SUPPLEMENTARY INFORMATION: Under the Paperwork Reduction Act of 1995 (PRA) (44 U.S.C. 3501-3520), federal agencies must obtain approval from the Office of Management and Budget (OMB) for each collection of information they conduct or sponsor. The term "collection

of information" is defined in 44 U.S.C. 3502(3) and 5 CFR 1320.3(c) and includes agency requests or requirements that members of the public submit reports, keep records, or provide information to a third party. Section 3506(c)(2)(A) of the PRA (44 U.S.C. 3506(c)(2)(A)) requires federal agencies to publish a 30-day notice in the **Federal Register** concerning each proposed collection of information, including each proposed extension or reinstatement of an existing collection of information, before submitting the collection to OMB for approval. To comply with this requirement, CMS is publishing this notice that summarizes the following proposed collection(s) of information for public comment:

1. Type of Information Collection Request: Revision of a currently approved collection; Title of Information Collection: Imposition of Cost Sharing Charges Under Medicaid and Supporting Regulations; Use: The purpose of this collection is to ensure that states impose nominal cost sharing charges upon categorically and medically needy individuals as allowed by law and implementing regulations. States must identify in their state plan the service for which the charge is made, the amount of the charge, the basis for determining the charge, the basis for determining whether an individual is unable to pay the charge and the way in which the individual will be identified to providers, and the procedures for implementing and enforcing the exclusions from cost sharing. The template has been revised and is being released for this 30-day comment period before it is submitted to OMB for review and approval under CMS-10398 (OCN: 0938-1148). Form Number: CMS-R-53 (OCN: 0938-0429); Frequency: Occasionally; Affected Public: State, Local, or Tribal Governments; Number of Respondents: 56; Total Annual Responses: 10; Total Annual Hours: 50.
