any Subsidiary thereof, in any tier, ABI shall, before entering into any such agreement, notify CBI in writing of its decision to do so. For a period of 90 days following ABI's receipt of such notice, the parties shall discuss in good faith the possibility of CBI or an Affiliate thereof acquiring the Glass Plant.

(b) If, by the end of the 90-day period specified in Section 5.8(a), the parties (or their respective Affiliates) have not entered into an agreement providing for sale of the Glass Plant to CBI or a Subsidiary thereof, in any tier, then ABI for a period of 90 days immediately following the end of such 90-day period may attempt to find another Person to acquire the Glass Plant on terms and conditions that are no more favorable to such other Person (taken as a whole) than the last set (if any) of terms and conditions that were offered by ABI to CBI and rejected by CBI (an agreement on such terms and conditions with such other Person, a "*Third Party Sale Agreement*"); provided that ABI shall provide CBI sixty (60) days' advance written notice of such more favorable terms and a good faith opportunity to acquire the Glass Plant on such terms.

(c) If, at or prior to the end of the 90-day period specified in Section 5.8(b), ABI or a Subsidiary thereof, in any tier has entered into a Third Party Sale Agreement, the parties to such agreement shall have 90 days to consummate the sale of the Glass Plant commencing on the day on which such Third Party Sale Agreement was executed (provided that such period shall be extended for an additional 90 days if the parties to such Third Party Sale Agreement are awaiting antitrust approval for the transactions). In the event that the sale of the Glass Plant is not consummated within such period, then ABI shall then again be subject to the requirements of this Section 5.8.

5.9 Confidentiality. The terms of the Confidentiality Agreement are incorporated into this Agreement by reference and shall continue in full force and effect until the MIPA Transaction Closing, at which time the Confidentiality Agreement shall terminate in accordance with the MIPA. If, for any reason, the transactions contemplated by the MIPA are not consummated, the Confidentiality Agreement shall nonetheless continue in full force and effect in accordance with its terms.

5.10 Fulfillment of Conditions. Subject to the terms and conditions of this Agreement, the Buyer Parties and ABI shall cooperate with each other and use their respective reasonable best efforts to take or cause to be taken all actions, and do or cause to be done all things reasonably necessary or desirable on its part, and proceed diligently and in good faith to satisfy each condition to the other party's obligations contained in this Agreement in order to consummate and make effective the transactions contemplated by this Agreement as soon as practicable, and neither ABI nor any Buyer Party shall take any action, or fail to take any action required to be taken by it hereunder, that could be reasonably expected to result in the non-fulfillment of any such condition. In furtherance and not in limitation of the foregoing, CBI and the Buyer Parties shall use their reasonable best efforts to (a) comply promptly with any request of any Governmental Authority for additional information, documents or other materials, including, without limitation, participating in meetings with officials of such Governmental Authority during the course of its review of the transactions contemplated hereby and (b) support the other parties hereto in their response to requests for information from any Governmental Authority in connection with its investigation of the transactions contemplated hereby.

5.11 Post-Closing Cooperation. Subject to compliance with applicable Law, from and after the Closing Date, the Buyer Parties and ABI agree to (a) cooperate with each other, share information and supporting materials and documents relating to ownership of the Shares; provided, however, that access to any such information, supporting materials or documents shall be determined by taking into account, among other considerations, the competitive positions of the parties; provided, further, that any such access shall (i) be under the supervision of such party's designated Representatives and (ii) be in such a manner as not to unreasonably interfere with any of the businesses or operations of such party or their respective Affiliates; provided, further, that all requests for any such access made pursuant to this Section 5.11 shall be directed to such party and its designated representatives; and (b) provide the other parties with such assistance as may reasonably be requested, at the requesting party's expense, in connection with the preparation of any Tax return, any income Tax audit or other administrative or judicial proceeding relating to the ownership of the Shares prior to or after the Closing, requests for information from Governmental Authorities relating to the transactions contemplated by this Agreement, and matters relating to unclaimed property; provided, however, that a party shall not be obligated to make any work papers available to the requesting party unless and until such requesting party has signed a customary confidentiality and hold harmless agreement relating to such access to work papers in form and substance reasonably acceptable to such party to whom such request is being made.

5.12 Tax Matters.

(a) Without the prior written consent of ABI, the Buyer Parties shall not, and shall not allow a Company or any Person on behalf of a Company to, to the extent it may affect

or relate to Grupo Modelo or any Affiliate thereof, make or change any Tax election, change any annual Tax accounting period, adopt or change any method of Tax accounting, file any amended Tax Return, enter into any closing agreement, settle any Tax claim or assessment, surrender any right to claim a Tax refund, offset or other reduction in Tax liability or consent to any extension or waiver of the limitations period applicable to any Tax claim or assessment.

(b) The parties shall use reasonable best efforts to facilitate the conversion of each Company to a Sociedad de Responsabilidad Limitada (S. de R.L.) organized under the laws of Mexico.

(c) The parties shall use reasonable best efforts to facilitate the filing of an Internal Revenue Service Form 8832 electing to treat each Company as an entity disregarded from its owners for United States federal income tax purposes effective prior to the Closing Date.

(d) ABI and its Affiliates agree to indemnify, defend and hold the Buyer Parties harmless from and against and in respect of, without duplication, until ninety (90) days after the expiration of the applicable statute of limitation for any liability for Taxes imposed on or with respect to CCC Company or Servicios Company for any Pre-Closing Period and any Pre-Closing Straddle Period.

(e) Other than for any Taxes for which ABI and its Affiliates are liable pursuant to Section 5.12(d), CBI agrees to indemnify, defend and hold harmless ABI and its Affiliates from and against and in respect of, without duplication, until ninety (90) days after the expiration of the applicable statute of limitation for any liability for Taxes imposed on or with respect to CCC Company or Servicios Company for any Post-Closing Period and any Post-Closing Straddle Period.

(f) ABI and its Affiliates shall prepare, or cause to be prepared, and file, or cause to be filed, any and all Tax Returns of CCC Company and/or Servicios Company for any Pre-Closing Period which are required or permitted by applicable Law to be filed by CCC Company and/or Servicios Company.

(g) CBI and its Affiliates shall prepare and file, or cause to be prepared and filed, all Tax Returns required or permitted to be filed by, or with respect to, CCC Company and/or Servicios Company for any Straddle Period and for any Post-Closing Period and shall pay any Tax shown to be due and owing thereon; provided, however, that, if ABI and its Affiliates are required to indemnify CBI under this Section 5.12 with respect to any Taxes required to be reported on such Tax Return, at least thirty (30) calendar days prior to the Due Date of such Tax Return, CBI shall provide ABI with a copy of a substantially completed draft of each such Tax Return (including any schedules, work papers, and other documentation relevant thereto). CBI shall give ABI and its Affiliates the opportunity to review and consent to the treatment in such Tax Return of items relating to the Pre-Closing Straddle Period for which ABI and its Affiliates may be liable under this Agreement, which consent shall not be unreasonably withheld or delayed. CBI shall present to ABI a statement of the amount of Taxes for which ABI and its Affiliates are liable with respect to each Tax Return required to be filed by CBI and its Affiliates pursuant to this Section 5.12(g) at least three (3) calendar days before the Due Date of such Tax Return.

(h) CBI and its Affiliates shall prepare, or cause to be prepared, and file, or cause to be filed, on or before the Due Date all other Tax Returns of CCC Company and Servicios Company required or permitted to be filed by each such entity after the Closing Date.

(i) Any Tax refund received (it being understood that with regard to any Pre-Closing Period or any Pre-Closing Straddle Period, CBI shall, and shall cause its Affiliates and the Companies to, claim any value added tax as a refund instead of a credit) by CBI or its Affiliates, CCC Company or Servicios Company in respect of a Tax borne by ABI and its Affiliates pursuant to this Section 5.12 or otherwise shall be for the account of ABI and its Affiliates. CBI and its Affiliates shall pay, or cause to be paid, to ABI and its Affiliates the amount of any such refund or credit (together with any interest received by CBI or its Affiliates from the applicable Governmental Authority and net of any additional Taxes CBI or its Affiliates incur as a result of such refund or credit) within ten (10) calendar days after receipt or utilization thereof. Specifically with respect to value added tax, a refund shall be claimed on any Pre-Closing Period or Pre-Closing Straddle Period return. CBI and its Affiliates shall be entitled to retain from any payment required under this Section 5.12(j) any reasonable third-party fees and costs incurred by CBI in obtaining the refund or utilizing the credit to which ABI and its Affiliates are entitled.

(i) For the avoidance of doubt, all Taxes (including but not limited to value added taxes) that CCC Company or Servicios Company has the right to recover (for the normal course or business of CCC Company or Servicios Company or for any other reason) at or prior to Closing shall be for the benefit of ABI and its Affiliates. CBI and its Affiliates shall take or cause to be taken all actions, and do or cause to be done all things reasonably necessary or desirable on its part, and proceed diligently and in good faith to recover or obtain compensation against any and all Taxes (including but not limited to value added taxes or income Taxes) for which CCC Company or Servicios Company may have the right to recover, and as promptly as possible pay any amounts so recovered, compensated to, or received by CBI, any of its Affiliates, CCC Company, or Servicios Company. The above shall include, but not be limited to, any Taxes paid by CCC Company or Servicios Company at Closing and any Taxes caused or incurred before Closing and any paid on or after Closing.

(j) Except to the extent required by applicable Law, as determined in ABI's reasonable discretion, none of CBI, any of its Affiliates, CCC Company, or Servicios Company shall amend any Tax Return in respect of CCC Company or Servicios Company for a Pre-Closing Period or Straddle Period.

(k) ABI, CBI, and each of their respective Affiliates shall, to the extent permitted by applicable Law, elect to treat the Closing Date as the last day of any taxable period of each of CCC Company and Servicios Company that would otherwise be a Straddle Period. In any case where applicable Laws do not permit the Closing Date to be treated as the last day of the taxable period, any Taxes arising out of or relating to a Straddle Period shall be apportioned between the Pre-Closing Straddle Period and the

Post-Closing Straddle Period based on an interim closing of the books as of and including the Closing Date. Notwithstanding the foregoing, however, (i) exemptions, allowances or deductions that are calculated on an annualized basis (including depreciation, amortization and depletion deductions for assets in service at the Closing Date) shall be apportioned on a daily pro rata basis and (ii) solely for purposes of determining the marginal Tax rate applicable to income during such period in a jurisdiction in which such Tax rate depends upon the level of income, annualized income shall be taken into account.

(l) Notwithstanding Section 5.12(l) and in the case of any property, ad valorem or similar Taxes determined on the basis of the value of property owned by the taxpayer, the amount of Taxes with respect to a Straddle Period attributable to (i) the Pre-Closing Straddle Period shall be deemed to be the product of the amount of such Tax for the entire Tax period and a fraction, the numerator of which is the number of days in the Tax period ending on (and including) the Closing Date and the denominator of which is the number of days in the entire Tax period and (ii) the Post-Closing Straddle Period shall be deemed to be the product of the amount of such Tax for the entire Tax period and a fraction, the numerator of which is the number of the days in the Tax period beginning on the day after the Closing Date and the denominator of which is the number of days in the entire Tax period.

(m) Notwithstanding anything to the contrary contained herein, (A) no Straddle Period Taxes shall be apportioned to the Pre-Closing Straddle Period to the extent such Taxes are the result of (i) any action taken by CBI and its Affiliates or (ii) CBI, any of its Affiliates, CCC Company, or Servicios Company failing to conduct the business of such entity in the ordinary course consistent with past practices following the Closing, and (B) no Straddle Period Taxes shall be apportioned to the Post-Closing Straddle Period to the extent such Taxes are the result of (i) any action taken by ABI and its Affiliates or (ii) ABI and any of its Affiliates failing to conduct the business of such entity in the ordinary course consistent with past practices on or before the Closing.

(n) After the date hereof, CBI and its Affiliates, CCC Company, and Servicios Company (each, a "*Recipient*" and together, the "*Recipients*"), shall notify ABI within ten (10) calendar days of receipt by a Recipient of written notice of any Tax Contest with respect to CCC Company or Servicios Company which could reasonably be expected to affect ABI and its Affiliates' obligation to indemnify the Recipients pursuant to this Agreement. If the Recipients fail to give such notice to ABI, the Recipients shall not be entitled to indemnification pursuant to this Agreement in connection with such Tax Contest only if such failure actually and materially prejudices ABI's ability to contest the asserted Tax deficiency. In addition to the foregoing, the Recipients shall promptly provide ABI copies of all written notices and other documents received from the applicable Governmental Authority.

(i) If such Tax Contest relates to any Tax for which ABI or any of its Affiliates may be liable, ABI may, at its election and expense, control the defense and settlement of such Tax Contest; provided that no settlement shall be permitted if it would adversely affect CBI without CBI's consent, which consent shall not be unreasonably withheld or delayed.

(ii) If such Tax Contest relates solely to Taxes for which neither ABI nor any of its Affiliates may be liable, CBI and its Affiliates shall, at their expense, control the defense and settlement of such Tax Contest.

(o) If as a result of a Tax Contest, either ABI and its Affiliates or CBI and its Affiliates are required to pay additional Taxes for which the other party is required to indemnify, such other party shall pay CBI or ABI (or their respective Affiliates), as appropriate, the amount of such additional Taxes not later than ten (10) calendar days before such amount is due.

(p) Tax Records and Cooperation. (A) CBI shall, and shall cause its Affiliates to, (i) retain and provide to ABI and its Affiliates, on reasonable request, access during regular business hours to any records or other information (including any books and records, workpapers, schedules, supporting entries, backups, and other documents) relating to CCC Company and/or Servicios Company with respect to any Pre-Closing Period and any Pre-Closing Straddle Period and (ii) provide to ABI and its Affiliates, on reasonable request, access during regular business hours to personnel of CBI, any of its Affiliates, CCC Company, and/or Servicios Company familiar with Tax matters relating to CCC Company and/or Servicios Company to respond to inquiries of ABI or any of its Affiliates relating to Taxes with respect to any Pre-Closing Period and any Pre-Closing Straddle Period. (B) ABI shall, and shall cause its Affiliates to (i) retain and provide to CBI and its Affiliates, on reasonable request, access during regular business hours to any records or other information (including any books and records, work papers, schedules, supporting entries, backups, and other documents relating to the CCC Company and/or the Servicios Company relating to Pre-Closing Period and any Pre-Closing Straddle Period and (ii) provide to CBI and its Affiliates, on reasonable request, access during regular business hours to personnel of ABI and/or any of its Affiliates familiar with Tax matters relating to the CCC Company and/or Servicios Company to respond to inquiries of CBI or any of its Affiliates relating to Taxes with respect to any Post-Closing Straddle Period.

(q) CBI shall promptly notify ABI of any authorized extension of the statutes of limitation of either or both of CCC Company and Servicios Company granted relating to any Pre-Closing Period or Straddle Period, but any failure to provide such notice by itself shall not affect ABI's indemnification obligations under this Section 5.12 if such failure does not prejudice ABI's or any of its Affiliates' ability to contest any Tax liability. Without limiting the generality of the foregoing, following the Closing, CBI shall retain, and shall cause each of its Affiliates, CCC Company, and Servicios Company to retain, until the applicable statutes of limitation (including any authorized extensions) have expired, copies of all Tax Returns, supporting work schedules and other records or information in its possession which may be relevant to such Tax Returns for all Pre-Closing Periods and Straddle Periods and shall not destroy or otherwise dispose of any such records without first providing ABI and its Affiliates the opportunity to review and copy same.

(r) Exclusivity of Tax Matters. Except as otherwise provided in this Section 5.12, and except with respect to Section 7.2 and Section 7.5, notwithstanding anything to the contrary in this Agreement, this Section 5.12 and not Article VII shall exclusively govern all matters related to the indemnification obligations of ABI, CBI, or any of their respective Affiliates relating to Taxes under this Agreement.

(s) Any payments made by ABI and its Affiliates to CBI and its Affiliates, or by CBI and its Affiliates to ABI and its Affiliates, shall be treated as an adjustment to the Purchase Price and allocated in the manner described on Schedule 1.3.

5.13 Termination of Intercompany Agreements. Closing Date (other than representations and warranties made as of another date, in which case the accuracy of such representations and warranties shall be determined as of such specified date) and (ii) any nonfulfillment or breach of any covenant or agreement made by ABI in this Agreement. For purposes of determining the existence of any inaccuracy in or breach of a representation or warranty and the measure of Losses for indemnification pursuant to clause (i) in this Section 7.2(a), such representation or warranty shall be read as if all materiality standards contained therein (i.e., qualifiers such as “material”, “in all material respects”, “Company Material Adverse Effect”, or similar qualifiers) had been deleted, other than in Sections 3.8, the first sentence of Section 3.15(b) and Section 3.25 and with respect to the term “Material Contracts” in Sections 3.5, 3.6(a) and 3.20.

(b) Any indemnification of a CBI Indemnified Party pursuant to this Section 7.2 shall be effected by wire transfer or transfers of immediately available funds from ABI to an account designated in writing by the applicable CBI Indemnified Party to ABI within 15 days after the claim shall have been finally resolved (it being understood that a claim shall be “finally resolved” when (i) the parties to the dispute have reached an agreement in writing, (ii) a court of competent jurisdiction shall have entered a final and non-appealable order or judgment or (iii) an arbitration or like panel shall have rendered a final non-appealable determination with respect to the claim the parties have agreed to submit thereto).

7.3 Indemnification of ABI by CBI. (a) From and after the Closing Date, CBI shall indemnify and save and hold harmless ABI and its officers, directors and Subsidiaries (collectively, the “ABI Indemnified Parties”) from and against any Losses suffered by any such ABI Indemnified Parties resulting from or arising out of: (i) any failure of any representation or warranty made by CBI to be true and correct as of the date hereof and as of the Closing Date (other than representations and warranties made as of another date, in which case the accuracy of such representations and warranties shall be determined as of such specified date) and (ii) any nonfulfillment or breach of any covenant or agreement made by CBI in this Agreement.

(b) Any indemnification of an ABI Indemnified Party pursuant to this Section 7.3 shall be effected by wire transfer or transfers of immediately available funds from CBI to an account designated by the applicable ABI Indemnified Party to CBI within 15 days after the claim shall have been finally resolved (it being understood that a claim shall be “finally resolved” when (i) the parties to the dispute have reached an agreement in writing, (ii) a court of competent jurisdiction shall have entered a final and non-appealable order or judgment or (iii) an arbitration or like panel shall have rendered a final non-appealable determination with respect to the claim the parties have agreed to submit thereto).

7.4 Procedures Relating to Indemnification. (a) If an Indemnified Party shall desire to assert any claim for indemnification provided for under this Article VII in respect of, arising out of or involving a claim or demand made by any Person (other than a party hereto or Affiliate thereof) against the Indemnified Party (a “Third-Party Claim”), such Indemnified Party shall notify the party liable for such indemnification (the “Indemnifying Party”) in writing, and in reasonable detail (taking into account the information then available to such Indemnified Party), of the Third-Party Claim promptly after receipt by such Indemnified Party of written notice of the Third-Party Claim; *provided, however*, that failure to give such notification shall not affect the indemnification provided hereunder except to the extent the Indemnifying Party

shall have been actually prejudiced as a result of such failure. The Indemnified Party shall deliver to the Indemnifying Party, promptly after the Indemnified Party's receipt thereof, copies of all notices and documents (including court papers) received by the Indemnified Party relating to the Third-Party Claim; *provided, however*, that the failure to deliver such copies shall not affect the indemnification provided hereunder except to the extent the Indemnifying Party shall have been actually prejudiced as a result of such failure.

(b) If a Third-Party Claim is made against an Indemnified Party, the Indemnifying Party shall be entitled to participate in the defense thereof and, if it so chooses to assume the defense thereof with counsel selected by the Indemnifying Party and reasonably satisfactory to the Indemnified Party. Should the Indemnifying Party so elect to assume the defense of a Third-Party Claim, the Indemnifying Party shall not be liable to the Indemnified Party for legal expenses subsequently incurred by the Indemnified Party in connection with the defense thereof, unless the Third-Party Claim involves potential conflicts of interest or substantially different defenses for the Indemnified Party and the Indemnifying Party based on the advice of counsel. If the Indemnifying Party assumes such defense, the Indemnified Party shall have the right to participate in defense thereof and to employ counsel, at its own expense (except as provided in the immediately preceding sentence), separate from the counsel employed by the Indemnifying Party, it being understood that the Indemnifying Party shall control such defense. If the Indemnifying Party chooses to defend any Third-Party Claim, all the parties hereto shall cooperate in the defense or prosecution thereof. Such cooperation shall include the retention and (upon the Indemnifying Party's request) the provision to the Indemnifying Party of records and information that are reasonably relevant to such Third-Party Claim, and use reasonable efforts to make employees available on a mutually convenient basis to provide additional information and explanation of any material provided hereunder. Whether or not the Indemnifying Party shall have assumed the defense of a Third-Party Claim, the Indemnified Party shall not admit any liability with respect to, or settle, compromise or discharge, such Third-Party Claim without the Indemnifying Party's prior written consent (which consent shall not be unreasonably withheld). The Indemnifying Party may pay, settle or compromise a Third-Party Claim without the written consent of the Indemnified Party, so long as such settlement includes (A) an unconditional release of the Indemnified Party from all liability in respect of such Third-Party Claim, (B) does not subject the Indemnified Party to any injunctive relief or other equitable remedy and (C) does not include a statement or admission of fault, culpability or failure to act by or on behalf of any Indemnified Party.

(c) If an Indemnified Party shall desire to assert any claim for indemnification provided for under this Article VII other than a claim in respect of, arising out of or involving a Third-Party Claim, such Indemnified Party shall notify the Indemnifying Party in writing, and in reasonable detail (taking into account the information then available to such Indemnified Party), of such claim promptly after becoming aware of the existence of such claim; *provided* that the failure to give such notification shall not affect the indemnification provided for hereunder except to the extent the Indemnifying Party shall have been actually prejudiced as a result of such failure. If the Indemnifying Party does not respond to such notice within 45 days after its receipt, it shall have no further right to contest the validity of such claim.

7.5 Limitations on Indemnification.

(a) ABI shall have no liability for any claim for indemnification hereunder if the Loss associated with such claim is less than One Hundred Thousand Dollars (\$100,000) (any such claim being referred to as a "*De Minimis Claim*"). ABI shall have no liability for indemnification pursuant to Section 7.2(a) with respect to Losses for which indemnification is provided thereunder unless the aggregate amount of such Losses (excluding all Losses associated with De Minimis Claims) exceeds Fifty Million Dollars (\$50,000,000) (the "*Deductible*"), in which case ABI shall be liable for all such Losses (excluding all Losses associated with De Minimis Claims) in excess of the Deductible; provided that except as set forth below in no event shall the aggregate indemnification to be paid by ABI exceed Five Hundred Million Dollars (\$500,000,000) (the "*Indemnity Cap*"). Notwithstanding the foregoing and except for fraud, the limitations and restrictions of the Deductible and the Indemnity Cap shall not apply to Losses incurred by CBI arising from, arising out of, in the nature of, or caused by any breach of the representations and warranties set forth in Sections 2.1, 2.2, 2.3, 3.1(a) (with respect to the first sentence only) 3.2, 3.3 and 3.12.

(b) The Buyer Parties and ABI agree that, notwithstanding Section 7.2 of this Agreement, the sole and exclusive remedy of the Buyer Parties for any breach of the representation and warranty set forth in the last sentence of Section 3.8 is through the Purchase Price Adjustment in accordance with Section 1.4.

(c) No Indemnified Party shall be entitled to recover from an Indemnifying Party more than once in respect of the same Losses.

7.6 Consequential Damages. Following the Closing, the indemnification provided in this Article VII shall be the exclusive remedy and in lieu of any and all other rights and remedies which the Indemnified Parties may have under this Agreement or otherwise against each other with respect to the transactions contemplated hereby for monetary relief with respect to any breach of any representation or warranty or any failure to perform any covenant or agreement set forth in this Agreement, and each party hereto each expressly waives any and all other rights or causes of action it or its Affiliates may have against the other party or its Affiliates now or in the future under any Law with respect to the subject matter hereof, except in either case for fraud of the other party or the parties' rights to seek specific performance in accordance with Section 10.14. Subject to the next sentence of this Section 7.6, no Person shall be liable under this Article VII for any consequential, punitive, special, incidental or indirect damages, including lost profits and diminution in value, except to the extent awarded by a court of competent jurisdiction in connection with a Third Party Claim. Notwithstanding anything to the contrary in this Agreement, the restriction in the preceding sentence on the right of a party hereunder to recover consequential, punitive, special, incidental and indirect damages, including lost profits and diminution in value, shall not apply where ABI fails to sell, or causes to be sold, the Shares to the Buyer Parties after all conditions precedent set forth in this Agreement to ABI's obligations to sell, or cause to be sold, the Shares to the Buyer Parties hereunder have been satisfied or waived.

7.7 Additional Indemnification Provisions.

(a) With respect to each indemnification obligation under this Agreement (i) each such obligation shall be calculated on an After-Tax Basis and (ii) all Losses shall be net of

any third-party insurance proceeds that have been recovered or are recoverable by the Indemnified Party in connection with the facts giving rise to the right of indemnification.

(b) If an Indemnifying Party makes any payment for any Losses suffered or incurred by an Indemnified Party pursuant to the provisions of this Article VII, such Indemnifying Party shall be subrogated, to the extent of such payment, to all rights and remedies of the Indemnified Party to any insurance benefits or other claims of the Indemnified Party with respect to such Losses and with respect to the claim giving rise to such Losses.

(c) The right to indemnification or other remedy based on any representations, warranties, obligations, covenants and agreements set forth in this Agreement or in any of the Ancillary Agreements, will not be affected by any investigation conducted with respect to, or any notice or knowledge acquired (or capable of being acquired), with respect to the accuracy or inaccuracy of or compliance with, any such representation, warranty, covenant or agreement; provided, however, that notwithstanding anything to the contrary contained herein, except as set forth on Section 7.7(c) of the ABI Disclosure Letter, ABI shall not have any liability relating to any breach of, or inaccuracy in, any representation or warranty made herein that, as of the date hereof, any Buyer Party had Knowledge of the breach or inaccuracy of the representation or warranty or of the facts relating to such breach or inaccuracy.

(c) In the event of termination of this Agreement by ABI or CBI pursuant to Section 8.1(b) (but solely as a result of ABI exercising its right to terminate the MIPA under Section 11.1(b) thereof) or 8.1(c), then ABI shall promptly (but in no event later than two (2) Business Days after the date of such termination) cause Anheuser-Busch International Holdings,

LLC (or its designee) to pay, or cause to be paid, to CBI (or its designee) an amount equal to One Hundred Seventeen Million Dollars (\$117,000,000) (the “SPA Termination Fee”) by wire transfer of same day funds to any account designated by CBI (or its designee). damages after such termination), nor shall the commencement of any legal proceeding pursuant to this Section 10.14 or anything set forth in this Section 10.14 restrict or limit any party's right to terminate this Agreement in accordance with the terms of Article VIII or pursue any other remedies under this Agreement that may be available then or thereafter. (i) Subject to the terms and conditions of this Agreement, Marcas Modelo hereby grants, on behalf of itself and Grupo Modelo, to Constellation Beers an irrevocable, exclusive, fully paid-up license or sub-license (as applicable) under the Licensed Copyrights owned by Grupo Modelo in the Territory to copy, modify, create derivative works of, publicly display and distribute Marketing Materials or Secondary Marketing Materials existing at the time of entering into this Agreement to the extent that they may have been transferred by or on behalf of Crown to Grupo Modelo under the Original Agreement, in each case solely in connection with the marketing, promotion and sale of Importer Products and Interim Product in the Territory.

(ii) Subject to the terms and conditions of this Agreement, Constellation Beers hereby grants to Marcas Modelo and its Affiliates an irrevocable, exclusive, fully paid-up license or sub-license (as applicable) under the Licensed Copyrights owned by Constellation Beers or its Affiliates outside of the Territory to copy, modify, create derivative works of, publicly display and distribute Marketing Materials and Secondary Marketing Materials existing as of the date of this Agreement, in each case solely in connection with the marketing, promotion and sale of Products outside of the Territory.

(e) ***Constellation Use of "Modelo".*** Constellation Beers shall have the right to use the term "Cerveceria Modelo" or any derivation thereof (i) in the Territory as such term is included in the Trademarks or Trade Dress as currently existing (or to substitute for uses of "Grupo Modelo" in the Trademarks and Trade Dress currently used in the Products), (ii) for the

purposes of identifying in print (or any other visually perceptible medium) that Importer Products marketed and sold in the Territory have been “bottled by”, “produced by”, “made by”, “hecho”, “imported by” of the like by “Cerveceria Modelo, and (iii) as the fictitious name or “d/b/a” for its brewery located in Mexico, in each case, (1) only in connection with the exercise of the licenses granted in this Section 2.1, and (2) provided that such use is not likely to cause confusion with the uses described in **Section 2.5(b)**. Marcas Modelo will reasonably cooperate at the cost of Constellation Beers in reasonable requests of Constellation Beers to establish the rights identified in the foregoing clauses (i) through (iii) of this Section 2.1(e). All rights set forth in this Section 2.1(e) are provided on an “AS IS” basis without any warranty of any kind, express or implied, including as to the sufficiency of rights or the compliance of any exercise of such rights with applicable laws. (f) **Chelada Trademarks.** Notwithstanding **Section 2.1(a)**, Constellation Beers acknowledges and agrees that it is in the mutual interests of the parties to avoid the potential for consumer confusion arising from the use of similar Marks, and absent any change, there may be a potential for confusion with respect to the Chelada Trademarks and certain existing Marks of the Modelo Group. Accordingly, Constellation Beers agrees that it will as soon as reasonably practicable after the date of this Agreement, but in any case within the Transition Period, cease all use of the Chelada Trademarks in their existing form including on labels and other Containers for Products, provided that, Constellation Beers may adopt or use Trademarks evidenced in the Chelada Trademarks that do not contain a depiction of the glass in the background of those Trademarks, and at the discretion of Constellation Beers, it may file and maintain applications for such registrations so modified subject to the terms and conditions of Section 2.8.

(g) **Non-Exclusive Trademarks.** Notwithstanding **Section 2.1(a)**, the rights of Constellation Beers under **Section 2.1(a)** shall be deemed to be non-exclusive right respect to the Non-Exclusive Trademarks, and Marcas Modelo shall retain the right to use and sublicense the Non-Exclusive Trademarks or otherwise refer to the terms “Familiar”, “Cinco” or “Cinco De Mayo” or similar terms for any purpose including in connection with the marketing, promotion, distribution and sale of Beer in the Territory.

2.2 *Changes to Recipes.*

(a) Should Marcas Modelo or Grupo Modelo (i) use any Recipe for any Brand Extension Beer marketed by Marcas Modelo or Grupo Modelo in Mexico or Canada after the Effective Date or (ii) make any reasonably perceptible change to any Recipe for any Product or any such Brand Extension Beer marketed in Mexico or Canada, Marcas Modelo will notify Constellation Beers that such new Recipe is being used or that such change has been made (as applicable) and, at the request of Constellation Beers, Constellation Beers may (but shall not be obligated to) adopt such new or changed Recipe and, if Constellation Beers so elects, the new or changed Recipe and the Licensed Other IP with respect to such Recipe will be added to the licenses granted in **Section 2.1** of this Agreement, at no additional cost or charge to Constellation Beers.

(b) Constellation Beers shall have the right to determine in its sole discretion any changes to the Beer Recipe it uses for each existing Product, which changes may be variations or derivatives of Recipes of such existing Products or entirely new Recipes, provided that such changed Recipes meet the Quality Standards. Should Constellation Beers or any of its Affiliates (i) use any Recipe for any Brand Extension Beer marketed by Constellation Beers or any of its Affiliates in the Territory after the Effective Date, or (ii) make any reasonably perceptible change to any Recipe for any Product or any such Brand Extension Beer marketed in the Territory, Constellation Beers will notify Marcas Modelo that such new Recipe is being used or that such change has been made (as applicable) and, at the request of Marcas Modelo, Marcas Modelo may (but shall not be obligated to) adopt such new or changed Recipe and, if Marcas Modelo so elects, the new or changed Recipe and the Licensed Other IP with respect to such Recipe will be deemed to be licensed by Constellation Beers to Grupo Modelo on the same terms as the grants to Constellation Beers under **Section 2.1**, provided that the territory for such license shall be for production worldwide and solely for distribution of product outside of the Territory.

2.3 ***Amendment of Trademark Exhibits.*** **Exhibit B** and **Exhibit D** shall be amended to reflect any Marks (including Brand Extension Marks) added to or removed from or deemed to be added to or removed from **Exhibit B** or **Exhibit D** pursuant to the terms of this Agreement (including the addition of Trademarks in accordance with **Section 2.8(b)**, the removal of Trademarks in accordance with **Section 2.8(c)**, and the removal of Trademarks associated with brands abandoned by Constellation Beers as set forth in **Section 2.14**).

(a) Notwithstanding **Section 2.1**, Marcas Modelo may use and may grant sub-licenses to use the Trademarks in the Territory in connection with (i) existing sponsorship activities, including any promotion, marketing or advertising of the Importer Products and Interim Products in the Territory that Marcas Modelo or its Affiliates is required to conduct pursuant to an agreement with a Third Party in effect on the date hereof until such agreement is terminated or expires in accordance with its terms, (ii) global sponsorship and worldwide promotional activities, including any internet-based or social media promotion, marketing or advertising of the Importer Products and Interim Products, as long as such activities are not primarily directed to Persons in the Territory, even if such activities involve advertising and other similar content that may be located in the Territory or accessible to Persons residing in the Territory, (iii) distributing or otherwise providing promotional materials or merchandise with charge or merchandise in the Territory solely in connection with the activities described in clauses (i) and (ii) of **Section 2.5(a)** above or in connection with contractual commitments of Grupo Modelo existing as of the date of this Agreement, provided that such contractual commitments are not voluntarily renewed by Grupo Modelo and Marcas Modelo uses commercially reasonable efforts to wind-down and terminate such commitments without incurring liabilities or breaching any obligation, and (iv) of government filings, corporate annual reports, printed historical references and other print uses that would constitute "fair use" under applicable trademark law.

(b) Notwithstanding anything set forth in this Agreement, Marcas Modelo and Grupo Modelo shall have the right to use inside the Territory (i) "Cerveceria Modelo", or (ii) a corporate name including "Grupo Modelo", and which in each case is accompanied by an appropriate corporate identifier, such as "Grupo Modelo S.A.de C.V.", (collectively, "**Permitted Corporate Reference**") for the purposes of identifying themselves in print (or any other visually perceptible medium) (which use in association with products or promotion of products must also include a designation of the product as having been "bottled by", "produced by", "made by", "hecho", "imported by" or the like by such company or brewery), so long as such Permitted Corporate Reference is not displayed on a consumer-facing label of a Container or primary consumer directed panel of Packaging unless required to comply with applicable laws in the Territory, or in a manner likely to cause confusion with respect to the Trademarks.

(c) Notwithstanding anything set forth in this Agreement, Marcas Modelo or Modelo Group may use the Permitted Corporate Reference, Trademarks or Trade Dress for purposes of government filings, corporate annual reports, printed historical references and other uses that would constitute “fair use” under applicable trademark law.

(d) Under no circumstances may “Modelo” be used by Marcas Modelo or any of its Affiliates in any form or combination as a product brand name for marketing, promotion or sale of Beer in Territory. Notwithstanding anything set forth in this Agreement, Marcas Modelo and its Affiliates may use any Internet domain name (or other, similar or successor electronic address) or social media (including Facebook® page, Twitter® account, Pinterest® account or the like) containing any of their corporate or trade names or respective Marks, including the Trademarks; provided that: (a) the media chosen is not primarily directed to Persons residing in the Territory or chosen with the intent of communicating with Persons residing in the Territory or a periodical that is primarily distributed to Persons in the Territory; and (b) Marcas Modelo or Grupo Modelo are in compliance with **Section 2.5(f)** below. Marcas Modelo and Constellation Beers shall reasonably cooperate to determine and agree upon in good faith appropriate and commercially reasonable policies and procedures for referring to the other party visitors to their respective websites or social media outlets that indicate an interest in the Products in the territory of the other party with the understanding that (i) online content directed to the marketing or sale of Importer Products to consumers in the Territory would be under the direction of Constellation Beers and (ii) online content directed to the marketing or sale of Products to consumers outside of the Territory would under the direction of Marcas Modelo. Constellation Beers obtains no right, title, or interest in or to any Marks hereunder other than the Trademarks, and all rights not granted to Constellation Beers hereunder are hereby expressly reserved. Nothing herein shall preclude Marcas Modelo or any member of the Modelo Group from (A) using any of their respective Marks, other than the Trademarks, for any purpose or (B) registering or displaying their respective Marks, in each case, other than the Trademarks, in any territory in the world, including the Territory.

(e) Marcas Modelo shall, and shall cause Grupo Modelo to, deliver to Constellation Beers copies of tangible embodiments of the Licensed Other IP used as of the date of this Agreement, or as required pursuant to **Section 2.2** hereof, by Marcas Modelo or its Subsidiaries in brewing Product, as reasonably necessary for Constellation Beers to exercise its rights under clause (ii) of **Section 2.1(b)**. Constellation Beers shall, and shall cause its applicable Affiliates to, deliver to Marcas Modelo copies of tangible embodiments of the Recipes as required pursuant to **Section 2.2** hereof as reasonably necessary for Marcas Modelo to exercise its rights under **Section 2.2(b)**.

(f) Marcas Modelo shall not, and shall not permit any member of the Modelo Group to, sell any Products to any buyers located in the Territory, and shall, and shall cause all members of the Modelo Group, to use commercially reasonable efforts to prevent buyers from reselling such Products in the Territory or in any manner not authorized by this Agreement (including by not selling to exporters or buyers who are known, or would reasonably be expected, to resell inside of the Territory); for clarity, it shall not be a breach of this Agreement to sell or distribute to cruise lines, airlines, tour operators and the like located outside of the Territory, so long as the Products are delivered outside of the Territory.

(g) Without limiting any rights of the parties at law or in equity, Marcas Modelo shall not, and shall not permit any member of the Modelo Group to, use any Mark in the marketing or promotion of Beer in the Territory that is confusingly similar with any Trademark (other than any Additional Trademark) or protectable elements of Trade Dress (including the protectable Bottle Designs as of the date hereof for Corona, Negra Modelo and Modelo Especial) in each case existing as of the date of this Agreement. Notwithstanding anything to the contrary herein, nothing in this Agreement shall limit any rights of Anheuser-Busch Companies, LLC, or any of its Affiliates operating in the Territory (other than Grupo Modelo) to use, register or adopt any Mark or trade dress used on or before the date of this Agreement in connection with the marketing, promotion or distribution of Beer in the Territory, or the right of any such entities to challenge, oppose or assert likelihood of confusion against any Trademark or Trade Dress on the basis of any Mark owned by or activity of such entities; provided, however, that as to Trademarks and Trade Dress of the Products in each case licensed under this Agreement as of the date of this Agreement, (i) neither Anheuser-Busch Companies, LLC nor any their respective Affiliates shall challenge, oppose or assert likelihood of confusion with respect to existing uses of such Trademarks and Trade Dress, and (ii) neither Constellation Beers nor any of its Affiliates shall challenge, oppose or assert likelihood of confusion on the basis of such Trademarks and Trade Dress against any existing Marks or trade dress of Anheuser-Busch Companies, LLC or any their respective Affiliates. For clarity, nothing herein shall be construed to prohibit Constellation Beers from bringing in accordance with **Section 2.9** an action at law or in equity for infringement under federal trademark law with respect to any Additional Trademark.

(h) For clarity, neither the supply by Marcas Modelo or its Affiliates of Products pursuant to the Interim Supply Agreement nor the performance of any written agreement by and between a member of the Modelo Group and Crown existing as of the Effective Date regarding the wholesale distribution of Product in the Territory will be deemed to be a breach or violation of the terms of this Agreement.

2.6 *Sub-Licenses of Constellation Beers.*

(a) *Generally.* Constellation Beers may grant to its wholesalers, distributors, promotional agents, vendors, Affiliates, and Suppliers limited sub-licenses of any or all its rights in **Section 2.1**, in each case only as reasonably necessary for each such sub-licensee to engage in the activity for which it was engaged by Constellation Beers and solely within the rights authorized by this Agreement. The agreement Constellation Beers routinely uses for any such sub-license of rights shall provide reasonable provisions for the use, protection and maintenance of the Licensed Intellectual Property in a manner that is consistent with this Agreement, and shall prohibit any further sub-licenses of the Licensed Intellectual Property, and Constellation Beers shall use commercially reasonable efforts to enforce such agreements. Under no circumstances may any such sub-licensee use the Licensed Other IP or Licensed Patents to manufacture, bottle or package any products for its own account or for anyone other than Constellation Beers, except that where such sub-licensee is an Affiliate of Constellation Beers, such sub-licensee shall be deemed to be Constellation Beers for purposes of the requirement that Constellation Beers must manufacture, bottle or package Importer Products only for its own account. For purposes of clarification, Constellation Beers shall have the right to sub-license any or all of its rights under this Agreement (including the right to grant further sub-licenses) to any other Affiliate of Constellation, provided, that Constellation Beers notifies Marcas Modelo of any such sub-

licenses, such sub-licensee agrees in writing to be bound by all terms and conditions of this Agreement and the sublicensor remains liable for its sub-licensee's performance under this Agreement.

(b) *Sub-Licenses to Suppliers.* The right of Constellation Beers to grant sub-licenses to Suppliers or to any Affiliate with manufacturing rights or rights to grant sub-licenses to Suppliers under **Section 2.6(a)** is subject to and conditioned upon Constellation Beers' compliance with the terms and conditions of this **Section 2.6(b)**. Constellation Beers agrees to promptly notify Marcas Modelo of any such sub-licenses, the name of the Supplier or Affiliate (as applicable) and the location of its facilities if applicable. Any sub-license granted by Constellation Beers to a Supplier or Affiliate covered by this **Section 2.6(b)** shall permit Marcas Modelo sampling and inspection rights consistent with the terms of **Section 3.7** for the Importer Products produced by such Supplier. Constellation Beers shall remain liable to Marcas Modelo for the conduct of all of its Suppliers and Affiliates covered by this **Section 2.6(b)** that would constitute a breach of this Agreement if done by Constellation Beers, such conduct being deemed a breach hereof by Constellation Beers.

2.7 Limitations on Marcas Modelo. Marcas Modelo agrees that its exercise of its rights hereunder or otherwise obtained shall provide it with no right to approve the marketing, promotion, advertising used or manufacture by Constellation Beers for Interim Products and Importer Products. Notwithstanding the foregoing, Marcas Modelo shall be entitled to enforce its rights under this Agreement.

2.8 Maintenance of Trademarks and Licensed Other IP.

(a) *Existing Registrations and Applications.* Marcas Modelo shall (i) pay or cause to be paid all maintenance fees, and take or cause to be taken such other reasonable administrative actions, in each case, necessary to maintain in force all the registrations in the Territory included in the Licensed Intellectual Property (except with respect to maintenance fees and administrative actions required to be taken by Constellation Beers pursuant to **Section 2.8(b)**), and (ii) diligently prosecute any applications for registration included in the Trademarks, Licensed Patents or with respect to the Licensed Other IP that are pending before the USPTO or other agency in the Territory as of the date hereof. Constellation Beers shall promptly reimburse Marcas Modelo for all reasonable out-of-pocket costs and expenses for the foregoing, including all maintenance and filing fees and reasonable attorneys' fees. If Marcas Modelo fails to perform its obligations under this **Section 2.8(a)**, Constellation Beers may take any such actions at its sole cost and expense, in which case Marcas Modelo will, and will cause any applicable member of the Modelo Group to, reasonably cooperate with Constellation Beers in such actions, at the expense of Constellation Beers. If requested by Constellation Beers, Marcas Modelo shall, and shall cause any applicable member of the Modelo Group to, designate Constellation Beers as its agent with respect to any of the foregoing maintenance obligations, including the payment of maintenance fees and filing of documents with the USPTO or other agency in the Territory.

(b) *New Registrations of Brand Extension Marks.* Upon the reasonable request of Constellation Beers, Marcas Modelo will file with the USPTO or other agency in the Territory applications to register any Marks that constitute Brand Extension Marks that can be so registered, or applications for additional registrations for any Brand Extension Marks, which

applications and registrations shall then be subject to **Section 2.8(a)**, and shall be deemed to be included in the Additional Trademarks. Constellation Beers shall be solely responsible for all reasonable costs and expenses associated with filing such applications, including all filing fees and reasonable attorneys' fees, and shall pay such costs directly to the providers or, if paid by Marcas Modelo, shall promptly reimburse Marcas Modelo for the same. If Marcas Modelo fails to perform its obligations under this **Section 2.8(b)**, or as otherwise approved by Marcas Modelo, Constellation Beers may, to the extent allowed under applicable law, file such applications in its own name and will promptly thereafter assign them to Marcas Modelo. Constellation Beers will pay all maintenance fees and take such other administrative actions necessary to maintain in force all the registrations in the Territory contemplated by this **Section 2.8(b)**. Marcas Modelo will, and will cause any applicable member of the Modelo Group to, reasonably cooperate with Constellation Beers in such actions, at the expense of Constellation Beers. If requested by Constellation Beers, Marcas Modelo shall, and shall cause any applicable member of the Modelo Group to, designate Constellation Beers as its agent with respect to any of the foregoing maintenance obligations, including the payment of maintenance fees and filing of documents with the USPTO or other agency in the Territory.

(c) *Status.* Marcas Modelo shall keep Constellation Beers reasonably apprised of the status of all applications and registrations included in Licensed Intellectual Property, and any significant actions with respect thereto, and shall invoice Constellation Beers on a quarterly basis for any costs and expenses required to be reimbursed by Constellation Beers pursuant to **Section 2.8(a)** or **2.8(b)**. Constellation Beers may provide written notice to Marcas Modelo that Constellation Beers no longer wishes to maintain a particular registration or application included in the Trademarks, in which case Constellation Beers' and Marcas Modelo's obligations under **Sections 2.8(a)** and **2.8(b)** will no longer apply to such registration or application, and **Exhibit B** or **Exhibit D** as applicable will automatically be deemed amended to remove such Trademarks. Notwithstanding the removal of any Trademark from **Exhibit B** or **Exhibit D**, neither Marcas Modelo nor any member of the Modelo Group shall be permitted to use such Trademark in the marketing or promotion of Beer in the Territory if such use would be reasonably likely to cause confusion as to the source of Beer marketed with another Trademark included in **Exhibit B** or **Exhibit D**.

2.9 Defending Trademarks. Each party shall, consistently with the provisions of this Agreement, use its commercially reasonable efforts to protect the Trademarks, the Licensed Patents, Licensed Copyrights, and the Licensed Other IP in the Territory. Each party shall from time to time, as soon as reasonably possible after learning of the facts or law relating thereto, notify the other party of any federal, state, local or other filing (including any applications for, or renewals of, any trademarks or similar registrations) that Constellation Beers considers to be necessary, appropriate or advisable to protect the Trademarks, the Licensed Other IP, or other ownership rights with respect to the Products in the Territory. Furthermore, the parties will cooperate and consult in good faith to determine, on a case by case basis, the best means by which to address any infringement or suspected infringement of the Trademarks in the Territory; provided that Constellation Beers shall have the final right to make determinations of this nature, including commencing or defending litigation. If reasonably requested by Constellation Beers, or as may be required by a court or agency to permit Constellation Beers to pursue an action, Marcas Modelo shall, and shall cause any member of the Modelo Group to, join as a party to any such litigation if such joinder is necessary to prosecute Constellation Beers'

claims. In the event that Constellation Beers does not decide to pursue any act that Marcas Modelo deems to constitute infringement or suspected infringement of the Trademarks in the Territory, it shall give written notice to Marcas Modelo of the same and then Marcas Modelo may pursue such infringement or suspected infringement, at the expense of Marcas Modelo. Constellation Beers shall provide reasonable cooperation to Marcas Modelo in connection therewith. All damages, paid in settlement or otherwise, shall be distributed as follows, first, *pari passu*, to pay each of Constellation Beers's and Marcas Modelo's reasonable attorneys' fees and expenses and then one hundred percent (100%) to Constellation Beers if Constellation Beers choose to pursue the infringement or suspected infringement or one hundred percent (100%) to Marcas Modelo if Constellation Beers gave written notice that it would not pursue the infringement or suspected infringement and Marcas Modelo pursued such infringement or suspected infringement.

2.10 Ownership. (a) Ownership of the Trademarks and of the goodwill associated therewith shall at all times remain in and inure solely to the benefit of Modelo Group, and any trademark rights or goodwill with respect thereto which may accrue as a result of advertising or sales of Importer Products or Interim Products shall be the sole and exclusive property of Modelo Group. Trademark rights (i) shall include any additions or modifications to the Trademarks, as well as any slogan, musical composition, name, emblem, symbol, trade dress or other device used to identify or refer to Importer Products or Interim Products or any Trademark sub-licensed hereunder, in each case, whether developed, created or used by Constellation Beers or any of its sub-licensees in the Territory, and (ii) may be used by Modelo Group, by Marcas Modelo or their importers, or their distributors or sub-licensees, according to the terms of this Agreement, in territories other than the Territory, in addition to the use thereof made by Constellation Beers in the Territory under this Agreement. If any such addition, modification or device is to be separately registered under the laws protecting trademarks, copyrights or other property rights, it shall be registered only in the name of Modelo Group, and Constellation Beers shall execute such documents as may be necessary to accomplish such registration.

(b) Marcas Modelo or Modelo Group shall be deemed to be the exclusive owner of all intellectual property used or developed in connection with this Agreement by Constellation Beers that (i) incorporates the Licensed Other IP and any derivative works based thereon; (ii) in the absence of this Agreement, would infringe upon or otherwise violate the rights of Marcas Modelo or Modelo Group in the Licensed Other IP under the laws of the Territory; or (iii) was developed by Constellation Beers based upon Confidential Information belonging to Marcas Modelo or Modelo Group. As between the parties and unless contrary to applicable law, Constellation Beers shall be the owner of any intellectual property independently developed by Constellation Beers that is not a result of the areas set forth above in clauses (i)-(iii) of this **Section 2.10(b)**. For example, should Constellation Beers create a type of Container or a functional element of a Container that is not a result of the areas set forth above in clauses (i)-(iii) of this **Section 2.10(b)**, even if such Container or a functional element of a Container is used with an Importer Product, Constellation Beers shall be the owner of the intellectual property rights with respect to such Container or functional element of such Container. For the avoidance of doubt, nothing herein shall give or be deemed to give Marcas Modelo or any member of the Modelo Group any rights in or to the Marks or other intellectual property rights that are owned by Constellation or any of its Affiliates unrelated to the subject matter of this Agreement.

(c) If, for any reason or circumstances, Constellation Beers is deemed under any law or regulation to have acquired any right or interest with respect to the Licensed Intellectual Property, Constellation Beers hereby assigns and shall, at the request of Marcas Modelo or Modelo Group, promptly execute any document reasonably needed in order for Constellation Beers to transfer to Marcas Modelo or Modelo Group any and all such rights, titles and interests in and to the Licensed Intellectual Property including the goodwill that they represent and the Licensed Intellectual Property.

2.11 *Derivative Works.* Constellation Beers shall acquire no ownership rights in the Licensed Intellectual Property or derivative works based thereon or any intellectual property deemed to be owned by Marcas Modelo or Modelo Group as a result of this Agreement. Constellation Beers shall, at any time requested by Marcas Modelo or Modelo Group, whether during or subsequent to the term hereof, disclaim in writing any such property interest or ownership in the Licensed Intellectual Property.

2.12 *Certain Restrictions.* Constellation Beers shall not, either directly or indirectly (and shall cause its Affiliates not, either directly or indirectly, to):

(a) establish, form, be an owner of, operate, administer, authorize or control any company, division, corporation, association or business entity under any name which includes any of the Trademarks, either in whole or part, or under any name which is confusingly similar to the Trademarks or "Grupo Modelo" (other than with respect to Constellation Beers, "Crown" as described in **Section 2.1(a)** or as expressly set forth in **Section 2.1(e)**);

(b) (except as expressly authorized by this Agreement) use, adopt, register, or seek to register, or in any other manner claim the ownership of, any Mark or trade dress that includes any of the Trademarks or that is confusingly similar to any of the Trademarks or Trade Dress (including in connection with Brand Extension Marks);

(c) use, or authorize any other Person to use, any Trademark or Trade Dress in connection with any Beer or any other good or service other than an Importer Product or Interim Product, except as expressly permitted by this Agreement;

(d) use, or authorize any other Person to use, Trade Dress for goods or services other than Importer Products for which such Trade Dress are designated for use by Marcas Modelo or otherwise permitted by this Agreement;

(e) combine a Trademark with any other Mark that is not a Trademark (other than any new Brand Extension Mark); or

(f) distribute or sell any Products to any buyers located outside the Territory, and to use its commercially reasonable efforts to prevent buyers from reselling such Products outside the Territory or in any manner not authorized by this Agreement (including by not selling to exporters or buyers who are known or would reasonably be expected to resell outside of the Territory); for clarity, it shall not be a breach of this Agreement to sell or distribute to cruise lines, airlines, tour operators and the like located within the Territory, so long as the Products are delivered within the Territory.

2.13 *Confusingly Similar Marks.* Subject to **Section 2.15**, Constellation Beers shall not, and shall not permit any Affiliate or sublicensee to, use or register, any symbol, name, trademark, trade dress or device that is confusingly similar to (a) any Trademark or Trade Dress, or (b) any trademark rights retained by the Modelo Group as of the date of this Agreement.

2.14 *Abandonment.* (a) If Constellation Beers fails to make any use in commerce (as the term is defined in 15 U.S.C. § 1127) of a brand with respect to all Trademarks and uses for any period comprising [****], Constellation Beers shall be presumed for purposes of this **Section 2.14** to have abandoned its licensed rights to use those brands in such Trademarks. Marcas Modelo shall give written notice to Constellation Beers of such abandonment and allow Constellation Beers to notify Marcas Modelo of Constellation Beers's intent not to abandon the Trademarks and of efforts to use the Trademarks in the future. Should Constellation Beers not reply to such notice from Marcas Modelo within [****] after the date of such notice, Constellation Beers shall be deemed to have abandoned such Trademarks for purposes of this Agreement, and, at any time thereafter immediately upon written notice by Marcas Modelo to Constellation Beers, (i) the Trademarks shall be deleted from **Exhibit B** or **Exhibit D** hereunder, (ii) all rights of Constellation Beers in and to such Trademarks under this Agreement shall terminate and, (iii) Marcas Modelo shall have the right to designate any Third Party as the assignee and beneficiary of all rights and obligations of Constellation Beers under this Agreement with respect to such deleted Trademarks, subject to the execution of a sublicense agreement between such Third Party and Marcas Modelo in substantially the same terms and conditions of this Agreement; provided that, in no event shall Marcas Modelo or its Affiliates re-acquire and practice such rights. Notwithstanding the removal of any Trademarks from **Exhibit B** or **Exhibit D**, neither Marcas Modelo nor any member of the Modelo Group shall be permitted to use such Trademark in the Territory if such use would be reasonably likely to cause confusion with another Trademark included in **Exhibit B** or **Exhibit D**.

(b) If Marcas Modelo, and all other members of the Modelo Group, fail to make any use in commerce (as that term is defined in 15 U.S.C. §1127) in all jurisdictions outside of the Territory of a brand with respect to all Trademarks and uses for any period comprising [****], Marcas Modelo shall be presumed for purposes of this **Section 2.14** to have abandoned its rights in such Trademarks in the Territory. Constellation Beers shall give written notice to Marcas Modelo of such abandonment and allow Marcas Modelo to notify Constellation Beers of Marcas Modelo's intent not to abandon the Trademarks and its efforts to use such Trademarks in the future outside of the Territory. Should Marcas Modelo not reply to such notice from Constellation Beers within [****] after the date of such notice, Marcas Modelo shall be deemed to have abandoned such Trademarks in the Territory for purposes of this Agreement, and Constellation Beers shall have the right to request that Marcas Modelo assign, and, upon such request, Marcas Modelo shall assign, or cause the applicable member of the Modelo Group to assign, its right, title, and interest in the Territory in and to the applicable Trademarks to Constellation Beers at no cost to Constellation Beers other than payment of any required assignment fee charged by a governmental authority.

2.15 *Brand Extension Marks and Brand Extension Beers.* Subject to the terms, conditions and licenses herein:

(a) *Constellation Beers Brand Extension Marks.* Constellation Beers may, without the prior consent of Marcas Modelo, adopt new Brand Extension Marks that are not confusingly similar to any trademarks (excluding the Trademarks) owned by Marcas Modelo or its Affiliates in the Territory at the time of such proposed adoption, and concomitant accompanying new trade dress that is not confusingly similar to any trade dress including containers (excluding the Trade Dress) owned by Marcas Modelo or its Affiliates in the Territory at the time of such proposed adoption, solely for (i) the manufacturing, bottling, and packaging of Mexican-style Beer and importing, advertising, marketing and selling such Beer in the Territory and (ii) distributing of related collateral sales and promotional materials therefor and other items to be marketed and sold or provided without charge to consumers in conjunction with such Beer in the Territory. Provided that they meet the requirements of the foregoing sentence, such Brand Extension Marks shall be deemed to be Additional Trademarks and Trade Dress for purposes of this Agreement (including Sections 2.8, 2.9, and 2.10). Constellation Beers shall have the right to determine in its sole discretion the Beer Recipe it uses for each new Brand Extension Beer, which Beer Recipes may be variations or derivatives of Recipes of then-existing Products or entirely new Recipes, provided that such Recipes meet the Quality Standards.

(b) *Modelo Brand Extension Marks.* Constellation Beers may, upon [****] prior written notice to Marcas Modelo and solely for the manufacturing, bottling, and packaging of Mexican-style Beer in the Brewing Territory and importing, advertising, marketing and selling such Beer in the Territory and distributing of related collateral sales and promotional materials therefor and other items to be marketed and sold or provided without charge to consumers in conjunction with such Beer in the Territory, notify Marcas Modelo that it wishes to adopt a Brand Extension Mark created after the date of this Agreement by Marcas Modelo or Grupo Modelo and used by Grupo Modelo in Mexico or Canada for the manufacturing, bottling, packaging or selling of Mexican-style Beer. Provided that such Brand Extension Mark does not include and is not confusingly similar to any trademarks (excluding the Trademarks) owned by Marcas Modelo or its Affiliates in the Territory at the time of such notice from Constellation Beers, then such Brand Extension Mark shall be deemed to be an Additional Trademark for purposes of this Agreement (including Sections 2.8, 2.9, and 2.10). Constellation Beers shall have the right to determine in its sole discretion the Beer Recipe it uses for each such Brand Extension Beer, which Beer Recipes may be variations or derivatives of Recipes of then-existing Products or entirely new Recipes, provided that such Recipes meet the Quality Standards. For clarity, it is expressly understood and agreed that nothing in this Section 2.15(b) shall prevent Constellation Beers from adopting and using in the Territory as a Constellation Beers Brand Extension Mark any Modelo Brand Extension Mark so long as such adoption and use (i) complies with the provisions of Section 2.15(a) and (ii) does not infringe any intellectual property rights of the Modelo Group in the Territory.

(c) *Distilled Spirits.* Notwithstanding anything to the contrary herein, (i) Constellation Beers shall not adopt a Brand Extension Mark that adopts, refers to or incorporates the name of any type of distilled spirit (such as Corona Tequila), and (ii) Constellation Beers shall not use any distilled spirits as an ingredient in any Recipe for a Brand Extension Beer, unless included in a Recipe provided by, or required to be provided by, Marcas Modelo under this Agreement; provided, however, that if Marcas Modelo or Grupo

Modelo (1) adopts a Brand Extension Mark that adopts, refers to or incorporates the name of any type of distilled spirit (such as Corona Tequila) for Product marketed in Mexico or Canada, or (2) uses any type of distilled spirits or any type of distilled spirit flavor as an ingredient in any Recipe for a particular Product marketed in Mexico or Canada, then the restrictions of this **Section 2.15(c)** shall not preclude Constellation Beers from using (x) the name of any type of distilled spirit in its own Brand Extension Mark for any Product in the Territory or (y) any type of distilled spirit or distilled spirit flavor ingredient in the Recipe for any Product, in each case (which for the avoidance of doubt in the case of (x) and (y), need not be the same distilled spirit or distilled spirit flavor ingredient as used by Marcas Modelo or Grupo Modelo), solely in the Territory in accordance with the other terms and conditions of this Agreement.

(d) *Bottle Design.* Constellation Beers may use a Parent Product's Bottle Design (or other Container design) for any related Brand Extension Beer subject to and in accordance with the terms of this Agreement.

(e) *Ownership.* For the avoidance of doubt, Constellation Beers agrees that any and all Trademarks and Trade Dress related to any Brand Extension Beer manufactured, bottled and packaged by or on behalf of Constellation Beers hereunder shall be owned by Modelo Group, and Constellation Beers hereby assigns the foregoing to Marcas Modelo.

2.16 Changes to Form, Trademarks, Containers, Bottle Designs, Trade Dress or Recipes by Marcas Modelo. With respect to an Importer Product existing at the date of this Agreement, and subject to this **Section 2.15(b)**, Marcas Modelo may from time to time propose by written notice to Constellation Beers (a) reasonable changes in the approved form or use of the associated Trademarks, (b) reasonable changes to applicable Containers, Bottle Designs or Trade Dress, (c) an addition of a new Mark to **Exhibit B** as an Additional Trademark for use with such Importer Product, or (d) a change the Recipe for such Importer Product (other than a change of Recipe described in **Section 2.2(a)** above), in each case, in order to make such existing Importer Product more consistent with Products produced and sold outside of the Territory. Within a reasonable time following Constellation Beers' receipt of such notice, the parties shall discuss whether such changes or additions are mutually agreeable, and if acceptable, the terms and conditions of this Agreement shall govern such changes, provided that it is expressly understood and agreed that nothing in this Agreement, other than **Section 2.4(a)** and **Section 2.17**, shall prevent Constellation Beers from adopting and using in the United States any such change in Form, Trademark, Container, Bottle Design, Trade Dress or Recipe, so long as the adoption and use does not constitute trademark infringement or copyright infringement under applicable laws. For the avoidance of doubt, the Modelo Group shall have the right to make in its sole discretion any change to the Recipe for any existing Product and to any Brand Extension Beer marketed by Marcas Modelo or Grupo Modelo outside of the Territory.

2.17 Changes to Form, Trademarks, Containers, Bottle Designs, Trade Dress or Recipes by Constellation Beers. Subject to **Section 2.15**, and with respect to Products existing at the time of entry into this Agreement (or additional Recipes provided by Marcas Modelo under **Section 2.2**), Constellation Beers may from time to time propose by written notice to Marcas Modelo (a) reasonable changes in the approved form or use of the associated Trademarks, (b) reasonable changes to Containers, Bottle Designs or Trade Dress of the Products, (c) the addition of a new Mark to **Exhibit B** as an Additional Trademark for use with such

existing Importer Product, or (d) a change to the Recipe for such Importer Product. Constellation Beers shall not implement any changes or additions of the type described in the foregoing clauses (a), (b), or (c) without the prior written consent of Marcas Modelo; provided, however, that (i) for the avoidance of doubt, changes in the Recipe of any existing Products or any Constellation Beers Brand Extension Beers shall not require the consent of Marcas Modelo and (ii) Constellation Beers may adopt and use a new Container for a Product different in size, shape or materials from the Container in effect for such Product on the date hereof, but if such new Container is a glass bottle derived from an original glass Bottle Design of a Product (e.g., a smaller version of a glass bottle for Product sold under a CORONA Trademark), such new glass bottle Container shall reasonably conform to such original glass bottle Container in form, shape and proportion as closely as reasonably practicable (taking into account the change in size, shape or materials). It is expressly understood that consent of Marcas Modelo shall not be required for Packaging used by Constellation Beers to contain, ship, store or display containers for any Product. For the avoidance of doubt, Constellation Beers shall have the right to make in its sole discretion any change to the Recipe for any existing Product and to any Brand Extension Beer marketed by Constellation Beers or any of its Affiliates in the Territory.

2.18 Abandoned Trademarks. Within a reasonable time following the date of this Agreement, Marcas Modelo shall allow, or cause its applicable member of Grupo Modelo to allow, the Abandoned Trademarks to be abandoned, lapse or otherwise expire. Constellation Beers agrees promptly following the date of this Agreement to make commercially reasonable efforts to wind-down its use of the Abandoned Trademarks including in connection with promotional materials and product labels that may include such Abandoned Trademarks. Within the Transition Period, Constellation Beers shall cease, and shall cause its Affiliates to cease, all use of the Abandoned Trademarks.

2.19 Confirmation. At the reasonable request of Constellation Beers, Marcas Modelo will provide documentation reasonably required by Constellation Beers for its tax or similar purposes demonstrating that Marcas Modelo has the necessary rights, as between Marcas Modelo and other members of Grupo Modelo, to grant the rights it purports to grant herein.

2.20 Brewery Territory. Marcas Modelo shall provide Constellation Beers with three months' advance notice of Modelo Group's intent to manufacture or have manufactured on its behalf any Product outside of Mexico (other than as a result of a Force Majeure Event).

2.21 Yeast.

(a) *General.* From time-to-time as reasonably requested by Constellation Beers during the term of the Transition Services Agreement, Marcas Modelo shall transfer, or shall cause its Affiliates to transfer, to Constellation Beers an appropriate quantity of "mother" Yeast as necessary for Constellation Beers to propagate its own yeast for the manufacture of the Products and Brand Extension Beer; provided that Constellation Beers shall bear all reasonable costs relating to the supply of such Yeast (including delivery charges) incurred by Marcas Modelo in connection therewith. In the event that the Yeast colony of either Party dies or is compromised such Party may request, and the other Party shall, to the extent reasonably available, provide a new Yeast colony to the requesting Party at the cost of the requesting Party.

(b) *Cessation of Use.* In the event that Constellation Beers elects to cease using the Yeast, Constellation Beers shall (i) ensure that there is an immediate, orderly and proper disposal of any and all Yeast in production, propagation, culture, analytical or other systems, which manner of disposal shall be approved and supervised by Marcas Modelo; and (ii) diligently remove from any brewery all Yeast in a manner approved and supervised by Marcas Modelo.

ARTICLE III QUALITY CONTROL

3.1 *Marketing Standards.* To protect the reputation and strength of the Trademarks and the goodwill associated with each Trademark, Constellation Beers shall: (a) always use the Trademarks in connection with the marketing and sale of Importer Products and Interim Products, and other activities with respect to the Trademarks, in a manner reasonably consistent with the requirements with respect to form, color, style and appearance of the applicable Brand Guidelines (and Constellation Beers shall reasonably consider and take into account the goodwill associated with the Trademarks in making any material changes to the other aspects of the Brand Guidelines such as strategic marketing), and (b) use and/or reproduce the Trademarks in accordance with all applicable laws, rules, and regulations. Further, Constellation Beers shall not do any willful or intentional act which would damage the image of the Products in the Territory, and shall refrain from taking any act which disparages, discredits, dishonors, reflects adversely upon, or in any other manner materially harms the Trademarks, or the goodwill associated therewith. Additionally, with respect to Importer Products and Interim Products, Constellation Beers shall comply with the Advertising and Marketing Code of the Beer Institute, as it may be amended from time to time.

3.2 *Merchandise and Advertising Materials.* Constellation Beers shall, and shall cause its Affiliates and sub-licensees to, ensure that any merchandise or advertising item that bears any Trademark is of sufficient quality so as not to disparage, discredit, dishonor, reflect adversely upon, or in any other manner materially harm the Trademarks, or the goodwill associated therewith. Notwithstanding the foregoing, Marcas Modelo shall not have the right to approve or disapprove of advertising created by Constellation Beers.

3.3 *Importer Products.* Constellation Beers shall, and shall cause its Suppliers to, comply with the quality standards in this **Article III** for Importer Products. Constellation Beers shall, and shall cause its Suppliers to, ensure all Importer Products are manufactured, bottled and packaged in accordance with the applicable Quality Standards. Other than as set forth in this Agreement, Constellation Beers shall not, and shall cause its Suppliers not to, alter the Trademarks, Containers, Bottle Designs or Recipe for any Importer Product. To the extent that a Recipe or Technical Specification specifies any particular ingredients, raw materials, yeast cultures, formulas, brewing processes or equipment or other items, Constellation Beers and its Suppliers may use functional substitutes or replacements for the foregoing that do not change the finished product, as would be determined by a reasonable Qualified Brewmaster. All Importer Products shall be manufactured and imported in a manner reasonably designed to assure they remain suitable for resale and consumption for a period of no less than one hundred eighty (180) days from the date of production.

3.4 **Brand Extension Beers.** With respect to each Modelo Brand Extension Beer constituting an Importer Product, Constellation Beers shall, and shall cause its Suppliers to, follow the Brand Guidelines of any Parent Products and Parent Trademarks, respectively, to the extent that they are applicable, in manufacturing, bottling and packaging any such Brand Extension Beer. With respect to each Constellation Brand Extension Beer constituting an Importer Product, Constellation Beers shall, and shall cause its Suppliers to, create applicable Brand Guidelines therefor compliant with the requirements of **Section 2.15(a)** and applicable quality standards. Any such Brand Extension Beer (whether Modelo or Constellation) must be of a quality equal to or higher than the Quality Standards.

3.5 **Packaging.** Constellation Beers shall, and shall cause its Suppliers to, package Beer that is produced pursuant to this Agreement only in a box, carton, wrap or similar item that contains other Products. Constellation Beers may include any number of bottles or cans in any particular box or carton.

3.6 **Samples.** In order to verify compliance with the quality standards for Importer Products set forth in this **Article III**, Constellation Beers shall, and shall cause its Suppliers to, at its own cost submit to Marcas Modelo, no more frequently than once per calendar quarter, (a) a reasonable number of representative samples of Importer Products, including the Containers thereof, and any promotional products or any packaging or other materials bearing any Trademark used in marketing, merchandising, promoting, advertising (including sponsorship activities in connection with the foregoing), licensing, distributing or selling Importer Products in the Territory (provided that, for the avoidance of doubt, Constellation Beers is not required to submit any such samples, promotional products, packaging or other materials to Marcas Modelo in advance of actual use), and (b) compliance data that is reasonably necessary in order for Marcas Modelo to verify that Importer Products materially comply with applicable Quality Standards.

3.7 **Inspection.** Upon reasonable advance notice, not more than twice per year (or in the event of a recall or withdrawal pursuant to **Section 3.9**, more frequently until the issues giving rise to such events are reasonably resolved) and subject to the reasonable confidentiality requirements of Constellation Beers, (a) Marcas Modelo or its representatives shall have the right, during regular business hours, to inspect the plants and facilities (including Yeast used therein) where Importer Products are manufactured, bottled, packaged, stored, or distributed, and (b) Constellation Beers shall, and shall cause its Suppliers to, make their respective representatives reasonably available to Marcas Modelo or its representatives, as may be reasonably necessary for Marcas Modelo or any of its representatives to adequately review the quality of the manufacturing, bottling, packaging, storage or distribution of Importer Products.

3.8 **Brewmaster.** Constellation Beers shall, and shall cause its Suppliers to, employ or otherwise retain the services of (a) a qualified brewmaster to be responsible for supervising and directing the production, manufacturing, bottling and packaging of Importer Products and (b) a Person responsible for the systems, and compliance, to ensure appropriate quality procedures and control for the production, manufacturing, bottling and packaging of Importer Products.

3.9 *Recalls.* In the event there is a withdrawal or recall by Constellation Beers or its Supplier of any Importer Product, Constellation Beers shall promptly notify Marcas Modelo and provide Marcas Modelo with such relevant information as reasonably will inform Marcas Modelo of the facts giving rise to the need for such withdrawal or recall, and the adequacy of steps taken by Constellation Beers or its sub-licensees to address any material concerns relating to quality identified in connection with such recall or withdrawal.

3.10 *Quality Default.*

(a) In the event of a Quality Default, a party shall deliver a written notice to the other party of such Quality Default (a “**Quality Default Notice**”) promptly after becoming aware of any such Quality Default. The parties shall promptly meet to discuss the Quality Default Notice and each party shall provide the other with full technical and analytical support to assist in identifying the problem and determining the correct procedures for resolving the same. Constellation Beers shall have [****] from and including the delivery of such Quality Default Notice to cure such Quality Default. In the event Constellation Beers fails to cure such Quality Default within [****] of such Quality Default Notice (a “**Quality Default Cure Failure**”), and Marcas Modelo has delivered a written notice to Constellation Beers confirming such failure (a “**Quality Default Cure Failure Notice**”), then, subject to the dispute resolution procedures in the remainder of this **Section 3.10**, Constellation Beers agrees that it shall, at its own cost, take all reasonably necessary steps to cure and mitigate the breach.

(b) In the event that Constellation Beers disagrees that a Quality Default or a Quality Default Cure Failure has occurred, it shall deliver a written notice to Marcas Modelo of its disagreement (a “**Disagreement Notice**”), which shall include the basis for such disagreement and shall be delivered within [****] of receipt by Constellation Beers of a Quality Default Notice or a Quality Default Cure Failure Notice, as applicable. In the event of such a disagreement, Constellation Beers and Marcas Modelo shall attempt to resolve such disagreement between themselves. If Constellation Beers and Marcas Modelo are unable to resolve the disagreement within [****] of receipt by Constellation Beers of a Quality Default Notice or a Quality Default Cure Failure Notice, as applicable, then Constellation Beers or Marcas Modelo will jointly select a Qualified Brewmaster; provided that if Constellation Beers and Marcas Modelo are unable to select such Qualified Brewmaster within [****] after delivery of a Quality Default Notice, within an additional [****], Constellation Beers and Marcas Modelo shall each select one brewmaster and those two brewmasters shall select a Qualified Brewmaster for purposes of this **Section 3.10**.

(c) Within [****] of the appointment of the Qualified Brewmaster, Constellation Beers and Marcas Modelo shall each deliver to the Qualified Brewmaster a detailed written report setting forth their respective proposed resolutions with respect to the disagreement and a detailed explanation of the basis and rationale for such party’s position. The Qualified Brewmaster shall thereafter issue a written determination of whether a breach occurred, but no such determination shall award damages, or other relief, including relief which would terminate, result in a termination or have the same effect as termination of this Agreement, in whole or in part. The determination of the Qualified Brewmaster shall be final and binding upon the parties and the breach determined by the Qualified Brewmaster may be enforced in accordance with the terms of this Agreement.

3.11 *De Minimis Breaches of Brand Guidelines.* Should Constellation Beers take any action inconsistent with the Brand Guidelines that constitute merely a *de minimis* breach of **Sections 2.4, 3.1(a) or 3.4** with respect to Importer Products, Containers, Packaging or Marketing Materials, Marcas Modelo shall not have the right to require, and Constellation Beers shall not be obligated, to destroy, recall, remove or otherwise cease the use of any then-existing stock of any such Importer Product, Containers, Packaging or Marketing Materials at issue.

ARTICLE IV TERM

4.1 *Term.* The term of this Agreement shall commence on the date hereof and shall continue in perpetuity. The parties acknowledge and agree that Marcas Modelo shall have no right to terminate this Agreement notwithstanding any breach of this Agreement by Constellation Beers, at any time. Marcas Modelo retains only the right to bring a claim as provided for herein at Article VI against Constellation Beers for damages or to seek any other remedies available to it at law or equity for any claimed breach, but excluding any remedies that would seek to terminate, or result in the termination of this Agreement.

ARTICLE V INDEMNIFICATION AND INSURANCE

5.1 *By Constellation Beers.* From and after the date hereof, Constellation Beers shall defend, indemnify and hold harmless Marcas Modelo and its Affiliates and its and their respective officers, directors, employees, representatives and agents (the “**Modelo Indemnitees**”) in respect of all damages, liabilities, losses, costs and expenses of any and every nature or kind whatsoever, including reasonable attorneys’ fees and disbursements and all amounts paid in investigation, defense or settlement of any or all of the foregoing) (“**Damages**”) that any of the Modelo Indemnitees may incur as a result of third-party actions, proceedings or claims to the extent arising out of or in consequence of: (a) the formulation, manufacture, production, packaging, transportation, storage, marketing, merchandising, promotion, advertisement (including sponsorship activities in connection with the foregoing), licensing, distribution or sale of any products, materials or services by or on behalf of Constellation Beers, its Affiliates or its sub-licensees that bear the Trademarks (other than to the extent caused by (i) any breach of any obligation of any member of the Modelo Group to Constellation Beers or its Affiliates, or (ii) the infringement caused solely by the Licensed Intellectual Property existing as of the date of this Agreement, other than Licensed Intellectual Property to the extent created by Constellation Beers or its Affiliates under the Original Agreement); (b) any breach of this Agreement by Constellation Beers; (c) any infringement to the extent arising from any use of a Brand Extension Mark created by Constellation Beers or any of its Affiliates or sub-licensees in the Territory (other than to the extent such infringement is caused solely by the associated Parent Trademark as it exists of the date of this Agreement), or (d) any failure by Constellation Beers or its employees, agents, or its sub-licensees to comply with applicable law in connection with this Agreement.

5.2 *By Marcas Modelo.* From and after the date hereof, Marcas Modelo shall defend, indemnify and hold harmless Constellation Beers and its Affiliates and its and their respective officers, directors, employees, representatives and agents (the “**Constellation Beers**”

Indemnitees”) in respect of all Damages that any of Constellation Beers Indemnitees may incur as a result of third-party actions, proceedings or claims to the extent arising out of or in consequence of: (a) the formulation, manufacture, production, packaging, transportation, storage, marketing, merchandising, promotion, advertisement (including sponsorship activities in connection with the foregoing), licensing, distribution or sale of any products, materials or services by or on behalf of Marcas Modelo, its Affiliates or its sub-licensees (other than Constellation Beers or its Affiliates and their sub-licensees) that bear the Trademarks, in each instance other than due to a breach of this Agreement by any Constellation Beers Indemnitee; (b) any breach of this Agreement by Marcas Modelo; or (c) any failure by Marcas Modelo or its employees or agents to comply with applicable law in connection with this Agreement.

5.3 **Insurance.** Each of Constellation Beers and Marcas Modelo shall maintain at its own expense sufficient insurance, including products liability and blanket contractual liability (“**Liability Insurance**”), to meet any claims that might reasonably be expected to arise against either of them in connection with the sale or distribution of any Products or any other items pursuant to this Agreement. Each of Constellation Beers and Marcas Modelo agrees that the other party shall be added as an “additional insured as their interest may appear” on the other party’s Liability Insurance policy. Each of Constellation Beers’s and Marcas Modelo’s Liability Insurance shall be underwritten by financially sound, reputable insurance carriers that are reasonably satisfactory to the other party. Each of Constellation Beers and Marcas Modelo shall promptly provide the other with evidence of such Liability Insurance upon request.

5.4 **No Implied Warranty.** ALL LICENSED INTELLECTUAL PROPERTY AND OTHER RIGHTS AND MATERIALS LICENSED OR OTHERWISE PROVIDED BY OR ON BEHALF OF EITHER PARTY OR THEIR ANY OF THEIR RESPECTIVE AFFILIATES UNDER THIS AGREEMENT (INCLUDING ALL RECIPES, MARKETING OR PROMOTIONAL MATERIALS, TRADE DRESS, AND DESIGNS) ARE PROVIDED ON AN “AS IS” BASIS, AND EACH PARTY HEREBY DISCLAIMS ANY IMPLIED WARRANTIES, INCLUDING WITH RESPECT TO THE WARRANTIES OF MERCHANTABILITY, NON-INFRINGEMENT OR FITNESS FOR A PARTICULAR PURPOSE. The foregoing notwithstanding, each party warrants to the other party that tangible embodiments of Licensed Other IP and Recipes provided pursuant to this Agreement shall be complete and accurately reflect those embodiments that are used by such providing party and, at the reasonable request of the receiving party, the providing party will reasonably cooperate respond to questions or reasonably supplement such information consistent with the intent of this Agreement.

ARTICLE VI GOVERNING LAW AND JURISDICTION

6.1 **Governing Law.** This Agreement shall be governed by and construed in accordance with the laws of the State of New York, without reference to its principles of conflicts of laws that would require application of the substantive laws of any other jurisdiction. Constellation Beers and Marcas Modelo agree that the International Convention on the Sale of Goods shall not apply to this Agreement.

6.2 ***Jurisdiction.*** Constellation Beers and Marcos Modelo irrevocably consent to the exclusive personal jurisdiction and venue of the courts of the State of New York or the federal courts of the United States, in each case sitting in New York County, in connection with any action or proceeding arising out of or relating to this Agreement. Constellation Beers and Marcos Modelo hereby irrevocably waive, to the fullest extent permitted by law, any objection that it may now or hereafter have to the laying of the venue of such action or proceeding brought in such a court and any claim that any such action or proceeding brought in such court has been brought in an inconvenient forum. Constellation Beers and Marcos Modelo irrevocably consent to the service of process with respect to any such action or proceeding in the manner provided for the giving of notices under **Section 9.5**, provided, the foregoing shall not affect the right of either Constellation Beers or Marcos Modelo to serve process in any other manner permitted by law. Notwithstanding the foregoing, Constellation Beers and Marcos Modelo agree that neither may bring a judicial action or administrative proceeding unless and until the parties have provided the other party a reasonable opportunity to engage in non-binding arbitration, to be held in the County and City of New York, before the CPR Institute for Dispute Resolution, or such other alternative dispute resolution provider as they may mutually agree upon; provided that, the obligations of the parties under the foregoing sentence shall expire with respect to any dispute within ninety (90) days after notice is first provided by either party.

6.3 ***Enforcement of Judgment.*** Constellation Beers and Marcos Modelo hereby agree that a final judgment in any suit, action or proceeding shall be conclusive and may be enforced in any jurisdiction by suit on the judgment or in any manner provided by applicable law.

ARTICLE VII CONFIDENTIALITY

7.1 Unless otherwise agreed to in writing by Constellation Beers, Marcos Modelo agrees (and Marcos Modelo agrees to cause its Affiliates) (a) to keep confidential all Confidential Information of Constellation Beers and not to disclose or reveal any of such Confidential Information to any person other than those directors, officers, employees, stockholders, legal counsel, accountants, and other agents of Marcos Modelo or its Affiliates who are actively and directly participating in the performance of the obligations and exercise of the rights of Marcos Modelo under this Agreement, and (b) not to use Confidential Information of Constellation Beers for any purpose other than in connection with the performance of the obligations and exercise and enforcement of the rights of Marcos Modelo hereunder. The obligation to maintain the confidentiality of and restrictions on the use of Confidential Information hereunder shall include any Confidential Information of Constellation Beers obtained by Marcos Modelo and its Affiliates prior to the date hereof. If Marcos Modelo is required by law, court order or government order or regulation to disclose Confidential Information of Constellation Beers, Marcos Modelo shall provide notice thereof to Constellation Beers and, after consultation with Constellation Beers and, at the sole cost and expense of Constellation Beers, reasonably cooperating with Constellation Beers to object to or limit such disclosure, shall be permitted to disclose only that Confidential Information so required to be disclosed.

7.2 Unless otherwise agreed to in writing by Marcas Modelo, Constellation Beers agrees (and Constellation Beers agrees to cause its Affiliates and sub-licensees) (a) to keep confidential all Confidential Information of Marcas Modelo and the Modelo Group and not to disclose or reveal any of such Confidential Information to any person other than those directors, officers, employees, stockholders, legal counsel, accountants, and other agents of Constellation Beers or its Affiliates or sub-licensees who are actively and directly participating in the performance of the obligations and exercise of the rights of Constellation Beers under this Agreement, and (b) not to use Confidential Information of Marcas Modelo and the Modelo Group for any purpose other than in connection with the performance of the obligations and exercise and enforcement of the rights of Constellation Beers hereunder. The obligation to maintain confidentiality of and restrictions on the use of Confidential Information hereunder shall include any Confidential Information of Marcas Modelo and the Modelo Group obtained by Constellation Beers prior to the date hereof. If Constellation Beers is required by law, court order or government order or regulation to disclose Confidential Information, Constellation Beers shall provide notice thereof to Marcas Modelo and, after consultation with Marcas Modelo and, at the sole cost and expense of Marcas Modelo, reasonably cooperating with Marcas Modelo to object to or limit such disclosure, shall be permitted to disclose only that Confidential Information so required to be disclosed.

7.3 Constellation Beers acknowledges that certain elements in the Licensed Other IP are the Confidential Information and trade secrets of ABI and its Affiliates, and Constellation Beers shall, and shall cause its Affiliates and sub-licensees to, protect such elements with the same degree of care that it uses to protect its own Confidential Information and trade secrets of a similar nature, but no less than a reasonable degree of care.

7.4 The parties agree that Confidential Information of Constellation Beers provided under this **Article VII** and/or that is order or pricing information is competitively sensitive, and Marcas Modelo shall establish, implement and maintain strict procedures and take such other steps that are reasonably necessary to prevent disclosure of such Confidential Information to any person other than determined to be advisable in connection with the performance of the objectives and exercise of rights under this Agreement; and in no case may Marcas Modelo permit disclosure to its representatives and employees or representatives and employees of its Affiliates who have direct responsibility for marketing, distributing or selling Beer in competition with the Importer Products in the Territory.

ARTICLE VIII TAXES

8.1 **Withholding.** The payment of the Up-Front Payment (as defined in the Brewery SPA) (including any adjustment thereto), which is made pursuant to the Brewery SPA, and any payment made pursuant to **Section 8.2** of this Agreement shall be made without deduction or withholding for any taxes (other than taxes imposed on net income in Mexico), except as required by applicable law. If any applicable law requires the deduction or withholding of any tax from such payment, then Constellation Beers or its assignee shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant governmental authority in accordance with applicable law and, if such payment is made by a Person other than Constellation Beers and such tax would not have been

imposed had Constellation Beers made such payment, then the sum payable to Marcas Modelo shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this section) Marcas Modelo receives an amount equal to the sum it would have received had no such deduction or withholding been made.

8.2 **Other Taxes.** If and to the extent Constellation Beers exercises its right pursuant to **Section 9.1** to assign its rights and obligations under this Agreement to another Person, Constellation Beers shall indemnify and hold harmless Marcas Modelo or any of its Affiliates from and against any taxes, including, for the avoidance of doubt, any value added or other similar taxes, for which Marcas Modelo may become liable for which Marcas Modelo would not have been liable had Constellation Beers not assigned its rights and obligations under this Agreement.

ARTICLE IX MISCELLANEOUS

9.1 **Assignment.** Neither party may assign any right under this Agreement without the prior written consent of the other party; provided, that (a) Constellation Beers may assign or transfer (by sale of assets, sale of stock, merger, operation of law or otherwise) this Agreement and its rights and obligations hereunder to any Affiliate of Constellation, (b) Constellation Beers may assign and transfer this Agreement and all of its rights and obligations hereunder to any Third Party to whom Constellation Beers or its assignee sells or transfers (by sale of assets, sale of stock, merger, operation of law or otherwise) all or substantially all of its business with respect to Product in the Territory, and in that event such assignee shall be deemed to be Constellation Beers for all purposes of this Agreement, (c) Marcas Modelo may assign or transfer this Agreement and its rights and obligations hereunder in whole or in part to any Subsidiary of ABI, or (d) Marcas Modelo may assign or transfer this Agreement and its rights and obligations hereunder to any Third Party to whom Marcas Modelo sells or transfers (by sale of assets, sale of stock, merger, operation of law or otherwise) all or substantially all of its business with respect to Product, and in that event such assignee shall be deemed to be Marcas Modelo for all purposes of this Agreement; provided, further, that any such assignee of either party agrees in writing to be bound by all terms and conditions of this Agreement and the assigning party remains liable for its assignee's performance under this Agreement. Any purported assignment not in strict compliance with the preceding sentence shall be null and void and of no force and effect. Subject to the foregoing, this Agreement shall be binding upon and shall inure to the benefit of the parties and their respective successors and assigns. In the event that Constellation Beers desires to assign or transfer less than all of its rights under this Agreement to any third party that is not an Affiliate of Constellation Beers or to which it does not assign or transfer all or substantially all of its business with respect to Product in the Territory, the consent of Marcas Modelo as set forth in the first sentence of this **Section 9.1** shall not be unreasonably withheld.

9.2 **Force Majeure.** During the pendency of any Force Majeure Event affecting a brewing facility of Constellation Beers or Constellation Beers's Supplier(s) in Mexico, Constellation Beers will discuss with Marcas Modelo and provide reasonable consideration of any offer made by Marcas Modelo to brew and deliver as directed by Constellation Beers, any

affected Beer capacity in Mexico during the pendency of such Force Majeure Event prior to engaging any manufacturing source outside of Mexico.

9.3 **Headings.** The captions used in this Agreement are for convenience of reference only and shall not affect any obligation under this Agreement.

9.4 **Counterparts.** This Agreement may be executed in counterparts, each of which when so executed and delivered shall be deemed an original, and such counterparts, taken together, shall constitute one and the same instrument. Signatures sent by facsimile shall constitute and be binding to the same extent as originals. This Agreement may not be amended except by an instrument in writing signed by both parties.

9.5 **Notices.** Any notice, claims, requests, demands, or other communications required or permitted to be given hereunder shall be in writing and will be duly given if: (a) personally delivered, (b) sent by facsimile or (c) sent by Federal Express or other reputable overnight courier (for next Business Day delivery), shipping prepaid as follows:

9.6 **Entire Agreement.** This Agreement (including the schedules and exhibits hereto, which are incorporated into this Agreement by this reference and made a part hereof), the Confidentiality Agreement, dated as of May 26, 2012, by and between CBI, ABI and solely with respect to Section 2 thereof, Grupo Modelo (the “**Confidentiality Agreement**”), the Brewery SPA, the Membership Interest Purchase Agreement, and the Restated LLC Agreement (as defined in the Membership Purchase Agreement and solely to the extent Constellation Beers and Constellation do not acquire all of Constellation Beers’ Interest (as defined in the Membership Purchase Agreement)), and the Transition Services Agreement and each of the other Transaction Documents, constitute the entire agreement among the parties with respect to the subject matter hereof and thereof, and supersede all prior or contemporaneous agreements and understandings, whether written or oral, among the parties hereto, or any of them, with respect to the subject matter hereof and thereof.

9.7 **Severability.** To the extent that any provision of this Agreement is invalid or unenforceable in the Territory or any state or other area of the Territory, this Agreement is hereby deemed modified to the extent necessary to make it valid and enforceable within such state or area, and the parties shall promptly agree in writing on the text of such modification.

9.8 **Injunction; Waiver.** The parties acknowledge that a breach or threatened breach by them of any provision of this Agreement will result in the other entity suffering irreparable harm which cannot be calculated or fully or adequately compensated by recovery of damages alone. Accordingly, the parties agree that any party may, in its discretion (and without

limiting any other available remedies), apply to any court of law or equity of competent jurisdiction for specific performance and injunctive relief (without necessity of posting a bond or undertaking in connection therewith) in order to enforce or prevent any violations of this Agreement, and any party against whom such proceeding is brought hereby waives the claim or defense that such party has an adequate remedy at law and agrees not to raise the defense that the other party has an adequate remedy at law. The failure of either party at any time to require performance of any provision of this Agreement shall in no manner affect such party's right to enforce such provision at any later time. No waiver by any party of any provision, or the breach of any provision, contained in this Agreement shall be deemed to be a further or continuing waiver of such or any similar provision or breach.

9.9 *Successors and Assigns; Third Party Beneficiaries.* This Agreement is binding upon and shall inure to the benefit of the parties hereto and their successors and permitted assigns. Nothing in this Agreement shall give any other Person any legal or equitable right, remedy or claim under or with respect to this Agreement or the transactions contemplated hereby.

9.10 *Amendment and Restatement.* The Original Agreement shall be deemed amended and restated in its entirety as of the date hereof by this Agreement and the Original Agreement shall thereafter be of no further force and effect except to evidence any rights and obligations of the parties or action or omission performed or required to be performed pursuant to such Original Agreement prior to the date hereof.

9.11 *Bankruptcy.* The failure of any party hereto to perform any remaining obligations of such party under this Agreement shall not excuse performance by the other party of its obligations hereunder. Accordingly, for purposes of Section 365(n) of The Bankruptcy Reform Act of 1978, as amended, and codified as 11 U.S.C. §§ 101 et. seq. (the "**Bankruptcy Code**") or any analogous provision under any law of any foreign or domestic, federal, state, provincial, local, municipal or other governmental jurisdiction relating to bankruptcy, insolvency or reorganization ("**Foreign Bankruptcy Law**"), (a) this Agreement will not be deemed to be an executory contract, and (b) if for any reason this Agreement is deemed to be an executory contract, the licenses granted under this Agreement shall be deemed to be licenses to rights in "intellectual property" as defined in Section 101 of the Bankruptcy Code or any analogous provision of Foreign Bankruptcy Law and Constellation Beers shall be protected in the continued enjoyment of its right under this Agreement including, without limitation, if Constellation Beers so elects, the protection conferred upon licensees under 11 U.S.C. Section 3.03 Extension of Services. The Parties agree that neither Seller nor any Third-Party Service Provider shall be obligated to perform any Service upon the expiration of the applicable Service Term.

Section 3.04 Terminated Services. Upon termination or expiration of any or all Services pursuant to this Agreement, or upon the termination of this Agreement in its entirety, Seller shall have no further obligation to provide the applicable terminated Services and Purchaser will have no obligation to pay any future compensation or Out-of-Pocket Costs relating to such Services (other than for or in respect of (i) Services already provided in accordance with the terms of this Agreement and received by Purchaser prior to such termination and (ii) with respect to aluminum cans, glass, malt, crowns and caps, hops, can lids, Yeast, Cartons and corn starch that have, as of the termination of this Agreement, been shipped to the Company but have not delivered in its entirety in connection with the provision of the Supply Services).

Section 3.05 Invoice Disputes. In the event of an Invoice dispute, Purchaser shall use commercially reasonable efforts to deliver a written statement to Seller no later than seven (7) Business Days prior to the date payment is due on the disputed Invoice listing all disputed items and providing a reasonably detailed description of each disputed item. Amounts not so disputed shall be deemed accepted and shall be paid, notwithstanding disputes on other items, within the period set forth in Section 3.02(b) (unless otherwise specified herein or in a schedule hereto); provided that nothing in this Section 3.05 shall prevent Purchaser from (a) disputing any Invoice that includes an incorrectly calculated fee or charge, for a period of one year after such Invoice was paid by Purchaser, or (b) prevent Purchaser from obtaining the rights set forth in Section 3.06 below. The Parties shall seek to resolve all such disputes expeditiously and in good faith. Seller shall continue performing the Services in accordance with this Agreement pending resolution of any dispute.

Section 3.06 Audits. Seller shall make and keep books, records, receipts, work-papers, invoices and other information containing complete and accurate, data and other such particulars as may be reasonably necessary to verify all amounts charged to Purchaser under this Agreement, including all fees, Out-of-Pocket Costs, Pass-Through Charges and the prices, components and calculations thereof charged to Purchaser for Supply Services (including all Year 1 Base Prices for aluminum cans, glass, malt, crowns and caps, hops and corn starch and prices for can lids, Cartons and Yeast). Purchaser shall have the right to audit, or cause its representatives to audit, books, records, receipts, work-papers, invoices and other information during the term of this Agreement and for one (1) year thereafter, such audit to be conducted on reasonable advance notice and during normal business hours; provided that if the disclosure of any information would cause Seller to violate applicable Law, the terms of any confidentiality agreement or the confidentiality provision in any Contract, or impact any privilege, including the attorney/client privilege, Seller and Purchaser shall cooperate in good faith and take all such reasonable actions as are necessary to ensure that Purchaser is able to verify all amounts charged to Purchaser under this Agreement, including all fees, Out-of-Pocket Costs, Pass-Through Charges and the prices, components and calculations thereof charged to Purchaser for Supply Services (including all Year 1 Base Prices for aluminum cans, glass, malt, crowns and caps, hops and corn starch and prices for can lids, Cartons and Yeast). In the event that such audit reveals a discrepancy in the amounts paid by Purchaser to Seller from what was actually required to be paid, Seller shall refund Purchaser such overpayment, or Purchaser shall reimburse Seller for such underpayment, as applicable. In

the event that Purchaser's overpayment is in excess of five percent (5%) of the amount Purchaser was required to pay Seller, Seller shall also reimburse Purchaser for the cost of such audit. Seller shall respond in writing to Purchaser regarding any items of noncompliance identified by Purchaser during such inspections or audits within seven (7) days of Purchaser's notice thereof and shall use its reasonable best efforts to remedy any such items of noncompliance within fifteen (15) days of notice thereof.

Section 3.07 Taxes.

(a) Purchaser shall be responsible for all sales, transfer, goods or services Tax, value added Tax, or similar gross-receipts-based Tax (including any such Taxes that are required to be withheld), imposed against or on services provided ("Sales Taxes") by Seller, an Affiliate of Seller, or Third-Party Service Provider. Notwithstanding any provision to the contrary, all consideration paid under this Agreement is exclusive of Sales Taxes.

(b) Purchaser shall be entitled to deduct and withhold Taxes required by any applicable Law to be withheld on payments made pursuant to this Agreement. To the extent any amounts are so withheld, Purchaser shall promptly provide to such Seller, Affiliate of Seller, or Third-Party Service Provider evidence of such payment to such Governmental Authority. Seller, an Affiliate of Seller, or Third-Party Service Provider shall, prior to the date of any payment to be made pursuant to this Agreement, at the request of Purchaser, make commercially reasonable efforts to provide such Seller, Affiliate of Seller, or Third-Party Service Provider any certificate or other documentary evidence (x) required by Law or (y) which such Seller, Affiliate of Seller, or Third-Party Service Provider is entitled by Law to provide in order to reduce the amount of any Taxes that may be deducted or withheld from such payment and Purchaser agrees to accept and act in reliance on any such duly and properly executed certificate or other applicable documentary evidence.

Section 3.08 Other Matters.

(a) Notwithstanding anything herein to the contrary, Seller shall have no obligation to hire, assign or retain any employees, agents, contractors or other personnel in connection with this Agreement or the Services hereunder, other than as expressly set forth in Schedule 3.02(a)(ii).

(b) Seller warrants that the aluminum cans, glass, malt, crowns and caps, hops, corn starch, can lids, Cartons and Yeast supplied to Purchaser pursuant to the Supply Services, that are manufactured by Seller or an Affiliate of Seller, shall be merchantable at the time of delivery to Purchaser and shall permit Purchaser and its Affiliates to comply with their obligations under the Sublicense Agreement. With respect to aluminum cans, glass, malt, crowns and caps, hops, corn starch, can lids, Cartons and Yeast supplied to Purchaser pursuant to the Supply Services that are manufactured by a Third Party, Seller or its applicable Affiliate shall pass through to Purchaser or its applicable Affiliate all warranties provided by such Third Party with respect to such product (the "Pass Through Warranty").

ARTICLE V**LIMITED LIABILITY AND INDEMNIFICATION**

Section 5.01 Limitation on Liability. In no event shall Seller have any liability under any provision of this Agreement for any punitive, incidental, consequential, special or indirect damages, including (i) loss of future revenue or income, (ii) loss of business reputation or opportunity relating to the breach or alleged breach of this Agreement (the losses specified in clauses (i) and (ii) of this Section 5.01, collectively, "Lost Profits"), or (iii) diminution of value or any damages based on any type of multiple, whether based on statute, contract, tort or otherwise, and whether or not arising from the other Party's sole, joint, or concurrent negligence, strict liability, criminal liability or other fault (such damages, collectively, "Consequential Damages"); provided, however, that the foregoing limitation on the Seller's liability for reasonably foreseeable Lost Profits shall not apply (provided that, for the avoidance of doubt, the foregoing limitation on Consequential Damages other than reasonably foreseeable Lost Profits shall nevertheless apply) to the extent Seller's liability relates to, arises out of or results from the failure to timely supply Yeast, cans, malt and glass in such quantities and of such quality as required by the terms of this Agreement. Notwithstanding anything herein to the contrary, Seller's aggregate liability under this Agreement, to the extent such liability relates to, arises out of or results from the failure to timely supply Yeast, cans, malt and glass in such quantities and of such quality as required by the terms of this Agreement, shall not exceed \$250,000,000.00. In addition, the limitation on Consequential Damages set forth above shall not apply to any such damages awarded and paid to a third party.

Section 5.02 Indemnification. Subject to the limitations set forth in Section 5.01, Seller shall indemnify, defend and hold harmless Purchaser and its Affiliates and each of their respective Representatives (collectively, the "Purchaser Indemnified Parties") from and against any and all Losses of Purchaser Indemnified Parties relating to, arising out of or resulting from the gross negligence or willful misconduct of Seller or its Affiliates or any Third Party that provides a Service to Purchaser pursuant to Section 2.03 in connection with the provision of, or failure to provide, any Services to Purchaser.

Section 5.03 No Duplicative Indemnification. No Party may obtain duplicative indemnification or other recovery for Losses and recoveries under one or more provisions of this Agreement, the Stock Purchase Agreement, and the Membership Interest Purchase Agreement, the Sublicense Agreement or any other agreement ancillary thereto. In no event shall any indemnification or other recovery for Losses hereunder be aggregated with, or otherwise subject to, any of the indemnification limits or conditions set forth in Article VII of the Stock Purchase Agreement.

Section 5.04 Disclaimer. EXCEPT AS EXPRESSLY SET FORTH IN THIS AGREEMENT, SELLER (a) MAKES NO REPRESENTATIONS OR WARRANTIES OF ANY KIND, EXPRESS OR IMPLIED, WITH RESPECT TO THE MATERIALS AND

SERVICES PROVIDED HEREUNDER, AND ALL SUCH MATERIALS AND SERVICES ARE PROVIDED "AS IS," AND (b) DISCLAIMS ANY AND ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING ANY IMPLIED WARRANTIES OF MERCHANTABILITY, NON-INFRINGEMENT OR FITNESS FOR A PARTICULAR PURPOSE, WHICH ARE SPECIFICALLY DISCLAIMED.

ARTICLE VI

TERMINATION

Section 6.01 Termination of Agreement. Subject to Section 6.03, this Agreement shall terminate in its entirety on the third anniversary of the Closing Date or earlier (a) by mutual written consent of the Parties, (b) upon the occurrence of a Change of Control, (c) by Purchaser at any time upon providing written notice of termination to Seller or (d) by Seller upon any assignment of all, but not less than all, rights, powers, privileges, duties or obligations under the Sublicense Agreement, other than any assignment to an Affiliate of Purchaser; provided that any payment obligations of Purchaser shall survive such termination, and the parties' obligations under the last sentence of Section 2.11, Section 2.12, Section 3.04, Article V, Article VI and Article VII shall survive such termination.

Section 6.02 Force Majeure. The obligations of Seller and any Third-Party Service Provider under this Agreement with respect to any Service shall be suspended during the period and to the extent that Seller or Third-Party Service Provider is prevented or materially hindered from providing such Service, or Purchaser is prevented or materially hindered from receiving such Service, due to any of the following causes beyond such Persons reasonable control (such causes, "Force Majeure Events"): (a) acts of God, (b) flood, fire or explosion, (c) war, invasion, riot or other civil unrest, (d) Governmental Order or Law, (e) actions, embargoes or blockades in effect on or after the date of this Agreement, (f) action by any Governmental Authority, (g) national or regional emergency, (h) strikes, labor stoppages or slowdowns or other industrial disturbances, (i) shortage of adequate power or transportation facilities, (j) adverse weather conditions or (k) any other event which is beyond the reasonable control of such party. The Person suffering a Force Majeure Event shall give notice of suspension as soon as reasonably practicable to the other party stating the date and extent of such suspension and the cause thereof, and Seller or Third-Party Service Provider (as the case may be) shall resume the performance of such Persons obligations as soon as reasonably practicable after the Force Majeure Event ends. None of Purchaser, Seller or any Third-Party Service Provider shall be liable for the nonperformance or delay in performance of its respective obligations under this Agreement when such failure is due to a Force Majeure Event. From and during the occurrence of a Force Majeure Event, Seller and any Third-Party Service Provider (as applicable) may, but shall not be under any obligation to replace the affected Services.

Section 6.03 Effects of Termination; Survival. Nothing in this Article VI will relieve any Party from its liability for any breach or violation of this Agreement prior to any termination hereof. The provisions of any payment obligations of Purchaser shall survive such termination, and the Parties' obligations under the last sentence of Section 2.11, Section 2.12, Section 3.04, Article V, Article VI and Article VII shall survive such termination.

Section 6.04 Return of Information. If this Agreement or a particular Service is terminated, upon request, each Party shall promptly return to the other Party all information furnished by such other party in connection with each terminated Service (including all copies or materials developed from such information, if any, thereof), except to the extent the Parties are required or permitted to retain pursuant to applicable Law.

ARTICLE VII

Section 7.03 Severability. If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced under any Law or as a matter of public policy, all other conditions and provisions of this Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the transactions contemplated by this Agreement is not affected in any manner adverse to any Party. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the Parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the Parties hereto as closely as possible in a mutually acceptable manner in order that the transactions contemplated by this Agreement be consummated as originally contemplated to the greatest extent possible. Nothing in this Section 7.03 shall affect a Party's right to terminate this Agreement pursuant to Article VI.

Section 7.04 Entire Agreement. Except as expressly set forth herein, this Agreement (and the Schedules attached hereto), the Stock Purchase Agreement, the MIPA Agreement and the Sublicense Agreement, constitute the entire understanding of the Parties with respect to the transactions contemplated hereby, and supersede all prior and contemporaneous agreements and understandings, written and oral, among the Parties hereto with respect to the subject matter hereof. To the extent there is a conflict between this Agreement and the Stock Purchase Agreement, the terms of the Stock Purchase Agreement will control.

Section 7.05 Assignment. This Agreement shall be binding upon and inure to the benefit of the Parties and their respective successors, legal representatives and permitted assigns. Subject to Section 2.03 of this Agreement, no Party to this Agreement may assign any of its rights or delegate any of its obligations under this Agreement, by operation of Law or otherwise, without the prior written consent of the other Party; provided, however, in the case of an assignment of Purchaser's rights and/or delegation of Purchaser's obligations to any Person (other than a Prohibited Owner), such consent shall not unreasonably be withheld by Seller, and any attempted or purported assignment in violation of this Section 7.05 shall be null and void;

provided, further, that any obligation of any Party to the other Party under this Agreement, which obligation is performed, satisfied or fulfilled completely by an Affiliate of such first Party, shall be deemed to have been performed, satisfied or fulfilled by such Party.

Section 7.06 No Third-Party Beneficiaries. This Agreement is for the sole benefit of the Parties and their respective successors and permitted assigns and nothing herein, express or implied, is intended to or shall confer upon any other Person any legal or equitable right, benefit or remedy of any nature whatsoever, under or by reason of this Agreement.

Section 7.07 Amendment; Waiver. No provision of this Agreement may be amended, supplemented or modified except by a written instrument signed by all of the Parties thereto. No provision of this Agreement may be waived except by a written instrument signed by the party against whom the waiver is to be effective. No failure or delay by any Party in exercising any right, power or privilege hereunder shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights and remedies herein provided shall be cumulative and not exclusive of any rights or remedies provided by Law.

Section 7.08 Governing Law. This Agreement shall be governed by, enforced pursuant with and construed in accordance with the laws of New York, without regard to the conflict of laws principles, to the extent such principles are not mandatorily applicable by statute and would require or permit the application of the laws of another jurisdiction.

Section 7.09 Consent to Jurisdiction/Venue. Each Party hereby waives, to the extent permitted by Law, all jurisdictional defenses, objections as to venue and any rights to appeal, review or nullify such award by any court or tribunal. Each of the Parties hereby submits to the exclusive jurisdiction of any court of competent jurisdiction in any Federal or State Court in the City of New York, County of New York, (the "Specified Court") in any action, suit or proceeding arising out of or relating to this Agreement and the non-exclusive jurisdiction of the Specified Court with respect to the enforcement of any award thereunder.

Section 7.10 Equitable Relief. The Parties agree that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached. Accordingly, each of the Parties agrees that, without the necessity of posting bonds or other undertaking, the other Party shall be entitled to an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement, in addition to any other remedy to which such Party is entitled at Law or in equity. In the event that any Action is brought in equity to enforce the provisions of this Agreement, no Party shall allege, and each Party hereby waives the defense or counterclaim, that there is an adequate remedy at Law. The Parties further agree that (a) by seeking any remedy provided for in this Section 7.10, a Party shall not in any respect waive its right to seek any other form of relief that may be available to a Party and (b) nothing contained in this Section 7.10 shall require any party to institute any action for (or limit any Party's right to institute any action for) specific performance under this Section 7.10 before exercising any other right under this Agreement.

Section 7.11 Further Assurances. Each Party shall take, or cause to be taken, any and all reasonable actions, including the execution, acknowledgment, filing and delivery of any and all documents and instruments that any other Party may reasonably request in order to effect the intent and purpose of this Agreement and the transactions contemplated hereby.

Section 7.12 Counterparts. This Agreement may be executed in one or more counterparts, and by the different Parties in separate counterparts, each of which when executed shall be deemed to be an original but all of which taken together shall constitute one and the same agreement. Delivery of an executed counterpart of a signature page to this Agreement by facsimile or other means of electronic transmission shall be as effective as delivery of a manually executed counterpart of any such Agreement.

Section 7.13 Headings. The heading references herein and the table of contents hereof are for convenience purposes only, and shall not be deemed to limit or affect any of the provisions hereof.

Section 7.14 No Set-Off. Neither Seller nor any of their respective Affiliates, on the one hand, nor Purchaser nor any of their respective Affiliates, on the other hand, shall have any set-off or other similar rights with respect to (a) any amounts due or owing (or to become due and owing) by such party or its Affiliates pursuant to this Agreement against (b) any other amounts due or owing or claimed to be due or owing to such party or its Affiliates pursuant to this Agreement or any other Contract.

Section 7.15 Expenses. Except as otherwise provided in this Agreement, any costs, expenses or charges incurred by any of the Parties hereto shall be borne by the party incurring such cost, expense or charge.

5.6 Authority of CBI. CBI has all requisite corporate power and authority to execute and deliver this Agreement and each of the other Transaction Documents to which it is or will be a party, to perform its obligations hereunder and thereunder and to consummate the transactions contemplated hereby and thereby. The execution and delivery by CBI of this Agreement and each of the other Transaction Documents to which it is or will be a party, the performance by CBI of its obligations hereunder and thereunder and the consummation of the transactions contemplated hereby and thereby have been duly and validly authorized by the board of directors of CBI and no other corporate proceedings on the part of CBI, and no vote, consent or approval of its stockholders, are necessary to authorize this Agreement and each of the Transaction Documents to which CBI is a party, the performance of such obligations or the consummation of such transactions.

5.7 No Violation or Conflict; Consents. Neither the execution and delivery by the Buyers or CBI of this Agreement or any of the other Transaction Documents to which the Buyers or CBI is a party, as applicable, nor the performance by the Buyers or CBI of its obligations hereunder and thereunder, as applicable, nor the consummation of the transactions contemplated hereby and thereby will, directly or indirectly (with or without notice or lapse of time or both):

(c) violate, contravene or conflict with any of the terms, conditions or requirements of, or require any notice to or filing with any Governmental Authority or other Person under, any Permit, Law or Order applicable to the Buyers or CBI or any of their respective assets;

other than, in the case of clauses (b) and (c), such violations, contraventions, conflicts, breaches or rights that would not materially and adversely affect the Buyers' or CBI's ability to execute and deliver or perform its obligations under this Agreement and the other Transaction Documents to which it is a party or will be a party.

5.8 Litigation. As of June 28, 2012, there was no Order or Proceeding pending against the Buyers or CBI, by any Governmental Authority or other Person that was reasonably likely to prevent, enjoin or materially delay the transactions contemplated by this Agreement.

5.9 Investment Intent; Restricted Securities; LLC Interest. Each of the Buyer Parties is acquiring the Importer Interest solely for their own account, for investment purposes only, and not with a view to, or with any present intention of, reselling or otherwise distributing the Importer Interest or dividing its respective participation herein with others. Each of the Buyer Parties understands and acknowledges that: (a) the Importer Interest has not been registered or qualified under the Securities Act, or under any securities laws of any state of the United States or other jurisdiction, in reliance upon specific exemptions thereunder for transactions not involving any public offering; (b) the Importer Interest constitutes "restricted securities" as defined in Rule 144 under the Securities Act; (c) the Importer Interest is not traded or tradable on any securities exchange or over the counter; and (d) the Importer Interest may not be sold, transferred or otherwise disposed of unless a registration statement under the Securities Act with respect to the Importer Interest and qualification in accordance with any applicable state securities laws becomes effective or unless such registration and qualification is inapplicable, or an exemption therefrom is available. Each of the Buyer Parties will not transfer or otherwise dispose of any of the Importer Interest acquired hereunder or any interest therein in any manner that may cause a violation of the Securities Act or any applicable state securities laws. Each of the Buyer Parties is an "accredited investor" as defined in Rule 501(a) of the Securities Act. Constellation Beers is the record and beneficial owner of 50% of the outstanding LLC Interests.

5.10 Financial Ability. Each of the Buyer Parties acknowledges that its obligation to consummate the transactions contemplated by this Agreement and the Brewery Transaction is not and will not be subject to the receipt by any Buyer Party of any financing or the consummation of any other transaction other than the occurrence of the GM Transaction Closing and, in the case of the Brewery Transaction, the consummation of the transactions contemplated by this Agreement. The Buyer Parties have delivered to ABI a true, complete and correct copy of the executed definitive Second Amended and Restated Interim Loan Agreement, dated as of February 13, 2013, among Bank of America, N.A. ("**Bank of America**"), JPMorgan Chase Bank N.A. ("**JPMorgan**") and CBI (collectively, the "**Financing Commitment**"), pursuant to which, upon the terms and subject to the conditions set forth therein, the lenders party thereto have committed to lend the amounts set forth therein (the "**Financing**") for the purpose of funding the transactions contemplated by this Agreement and the Brewery Transaction. The Buyer Parties have delivered to ABI true, complete and correct copies of the fee letter and engagement letters relating to the Financing Commitment (redacted only as to the matters indicated therein), the

Financing Commitment has not been amended or modified prior to the date of this Agreement, and, as of the date hereof, the respective commitments contained in the Financing Commitment have not been withdrawn, terminated or rescinded in any respect. There are no agreements, side letters or arrangements to which CBI or any of its Affiliates is a party relating to the Financing Commitment that could affect the availability of the Financing. The Financing Commitment constitutes the legally valid and binding obligation of CBI and, to the Knowledge of CBI, the other parties thereto, enforceable in accordance with its terms (except as such enforceability may be limited by bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and other similar Laws of general applicability relating to or affecting creditors' rights, and by general equitable principles). The Financing Commitment is in full force and effect and has not been withdrawn, rescinded or terminated or otherwise amended or modified in any respect, and no such amendment or modification is contemplated. Neither CBI nor any of its Affiliates is in breach of any of the terms or conditions set forth in the Financing Commitment, and assuming the accuracy of the representations and warranties set forth in **Article 4** and performance by ABI of its obligations under this Agreement and the Brewery SPA, as of the date hereof, no event has occurred which, with or without notice, lapse of time or both, would reasonably be expected to constitute a breach, default or failure to satisfy any condition precedent set forth therein. As of the date hereof, no lender has notified CBI of its intention to terminate the Financing Commitment or not to provide the Financing. There are no conditions precedent or other contingencies related to the funding of the full amount of the Financing, other than as expressly set forth in the Financing Commitment. The aggregate proceeds available to be disbursed pursuant to the Financing Commitment, together with available cash on hand and availability under CBI's existing credit facility, will be sufficient for the Buyer Parties to pay the Purchase Price hereunder and under the Brewery SPA and all related fees and expenses on the terms contemplated hereby and thereby in accordance with the terms of this Agreement and the Brewery SPA. As of the date hereof, CBI has paid in full any and all commitment or other fees required by the Financing Commitment that are due as of the date hereof. As of the date hereof, the Buyer Parties have no reason to believe that CBI and any of its applicable Affiliates will be unable to satisfy on a timely basis any conditions to the funding of the full amount of the Financing, or that the Financing will not be available to CBI on the Closing Date.

5.11 Brokers. No investment banker, broker, agent, finder, advisor, firm or other Person acting on behalf of the Buyers, CBI or any of their respective Affiliates is, or will be, entitled to any commission or broker's or finder's fees from ABI, Seller or any of their respective Affiliates.

ARTICLE 6 ABI GUARANTEE

6.1 Guarantee. (a) To induce CBI to enter into this Agreement, ABI, intending to be legally bound, hereby absolutely, unconditionally and irrevocably guarantees to CBI, the Buyers, the Importer and their respective successors or permitted assigns, as a primary obligor and not merely as a surety, (i) the due and punctual performance and observance of, and compliance with, all covenants, agreements, obligations, Liabilities, representations and warranties (A) of Seller Parties hereunder and under or pursuant to the Membership Interest Assignments from and after the date hereof until released pursuant to **Section 6.2**, (B) of Supplier or any successors or permitted assigns under or pursuant to the Interim Supply Agreement from and after the Closing

until released pursuant to **Section 6.2**, and (C) of Marcas Modelo or any successors or permitted assigns (including any matter where Marcas Modelo agrees to cause any member of the Modelo Group to take, or not to take, any action (a “**Modelo Group Obligor**”)) under or pursuant to the Sub-license Agreement from and after the Closing, and (ii) the payment of any Damages incurred by CBI, the Buyers or the Importer or their respective successors and assigns as a consequence of ABI breaching its obligations hereunder pursuant to the terms hereof, Seller not executing the Membership Interest Assignments at Closing, Supplier or any successors or permitted assigns not executing the Interim Supply Agreement at Closing or breaching its obligations thereunder pursuant to the terms thereof or Marcas Modelo or any successors or permitted assigns not executing the Sub-license Agreement at Closing or breaching its obligations thereunder pursuant to the terms thereof (all such obligations and any such Damages being collectively referred to as the “**ABI Guaranteed Obligations**”). ABI further agrees that the ABI Guaranteed Obligations may be amended, modified, extended or renewed, in whole or in part, without notice to or further assent from it, and that it will remain bound upon its guarantee notwithstanding any amendment, modification, extension or renewal of any of the ABI Guaranteed Obligations, whether or not any of the foregoing would in any way increase ABI’s obligations hereunder. ABI irrevocably and unconditionally waives, and agrees that its Liability under its guarantee shall be unaffected by, any act, omission, delay or other circumstance or any election of remedies by CBI, the Buyers, the Importer or their respective successors or permitted assigns that might otherwise constitute a legal or equitable discharge or defense of a guarantor or surety. ABI further agrees that its guarantee is a continuing guarantee of payment and performance of the ABI Guaranteed Obligations when due (whether or not any bankruptcy, insolvency or similar Proceeding under applicable Law shall have stayed the accrual or collection of any of the ABI Guaranteed Obligations or operated as a discharge thereof) and not of collection, and waives any right to require that resort be had by CBI, the Buyers, the Importer or their respective successors or permitted assigns to ABI, Seller, Supplier, or Marcas Modelo or any Modelo Group Obligor, as applicable, for the collection and performance of the ABI Guaranteed Obligations.

(b) The exercise or failure to exercise any right or remedy under this Agreement or the Interim Supply Agreement or Sub-license Agreement shall not affect, impair or discharge, in whole or in part, the Liability of ABI under this **Article 6**. Subject to **Section 6.2**, the obligations of ABI shall not be released, limited or impaired or subject to any defense or setoff, other than a defense that payment or performance has been made by ABI, Seller, Supplier, Marcas Modelo or any Modelo Group Obligor, as applicable, and except for defenses based on a final judicial determination by a court of competent jurisdiction that ABI, Seller, Supplier, Marcas Modelo or any Modelo Group Obligor has a defense to performance based on CBI’s Breach of this Agreement, the Importer’s Breach of the Interim Supply Agreement or Constellation Beers’ Breach of the Sub-license Agreement, as applicable. ABI’s obligations under this **Article 6** shall not be affected by any claim by ABI, Seller, Supplier, Marcas Modelo or any Modelo Group Obligor that this Agreement, the Membership Interest Assignment, the Interim Supply Agreement, or the Sub-license Agreement, as applicable, is invalid or unenforceable and any payments required to be made by it hereunder shall be made free and clear of any deduction, set-off, defense, claim or counterclaim of any kind. The rights and obligations under this **Article 6** shall survive any assignment (i) by ABI made in accordance with **Section 14.2**, (ii) by Supplier made in accordance with the terms of the Interim Supply

Agreement or (iii) by Marcas Modelo made in accordance with the terms of the Sub-license Agreement.

6.2 Release of Guarantee. ABI agrees that its obligations under this **Article 6** shall remain in full force and effect until (i) in the case of **Section 6.1(a)(i)(A)** and **Section 6.1(a)(ii)** (to the extent relating to the obligations of the Seller Parties), (A) with respect to the obligations that do not by their terms survive the Closing, the Closing, and (B) with respect to the obligations that by their terms survive the Closing, for so long as such obligations survive hereunder in accordance with their terms, and (ii) in the case of **Section 6.1(a)(i)(B)** and **Section 6.1(a)(ii)** (other than to the extent relating to the obligations of the Seller Parties hereunder), the termination of the Interim Supply Agreement pursuant to the terms thereof; **provided, that** ABI shall be released from its obligations under this **Article 6** concurrently with the termination of this Agreement in accordance with **Article 11**; **provided, however,** that ABI shall not be released from its obligations under this **Article 6** so long as any bona fide claim of CBI, the Buyers, the Importer or their respective successors or permitted assigns against ABI, Seller, Supplier, Marcas Modelo or their respective successors or permitted assigns, as applicable, which arises out of, or relates to, directly or indirectly, this Agreement, the Membership Interest Assignments, the Interim Supply Agreement, the Sub-license Agreement or any other document related herewith or therewith, as applicable, (a) is not settled to the reasonable satisfaction of CBI, the Buyers, the Importer or their respective successors or permitted assigns, as applicable, or discharged in full or (b) has not been finally resolved (as such term is defined in **Section 12.1**). In addition, if at any time, any payment, or part thereof, by ABI, Seller, Marcas Modelo, Supplier or their respective successors or permitted assigns is rescinded or must otherwise be returned upon the bankruptcy, insolvency, dissolution, liquidation or reorganization of ABI, Seller, Marcas Modelo, or Supplier or otherwise, the obligations of ABI under this **Article 6** shall continue to be effective or shall be automatically reinstated, all as though such payment had not been made.

ARTICLE 7 CBI GUARANTEE

7.1 Guarantee. (a) To induce ABI to enter into this Agreement, CBI, intending to be legally bound, hereby absolutely, unconditionally and irrevocably guarantees to ABI, Seller, Supplier, Marcas Modelo and their respective successors or permitted assigns, as a primary obligor and not merely as a surety, (i) the due and punctual performance and observance of, and compliance with, all covenants, agreements, obligations, Liabilities, representations and warranties (A) of the Buyers or any successors or permitted assigns hereunder from and after the date hereof until released pursuant to **Section 7.2**, (B) of Importer or any successors or permitted assigns under or pursuant to the Interim Supply Agreement from and after the Closing until released pursuant to **Section 7.2**, and (C) of Constellation Beers or any successors or permitted assigns under or pursuant to the Sub-license Agreement from and after the Closing, and (ii) the payment of any Damages incurred by ABI, Seller, Supplier, or Marcas Modelo or their respective successors or permitted assigns as a consequence of a Buyer or any successors or permitted assigns breaching its obligations hereunder pursuant to the terms hereof, Importer or any successors or permitted assigns not executing the Interim Supply Agreement or breaching its obligations thereunder pursuant to the terms thereof, or Constellation Beers or any successors or permitted assigns not executing the Sub-license Agreement at Closing or breaching its

obligations thereunder pursuant to the terms thereof (all such obligations and any such Damages being collectively referred to as the “**CBI Guaranteed Obligations**”). CBI further agrees that the CBI Guaranteed Obligations may be amended, modified, extended or renewed, in whole or in part, without notice to or further assent from it, and that it will remain bound upon its guarantee notwithstanding any amendment, modification, extension or renewal of any of the CBI Guaranteed Obligations, whether or not any of the foregoing would in any way increase CBI’s obligations hereunder. CBI irrevocably and unconditionally waives, and agrees that its Liability under its guarantee shall be unaffected by, any act, omission, delay or other circumstance or any election of remedies by ABI, Seller, Supplier, or Marcas Modelo or their respective successors or permitted assigns that might otherwise constitute a legal or equitable discharge or defense of a guarantor or surety. CBI further agrees that its guarantee is a continuing guarantee of payment and performance of the CBI Guaranteed Obligations when due (whether or not any bankruptcy, insolvency or similar Proceeding under applicable Law shall have stayed the accrual or collection of any of the CBI Guaranteed Obligations or operated as a discharge thereof) and not of collection, and waives any right to require that resort be had by ABI, Seller, Supplier, or Marcas Modelo or their respective successors or permitted assigns to CBI, Buyers or Importer for the collection and performance of the CBI Guaranteed Obligations.

(b) The exercise or failure to exercise any right or remedy under this Agreement or the Interim Supply Agreement or Sub-license Agreement shall not affect, impair or discharge, in whole or in part, the Liability of CBI under this **Article 7**. Subject to **Section 7.2**, the obligations of CBI shall not be released, limited or impaired or subject to any defense or setoff, other than a defense that payment or performance has been made by CBI, Buyers or Importer, as applicable, and except for defenses based on a final judicial determination by a court of competent jurisdiction that a Buyer has a defense to performance based on ABI’s Breach of this Agreement, Supplier’s Breach of the Interim Supply Agreement, or Marcas Modelo’s Breach of the Sub-license Agreement, as applicable. CBI’s obligations under this **Article 7** shall not be affected by any claim by CBI, Buyers or Importer that this Agreement, the Interim Supply Agreement, or Sub-license Agreement, as applicable, is invalid or unenforceable and any payments required to be made by it hereunder shall be made free and clear of any deduction, set-off, defense, claim or counterclaim of any kind. The rights and obligations of CBI under this **Article 7** shall survive any assignment (i) by any Buyer Party made in accordance with **Section 14.2**, (ii) by Importer made in accordance with the terms of the Interim Supply Agreement or (iii) by Constellation Beers made in accordance with the terms of the Sub-license Agreement.

7.2 Release of Guarantee. CBI agrees that its obligations under this **Article 7** shall remain in full force and effect until (i) in the case of **Section 7.1(a)(i)(A)** and **Section 7.1(a)(ii)**, (A) with respect to the obligations that do not by their terms survive the Closing, the Closing and (B) with respect to the obligations that by their terms survive the Closing, for so long as such obligations survive hereunder in accordance with their terms, and (ii) in the case of **Section 7.1(a)(i)(B)**, the termination of the Interim Supply Agreement; **provided, that** CBI shall be released from its obligations under this **Article 7** concurrently with the termination of this Agreement in accordance with **Article 11**; **provided, however**, that CBI shall not be released from its obligations under this **Article 7** so long as any bona fide claim of ABI, the Seller, Supplier, Marcas Modelo or their respective successors or permitted assigns against a Buyer, CBI, Importer or their respective successors or permitted assigns, as applicable, which arises out

of, or relates to, directly or indirectly, this Agreement, the Interim Supply Agreement, the Sub-license Agreement or any other document related herewith or therewith, as applicable, (a) is not settled to the reasonable satisfaction of ABI, Seller, Supplier, or Marcas Modelo or their respective successors or permitted assigns, as applicable, or discharged in full or (b) has not been finally resolved (as such term is defined in **Section 12.1**). In addition, if at any time, any payment, or part thereof, by CBI, Buyers, Importer or their respective successors or permitted assigns is rescinded or must otherwise be returned upon the bankruptcy, insolvency, dissolution, liquidation or reorganization of CBI, Buyers, Importer or otherwise, the obligations of CBI under this **Article 7** shall continue to be effective or shall be automatically reinstated, all as though such payment had not been made.

ARTICLE 8 COVENANTS OF SELLER PARTIES

8.1 Exclusive Dealing; Acquisition Proposals. (a) Subject to **Section 8.1(b)**, after the date hereof until the earlier of (i) the Closing and (ii) termination of this Agreement in accordance with its terms, ABI, its Subsidiaries and their respective directors and officers shall not (and they shall use reasonable best efforts to instruct and cause any of their respective employees, consultants, advisors or representatives not to), directly or indirectly, except as contemplated by this Agreement or the GM Transaction Agreement, solicit, encourage or initiate any negotiations or discussions with respect to any offer or proposal to acquire the Importer Interest. ABI will cause Seller not to, except as contemplated by this Agreement or the GM Transaction Agreement, transfer the Importer Interest to any other Person, or solicit, encourage or initiate any negotiations or discussions with respect to any offer or proposal therefor.

(b) Notwithstanding anything to the contrary in **Section 8.1(a)**, the restrictions set forth in **Section 8.1(a)** shall not apply in the event that the lenders party to the Financing Commitment notify any Buyer Party of their intention not to provide, or otherwise refuse or fail to provide, the Financing at the Closing, or if any notice is delivered pursuant to **Section 9.7(d)** hereof.

8.2 Non-Solicitation of Employees. For the period commencing on the Closing Date and ending on the second anniversary thereof, ABI shall not and shall not permit its Subsidiaries to, directly or indirectly, hire, solicit or encourage to leave the employment of the Importer, any employee of the Importer with whom Seller or its representatives directly communicated in connection with the negotiation and performance of this Agreement or the Interim Supply Agreement; provided, however, that the foregoing provision shall not apply to employees terminated by Importer or general advertisements or solicitations that are not specifically targeted at such persons.

ARTICLE 9 OTHER COVENANTS OF THE PARTIES

9.1 Antitrust Approval. The Buyer Parties shall use their reasonable best efforts to take, or cause to be taken, all actions, and to do, or cause to be done, and assist and cooperate with ABI and Grupo Modelo in doing, all things necessary, proper or advisable (subject to applicable Law) to consummate and make effective the transactions contemplated by this

Agreement and the GM Transaction. In furtherance and not in limitation of the foregoing, the Buyer Parties shall use their reasonable best efforts to (i) comply promptly with any request of any Governmental Authority for additional information, documents or other materials, including, without limitation, participating in meetings with officials of such Governmental Authority during the course of its review of the GM Transaction and/or the transactions contemplated hereby; (ii) support ABI and Grupo Modelo in their response to requests for information from any Governmental Authority in connection with its investigation of the GM Transaction and/or the transactions contemplated hereby; and (iii) otherwise assist in facilitating antitrust approval of the transactions contemplated by this Agreement and the GM Transaction. To the extent permitted by the relevant Governmental Authority, the Buyer Parties and the Seller Parties shall (a) allow the Buyer Parties (including their outside counsel) and the Seller Parties (including their outside counsel) to attend and participate in all meetings, discussions and other communications with all Governmental Authorities in connection with the review of the transactions contemplated by this Agreement, (b) promptly and fully inform CBI, ABI and Grupo Modelo of any written or material oral communication received from or given to any Governmental Authority relating to the GM Transaction or the transactions contemplated herein, and provide them with copies of any such written communication, (c) permit CBI, ABI and Grupo Modelo to review in advance, to the extent practicable with reasonable time and opportunity to comment and consider in good faith the views of the others with respect thereto, any proposed submission, correspondence or other communication by the Buyer Party to any Governmental Authority relating to the GM Transaction or the transactions contemplated herein, and (d) provide reasonable prior notice to and, to the extent practicable, consult with CBI, ABI and Grupo Modelo in advance of any meeting, material conference or material discussion with any Governmental Authority relating to the GM Transaction or the transactions contemplated herein (and allow the Seller Parties to attend and participate in such meeting, conference or discussion). If reasonably requested by ABI or Grupo Modelo, and if permitted to do so by the relevant Governmental Authority, the Buyer Parties and the Seller Parties shall, upon reasonable notice, cause an informed representative to attend any one or more meetings, either by phone or in person, before a Governmental Authority in support of approval of the transactions contemplated by this Agreement and the GM Transaction. Without limiting in any respect the parties' obligations contained in this **Section 9.1**, in the event that the parties do not agree with respect to strategy or tactics in connection with a Governmental Authority's review of the GM Transaction and/or the transactions contemplated hereby, ABI's decision will control. Each of the parties agrees to use its reasonable best efforts to propose, negotiate, commit to and effect any consent decree, settlement, remedy, undertaking, commitment, action or agreement, including any amendment or other revision to one or more of the Transaction Documents (each, a "**Remedial Action**"), as may be required in connection with a Governmental Authority's review of the GM Transaction and/or the transactions contemplated hereby; **provided that** any such Remedial Action (1) is conditioned on the consummation of the transactions contemplated by this Agreement and (2) does not, individually or in the aggregate, have a material adverse effect on such party as measured against the business of the Importer or the Buyer Parties (it being agreed and understood that, the parties shall cooperate in good faith in connection with any Remedial Action to attempt to preserve the economic benefits reasonably expected to be achieved by each of the parties hereto, but shall in any event effect any such Remedial Action required pursuant to this sentence notwithstanding anything in this parenthetical).

Notwithstanding anything to the contrary contained in this **Section 9.1** or in this Agreement

other than **Section 11.2(a)** and **Section 12.5(b)**, a party shall not have any obligation under this Agreement to take any of the following actions or commit to take any of the following actions, or to cause Importer to take any of the following actions, if such party, in good faith, reasonably expects such action to have more than a *de minimis* adverse effect on the business or interests of such party or Importer: (x) to sell, dispose of or transfer or cause any of its Subsidiaries to sell, dispose of or transfer any assets; (y) to discontinue or cause any of its Subsidiaries to discontinue offering any product or service; or (z) to hold separate or cause any of its Subsidiaries to hold separate any assets or operations (either before or after the Closing Date).

9.2 Other Regulatory Matters. Except as otherwise provided in **Section 9.1**, the parties will proceed diligently and in good faith and will use their reasonable best efforts to do, or cause to be done, all things necessary, proper or advisable to, as promptly as practicable, (a) obtain all Permits from, make all filings with and give all notices to Governmental Authorities, including, without limitation, Mexican antitrust authorities, the Alcoholic Beverage Authorities or any other Person required to consummate the transactions contemplated by this Agreement, and (b) provide such other information and communications to such Governmental Authorities or other Person as the other party or such Governmental Authorities or other Person may reasonably request.

9.3 Notification of Certain Matters. Subject to compliance with applicable Law or as required by any Governmental Authority, the Buyer Parties and ABI will notify the other promptly in writing of, and contemporaneously will provide the other with true and complete copies of any and all material information or documents relating to, and will use reasonable best efforts to cure before the Closing, any event, transaction or circumstance occurring after the date of this Agreement that causes or is reasonably expected to cause a failure of any condition to the other party's obligations to consummate the transactions contemplated hereby. No notice given pursuant to this **Section 9.3** shall have any effect on the representations, warranties, covenants or agreements contained in this Agreement for purposes of determining satisfaction of any condition contained herein or the rights of the parties hereunder.

9.4 Fulfillment of Conditions. Subject to the terms and conditions of this Agreement, the Buyer Parties and ABI will cooperate with each other and use their respective reasonable best efforts to take or cause to be taken all actions, and do or cause to be done all things reasonably necessary or desirable on its part, and proceed diligently and in good faith to satisfy each condition to the other party's obligations contained in this Agreement in order to consummate and make effective the transactions contemplated by this Agreement as soon as practicable, and neither Seller Parties nor Buyer Parties will take any action, or fail to take any action required to be taken by it hereunder, that could be reasonably expected to result in the non-fulfillment of any such condition. In furtherance and not in limitation of the foregoing, the Buyer Parties and the Seller Parties shall use their reasonable best efforts to (a) comply promptly with any request of any Governmental Authority for additional information, documents or other materials, including, without limitation, participating in meetings with officials of such Governmental Authority during the course of its review of the transactions contemplated hereby and (b) support the other parties hereto in their response to requests for information from any Governmental Authority in connection with its investigation of the transactions contemplated hereby. Notwithstanding anything to the contrary in this Agreement, the parties hereby acknowledge and agree that none of the Seller Parties has any obligation to the Buyer Parties

under this Agreement or otherwise to consummate, or seek to receive any consent required to consummate, the transactions contemplated by the GM Transaction Agreement and the Buyer Parties shall not have any rights under, and are not intended third party beneficiaries of, the GM Transaction Agreement.

9.5 Interim Supply Agreement.

(a) At Closing, ABI shall cause Supplier to execute the Interim Supply Agreement, and ABI shall deliver an executed copy of the Interim Supply Agreement to CBI in accordance with **Section 3.2**.

(b) At Closing, CBI shall cause the Importer to execute the Interim Supply Agreement, and the Buyer Parties shall deliver an executed copy of the Interim Supply Agreement to ABI in accordance with **Section 3.3**.

9.6 Conduct of Business of the Importer.

(a) During the period from the date of this Agreement to the Closing, the parties shall, and shall cause the Importer to, (i) conduct the Importer's business and operations in the ordinary course of business, consistent with past practice, and in accordance with the LLC Agreement, including with respect to making distributions of Available Cash (as such term was defined in the LLC Agreement as of June 28, 2012) in accordance with the terms thereof; (ii) use their commercially reasonable efforts to preserve intact the business organization and operations of the Importer and keep available the services of the Importer's current directors, managers, officers, employees, consultants and agents; and (iii) use their commercially reasonable efforts to preserve the goodwill of the Importer and maintain the Importer's relationships with Governmental Authorities and those Persons having business relationships with the Importer.

(b) Without limiting the generality of, and in furtherance of, **Section 9.6(a)**, from the date of this Agreement to the Closing, the parties shall not cause or permit the Importer to:

- (i) make any material change in any method of accounting, keeping of books of account or accounting practices;
- (ii) prepay or accelerate payment of any expenses or the incurrence of capital expenditures or increase the amount of reserves, in each case except in the ordinary course of business consistent with past practices;
- (iii) increase working capital except for increases in accordance with the Business Plan (as defined in the LLC Agreement); or
- (iv) delay collection of accounts receivable.

9.7 Financing Support.

(a) Each of the Buyer Parties shall use its reasonable best efforts to arrange the Financing on the terms and conditions described in the Financing Commitment as promptly

as reasonably practicable, including using its reasonable best efforts to (i) maintain in effect the Financing Commitment on the terms and conditions contained therein until the transactions contemplated by this Agreement and the Brewery Transaction are consummated; (ii) satisfy on a timely basis all conditions and covenants applicable to the Buyer Parties or any of their respective Affiliates in the Financing Commitment and otherwise comply with (or obtain the waiver thereof) its obligations under the Financing Commitment; (iii) consummate the Financing at the Closing to the extent necessary to permit the Buyer Parties to pay the Purchase Price hereunder and all amounts due under the Brewery SPA; (iv) enforce its rights under the Financing Commitment; and (v) cause the lenders and other Persons providing the Financing to fund at the Closing the Financing to the extent necessary to permit the Buyer Parties to pay the Purchase Price hereunder and all amounts due under the Brewery SPA. Each of the Buyer Parties shall use its reasonable best efforts to maintain availability under CBI's existing credit facilities, or to put replacement credit facilities in place, if CBI's existing credit facilities are terminated for whatever reason. Within one Business Day of receiving the GM Transaction Closing Notice, the Buyer Parties shall deliver the certificate referred to in Section 4.01(l) of the Financing Commitment to the Administrative Agent (as defined in the Financing Commitment) and the Arrangers (as defined in the Financing Commitment) in accordance with the Financing Commitment.

(b) If any portion of the Financing becomes unavailable on the terms and conditions contemplated in the Financing Commitment, the Buyer Parties shall use their reasonable best efforts to obtain any such portion from alternative sources as promptly as practicable following the occurrence of such event on terms that are not less favorable, taken as a whole, to the Buyer Parties. Notwithstanding the foregoing, nothing in this **Section 9.7** shall require that CBI or any of its Subsidiaries sell any stock or assets, other than any sale of the CBI Interest in connection with Seller Parties' Drag-Along Right under **Section 12.5**.

(c) Buyer Parties shall not permit any amendment or modification to be made to the Financing Commitment or waive any term thereof without obtaining ABI's prior written consent (such consent not to be unreasonably withheld, conditioned or delayed unless ABI has determined such amendment or modification is, or is reasonably likely to, prevent, delay or impair the availability of the Financing or the consummation of the transactions contemplated by this Agreement) (provided that Buyer Parties may, without obtaining such prior written consent, replace or amend the Financing Commitment to add lenders, lead arrangers, bookrunners, syndication agents or similar entities that have not executed the Financing Commitments as of the date of this Agreement (but not to make any other changes), so long as (i) any such additional lender is a "Qualified Replacement Lender" (as defined in the Financing Commitment), and (ii) each of JPMorgan and Bank of America continue to be committed under the Financing Commitment to fund at least twenty percent (20%) of the aggregate principal amount contemplated by the Financing Commitment.

(d) Buyer Parties shall keep ABI informed on a reasonably current basis in reasonable detail of the status of the Financing. Without limiting the generality of the foregoing, Buyer Parties shall give ABI prompt notice (which shall in no event be more than two Business Days from occurrence): (i) if Buyer Parties become aware of any breach or default (or any event or circumstance that, with or without notice, lapse of time or both, would reasonably be expected to give rise to any breach or default) by any party to any Financing Commitment; (ii) of the

receipt by it or any notice or other written communication from any Person with respect to any (A) actual, potential or alleged breach, default, termination or repudiation by any party to the Financing Commitment or any provisions of the Financing Commitment or (B) dispute or disagreement between or among any parties to any Financing Commitment relating to the Financing; (iii) if for any reason Buyer Parties believe in good faith that (A) there is (or there is likely to be) a dispute or disagreement between or among any parties to any Financing Commitment relating to the Financing or (B) there is a material possibility that it will not be able to obtain all or any portion of the Financing on the terms, in the manner or from the sources contemplated by the Financing Commitment; and (iv) upon receiving the Financing. As soon as reasonably practicable, but in any event within two Business Days after the date ABI delivers to Buyer Parties a written request, Buyer Parties shall provide any information reasonably requested by ABI relating to any circumstance referred to in clause (i), (ii) or (iii) of the immediately preceding sentence.

9.8 Guarantees. With the exception of the guarantee provided by GModelo Corporation in favor of South Dearborn, LLC, the landlord of Importer's office space at One South Dearborn Street, Suite 1700, Chicago, Illinois 60603, in connection with that certain Office Lease, dated as of January 1, 2012, by and between South Dearborn, LLC and Importer (the "**Importer Office Lease**"), CBI shall cause any guarantees of Seller or any of its Affiliates with respect to payment or performance of Importer under any Contract to be terminated effective as of the Closing without any further Liability to the Seller Parties or any of their respective Affiliates, equity holders, officers, directors or representatives thereunder or under any replacement guarantee. In connection with the termination of such guarantees, at or prior to the Closing, CBI shall arrange for the issuance of replacement guarantees. Neither CBI nor the Importer shall be required to incur any costs or expenses in connection with the termination or replacement of such guarantees.

9.9 Release.

(a) Each of CBI, Constellation Beers, CBBH, and Importer, for and on behalf of itself and its Affiliates, shall execute at the Closing a release acquitting, releasing and discharging each of ABI, Seller and their respective officers, directors, equity holders and Affiliates from any and all Liabilities or obligations to CBI, Constellation Beers, CBBH or Importer or any of their Affiliates arising under or in connection with any of the Terminated Agreements or the LLC Agreement.

(b) Each of ABI and Seller, for and on behalf of itself and its Affiliates, shall execute at the Closing a release acquitting, releasing and discharging each of CBI, Constellation Beers, CBBH, Importer and their respective officers, directors, equity holders and Affiliates from any and all Liabilities or obligations to ABI and Seller or any of their Affiliates arising under or in connection with any of the Terminated Agreements or the LLC Agreement.

9.10 Post-Closing Cooperation. Subject to compliance with applicable Law, from and after the Closing Date, the Buyer Parties and the Seller Parties agree to (a) cooperate with each other, share information and supporting materials and documents relating to ownership of the Importer Interest prior to or after the Closing; **provided, however,** that access to any such information, supporting materials or documents shall be determined by taking into account,

among other considerations, the competitive positions of the parties; **provided, further**, that any such access shall (i) be under the supervision of such party's designated personnel or representatives and (ii) be in such a manner as not to unreasonably interfere with any of the businesses or operations of such party or their respective Affiliates; **provided, further**, that all requests for any such access made pursuant to this **Section 9.10** shall be directed to such party and its designated representatives; and (b) provide the other parties with such assistance as may reasonably be requested, at the requesting party's expense, in connection with the preparation of any Tax return, any income Tax audit or other administrative or judicial Proceeding relating to Importer or the ownership of the Importer Interest prior to or after the Closing, requests for information from Governmental Authorities relating to the transactions contemplated by this Agreement, and matters relating to unclaimed property; **provided, however**, that a party shall not be obligated to make any work papers available to the requesting party unless and until such requesting party has signed a customary confidentiality and hold harmless agreement relating to such access to work papers in form and substance reasonably acceptable to such party to whom such request is being made.

ARTICLE 10 CONDITIONS TO CLOSING

10.1 Conditions to Obligations of ABI. The obligations of ABI to close the transactions contemplated by this Agreement shall be subject to the satisfaction or waiver by ABI at or prior to the Closing of the following conditions:

(a) No preliminary, temporary or permanent injunction or other order, decree or ruling issued by a court of competent jurisdiction or Governmental Authority, nor any statute, rule, regulation or executive order promulgated or enacted by any Governmental Authority after the date hereof, shall be in effect that would make the consummation of the transactions contemplated hereby illegal or otherwise prevent the consummation of such transactions;

(b) The GM Transaction Closing shall have occurred; and

(c) A no objection letter from the Mexican Federal Competition Commission (*Comisión Federal de Competencia*) in connection with the Brewery Transaction shall have been issued, or the relevant statutory period (and any extension thereof) as set forth in Sections 21.III and 21.IV of the Federal Economic Competition Law (*Ley Federal de Competencia Económica*) for the parties to be entitled to consummate the Brewery Transaction shall have expired.

10.2 Conditions to Obligations of Buyer Parties. The obligations of the Buyer Parties to close the transaction contemplated hereby shall be subject to the satisfaction or waiver by the Buyer Parties at or prior to the Closing of the following conditions:

(a) No preliminary, temporary or permanent injunction or other order, decree or ruling issued by a court of competent jurisdiction or Governmental Authority, nor any statute, rule, regulation or executive order promulgated or enacted by any Governmental Authority after the date hereof, shall be in effect that would make the consummation of the transactions contemplated hereby illegal or otherwise prevent the consummation of such transactions;

(b) The GM Transaction Closing shall have occurred; and

(c) A no objection letter from the Mexican Federal Competition Commission (*Comisión Federal de Competencia*) in connection with the Brewery Transaction shall have been issued, or expiration of the relevant statutory period (and any extension thereof) as set forth in Sections 21.III and 21.IV of the Federal Economic Competition Law (*Ley Federal de Competencia Económica*) for the parties to be entitled to consummate the Brewery Transaction shall have expired.

ARTICLE 11 TERMINATION

11.1 Termination. This Agreement may be terminated and the transactions contemplated hereby may be abandoned at any time prior to the Closing, as follows:

(a) By mutual written consent of CBI and ABI;

(b) By ABI or by CBI, if the GM Transaction Agreement is terminated;

(c) By CBI or by ABI, if the Closing shall not have occurred on or before December 30, 2013 (provided that the right to terminate this Agreement under this **Section 11.1(c)** shall not be available to any party hereto whose failure to perform or comply with any covenant or agreement under this Agreement applicable to it has proximately contributed to, or resulted in, the failure of the Closing to occur on or before such date).

11.2 Effect of Termination. If this Agreement is terminated in accordance with **Section 11.1**, this Agreement shall become null and void and of no further force or effect with no Liability to any Person on the part of any party hereto (or any of its representatives or Affiliates), except that:

(a) The terms and provisions of this **Section 11.2** and **Article 14** shall survive and remain in full force and effect, the terms and provisions of **Article 6** and **Article 7** shall survive and remain in full force and effect until terminated in accordance with their respective terms and the terms and provisions of **Section 12.5(b)** shall survive and remain in full force and effect until twelve (12) months following any termination of this Agreement; provided that if (i) a Governmental Authority appoints a trustee to monitor ABI's compliance with an Order, the terms and provisions of **Section 12.5(b)** shall survive and remain in full force and effect for twelve (12) months following the date of such appointment, unless such Order requires a longer period, and (ii) if ABI or one of its Affiliates enters into a definitive agreement providing for a Participatory Transaction within twelve (12) months of its termination of this Agreement, the terms and provisions of **Section 12.5(b)** shall survive until the earlier of the consummation of such Participatory Transaction and the termination of such definitive agreement.

(b) No termination of this Agreement shall relieve any party hereto from any Liability for any Breach of this Agreement that arose prior to such termination or resulting from fraud of such party.

(c) In the event of termination of this Agreement (i) by ABI pursuant to **Section 11.1(c)** if CBI would have been entitled to terminate this Agreement pursuant to **Section 11.1(c)** at the time of such termination, or (ii) by either ABI or CBI pursuant to **Section 11.1(b)**, then in either case ABI shall promptly (but in no event later than two (2) Business Days after the date of such termination) pay, or cause to be paid, to CBI (or its designee) an amount equal to \$75,000,000 (the “**Termination Fee**”) by wire transfer of same day funds to any account designated by CBI (or its designee). For the avoidance of doubt, in no event shall ABI be required to pay the Termination Fee on more than one occasion.

ARTICLE 12 INDEMNIFICATION

12.1 Survival.

(a) **Representations and Warranties.** All of the representations and warranties of the parties contained in this Agreement, including the schedules hereto, shall survive the Closing; **provided, however**, that the representations and warranties set forth in **Sections 4.6, 4.7, 5.7 and 5.8** hereof shall survive only for one year after the Closing (it being understood that in the event notice of any claim for indemnification under **Section 4.6, 4.7, 5.7 or 5.8** hereof has been given (within the meaning of **Section 14.3** hereof) within the applicable survival period, the representations and warranties that are the subject of such indemnification claim shall survive with respect to such claim until such time as such claim is finally resolved).

A claim shall be “finally resolved” when: (i) the parties to the dispute have reached an agreement in writing; (ii) a court of competent jurisdiction shall have entered a final and non-appealable Order or judgment; or (iii) an arbitration or like panel shall have rendered a final non-appealable determination with respect to disputes the parties have agreed to submit thereto.

(b) **Covenants and Agreements.** All of the covenants and agreements of the parties, including the guarantees in **Articles 6 and 7**, shall survive the Closing and continue in full force and effect forever, or otherwise in accordance with their respective terms.

12.2 Terms of Indemnification. Subject to the terms and provisions of this Article 12:

(a) From and after the Closing, ABI shall indemnify Buyer Parties against, and shall protect, defend and hold harmless Buyer Parties from, all Damages imposed on, sustained, incurred or suffered by the Buyer Parties to the extent arising out of, relating to or resulting from (i) any Breach of any of the representations or warranties of ABI contained in this Agreement, and (ii) any Breach of ABI’s covenants or agreements contained in this Agreement.

(b) From and after the Closing, Buyer Parties shall, jointly and severally, indemnify ABI against, and shall protect, defend and hold harmless ABI from, all Damages imposed on, sustained, incurred or suffered by the Seller Parties to the extent arising out of or resulting from (i) any Breach of any representations or warranties of any Buyer Party contained in this Agreement, (ii) any Breach of any Buyer Party’s covenants or agreements contained in this Agreement and (iii) any obligations and liabilities relating to the Importer Office Lease.

12.3 Procedures with Respect to Third Party Claims. Promptly after the commencement of any action or Proceeding by a third party against any party hereto (a “**Third Party Claim**”) that is reasonably expected to give rise to a claim for indemnification under this **Article 12**, the party seeking indemnification (the “**Indemnified Party**”) shall give notice in writing to the party (the “**Indemnifying Party**”) from whom indemnification is sought of such Third Party Claim. No failure to provide such notice shall affect indemnification hereunder unless such failure materially prejudices the Indemnifying Party. The Indemnifying Party shall then be entitled to participate in such action or Proceeding and, to the extent that it shall wish, to assume the defense thereof, and shall have the sole power to direct and control such defense, with counsel reasonably satisfactory to such Indemnified Party. After notice from the Indemnifying Party to the Indemnified Party of its election to assume the defense of a claim, the Indemnifying Party shall not be liable to such Indemnified Party under **Section 12.2** for any fees of other counsel or any other expenses, in each case subsequently incurred by such Indemnified Party in connection with the defense thereof, other than reasonable costs of investigation. If an Indemnifying Party assumes the defense of such an action (a) no compromise or settlement thereof may be effected by the Indemnifying Party without the Indemnified Party’s consent (which shall not be unreasonably withheld) unless (i) there is no finding or admission of any violation of Law, or any violation of the rights of any Person, by the Indemnified Party and no adverse effect on any other claims that may be made against the Indemnified Party and (ii) the sole relief provided is monetary Damages that are paid in full by the Indemnifying Party and (b) the Indemnifying Party shall have no Liability with respect to any compromise or settlement thereof effected by the Indemnified Party without its consent (which shall not be unreasonably withheld). Notwithstanding the foregoing, if an Indemnified Party determines in good faith that there is a reasonable probability that any action may materially and adversely affect it or its Affiliates other than as a result of monetary Damages, such Indemnified Party may, by notice to the Indemnifying Party, assume the exclusive right to defend, compromise or settle such action, but the Indemnified Party shall not compromise or settle any such action without the Indemnifying Party’s prior written consent and the Indemnifying Party shall have no Liability with respect to any judgment entered in any action so defended, or a compromise or settlement thereof entered into, without its consent (which shall not be unreasonably withheld). The Indemnified Party shall cooperate with the Indemnifying Party and its counsel in order to ensure the proper and adequate defense of a Third Party Claim, including by providing access to its relevant business records and other documents, and employees.

12.4 Representation. It is understood and agreed that Nixon Peabody LLP shall not be precluded from representing the Importer after the date hereof as a result of any legal services or advice it may render to the Buyer Parties in connection with this Agreement, the Transaction Documents, or the transactions contemplated hereby or thereby.

12.5 Sole Remedy; Drag-Along Right.

(a) Following the Closing, the indemnification provided in this **Article 12** shall be the exclusive remedy and in lieu of any and all other rights and remedies which the Indemnified Parties may have under this Agreement or otherwise against each other with respect to the transactions contemplated hereby for monetary relief with respect to any Breach of any representation or warranty or any failure to perform any covenant or agreement set forth in this Agreement, and each party hereto each expressly waives any and all other rights or causes of

action it or its Affiliates may have against the other party or its Affiliates now or in the future under any Law with respect to the subject matter hereof, except in either case for fraud of the other party, the parties' rights to seek specific performance in accordance with **Section 14.13**, or enforcement of the guarantees in **Articles 6** and **7**.

(b) If (i) the Buyer Parties fail to consummate the transactions contemplated hereunder when all conditions precedent set forth in **Section 10.2** to the Buyer Parties' obligations to close hereunder have been satisfied or waived, or if all conditions to obligations of the Buyer Parties to consummate the transactions contemplated hereunder would have been satisfied but for a Breach of this Agreement by a Buyer Party, or (ii) CBI fails to consummate the Brewery Transaction when all conditions precedent set forth in Article 6 of the Brewery SPA to CBI's obligation to close thereunder have been satisfied or waived, or if all conditions to the obligation of CBI to consummate the Brewery Transaction would have been satisfied but for a Breach of the Brewery SPA by CBI, then the Seller Parties shall be entitled to: (x) solicit, encourage or initiate negotiations and discussions in good faith with bona fide third parties pursuant to arm's length discussions and negotiations with respect to the sale or transfer of one hundred percent (100%) of the LLC Interests of the Importer (the "**Entire Importer Interest**"), and (y) pursuant to such discussions and negotiations, enter into an agreement to sell to one or more Persons (the "**Alternative Purchaser**") the Entire Importer Interest for cash, without any limitation and without requiring the approval of or notice to any Buyer Party or its Affiliates, including any approval of any Buyer Party or its Affiliates that may be required pursuant to the LLC Agreement, which approval, if any, is hereby granted by the Buyer Parties and their Affiliates, and the Buyer Parties shall be required to sell the fifty percent (50%) of the LLC Interests of the Importer Constellation Beers and its Affiliates currently own (the "**CBI Interest**") to the Alternative Purchaser in accordance with the following and to enter into any agreements reasonably required to effectuate such sale (the "**Drag-Along Right**"):

(i) If the Seller Parties determine to sell the Entire Importer Interest to the Alternative Purchaser pursuant to a sale under this **Section 12.5(b)** (such a sale, a "**Participatory Transaction**"), then upon fifteen (15) days' prior written notice from the Seller Parties (the "**Drag-Along Notice**"), which notice shall include, in reasonable detail, the terms and conditions of the Participatory Transaction, including the time and place of closing and the aggregate purchase price for the Entire Importer Interest, the Buyer Parties shall be obligated to, and shall, on the same terms and conditions specified in the Drag-Along Notice, sell, transfer and deliver, or cause to be sold, transferred and delivered, to the Alternative Purchaser, the CBI Interest in the same transaction at the closing of the Participatory Transaction (and will deliver certificates or assignments for the CBI Interest at such closing, free and clear of all claims, liens and encumbrances subject to customary exceptions); provided that, the Buyer Parties shall only be required to make representations and warranties relating to due organization of Buyer Parties, brokers, non-contravention, title and ownership of, and authority to sell the CBI Interest and shall only be required to provide indemnification to the Alternative Purchaser (which shall be capped at the net cash proceeds received by the Buyer Parties in the transaction and shall be on a pro rata basis with the Seller Parties' indemnification obligations and subject to any limitations on the Seller Parties' obligations to indemnify the Alternative Purchaser (including any caps on indemnification obligations)) for breaches of such representations and warranties and any covenants that both the Seller Parties and the

Buyer Parties are required to make. For the avoidance of doubt, ABI shall obtain from Seller any consent or approval required under Importer's organizational documents to consummate a Participatory Transaction and the effectiveness of the grant of the Drag-Along Right granted to the Seller Parties pursuant to this **Section 12.5(b)** (and any exercise thereof) is contingent upon CBI's receipt of any such consent or approval from Seller.

(ii) In determining the terms and conditions of the Participatory Transaction for purposes of this **Section 12.5(b)**, the Seller Parties shall act in good faith in determining such terms and conditions and will not include terms that the Buyer Parties could not lawfully accept, or include any non-compete (or similar restriction on the ability of any Buyer Party or its Affiliates to operate or compete) or requirement on the part of any Buyer Party to accept any restrictions or conditions on the business of any such Buyer Party in order to obtain consents of Governmental Authorities other than with respect to the CBI Interest (the "**Restrictive Terms**"). Notwithstanding the provisions of this **Section 12.5(b)**, if the Seller Parties determine to consummate a Participatory Transaction with Restrictive Terms, the Seller shall purchase from Constellation Beers, and Constellation Beers shall sell to the Seller, the CBI Interest as Constellation Beers otherwise would have transferred in such Participatory Transaction had such Participatory Transaction not included the Restrictive Terms; provided that the Seller Parties shall hold the Entire Importer Interest (i) solely for the purposes of facilitating a sale to an Alternative Purchaser and (ii) for that period of time necessary to effect the transfer of the Entire Importer Interest to such Alternative Purchaser.

(iii) In any Participatory Transaction contemplated by this **Section 12.5(b)**, CBI shall receive, in exchange for the CBI Interest, (x) Participatory Transaction Amount, minus (y) \$375,000,000, and ABI shall pay such amount to CBI on the closing date of the sale of the Entire Importer Interest to the Alternative Purchaser in the Participatory Transaction or such other times specified in the definitive agreement providing for such Participatory Transaction if the Seller Parties are also required their pro rata portion of the proceeds from such Participatory Transaction at such times.

(c) For the avoidance of doubt, the Seller Parties shall be entitled to the Drag-Along Right if CBI fails to acquire the Importer Interest or if CBI fails to consummate the Brewery Transaction.

12.6 Adjustments to Losses.

(a) In calculating the amount of any loss, the proceeds actually received by the Indemnified Party or any of its Affiliates under any insurance policy or pursuant to any claim, recovery, settlement or payment by or against any other Person, in each case relating to any claim for indemnification pursuant to **Section 12.2**, net of any actual costs or expenses incurred in connection with securing or obtaining such proceeds, shall be deducted, except to the extent that the adjustment itself would excuse, exclude or limit the coverage of all or part of such loss. In the event that an Indemnified Party has any rights against a third party with respect to any occurrence, claim or loss that results in a payment by an Indemnifying Party under this **Article 12**, such Indemnifying Party shall be subrogated to such rights to the extent of such

payment; provided that until the Indemnified Party recovers full payment of the loss related to any such claim, any and all claims of the Indemnifying Party against any such third party on account of said indemnity payment is hereby expressly made subordinate and subject in right of payment to the Indemnified Party's rights against such third party. Without limiting the generality or effect of any other provision hereof, each Indemnified Party and Indemnifying Party shall duly execute upon request all instruments reasonably necessary to evidence and perfect the subrogation and subordination rights detailed herein, and otherwise cooperate in the prosecution of such claims.

(b) If an Indemnified Party recovers an amount from a third party in respect of a loss that is the subject of indemnification hereunder after all or a portion of such loss has been paid by an Indemnifying Party pursuant to this **Article 12**, the Indemnified Party shall promptly remit to the Indemnifying Party the excess (if any) of (i) the amount paid by the Indemnifying Party in respect of such loss, plus the amount received from the third party in respect thereof, less (ii) the full amount of loss.

(c) Indemnified losses to any Indemnified Party hereunder shall be determined net of the amount of any Tax benefit actually recognized in cash by the Indemnified Party in connection with such indemnified loss or any of the circumstances giving rise thereto.

12.7 Consequential Damages. Subject to the next sentence of this **Section 12.7**, no Person shall be liable under this **Article 12** for any consequential, punitive, special, incidental or indirect Damages, including lost profits and diminution in value, except to the extent awarded by a court of competent jurisdiction in connection with a Third Party Claim. Notwithstanding anything to the contrary in this Agreement, including the second sentence of **Section 2.1** and **Section 12.5**, the restriction in the preceding sentence on the right of a party hereunder to recover consequential, punitive, special, incidental and indirect Damages, including lost profits and diminution in value, shall not apply where the Seller Parties fail to sell all of the Importer Interest to the Buyers after all conditions precedent set forth in this Agreement to the Seller Parties' obligations to sell the Importer Interest to the Buyers hereunder have been satisfied or waived.

12.8 Accuracy and Compliance. The right to indemnification or other remedy based on any representations, warranties, obligations, covenants and agreements set forth in this Agreement or in any of the other Transaction Documents, will not be affected by any investigation conducted with respect to, or any notice or knowledge acquired (or capable of being acquired) at any time, whether before or after the date hereof or the Closing Date, with respect to the accuracy or inaccuracy of or compliance with, any such representation, warranty, covenant or agreement. The waiver of any condition based on the accuracy of any representation or warranty, or on the performance of or compliance with any covenant or agreement, will not affect the right to indemnification or other remedy based on such representations, warranties, covenants and agreements.

ARTICLE 13 TERMINATION OF JOINT VENTURE AGREEMENTS

Effective as of the Closing, the parties hereto agree, on behalf of themselves and each of their Affiliates, that each of the agreements included on **Schedule 13.1** (the "**Terminated**

Agreements”) shall terminate in its entirety and have no further force and effect without any further action by any party hereto or thereto or any other Person and no party to any such agreement or other Person shall have any further rights or obligations thereunder whatsoever, all effective upon the Closing; **provided, that** to the extent that any such terminated agreement had already terminated on or prior to the Closing by its own terms such termination shall continue to be effective pursuant to such terms.

ARTICLE 14 GENERAL PROVISIONS

Any purported assignment of this Agreement in violation of this **Section 14.2** shall be null and void.

(b) Subject to **Section 9.1**, the parties hereby agree that any and all communications of the Buyer Parties with respect to this Agreement and the transactions contemplated hereby shall be made exclusively with ABI and its designated representatives, and the Buyer Parties shall not, directly or indirectly, contact Grupo Modelo, Seller or any of their controlled Affiliates or any of their respective officers, directors, employees, advisors or other representatives regarding any such matters; **provided, however**, that nothing in this **Section 14.3(b)** shall prohibit the Buyer Parties from communicating with Grupo Modelo, Seller or any of their controlled Affiliates or any of their respective officers, directors, employees, advisors or other representatives regarding:

(i) the operation of Importer during the period from June 28, 2012 through the Closing; (ii) any communications or notices required pursuant to the LLC Agreement; (iii) the Importer's transition planning regarding the transactions contemplated by this Agreement; and (iv) any public statements or press releases by the Buyer Parties, Seller or the Importer regarding the transactions contemplated by this Agreement to the extent the Buyer Parties have provided a copy of any such public statement or press release to ABI in advance of any communication with Grupo Modelo, Seller or any of their controlled Affiliates.

14.4 Entire Agreement. This Agreement (including the schedules and exhibits hereto, which are incorporated into this Agreement by this reference and made a part hereof), the Confidentiality Agreement, dated as of May 26, 2012, by and between CBI, ABI and solely with respect to Section 2 thereof, Grupo Modelo (the "**Confidentiality Agreement**"), the Brewery SPA, the Sub-license Agreement, the Transition Services Agreement and each of the other Transaction Documents, constitute the entire agreement among the parties with respect to the subject matter hereof and thereof, and supersede all prior or contemporaneous agreements and understandings, whether written or oral, among the parties hereto, or any of them, with respect to the subject matter hereof and thereof.

14.5 Counterparts and Facsimile Signature. This Agreement may be executed in any number of counterparts, and by the different parties hereto in separate counterparts, each of which when executed shall be deemed to be an original, and all of which, taken together, shall be deemed to constitute one and the same instrument. This Agreement may be executed by facsimile signature.

14.6 Severability. If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced under any Law, Order or public policy, all other terms, conditions and provisions of this Agreement shall nevertheless remain in full force and effect. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in an acceptable manner to the end that the transactions contemplated hereby are fulfilled to the fullest extent possible.

14.7 Amendment. Subject to **Section 14.15**, this Agreement may not be amended or modified except by a written instrument, specifically referring to this Agreement and signed by each of the parties hereto.

14.8 Waiver. Neither the failure nor any delay of any party to this Agreement to assert or exercise any right, power, privilege or remedy under this Agreement, any of the other Transaction Documents or otherwise, or to enforce any term or provision hereof or thereof, shall constitute a waiver of such right, power, privilege or remedy, and no single or partial exercise of any such right, power, privilege or remedy shall preclude any other or further exercise of such right, power, privilege or remedy or the exercise of any other right, power, privilege or remedy. The rights, powers, privileges and remedies of the parties to this Agreement are cumulative and not alternative. Any waiver of any right, power, privilege or remedy hereunder or under any of the Transaction Documents shall be valid and binding only if set forth in a written instrument specifically referring to this Agreement and signed by the party or parties giving such waiver,

and shall be effective only in the specific instance and for the specific purpose for which it is given.

14.9 Further Assurances. Each party shall do and perform or cause to be done and performed all further acts and things and shall execute and deliver all further agreements, certificates, instruments and documents as any other party may reasonably request in order to carry out the intent and accomplish the purposes of this Agreement or any of the Transaction Documents and the consummation of the transactions contemplated hereby and thereby. For the avoidance of doubt, Buyer Parties agree that they shall not assert any consent or approval is required by the Buyer Parties or their respective Affiliates in connection with the GM Transaction or the acquisition of the capital stock of Extrade by ABI or one of its Affiliates in connection with the GM Transaction.

14.10 Expenses. The Buyer Parties and Seller Parties shall bear their own respective fees, costs and expenses incurred in connection with this Agreement and the Transaction Documents (including the preparation, negotiation and performance hereof and thereof) and the transactions contemplated hereby and thereby (including fees and disbursements of attorneys, accountants, agents, representatives and financial and other advisors).

14.11 Governing Law. This Agreement shall be governed by, and construed in accordance with, the Laws of the State of Delaware without regard to its conflict of laws principles.

14.12 Submission to Jurisdiction; Service of Process; Waiver of Jury Trial. THIS AGREEMENT SHALL BE DEEMED TO BE MADE IN AND IN ALL RESPECTS SHALL BE INTERPRETED, CONSTRUED AND GOVERNED BY AND IN ACCORDANCE WITH THE LAW OF THE STATE OF DELAWARE WITHOUT REGARD TO THE CONFLICTS OF LAW PRINCIPLES THEREOF TO THE EXTENT THAT SUCH PRINCIPLES WOULD DIRECT A MATTER TO ANOTHER JURISDICTION. The parties hereby irrevocably submit to the personal jurisdiction of the courts of the State of Delaware and the Federal courts of the United States of America located in the State of Delaware solely in respect of the interpretation and enforcement of the provisions of this Agreement, and in respect of the transactions contemplated hereby, and hereby waive, and agree not to assert, as a defense in any action, suit or Proceeding for the interpretation or enforcement hereof, that it is not subject thereto or that such action, suit or Proceeding may not be brought or is not maintainable in said courts or that the venue thereof may not be appropriate or that this Agreement may not be enforced in or by such courts, and the parties hereto irrevocably agree that all claims relating to such action, Proceeding or transactions shall be heard and determined in such a Delaware State or Federal court. The parties hereby consent to and grant any such court jurisdiction over the person of such parties and, to the extent permitted by Law, over the subject matter of such dispute and agree that mailing of process or other papers in connection with any such action or Proceeding in the manner provided in **Section 14.3** or in such other manner as may be permitted by Law shall be valid and sufficient service thereof. The parties further agree that New York state or United States Federal courts sitting in the Borough of Manhattan, City of New York shall have exclusive jurisdiction over any action brought against any financing source under the Financing Commitment in connection with the transactions contemplated under this Agreement.

EACH PARTY ACKNOWLEDGES AND AGREES THAT ANY CONTROVERSY WHICH MAY ARISE UNDER THIS AGREEMENT IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES, AND THEREFORE EACH SUCH PARTY HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT SUCH PARTY MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT, OR THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT, INCLUDING ANY SUCH CLAIM AGAINST THE FINANCING SOURCES UNDER THE FINANCING COMMITMENT. EACH PARTY CERTIFIES AND ACKNOWLEDGES THAT (i) NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER, (ii) EACH PARTY UNDERSTANDS AND HAS CONSIDERED THE IMPLICATIONS OF THIS WAIVER, (iii) EACH PARTY MAKES THIS WAIVER VOLUNTARILY AND (iv) EACH PARTY HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 14.12.

14.13 Specific Performance.

(a) Each of the parties hereto hereby agree that (i) the Importer Interest is a unique property, and (ii) irreparable damage would occur in the event that any provision of this Agreement was not performed in accordance with its specific terms or was otherwise breached, and that monetary Damages or other legal remedies would not be an adequate remedy for any failure to purchase or sell the Importer Interest or consummate the Brewery Transaction or for any such Damages. Accordingly, except as otherwise provided in **Section 12.5** and **Section 12.7**, the parties hereto acknowledge and hereby agree that in the event of any Breach or threatened Breach by ABI, on the one hand, or the Buyer Parties, on the other hand, of any of their respective covenants or obligations set forth in this Agreement, ABI, on the one hand, and the Buyer Parties, on the other hand, shall be entitled, in addition to all other remedies available under Law or equity, to an injunction or injunctions to prevent or restrain Breaches or threatened Breaches of this Agreement by the other (as applicable), and to specifically enforce the terms and provisions of this Agreement to prevent Breaches or threatened Breaches of, or to enforce compliance with, the covenants and obligations of the other (as applicable) under this Agreement, and this right shall include the right of ABI to cause CBI to fully enforce the terms of the Financing Commitment, including by requiring CBI to file one or more lawsuits against the lenders party to the Financing Commitment to fully enforce the obligations of such lenders under the Financing Commitment, as well as the right of CBI to cause ABI to cause the Importer Interest to be transferred to Constellation Beers and CBBH upon satisfaction or waiver of all conditions to Seller Parties' obligation to transfer such Importer Interest to Constellation Beers and CBBH.

(b) Each of ABI, on the one hand, and the Buyer Parties, on the other hand, hereby agrees not to raise any objections to the availability of the equitable remedy of specific performance to prevent or restrain Breaches or threatened Breaches of this Agreement by ABI or the Buyer Parties, as applicable, and to specifically enforce the terms and provisions of this Agreement to prevent Breaches or threatened Breaches of, or to enforce compliance with, the

covenants and obligations of ABI or the Buyer Parties, as applicable, under this Agreement. Any party seeking an injunction or injunctions to prevent Breaches or threatened Breaches of, or to enforce compliance with, the terms and provisions of this Agreement shall not be required to provide any bond or other security in connection with such Order or injunction. Subject to **Section 12.5** and **Section 12.7**, the parties hereto further agree that (x) by seeking the remedies provided for in this **Section 14.13**, a party shall not in any respect waive its right to seek any other form of relief that may be available to a party under this Agreement (including monetary Damages) and (y) nothing set forth in this **Section 14.13** shall require any party hereto to institute any Proceeding for (or limit any party's right to institute any Proceeding for) specific performance under this **Section 14.13** prior or as a condition to exercising any termination right under **Article 11** (and pursuing Damages after such termination), nor shall the commencement of any legal Proceeding pursuant to this **Section 14.13** or anything set forth in this **Section 14.13** restrict or limit any party's right to terminate this Agreement in accordance with the terms of **Article 11** or pursue any other remedies under this Agreement that may be available then or thereafter. For the avoidance of doubt, the Buyer Parties acknowledge and hereby agree that ABI may pursue both a grant of specific performance and the Drag-Along Right, provided that ABI shall not be permitted or entitled to receive both a grant of specific performance and to consummate a Participatory Transaction. Unless the Closing has occurred, ABI's right to specific performance contained in **Section 14.13** and its rights pursuant to the Drag-Along Right in **Section 12.5(b)** shall be its sole and exclusive remedy for any Breach or threatened Breach of this Agreement by the Buyer Parties.

14.14 Obligations of ABI and Seller. Whenever this Agreement requires Seller to take any action, such requirement shall be deemed to include an undertaking on the part of ABI to use reasonable best efforts to cause Seller to take such action (it being understood that ABI shall have no obligation to actually cause Seller to take any action or refrain from taking any action hereunder unless and until the GM Transaction Closing has occurred).

14.15 Adjustments to Transactions. The parties hereto acknowledge that it may become necessary or advisable after the date of this Agreement to adjust or modify the structure of the various transactions described in this Agreement and, subject to **Section 9.1**, agree to cooperate in good faith in order to preserve the economic benefits reasonably expected to be achieved by each of the parties hereto and to consider and, to the extent mutually agreed, effectuate the adjustments or modifications reasonably requested by any other party by amending the terms of this Agreement and/or the other Transaction Documents; **provided that**, subject to **Section 9.1**, no such adjustment or modification shall, in any material respect, adversely affect the rights and obligations of any party under this Agreement or disadvantage any party, or reasonably be expected to prevent or materially delay the consummation of the transactions contemplated by this Agreement, and **further provided that**, subject to **Section 9.1**, ABI shall have the right to amend any term or provision of this Agreement or any other Transaction Document with the consent of the Buyer Parties, which consent shall not be unreasonably withheld or delayed (it being agreed and understood that: (a) it would be unreasonable for the Buyer Parties to withhold, delay or condition their consent if any such amendment is beneficial, or not adverse in any respect, to the rights and obligations of the Buyer Parties hereunder or thereunder; (b) if any of the Seller Parties, Supplier or Marcas Modelo relinquishes any right it may have against the Buyer Parties or the Importer hereunder or under the other Transaction Documents, as applicable, or if the economics of this Agreement or any of the other Transaction

Documents, as applicable, are modified or supplemented to the benefit of the Buyer Parties or the Importer, as applicable, such changes to this Agreement or such other Transaction Document shall be considered as beneficial, and not adverse, to the rights and obligations of the Buyer Parties or the Importer, as applicable, hereunder or under such other Transaction Document; and (c) it would be reasonable for the Buyer Parties to withhold, delay or condition their consent if any such amendment would be materially adverse to the lenders and other Persons providing the Financing). For the avoidance of doubt, if there is any conflict between the terms of this **Section 14.15** and the terms of **Section 9.1**, the terms of **Section 9.1** shall govern.

14.16 Confidentiality. Subject to **Section 14.3(b)**, the terms of the Confidentiality Agreement are incorporated into this Agreement by reference and shall continue in full force and effect until the Closing, at which time the Confidentiality Agreement shall terminate. If, for any reason, the transactions contemplated by this Agreement are not consummated, the Confidentiality Agreement shall nonetheless continue in full force and effect in accordance with its terms.

14.17 References to the Original Purchase Agreement. After giving effect to this Agreement, each reference in the Original Purchase Agreement to “this Agreement”, “hereof”, “hereunder”, “herein” or words of like import referring to the Original Purchase Agreement shall refer to this Agreement.

2.9 (a) Supplier shall notify Crown in advance of any changes to the country of origin or, other than de minimis changes, to the appearance, color, alcohol content, carbonation level or taste profile of a Product (which for avoidance of doubt shall include the Container thereof). No such changes shall be permitted if any such change would be reasonably likely to be adversely perceptible, without the prior written consent of Crown, which consent shall not be unreasonably withheld or delayed. If such consent is provided, then Crown shall have the right to use up any inventory of Product having the former appearance, color, alcohol content, carbonation level or taste profile or country of origin. If any such change effected pursuant to this subsection without the prior written consent of Crown is adversely perceptible, Supplier shall promptly halt such change and resume production of the Product in its prior state. For purposes of **Sections 2.9(a) and (b)**, a change shall be considered to be adversely perceptible if the ordinary average consumer of the Product perceives such change as having a negative effect on the Product.

(b) Supplier shall notify Crown in advance of any changes to the quality or structural integrity of a Container, other than de minimis changes. No such changes shall be permitted if any such change would be reasonably likely to be adversely perceptible or to adversely affect the quality and condition of the Product upon delivery to Crown or to the ultimate consumer, without the prior written consent of Crown, which consent shall not be unreasonably withheld or delayed. If such consent is provided, then Crown shall have the right to use up any inventory of Product packaged in the former Container. If any such change effected pursuant to this subsection without the prior written consent of Crown is adversely perceptible or adversely affects the quality and condition of the Product upon delivery to Crown or to the ultimate consumer, Supplier shall promptly halt such change and resume use of the former Containers.

(c) Supplier shall not discontinue any Product without the prior written consent of Crown, which consent shall not be unreasonably withheld or delayed. Notwithstanding anything to the contrary in the foregoing, Supplier may discontinue a Product upon at least [****] written notice, without consent of Crown, if the Product is not sold in Mexico and the Product had [****] sales of less than [****] Cases (or if such Product is intended to be sold only in limited regions of the Territory because of regulatory restrictions in such region, for example restrictions relating to the alcohol content of Beer or special deposit requirements, had [****] sales of less than [****] Cases) in the Territory for [****] immediately prior to such discontinuance. If a Product is properly discontinued pursuant to this **Section 2.9(c)** by Supplier, then Crown shall have the right to use up any inventory of such discontinued Product.

2.10 Supplier and Crown will cooperate and use commercially reasonable efforts to reduce their mutual costs of production, shipping and handling of the Products, improve timeliness of delivery and freshness of Products delivered to Crown and reduce damage to Products caused during transit from the breweries to Crown.

3.1 As to each Product, other than New Physical Units, the initial price on the Physical Units described in the Price Sheet to be charged by Supplier commencing on the date of this Agreement shall be stated as the "Price" in the Price Sheet for each Physical Unit, less, for each specified Price, \$1.82 per Physical Unit. The initial price for each New Physical Unit shall be the all in transfer price (including [****]) payable by Crown to Extrade II pursuant to the Importer Agreement between such parties for such New Physical Unit as such price is in effect on the date hereof, less \$1.82 per New Physical Unit. Prices for Physical Units shall be hereinafter described as "Prices." Prices shall be subject to the adjustments described below.

3.2 Within [****] of determining the "Final EBITDA Amount" (as defined in the Brewery Purchase Agreement), the existing Price for each Physical Unit shall be increased by \$1.82 per case and decreased by the quotient of the Final 2012 EBITDA Amount (but in no event higher than \$370,000,000) divided by 170,000,000 Cases. The Price Sheet shall then be promptly updated to reflect such adjustment. The revised Price shall be effective on and after the date of such determination, and such revision shall not affect the Price of any Product purchased and sold prior to such determination.

On the [****], the Price for each Product shall be increased or decreased from the Price previously in effect by the CPI Adjustment (including the effect of any adjustment previously effected pursuant to the preceding paragraph).

3.3 (a) Promptly after effecting a shipment of Product to Crown, Supplier shall so notify Crown and provide to Crown an invoice for such shipment. Crown having received such invoice from Supplier shall pay such invoiced price in United States Dollars within [****] days of receipt of such invoice. Crown shall be entitled to a discount of one percent of the Price for Product if (i) payment for such Product is made by Wednesday following the week in which such Product was shipped and (ii) Supplier receives the corresponding payment by wire transfer of immediately available funds to a bank account designated by Supplier. If the Price is not paid on its due date, the unpaid amount shall bear interest from the due date until paid at the rate of 1-1/2% per month or the maximum rate allowed by applicable law, whichever is lower.

(b) During any period in which Crown has not paid the purchase price for any Product delivered and sold hereunder within [****] days of receipt of the invoice thereof, Supplier shall not be obligated to deliver any additional Product hereunder unless Crown has made arrangements satisfactory to Supplier to pay the purchase price for such Product not later than the delivery of such Product to Crown.

(c) At the end of each three-month period following the date hereof, Crown shall make a payment to Supplier, or shall receive a credit against amounts then owing to Supplier, [****] as described on **Exhibit B**.

Crown acknowledges that it is Supplier’s policy to avoid Extended Storage. To the extent permitted by law Crown shall use commercially reasonable efforts to support said policy. Either party may, at its option and sole expense, at any time, cause J.E. Siebel Sons’ Company, Inc. (or any other third-party investigator approved in writing by Supplier and Crown) to examine samples of any quantity of Product (and the corresponding Containers) sold under this Agreement and in the possession of Crown or any retailer or other purchaser for resale, and to advise Crown and Supplier in writing whether the Product so examined is suitable for resale and consumption (hereinafter called “**saleable**”). In the event such Product is so determined not to be saleable (hereinafter called “**unsaleable**”):

1. Crown shall, upon written request from Supplier, be obligated to arrange for the destruction of unsaleable Product and replace the same with saleable Product and may otherwise do so at its option.

2. Supplier shall bear the cost of any such destruction and cost of replacement of such Product at laid-in cost to Crown, to the extent such Product is unsaleable due to a breach of Supplier’s warranty in **Section 4.1(a)**.

3. In the event Supplier requests such destruction and the Product is not unsaleable due to a breach of Supplier’s warranty in **Section 4.1(a)**, then Crown shall bear the cost of such destruction and replacement.

4.2 In the event Product or a Container is damaged in transit after same is delivered FOB the Designated Brewery for a period up to one hundred eighty (180) days from the date of final Production, whether prior to or after the time same leaves Mexico, Crown shall so inform Supplier and shall cooperate with Supplier as to (1) whether the corresponding Product or Container should be destroyed because the damage has rendered the Product or Container unsaleable, and, if so, (2) the time, place and manner of such destruction, provided that

Supplier shall indemnify Crown for any losses, costs or expenses incurred by Crown relating to any such destruction not covered by insurance.

4.3 If Crown destroys any Product pursuant to **Section 4.1** or **4.2**, an authorized officer of Crown shall execute and deliver to Supplier a certificate in the form of **Exhibit A** certifying as to such destruction, and Supplier shall cooperate with Crown to accomplish any such destruction but, except as otherwise provided in **Section 4.1(b)**, Crown shall be responsible for all costs of such destruction. In addition, any insurance policy of Crown covering Product shall require the insurer issuing such policy not to take any action inconsistent with the terms of **Sections 4.1** and **4.2**. Upon obtaining any such insurance policy, Crown shall promptly furnish Supplier with a copy of the same.

5.3 Supplier may at its own expense, upon reasonable advance notice to Crown, through accountants or other representatives designated by Supplier for such purposes, enter during normal business hours any storage facility or business office owned or controlled by Crown and examine such facilities, inventories and that portion of the books and records of Crown needed to determine the accuracy of any report delivered under, or compliance by Crown with, this Agreement. Crown may at its own expense, upon reasonable advance notice to Supplier, through accountants or other representatives designated by Crown for such purposes, enter during normal business hours any storage or production facility or business office owned or controlled by Supplier and examine such facilities, inventories and that portion of the books and records of Supplier needed to determine compliance by Supplier with this Agreement; provided that any such access on behalf of Supplier or Crown to confidential information, data and work papers shall be provided solely to such accounting firm on a clean room basis and such accounting firm shall not have the right to provide any such confidential information, or any summaries thereof, to Crown or Supplier, as the case may be, or any of its Affiliates.

5.4 (a) Unless otherwise agreed to in writing by Crown, Supplier agrees (and Supplier agrees to cause its Affiliates) (a) to keep confidential all Confidential Information of Crown and not to disclose or reveal any of such Confidential Information to any Person other than (i) those directors, officers, employees, stockholders, legal counsel, accountants, and other agents of Supplier or its Affiliates who are actively and directly participating in the performance of the obligations and exercise of the rights of Supplier under this Agreement, and (b) not to use Confidential Information of Crown for any purpose other than in connection with the performance of the obligations and exercise and enforcement of the rights of Supplier hereunder. The obligation to maintain confidentiality of and restrictions on the use of Confidential Information hereunder, shall include with respect to any Confidential Information obtained by Supplier and its Affiliates prior to the date hereof.

(b) If Supplier is required by law, court order or government order or regulation to disclose Confidential Information, Supplier shall provide notice thereof to Crown and, after consultation with Crown and, at the sole cost and expense of Crown, reasonably cooperating with Crown to object to or limit such disclosure, shall be permitted to disclose only that Confidential Information so required to be disclosed.

5.5 Unless otherwise agreed to in writing by Supplier, Crown agrees (and Crown agrees to cause its Affiliates) (a) to keep confidential all Confidential Information of Supplier and the Modelo Group and not to disclose or reveal any of such Confidential Information to any Person other than (i) those directors, officers, employees, stockholders, legal counsel, accountants, and other agents of Crown or its Affiliates who are actively and directly participating in the performance of the obligations and exercise of the rights of Crown under this Agreement, and (b) not to use Confidential Information of Supplier and the Modelo Group for any purpose other than in connection with the performance of the obligations and exercise and enforcement of the rights of Crown hereunder. The obligation to maintain confidentiality

of and restrictions on the use of Confidential Information hereunder, shall include with respect to any Confidential Information obtained by Crown prior to the date hereof.

If Crown is required by law, court order or government order or regulation to disclose Confidential Information, Crown shall provide notice thereof to Supplier and, after consultation with Supplier and, at the sole cost and expense of Supplier, reasonably cooperating with Supplier to object to or limit such disclosure, shall be permitted to disclose only that Confidential Information so required to be disclosed.

5.6 The parties agree that the confidential information of Crown relating to pricing or sales is competitively sensitive, and Supplier shall establish, implement and maintain procedures and take such other steps that are reasonably necessary to prevent any disclosure of such information to its employees and those of its Affiliates who have direct responsibility for marketing, distributing or selling Beer (other than the Products) in the United States.

ARTICLE VI COMPLIANCE WITH LAWS

6.1 During the term of this Agreement, Crown shall obtain and maintain in good standing, or otherwise have valid access to, all U.S. (federal and state) licenses required for the performance of this Agreement by Crown, including without limitation all licenses required for the importation or sale of Product in the Territory ("**Requisite Licenses**"). Within thirty (30) days after the amendment, loss or new issuance of any Requisite License (other than ordinary course annual or other renewals or amendments), Crown shall deliver to Supplier written notice thereof.

6.2 Crown agrees (a) to comply with all laws applicable to the selling of Product, including, without limitation, those relating to labels and identifying marks on Containers, and to comply with the Foreign Corrupt Practices Act and similar laws applicable to Crown or the Import Business and (b) not to commit any act that will subject Supplier to any civil, criminal, or other liability. Crown agrees to indemnify and hold Supplier harmless with respect to any breach by Crown of the preceding sentence.

6.3 As regards laws relating to labels or other identifying marks on Containers supplied by Supplier, Crown shall be deemed to have fully satisfied Crown's obligations if, within a reasonable period prior to Supplier's shipment of Product identified by any new form of label or mark, Crown obtains approval of the labels or marks to be used on such Container and advises Supplier fully and correctly in writing of all requirements of corresponding law. After receipt from Crown of such written advice, Supplier shall be responsible for the labeling and marking of Containers in conformity with such advice.

6.4 As and when requested by Crown, Supplier shall use its commercially reasonable efforts to sign and deliver to Crown such documents as Crown requires for filing with governmental authorities to comply with laws applicable to the importation or sale of Product.

6.5 Supplier and Crown agree that the federal and state laws governing the rights and obligations of brewers or suppliers of Beer and their wholesalers shall not apply as between themselves in connection with the transactions described herein.

ARTICLE VII INDEMNIFICATION AND INSURANCE

7.1 Crown agrees to indemnify and hold harmless Supplier from and against any and all claims, losses, liabilities, costs and expenses (including reasonable fees and disbursements of attorneys) arising out of any resale of any damaged or unsaleable Product by Crown. Supplier agrees to indemnify and hold harmless Crown from and against, any and all claims, losses, liabilities costs and expenses (including reasonable fees and disbursements of attorneys) arising (a) out of any failure to label and mark Containers supplied by Supplier in conformity with law or (b) out of any actual or alleged defect in the manufacture of Product or Containers supplied by Supplier, including but not limited to those based on or resulting from damages actually or allegedly caused to persons or the property of third parties by reason of any such failure or defect. The provisions of this **Section 7.1** shall survive the expiration or other termination of this Agreement with respect to any claim, loss, liability, cost or expense, whenever incurred or asserted, arising out of any act, omission or condition that preceded such expiration or termination.

7.2 Crown represents to Supplier that (a) Crown shall maintain at all times during the term of this Agreement with a reputable insurance company domiciled in the United States of America a multiperil policy covering (subject to customary deductibles) liability to third parties for personal injury in such amounts (both aggregate and per occurrence) as may be customary in the Beer industry in the United States of America, but not less than \$10,000,000.00, and for property damage in such amounts (both aggregate and per occurrence) as may be customary in the Beer industry in the United States of America, but not less than \$10,000,000.00, arising from the importation and sale of Product under this Agreement, together with excess liability insurance, in umbrella form, with limits of at least \$5,000,000 for each occurrence with no aggregate limit, and (b) Crown will maintain such policy naming Supplier as an additionally insured party (or a replacement insurance policy providing no less coverage which is obtained from a reputable insurance company domiciled in the United States of America) in effect so long as this Agreement remains in force.

7.3 Supplier represents to Crown (a) that Supplier shall maintain at all times during the term of this Agreement with a reputable insurance company similar insurance covering (subject to customary deductibles) liability to third parties for personal injury in such amounts (both aggregate and per occurrence) as may be customary in the Beer industry in Mexico, but not less than \$10,000,000.00, and for property damage in such amounts (both aggregate and per occurrence) as may be customary in the Beer industry in Mexico, but not less than \$10,000,000.00, arising from the importation and sale of Product under this Agreement, together with excess liability insurance, in umbrella form, with limits of at least \$5,000,000 for each occurrence with no aggregate limit, and (b) that Supplier will maintain such policy naming Crown as an additionally insured party (or a replacement insurance policy providing no lesser coverage which is obtained from a reputable insurance company) in effect so long as this Agreement remains in force.

7.4 With respect to the insurance described in **Sections 7.2 and 7.3**, (a) each party shall pay all costs and expenses of the insurance it carries, and (b) each party shall promptly deliver to the other, at the request of the other, a copy of the insurance policies and other documentation evidencing compliance with such party's obligations to maintain such insurance.

ARTICLE VIII TERM; TERMINATION

8.1 (a) Except as provided below, the term of this Agreement shall commence on the date hereof and shall terminate on the third anniversary hereof. For the avoidance of doubt, any extensions provided below are subject to the approval by the DOJ pursuant to the Final Judgment.

(b) If Crown and its Affiliates have not completed the Brewery Expansion Plan on or prior to the third anniversary hereof, Crown may provide written notice to Supplier not later than one hundred twenty (120) days prior to such date stating that despite the reasonable efforts of Crown and its Affiliates to complete such Brewery Expansion Plan, which statement shall not be subject to review or challenge by Supplier, continuing supply of Product is required, the terms and provisions of this Agreement shall continue for an additional year, or such lesser period as Crown may set forth in the notice. Prior to the DOJ's decision to approve or deny any extension as described in **Section 8.1(a)**, Supplier shall conduct itself as if the extension set forth in any such notice from Crown will be permitted by the DOJ.

(c) If Crown and its Affiliates have not completed the Brewery Expansion Plan on or prior to the end of any additional term implemented pursuant to **Section 8.1(b)**, Crown may provide written notice to Supplier not later than one hundred twenty (120) days prior to the end of such additional term stating that despite the reasonable efforts of Crown and its Affiliates to complete such Brewery Expansion Plan, which statement shall not be subject to review or challenge by Supplier, continuing supply of Product is required, the terms and provisions of this Agreement shall continue for an additional year, or such lesser period as Crown may set forth in the notice. Prior to the DOJ's decision to approve or deny any extension as described in **Section 8.1(a)**, the Supplier shall conduct itself as if the extension set forth in any such notice from Crown will be permitted by the DOJ.

(d) Under no circumstances shall the term of this Agreement exceed five (5) years.

8.2 Supplier may terminate this Agreement upon written notice to Crown following a Change of Control. Any such termination shall become effective on the sixtieth (60th) day after delivery of such notice to Crown.

8.3 Upon expiration of this Agreement, the obligations of the parties to supply and purchase Products shall terminate, but all rights and obligations accrued or relating to periods prior to the date of expiration shall continue and remain in full force and effect.

ARTICLE IX GOVERNING LAW

This Agreement shall be governed by and construed in accordance with the laws of the State of New York, without reference to its principles of conflicts of laws that would require application of the substantive laws of any other jurisdiction. Crown and Supplier agree that the International Convention on the Sale of Goods shall not apply to this Agreement. Crown and Supplier irrevocably consent to the exclusive personal jurisdiction and venue of the courts of the State of New York or the federal courts of the United States, in each case sitting in New York County, in connection with any action or proceeding arising out of or relating to this Agreement. Crown and Supplier hereby irrevocably waive, to the fullest extent permitted by law, any objection that it may now or hereafter have to the laying of the venue of such action or proceeding brought in such a court and any claim that any such action or proceeding brought in such court has been brought in an inconvenient forum. Crown and Supplier irrevocably consent to the service of process with respect to any such action or proceeding in the manner provided for the giving of notices under **Section 10.4**, provided, the foregoing shall not affect the right of either Crown or Supplier to serve process in any other manner permitted by law. Crown and Supplier hereby agree that a final judgment in any suit, action or proceeding shall be conclusive and may be enforced in any jurisdiction by suit on the judgment or in any manner provided by applicable law.

ARTICLE X MISCELLANEOUS

10.1 Neither party may assign any right under this Agreement without the prior written consent of the other party, provided that (i) Crown may assign this Agreement and its rights and obligations hereunder to any (A) Subsidiary of Constellation who agrees in writing to be bound by all terms and conditions of this Agreement and in that event such assignee shall be deemed to be Crown for all purposes of this Agreement, or (B) Person to whom Constellation Beers Ltd. assigns the Sub-License Agreement; provided, however, for any other assignment by Crown hereunder (other than to a Prohibited Owner) the prior written consent of Supplier shall not unreasonably be withheld; (ii) Supplier may assign this Agreement and its rights and obligations hereunder to any Subsidiary of ABI and in that event such assignee shall be deemed to be Supplier for all purposes of this Agreement; and (iii) Supplier may assign to one or more Subsidiaries of Grupo Modelo owning a Designated Brewery the rights and obligations hereunder to sell, supply and receive payment for the Product to Crown produced by the respective Designated Brewery, and in that event any such assignee in performing or enforcing such rights and obligations shall be deemed to be Supplier for purposes of this Agreement. Any purported assignment not in strict compliance with the preceding sentence shall be null and void and of no force and effect. Subject to the foregoing, this Agreement shall be binding upon and shall inure to the benefit of the parties and their respective successors and assigns.

10.2 The captions used in this Agreement are for convenience of reference only and shall not affect any obligation under this Agreement.

10.3 This Agreement may be executed in counterparts, each of which when so executed and delivered shall be deemed an original, and such counterparts, taken together, shall constitute one and the same instrument. Signatures sent by facsimile shall constitute and be binding to the same extent as originals. This Agreement may not be amended except by an instrument in writing signed by both parties.

10.4 Any notice, claims, requests, demands, or other communications required or permitted to be given hereunder shall be in writing and will be duly given if: (a) personally delivered, (b) sent by facsimile or (c) sent by Federal Express or other reputable overnight courier (for next Business Day delivery), shipping prepaid as follows:

10.6 To the extent that any provision of this Agreement is invalid or unenforceable in the Territory or any state or other area of the Territory, this Agreement is hereby deemed modified to the extent necessary to make it valid and enforceable within such state or area, and the parties shall promptly agree in writing on the text of such modification.

10.7 The parties acknowledge that a breach or threatened breach by them of any provision of this Agreement will result in the other entity suffering irreparable harm which cannot be calculated or fully or adequately compensated by recovery of damages alone. Accordingly, the parties agree that any party may, in its discretion (and without limiting any other available remedies), apply to any court of law or equity of competent jurisdiction for specific performance and injunctive relief (without necessity of posting a bond or undertaking in connection therewith) in order to enforce or prevent any violations of this Agreement, and any party against whom such proceeding is brought hereby waives the claim or defense that such party has an adequate remedy at law and agrees not to raise the defense that the other party has an adequate remedy at law. The failure of either party at any time to require performance of any provision of this Agreement shall in no manner affect such party's right to enforce such provision at any later time. No waiver by any party of any provision, or the breach of any provision, contained in this Agreement shall be deemed to be a further or continuing waiver of such or any similar provision or breach.

10.8 This Agreement is binding upon and shall inure to the benefit of the parties hereto and their successors and permitted assigns. Nothing in this Agreement shall give any

other Person any legal or equitable right, remedy or claim under or with respect to this Agreement or the transactions contemplated hereby.

U.S. v. Anheuser-Busch InBev SA/NV, et al., No. 13-00127-RWR

Dear Mary:

At the request of the Antitrust Division of the United States Department of Justice, Grupo Modelo, S.A.B. de C.V. ("Grupo Modelo"), in connection with the above-captioned action, hereby represents as follows:

- **Future Expansion.** Grupo Modelo is not aware at this time of any material impediment (physical, legal, regulatory or otherwise) to the expansion of the Piedras Negras plant to operate at a nominal capacity of thirty million (30,000,000) hectoliters of beer per annum (assuming that sufficient capital expenditures shall have been made and necessary permits shall have been sought).
- **Proprietary Inputs.** With the exception of yeast and recipes, there are no proprietary inputs required to operate the Piedras Negras plant.
- **Sufficiency.** Grupo Modelo is not aware at this time of any additional assets beyond the Divestiture Assets (as that term is defined in the proposed Final Judgment) that would need to be transferred to Constellation Brands, Inc. ("Constellation") in order to operate the Piedras Negras plant.

The Divestiture Assets include all of the assets, properties and rights owned by Grupo Modelo that Constellation would need to obtain from Grupo Modelo in order to import, distribute, market and sell the Modelo Beer Brands (as that term is defined in the proposed Final Judgment) in the U.S. through Crown Imports LLC. This representation will be effective until the Monitoring Trustee's services shall have been terminated pursuant to Section IIX.I. of the proposed Final Judgment.
