**SUPPLEMENTARY INFORMATION:**

**Background**

The Secretarial Commission on Indian Trust Administration and Reform was established under Secretarial Order No. 3292, dated December 8, 2009. The Commission plays a key role in the Department's ongoing efforts to empower Indian nations and strengthen nation-to-nation relationships.

The Commission will complete a comprehensive evaluation of the Department's management and administration of the trust assets within a two-year period and offer recommendations to the Secretary of the Interior of how to improve in the future. The Commission will:

- (1) Conduct a comprehensive evaluation of the Department's management and administration of the trust administration system;
- (2) Review the Department's provision of services to trust beneficiaries;
- (3) Review input from the public, interested parties, and trust beneficiaries which should involve conducting a number of regional listening sessions;
- (4) Consider the nature and scope of necessary audits of the Department's trust administration system;

(5) Recommend options to the Secretary to improve the Department's management and administration of the trust administration system based on information obtained from these Commission's activities, including whether any legislative or regulatory changes are necessary to permanently implement such improvements; and

(6) Consider the provisions of the American Indian Trust Fund Management Reform Act of 1994 providing for the termination of the Office of the Special Trustee for American Indians, and make recommendations to the Secretary regarding any such termination.

### **Comprehensive Evaluation**

The Commission's purpose is to provide a thorough evaluation of the existing Indian trust management and Trust Administration System to support a reasoned and factually based set of options for potential management improvements. Grant Thornton LLP in partnership with Cherokee Services Group has been awarded a contract to perform a comprehensive evaluation of the Department's management of the Trust Administration System in support of the Commission's efforts.

The management consultant will be attending the upcoming Indian Trust Commission's meeting in Anchorage and will be available to speak with if you wish to provide input and recommendations. The Commission encourages individuals to take the opportunity to provide Grant Thornton with your perspective on how the trust administration system currently operates.
