AGENCY: Bureau of Ocean Energy Management (BOEM), Interior.

ACTION: Notice of Availability of OCS Provisional OPDs.

SUMMARY: Notice is hereby given that effective with this publication two NAD 83-based OCS Provisional OPDs that represent the Island of Oahu and surrounding Federal waters are now available. BOEM, in accordance with its authority and responsibility under Title 43, Code of Federal Regulations, has created provisional versions of the basic record used for the description of renewable energy, mineral, and oil and gas lease sales in the geographic areas they represent. These provisional OPDs represent the approximate locations of the Submerged Lands Act (3 nautical mile), Limit of “8(g) Zone” (6 nautical mile), and National Marine Sanctuary boundaries. The provisional OPDs are for informational purposes only and will be superseded by official versions.
