Citric Acid and Certain Citrate Salts from the People's Republic of China: Final Results of Expedited Sunset Review of the Countervailing Duty Order

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce

SUMMARY: The Department of Commerce ("the Department") finds that revocation of the countervailing duty order ("CVD") order on citric acid and certain citrate salts ("citric acid") from the People's Republic of China ("PRC") would be likely to lead to continuation or recurrence of a countervailable subsidy at the levels indicated in the "Final Results of Review" section of this notice.

EFFECTIVE DATE: (Insert date of publication in the *Federal Register*.)

FOR FURTHER INFORMATION CONTACT: Patricia Tran, Office III, AD/CVD Operations, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-1503.

SUPPLEMENTARY INFORMATION:

Background

On April 1, 2014, the Department initiated a sunset review of the CVD order on citric acid from the PRC pursuant to section 751(c) of the Tariff Act of 1930, as amended ("the Act").<sup>1</sup> The Department received a notice of intent to participate in the review on behalf of Archer Daniels Midland Company, Cargill, Incorporated, and Tate & Lyle Ingredients Americas LLC,

(collectively, “the domestic industry”) within the deadline specified in 19 CFR 351.218(d)(1)(i). Each of these companies claimed interested party status under section 771(9)(C) of the Act, as a domestic producer of the domestic like product.

The Department received adequate substantive responses collectively from the domestic industry within the 30-day deadline specified in 19 CFR 351.218(d)(3)(i). The Department did not receive a substantive response from any government or respondent interested party to the proceeding. Because the Department received no response from the respondent interested parties, the Department conducted an expedited review of this CVD order, pursuant to section 751(c)(3)(B) of the Act and 19 CFR 351.218(e)(1)(ii)(C)(2).

#### Scope of the Order

The merchandise subject to the order is citric acid and certain citrate salts. The product is currently classified under the Harmonized Tariff Schedule of the United States (“HTSUS”) item numbers 2918.14.0000, 2918.15.1000, 2918.15.5000, 3824.90.9290, and 3824.90.9290. Although the HTSUS numbers are provided for convenience and customs purposes, the written product description remains dispositive.

For a full description of the scope, *see* “Issues and Decision Memorandum for the Final Results of Expedited Sunset Review of the Countervailing Duty Order on Citric Acid and Certain Citrate Salts from the People’s Republic of China” from Christian Marsh, Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations, to Paul Piquado, Assistant Secretary for Enforcement and Compliance, dated concurrently with this final notice, and hereby adopted by this notice (“Issues and Decision Memorandum”).
