## **Food Safety and Inspection Service**

*TITLE:* Survey of Meat Slaughter and Processing Establishments

*OMB CONTROL NUMBER:* 0583-New

*SUMMARY OF COLLECTION:* The Food Safety and Inspection Service (FSIS) has been delegated the authority to exercise the functions of the Secretary as provided in the Federal Meat Inspection Act (FMIA) (21 U.S.C. 601 et seq.). These statutes mandate that FSIS protect the public by verifying that meat products are safe, wholesome, unadulterated, and properly labeled and packaged. To assist FSIS in meeting its strategic goal to protect public health by significantly reducing the prevalence of foodborne hazards from meat products, the agency requires accurate and up-to-date information about industry's use of food safety practices and technologies. FSIS conducted a survey of establishments in 2004 to collect information on food safety practices and technologies. This was a part of a broader effort that also surveyed the egg, poultry, and meat and poultry processing industries from 2003-2006. FSIS needs to survey the meat slaughter industry again so that the agency has the most current information on industry practices for conducting regulatory impact analyses as required by the Office of Management and Budget.

*NEED AND USE OF THE INFORMATION:* The data collected in the survey will provide reliable and valid information regarding food safety practices in the meat industry that can be used to address a broad variety of the agency's analyses needs. FSIS will also use the survey data to provide information for evaluating the effectiveness of FSIS programs and to conduct trend analyses to assess if industry's application of food safety technologies, sanitation practices, health risk reduction, and recall readiness has improved since the initial survey was conducted. Without the information, the regulatory and economic impact analysis that FSIS is required by statute to conduct could be incomplete or misleading.

*DESCRIPTION OF RESPONDENTS:* Business or other for-profit

*NUMBER OF RESPONDENTS:* 590

*FREQUENCY OF RESPONSES:* Reporting: Other (once)

*TOTAL BURDEN HOURS:* 452

Departmental Information Collection Clearance Officer.
