General Description of Collection: Section 28 of the FDI Act (12 U.S.C. 1831e) imposes restrictions on the powers of savings associations, which reduce the risk of loss to the deposit insurance funds and eliminate some differences between the powers of state associations and those of federal associations. Some of the restrictions apply to all insured savings associations and some to state chartered associations only. The statute exempts some federal savings banks and associations from the restrictions, and provides for the FDIC to grant exemptions to other associations under certain circumstances. In addition, Section 18(m) of the FDI Act (12 U.S.C. 1828(m)) requires that notice be given to the FDIC prior

to an insured savings association (state or federal) acquiring, establishing, or conducting new activities through a subsidiary.
