Background

The “Department of Veterans Affairs Health Care Personnel Enhancement Act of 2004” (Pub. L. 108–445) was signed by the President on December 3, 2004. The major provisions of the law established a new pay system for Veterans Health Administration (VHA) physicians and dentists. In 2012, OPM re-
delegated authority to DoD to continue utilizing a portion of Title 38 provisions for DoD civilian physicians and dentists. In accordance with the aforementioned governing documents, DCPAS is submitting revisions contained herein as a Federal Register notice.

**Discussion**

DoD reviews and adopts the VHA tables and tiers including the minimums and maximums as they are revised by VHA (note: the VHA table 7 is adopted as DoD table 5). While VHA and DoD have similar specialties, there are specialties unique to DoD. In coordination with VHA and OPM, DoD is adding specialties and revising original placement of DoD specific specialties within the table structure, signified below in *italics* followed by [New] or [Moved from Table X]. DoD is also adopting VHA’s pay table six, Executive Assignments (as contained herein), with minor changes. Differences include a two tier rather than three tier structure, inverse pay minimums and maximums to maintain consistency with the structure of DoD Tables one – five, and removal of VA specific job titles replaced with DoD equivalent job titles.
