SUPPLEMENTARY INFORMATION: USAJOBS is the Federal Government’s centralized source for most Federal jobs and employment information, including both positions that are required by law to be posted at that location and positions that can be posted there at an agency’s discretion. The Applicant Profile and Resume Builder are two components of the USAJOBS application system. USAJOBS reflects the minimal critical elements collected across the Federal Government to assess an applicant’s qualifications for Federal jobs under the authority of sections 1104, 1302, 3301, 3304, 3320, 3361, 3393, and 3394 of title 5, United States Code. This revision proposes to:

a) Acknowledge the newest revision to the USAJOBS 3.0 system as USAJOBS.

b) Make changes to the USAJOBS Applicant Profile to make the section more concise and easier for the applicant to understand and complete. Changes to the Applicant Profile include adding a new question on willingness to relocate. New fields will be added for telephone extensions and name prefixes and suffixes. The “Current Goal” field will be
removed. In addition we will add and edit help language and make text, format and User Interface changes that will make the pages easier for applicants to navigate.

c) Make changes to the USAJOBS Resume Builder that will improve navigation, make the builder both concise and easier for the applicant to complete. Changes include adding check boxes that read, “I do not wish to provide work experience,” “I do not wish to provide education,” and “References available upon request.” We will also make text and user interface changes throughout the resume builder to make the pages easier for the applicant to navigate, understand, and complete. Pursuant to a separate submission, we recently modified the “Do you claim veterans’ preference” field to include a new option for 0-point Sole Survivorship Preference, to replace “wife” with spouse in the option for derived preference, and to add mother to the option for derived preference. In addition, we modified the Document Upload section to instruct current service members how to claim veterans’ preference under the VOW (Veterans Opportunity to Work) to Hire Heroes Act of 2011.
