The information collected will be used to ensure that only legitimate small businesses reap the benefits of the Commission's designated entity program. Further, this information will assist the Commission in preventing companies from circumventing the objectives of

the designated entity eligibility rules by allowing us to review: 1) the FCC 609-T applications seeking approval for "reportable eligibility events" and 2) the FCC Form 611-T annual reports to ensure that licensees receiving designated entity benefits are in compliance with the Commission's policies and rules.
