[Investigation No. 337-TA-868]

Certain Wireless Devices with 3G and/or 4G Capabilities and Components Thereof

Request for Statements on the Public Interest

AGENCY: U.S. International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that the presiding administrative law judge has issued a Final Initial Determination on Violation of Section 337 and Recommended Determination on Remedy and Bond in the above-captioned investigation. The Commission is soliciting comments from the public on public interest issues raised by the recommended relief, specifically that if the Commission were to find a violation of section 337, 19 U.S.C. 1337, that the Commission issue limited exclusion orders directed to the Nokia and ZTE respondents and cease and desist orders directed to the Nokia respondents. The ALJ recommended that implementation of any limited exclusion order be delayed by six months. The ALJ rejected the respondents' arguments that the public interest stands in the way of relief for the complainants. This notice is soliciting public interest comments from the public only. Parties are to file public interest submissions pursuant to 19 CFR 210.50(a)(4).

SUPPLEMENTARY INFORMATION: Section 337 of the Tariff Act of 1930 provides that if the Commission finds a violation it shall exclude the articles concerned from the United States:

unless, after considering the effect of such exclusion upon the public health and welfare, competitive conditions in the United States economy, the production of like or directly competitive articles in the United States, and United States consumers, it finds that such articles should not be excluded from entry.

19 U.S.C. 1337(d)(1). A similar provision applies to cease and desist orders. 19 U.S.C. 1337(f)(1).

The Commission is interested in further development of the record on the public interest in these investigations. Accordingly, members of the public are invited to file submissions of no more than five (5) pages, inclusive of attachments, concerning the public interest in light of the administrative law judge's Recommended Determination on Remedy and Bond issued in this investigation on June 13, 2014.

Comments should address whether issuance of a limited exclusion order and/or cease and desist orders in this investigation would affect the public health and welfare in the United States,

competitive conditions in the United States economy, the production of like or directly competitive articles in the United States, or United States consumers.

In particular, the Commission is interested in comments that:

- (i) explain how the articles potentially subject to the recommended orders are used in the United States;
- (ii) identify any public health, safety, or welfare concerns in the United States relating to the recommended orders;
- (iii) identify like or directly competitive articles that complainant, its licensees, or third parties make in the United States which could replace the subject articles if they were to be excluded;
- (iv) indicate whether complainant, complainant's licensees, and/or third party suppliers have the capacity to replace the volume of articles potentially subject to the recommended orders within a commercially reasonable time; and
- (v) explain how the limited exclusion order and/or cease and desist orders would impact consumers in the United States.

Written submissions must be filed no later than by close of business on Monday, July 7, 2014.

By order of the Commission.

Issued: June 16, 2014.

Lisa R. Barton,
Secretary to the Commission.
