SECURITIES AND EXCHANGE COMMISSION
[Release No. 34-71388; File No. SR-Topaz-2014-03]

Self-Regulatory Organizations; Topaz Exchange, LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change to Amend the Schedule of Fees

January 24, 2014.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on January 16, 2014, the Topaz Exchange, LLC (d/b/a ISE Gemini) (the "Exchange" or "Topaz") filed with the Securities and Exchange Commission the proposed rule change, as described in Items I, II, and III below, which items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of the Substance of the Proposed Rule Change

Topaz is proposing to amend its Schedule of Fees to specify the frequency with which the Exchange may change the Options Regulatory Fee. The text of the proposed rule change is available on the Exchange's Internet website at <http://www.ise.com>, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified

in Item IV below. The self-regulatory organization has prepared summaries, set forth in Sections A, B and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend the Schedule of Fees to specify the frequency with which the Exchange may change the Options Regulatory Fee ("ORF").

The ORF is assessed by the Exchange to each member for all options transactions in both Standard Options and Mini Options executed or cleared by the member that are cleared by The Options Clearing Corporation ("OCC") in the customer range, i.e., transactions that clear in the customer account of the member's clearing firm at OCC, regardless of the exchange on which the transaction occurs. The fee is collected indirectly from Members through their clearing firms by OCC on behalf of the Exchange. The dues and fees paid by Members go into the general funds of the Exchange, a portion of which is used to help pay the costs of regulation.

In response to feedback from Members requesting greater certainty as to when ORF changes may occur, the Exchange proposes to specify in the Schedule of Fees that the Exchange may only increase or decrease the ORF semi-annually, and any such fee change will be effective on the first business day of February or August.³ In addition to submitting a proposed rule change to the Securities and Exchange Commission ("Commission") as required by the Act to increase or decrease the ORF, the Exchange will notify members via circular of any anticipated change in the amount of the fee at least 30 calendar days prior to the effective date of the change. The Exchange believes that by providing guidance on the timing of any changes to the ORF, the

³ The Exchange will continue to monitor the amount of revenue collected from the ORF to ensure that it, in combination with its other regulatory fees and fines, does not exceed the Exchange's total regulatory costs.

Exchange would make it easier for Members to ensure their systems are configured to properly account for the ORF.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b) of the Act,⁴ in general, and furthers the objectives of Section 6(b)(4) of the Act,⁵ in particular, in that it is an equitable allocation of reasonable dues, fees and other charges among Exchange members and other persons using its facilities, and does not unfairly discriminate between customers, issuers, brokers or dealers.

The Exchange believes that the proposed change to limit changes to the ORF to twice a year on specific dates with advance notice is reasonable because it will give Members certainty on the timing of changes, if any, and better enable them to properly account for ORF charges among their customers. The Exchange believes that the proposed change is equitable and not unfairly discriminatory because it will apply in the same manner to all Members that are subject to the ORF and provide them with additional advance notice of changes to that fee. The Exchange notes that the proposed changes are consistent with recent fee changes made by NYSE Arca (“Arca”) and NYSE Amex Options (“Amex”), and will make it easier for members to ensure that their systems are configured to properly account for the ORF.⁶

B. Self-Regulatory Organization’s Statement on Burden on Competition

The proposed rule change does not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed change is not

intended to address a competitive issue but rather to provide Members with better notice of any change that the Exchange may make to the ORF, which will make it easier for Members to ensure that their systems are configured to properly account for the ORF. Furthermore, as explained above, the proposed changes are substantially similar in all material respects to fee changes made by Arca and Amex.⁷ For these reasons, the Exchange does not believe that the proposed change will impair the ability of Members, or competing order execution venues to maintain their competitive standing in the financial markets.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

The Exchange has not solicited, and does not intend to solicit, comments on this proposed rule change. The Exchange has not received any unsolicited written comments from members or other interested parties.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)(ii) of the Act,⁸ and subparagraph (f)(2) of Rule 19b-4 thereunder,⁹ because it establishes a due, fee, or other charge imposed by Topaz.

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the
