Abstract: The Investing in Innovation (i3) Fund was established under section 14007 of the American Recovery and Reinvestment Act of 2009 (ARRA). Since this is a competitive program, the Department needs to collect applications in order to determine which eligible applicants should receive a grant award. The Department will make three types of awards under this program: Scale-up Grants, Validation Grants, and Development Grants. These grants will provide funding to support local educational agencies (LEAs), and nonprofit organizations in partnership with one or more LEAs or a consortium of schools to apply for funding to expand and develop innovative practices that can serve as models of best practices; allow eligible entities to work in partnership with the private sector and the philanthropic community; and identify and document best practices that can be shared and taken to scale based on demonstrated success.
