Proposed Information Collection Activity; Comment Request

Title: Adoption and Foster Care Analysis Reporting System for title IV-B and title IV-E (AFCARS)

OMB No.: 0970-0422

Description: The Adoption and Foster Care Analysis and Reporting System (AFCARS) is mandated by 42 U.S.C. 679. The regulation at 45 CFR 1355 sets forth the requirements of section 479 of the Social Security Act for the collection of uniform, reliable information on children who are under the responsibility of the State or Tribal title IV-B/IV-E agency for placement, care, and adoption. Effective October 1, 2009, section 479B(b) of the Act authorizes direct Federal funding of Indian Tribes, Tribal organizations, and Tribal consortia that choose to operate a foster care, adoption assistance and, at Tribal option, a kinship guardianship assistance program under title IV-E of the Act. The Federal regulations at 45 CFR 1355.40 were amended as part of an Interim Final Rule published January 6, 2012 to apply the same regulatory requirements for data collection and reporting to a Tribal title IV-E agency as are applied to a State title IV-E agency.

The data collected will inform State/Tribal/Federal policy decisions, program management, and responses to Congressional and Departmental inquiries. Specifically, the data are used for short/long-term budget projections, trend analysis, child and family service reviews, and to target areas for improved technical assistance. The data will provide information about foster care

placements, adoptive parents, length of time in care, delays in termination of parental rights and placement for adoption.
