The draw opens on signal if at least one hour notice is given as required by 33 CFR 117.149. Navigation on the waterway is recreational.

The drawspan will be secured in the closed-to-navigation position 6 a.m. to 11:30 a.m. on August 4, 2013, to allow runners to participate in the Giant Race event. This temporary deviation has been coordinated with the waterway users. No objections to the proposed temporary deviation were

raised. The drawspan can be operated upon one hour advance notice for emergencies requiring the passage of waterway traffic.

No alternative route is available for mariners. Vessels that can transit the bridge, while in the closed-to-navigation position, may continue to do so at any time.

In accordance with 33 CFR 117.35(e), the drawbridge must return to its regular operating schedule immediately at the end of the effective period of this temporary deviation. This deviation from the operating regulations is authorized under 33 CFR 117.35.
