Please note that comments submitted in response to this Notice are public record. Before including any detailed personal information, you should be aware that your comments as submitted, including your personal information, will be available for public review.

Abstract of proposed collection:

Under 22 United States Code (U.S.C.) Section 211a et seq. and Executive Order 11295 (August 5, 1966), the Secretary of State has authority to issue U.S. passports to U.S. citizens and non-citizen nationals. When the bearer of a valid U.S. passport applies for the addition of visa pages to that passport, the Department must confirm the applicant's identity and eligibility to receive passport services before the Department can return the passport to the applicant with additional visa pages. Form DS-4085 requests information that is necessary to determine whether the applicant is eligible to receive passport services in accordance with the requirements of Title III of the Immigration and Nationality Act (INA) (U.S.C. sections 1402-1504), the regulations at 22 C.F.R. Parts 50 and 51, and other applicable authorities.

Methodology:

Passport Services collects information from U.S. citizens and non-citizen nationals when they complete and submit the Application for Additional Visa Pages or Miscellaneous Passport Services. Passport applicants can either download the DS-4085 from the internet or obtain one from an Acceptance Facility/Passport Agency. The form must be completed, signed, and submitted along with the applicant's valid U.S. passport.

The Department estimates that these changes will not result in an increase in the current burden time of 20 minutes.
