SUPPLEMENTARY INFORMATION: Notice of this meeting is given under the Federal Advisory Committee Act, 5 U.S.C. App. (Pub. L. 92-463).

Purpose of the Board

The purpose of the Board is to review annually the programs of the National Fire Academy (NFA) and advise the

Administrator of the Federal Emergency Management Agency (FEMA), through the United States Fire Administrator, of the operation of the NFA and any improvements therein that the Board deems appropriate. In carrying out its responsibilities, the Board examines NFA programs to determine whether these programs further the basic missions that are approved by the Administrator of FEMA, examines the physical plant of the NFA to determine the adequacy of the NFA's facilities, and examines the funding levels for NFA programs. The Board submits an annual report through the United States Fire Administrator to the Administrator of FEMA, in writing. The report provides detailed comments and recommendations regarding the operation of the NFA.

Agenda

On the first day of the meeting, the Board will swear in new members, select a Chairperson and Vice Chairperson for Fiscal Year 2014, and review and approve the minutes of the May 15, 2013, teleconference meeting.

The Board will then review and give feedback on NFA program activities, including: NFA Online, the NFA's web-based learning platform for distance learning courses; NFA's mediated course deliveries, which provide NFA training through an instructor facilitated web-based learning environment; NFA's course material download for

the Regions and States, which enables direct access to NFA course materials through a web-based interface; NFA's Bring-Your-Own-Device initiative, which allows students to download the student manual to their own personal electronic devices and eliminates the use of paper-based student materials; NFA's curriculum for emergency medical services; and NFA's curriculum Enterprise Shared Workspace, a database system developed to capture and track course development and revision activities. The Board will also review and give feedback on NFA's status of course development at the end of FY 2013; NFA's curriculum development plan for the FY 2014 curriculum; and NFA's Smart Practices/Lessons Learned Report to Congress, which provides Congress with a snapshot of the lessons learned and best practices that have been incorporated into the NFA's curriculum and program areas.

The Board will discuss the Professional Development Subcommittee activities, including the Professional Development Symposium that will bring national training and education audiences together for their annual conference and support initiatives, the Fire and Emergency Services Higher Education (FESHE)/Professional Development Subcommittee restructuring, and the FESHE Recognition Update that will include a list of the colleges and

universities that have been approved and that have adopted the FESHE curriculum.

On the second day, the Board will receive updates on U.S. Fire Administration data, research, and response support initiatives, and discuss deferred maintenance and capital improvements on the National Emergency Training Center (NETC) campus and FY 2014 Budget Request/Budget Planning. The Board will also engage in an annual report working session.

Dated: September 20, 2013
