Please note that comments submitted in response to this Notice are public record. Before including any detailed personal information, you should be aware that your comments as submitted, including your personal information, will be available for public review.

*Abstract of proposed collection:*

The information collected on the DS-82 is used to facilitate the issuance of passports to U.S. citizens and nationals. The primary purpose of soliciting the information is to establish citizenship, identity, and entitlement to the issuance of the U.S. passport or related service, and to properly administer and enforce the laws pertaining to the issuance thereof.

The DS-82 solicits data necessary for Passport Services to issue a United States passport (book and/or card format) in the exercise of authorities granted to the Secretary of State in 22 United States Code (U.S.C.) Section 211a et seq. and Executive Order (EO) 11295 (August 5, 1966) for the issuance of passports to U.S. nationals.

The issuance of U.S. passports requires the determination of identity, nationality, and entitlement, with reference to the provisions of Title III of the Immigration and Nationality Act (INA) (8 U.S.C. sections 1401-1504), the 14<sup>th</sup> Amendment to the Constitution of the United States, other applicable treaties and laws and implementing regulations at 22 C.F.R. Part 50 and 51. The specific regulations pertaining to the Application for a U.S. Passport by Mail are at 22 C.F.R. 51.20 and 51.21.

*Methodology:*

Passport Services collects information from U.S. citizens and non-citizen nationals who complete and submit the Application for a U.S. Passport by Mail. Passport applicants can either download the DS-82 from the internet or obtain one from an Acceptance Facility/Passport Agency. The form must be completed, signed, and submitted along with the applicant's previous U.S. passport.

U.S. citizens overseas may download the DS-82 from the Internet or obtain one from the nearest U.S. Embassy or Consulate. As noted on the form, U.S. citizens overseas (except

Canada) must apply for their passport at the nearest U.S. Embassy or Consulate in accordance with instructions on the Embassy/Consulate website.

The Department estimates that these changes will not result in an increase in the current burden time of 40 minutes.
