SUPPLEMENTARY INFORMATION:

Background

The National Parks Air Tour Management Act of 2000 (NPATMA), enacted on April 5, 2000, as Public Law 106-181, required the establishment of the NPOAG within one year after its enactment. The Act requires that the NPOAG be a balanced group of representatives of general aviation, commercial air tour operations, environmental concerns, and Native American tribes. The Administrator of the FAA and the Director of NPS (or their designees) serve as ex officio members of the group. Representatives of the Administrator and Director serve alternating 1-year terms as chairperson of the advisory group.

The duties of the NPOAG include providing advice, information, and recommendations to the FAA Administrator and the NPS Director on; implementation of Public Law 106-181; quiet aircraft technology; other measures that might accommodate interests to visitors of national parks; and at the request of the Administrator and the Director, on safety, environmental, and other issues related to commercial air tour operations over national parks or tribal lands.

Agenda for the July 22-23, 2014 NPOAG Meeting

The agenda for the meeting will include, but is not limited to, an update on ongoing park specific air tour planning projects, commercial air tour reporting, and agency research on effects of aircraft noise on park visitors.

Attendance at the Meeting and Submission of Written Comments

Although this is not a public meeting, interested persons may attend. Because seating is limited, if you plan to attend please contact the person listed under **FOR FURTHER INFORMATION CONTACT** so that meeting space may be made to accommodate all attendees. Written comments regarding the meeting will be accepted directly from

attendees or may be sent to the person listed under **FOR FURTHER INFORMATION CONTACT.**
