Specifically, CGT states that the Edgemoor Compressor Project will provide an additional 45,000 dekatherms per day of firm transportation capacity to two customers. CGT submits that the Edgemoor Compressor Station will consist of three 1,600 horsepower (HP) natural gas-fired turbine compressor units and one 4,700 HP natural gas-fired turbine compressor unit. CGT estimates that the cost of the proposed Project will be \$23.8 million.

Any questions concerning this application may be directed to each of the following persons: Michael R. Ferguson, Carolina Gas Transmission Corporation, 601 Old Taylor Road, Cayce, South Carolina, 29033, by telephone (803) 217-2107 or by email at mferguson@scana.com; or Shelby L. Provencher, SCANA Corporation, Mail Code C222, 220 Operation Way, Cayce, South Carolina 29033, by telephone at (803) 217-7802, or by email at shelby.provencher@scana.com.

Any person or the Commission's staff may, within 60 days after issuance of the instant notice by the Commission, file pursuant to Rule 214 of the Commission's Procedural Rules (18 CFR 385.214) a motion to intervene or notice of intervention and

pursuant to Section 157.205 of the regulations under the NGA (18 CFR 157.205), a protest to the request. If no protest is filed within the time allowed therefore, the proposed activity shall be deemed to be authorized effective the day after the time allowed for filing a protest. If a protest is filed and not withdrawn within 30 days after the allowed time for filing a protest, the instant request shall be treated as an application for authorization pursuant to section 7 of the NGA.

Pursuant to section 157.9 of the Commission's rules, 18 CFR 157.9, within 90 days of this Notice the Commission staff will either: complete its environmental assessment (EA) and place it into the Commission's public record (eLibrary) for this proceeding, or issue a Notice of Schedule for Environmental Review. If a Notice of Schedule for Environmental Review is issued, it will indicate, among other milestones, the anticipated date for the Commission staff's issuance of the final environmental impact statement (FEIS) or EA for this proposal. The filing of the EA in the Commission's public record for this proceeding or the issuance of a Notice of Schedule for Environmental Review will serve to notify federal and state agencies of the timing for the completion of all necessary reviews, and the subsequent need to complete all federal authorizations within 90 days of the date of issuance of the Commission staff's FEIS or EA.

Persons who wish to comment only on the environmental review of this project should submit an original and two copies of their comments to the Secretary of the Commission. Environmental commenter's will be placed on the Commission's environmental mailing list, will receive copies of the environmental documents, and will be notified of meetings associated with the Commission's environmental review process. Environmental commenter's will not be required to serve copies of filed documents on all other parties. However, the non-party commentary, will not receive copies of all documents filed by other parties or issued by the Commission (except for the mailing of environmental documents issued by the Commission) and will not have the right to seek court review of the Commission's final order.

Dated: March 10, 2014

Kimberly D. Bose,
Secretary.
