Post-Technical Conference Comments

As announced in the Notice of Technical Conference issued on October 25, 2013,
and as required in the Commission's October 16, 2013 order, Commission staff convened
a technical conference in this proceeding on November 19, 2013, at the Federal Energy
Regulatory Commission, 888 First Street, NE, Washington, DC, Hearing Room 6.[1]  In
the course of the discussion therein, Midcontinent Independent System Operator, Inc.

comments, and that parties who choose to file post-technical conference comments or
reply comments take these potential Tariff revisions into account, and respond to them as
appropriate, in the course of formulating their written submissions.

Parties wishing to file comments on the matters discussed at the technical
conference, and wishing to reply to comments filed by others, should do so on the
following schedule:

Comments:                     Due on or before December 3, 2013

Reply Comments:               Due on or before December 13, 2013
