**SUPPLEMENTARY INFORMATION:** The Roswell Field Office (Field Office) has proposed an expanded amenity fee schedule for services at the Rob Jagers Camping Area located at the Fort Stanton/Snowy River National Conservation Area. The REA requires that an expanded amenity fee be considered by a Recreation Resource Advisory Council (RAC). The Roswell Field Office has complied with the REA by presenting the Business Plan to the Pecos District RAC for consideration. The final Business Plan decision process will be made after the six month public comment period. Section 3(g) of REA provides for levy of an “expanded amenity recreation fee” at developed campgrounds characterized by nine standards of available facilities. Having all nine required amenities, the Rob Jagers Camping Area meets the Congressional criteria for an expanded amenity fee site. While overnight camping would remain free of charge, the use of the amenities at the campground would be available for an expanded amenity fee. The proposed fees are for electric hookup, water hookup, reservation of the group shelter for exclusive use, and use of the dump station. The collected fees would be used for onsite maintenance, improvements, and incidental expenses associated with the volunteer

program, such as meals and transportation to and from the worksite. Possible improvements include additional water and electrical stations, fire rings, picnic tables, restrooms, cook grills, and equestrian facilities. The amenity fees are scheduled to be implemented after the December 15, 2013, deadline for public comment.
