SUPPLEMENTARY INFORMATION:

Background: The Secretary of Commerce established the RE&EEAC pursuant to his discretionary authority and in accordance with the Federal Advisory Committee Act (5 U.S.C. App.) on July 14, 2010. The RE&EEAC was re-chartered on June 18, 2012. The RE&EEAC provides the Secretary of Commerce with consensus advice from the private sector on the development and administration of programs and policies to enhance the international competitiveness of the U.S. renewable energy and energy efficiency industries.

The December 3, 2013 meeting of the RE&EEAC will consist of presentations from four subcommittees – finance, U.S. competitiveness, trade policy, and trade promotion – on each subcommittee’s work thus far, particularly a presentation on potential recommendations. The full Committee will review the work of each subcommittee and develop a plan for finalizing initial recommendations to be presented to the Department of Commerce at a later date.

A limited amount of time, from 3:00 p.m. – 3:30 p.m., will be available for pertinent brief oral comments from members of the public attending the meeting. To accommodate as many speakers as possible, the time for public comments will be limited to five minutes per person. Individuals wishing to reserve speaking time during the meeting must contact Mr. Mulholland and submit a brief statement of the general nature of the comments, as well as the name and address of the proposed participant by 5:00 p.m. EST on Wednesday, November 27, 2013. If the number of registrants requesting to make statements is greater than can be reasonably

accommodated during the meeting, the International Trade Administration may conduct a lottery to determine the speakers. Speakers are requested to bring at least 20 copies of their oral comments for distribution to the participants and public at the meeting.

Any member of the public may submit pertinent written comments concerning the RE&EEAC's affairs at any time before or after the meeting. Comments may be submitted to the Renewable Energy and Energy Efficiency Advisory Committee, c/o: Ryan Mulholland, Office of Energy and Environmental Industries, U.S. Department of Commerce, Mail Stop: 4053, 1401 Constitution Avenue, N.W., Washington, DC 20230. To be considered during the meeting, written comments must be received no later than 5:00 p.m. EST on Wednesday, November 27, 2013, to ensure transmission to the Committee prior to the meeting. Comments received after that date will be distributed to the members but may not be considered at the meeting.

Copies of RE&EEAC meeting minutes will be available within 30 days of the meeting.
