Pesticide Maintenance Fee; Cancellation Order for Certain Pesticide Registrations

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: This notice announces EPA's order for the cancellation, voluntarily requested by the registrants and accepted by the Agency, of the products listed in Table 1 of Unit II., pursuant to the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA). This cancellation order follows a June 26, 2013, **Federal Register** Notice of Receipt of Requests from the registrants listed in Table 2 of Unit II., to voluntarily cancel these product registrations. In the June 26, 2013 notice, EPA indicated that it would issue an order implementing the cancellations, unless the Agency received substantive comments within the 180-day comment period that would merit further review of these requests, or unless the registrants withdrew their requests. The Agency received three requests from registrants withdrawing their requests for EPA Reg. Nos. 432-1473, 1677-90 and WA030027. Also, EPA Reg. No. OR030037 was cancelled under another **Federal Register** notice published on September 13, 2013. Accordingly, EPA hereby issues in this notice a cancellation order granting the requested cancellations. Any distribution, sale, or use of the products subject to this cancellation order is permitted only in accordance with the terms of this order, including existing stocks provisions.

DATES: The cancellations are effective January 15, 2014.
