SUPPLEMENTARY INFORMATION:

Background

Temporary regulations in this issue of the **Federal Register** amend the Income Tax Regulations (26 CFR part 1) relating to sections 871, 1441, 1461, 6041, 6042, 6045, and 6049 of the Internal Revenue Code (Code), the Employment Tax Regulations (26 CFR part 31) under section 3406 of the Code, and the Procedure and Administration Regulations (26 CFR part 301) under section 6402 of the Code. The temporary regulations set forth rules relating to the coordination of withholding and reporting requirements under chapter 4 of the Code with withholding and reporting requirements under chapter 3, reporting requirements under chapter 61, and backup withholding requirements under section 3406. The temporary regulations also provide

guidance regarding claims for credit or refund of chapter 4 withholding under §301.6402-3(e). The temporary regulations also amend §1.871-14 to reflect certain changes to the procedures for interest to qualify as portfolio interest. The text of the temporary regulations also serves as the text of these proposed regulations. The preamble to the temporary regulations explains the temporary regulations and these proposed regulations.

Special Analyses

It has been determined that this notice of proposed rulemaking is not a significant regulatory action as defined in Executive Order 12866, as supplemented by Executive Order 13653. Therefore, a regulatory assessment is not required. It has also been determined that section 553(b) of the Administrative Procedure Act (5 U.S.C. chapter 5) does not apply to these regulations.

It is hereby certified that the collection of information in this notice of proposed rulemaking will not have a significant economic impact on a substantial number of small entities within the meaning of section 601(6) of the Regulatory Flexibility Act (5 U.S.C. chapter 6)

The domestic small business entities that are subject to the collections of information in this notice of proposed rulemaking are those domestic business entities that are payors of certain U.S. source income to foreign persons. These domestic small business entities are subject to comprehensive rules under chapter 3 to identify the proper treatment of payee for purposes of that chapter's information reporting and tax withholding purposes. The domestic small business entities subject to the collections of information in this notice of proposed rulemaking are also subject to comprehensive

information reporting and tax withholding rules under chapters 4 and 61 with respect to payments of certain U.S. source income subject to information reporting and tax reporting under chapter 3. These payors are also subject to information and reporting rules under section 3406.

Payors of payments that are subject to the information reporting and withholding regimes under chapters 3, 4, and 61, and section 3406 play an important role in U.S. tax compliance by providing information about payments made to, and income earned by, U.S. and foreign taxpayers. This notice of proposed rulemaking coordinates the information collection and reporting requirements of chapters 3 and 61 and section 3406 applicable to domestic small business entities that are payors of certain U.S. source income with the information collection and reporting requirements of chapter 4 that are applicable to those same domestic small business entities. This notice of proposed rulemaking establishes a more integrated set of information reporting and tax withholding rules applicable to a domestic small business entity making a payment of U.S. source income that is otherwise the case.

The integrated set of information reporting and withholding rules set out in this notice of proposed rulemaking that will apply to domestic small business entities paying U.S. source income to foreign persons reduce burdens otherwise placed on these entities, including removing duplicative reporting obligations that would otherwise apply. In addition, this notice of proposed rulemaking conforms the due diligence, withholding, and reporting rules under chapters 3, 4, and 61, and section 3406 to the extent appropriate in light of the separate objectives of each chapter or section, thereby

reducing burdens that would otherwise apply to domestic small business entities making payments of U.S. source income to foreign persons.

Although the Treasury Department and the IRS anticipate that a substantial number of domestic small entities will be affected by the collection of information in this notice of proposed rulemaking, the Treasury Department and the IRS believe that the economic impact to these entities resulting from the information collection requirements will not be significant. Therefore, a Regulatory Flexibility Analysis under the Regulatory Flexibility Act is not required. Pursuant to section 7805(f) of the Code, this regulation has been submitted to the Chief Counsel for Advocacy of the Small Business Administration for comment on its impact on small businesses. The Internal Revenue Service invites the public to comment on this certification.

Comments and Public Hearing

Before these proposed regulations are adopted as final regulations, consideration will be given to any written comments (a signed original and eight (8) copies) or electronic comments that are submitted timely to the IRS. The IRS and the Treasury Department request comments on all aspects of the proposed regulations. All comments will be available for public inspection and copying.

A public hearing has been scheduled for June 24, 2014, beginning at 10 a.m. in the Auditorium, Internal Revenue Building, 1111 Constitution Avenue, NW, Washington, DC. Due to building security procedures, visitors must enter at the Constitution Avenue entrance. In addition, all visitors must present photo identification to enter the building. Because of access restrictions, visitors will not be admitted beyond the immediate entrance area more than 30 minutes before the hearing starts. For information about

having your name placed on the building access list to attend the hearing, see the "FOR FURTHER INFORMATION CONTACT" section of this preamble.

The rules of 26 CFR 601.601(a)(3) apply to the hearing. Persons who wish to present oral comments at the hearing must submit electronic or written comments, an outline of the topics to be discussed, and the time to be devoted to each topic. Submit a signed original and eight (8) copies or an electronic copy of the topics outline by **[INSERT DATE 60 DAYS AFTER PUBLICATION OF THIS DOCUMENT IN THE FEDERAL REGISTER]**. A period of 10 minutes will be allotted to each person for making comments. An agenda showing the scheduling of the speakers will be prepared after the deadline for receiving outlines has passed. Copies of the agenda will be available free of charge at the hearing.
