Coast Guard

33 CFR Part 165

[Docket Number USCG-2014-0704]

RIN 1625-AA00

Safety Zone, Aquarium Wedding, Delaware River; Camden, NJ

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary safety zone on the waters of the Delaware River in Camden, NJ. The safety zone will restrict vessel traffic on a portion of the Delaware River from operating while a fireworks event is taking place. This temporary safety zone is necessary to protect the surrounding public and vessels from the hazards associated with a fireworks display.

DATES: This rule is effective on September 6, 2014 from 8:30 p.m. to 10:00 p.m.

A. Regulatory History and Information

The Coast Guard is issuing this final rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency

for good cause finds that those procedures are "impracticable, unnecessary, or contrary to the public interest." Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule as publishing an NPRM is impracticable given that the final details for this event were not received by the Coast Guard until July 12, 2014, and this event is scheduled for September 6, 2014. Further, allowing this event to go forward without a safety zone in place would expose mariners and the public to unnecessary dangers associated with fireworks displays contrary to the public interest. For the same reasons, under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the Federal Register.

B. Basis and Purpose

The legal basis for the rule is the Coast Guard's authority to establish regulated navigation areas and other limited access areas: 33 U.S.C. 1231; 46 U.S.C. Chapter 701, 3306, 3703; 50 U.S.C. 191, 195; 33 CFR 1.05-1, 6.04-1, 6.04-6, 160.5; Pub. L. 107-295, 116 Stat. 2064; Department of Homeland Security Delegation No. 0170.1.

On the evening of September 6, 2014, fireworks will be launched from a barge with a fall out zone that covers part of the Delaware River. The Captain of the Port, Sector Delaware Bay,

has determined that the Aquarium Wedding Fireworks Display will pose significant risks to the public. The purpose of the rule is to promote public and maritime safety during a fireworks display, and to protect mariners transiting the area from the potential hazards associated with a fireworks display, such as accidental discharge of fireworks, dangerous projectiles, and falling hot embers or other debris.

C. Discussion of the Final Rule

To mitigate the risks associated with the Aquarium Wedding Fireworks Display, the Captain of the Port, Sector Delaware Bay will enforce a temporary safety zone in the vicinity of the launch site. The safety zone will encompass all waters of the Delaware River within a 130 Yard radius of the fireworks launch platform in approximate position 39° 56'44"N, 075° 08'00"W in Camden, NJ. The safety zone will be effective and enforced from 8:30 p.m. until 10:00 p.m. on September 6, 2014. Entry into, transiting, or anchoring within the safety zone is prohibited unless authorized by the Captain of the Port, Sector Delaware Bay, or her on-scene representative. The Captain of the Port, Sector Delaware Bay, or her on-scene representative may be contacted via VHF channel 16.

D. Regulatory Analyses

We developed this rule after considering numerous statutes and executive orders related to rulemaking. Below we summarize

our analyses based on these statutes or executive orders.

1. Regulatory Planning and Review

This rule is not a significant regulatory action under section 3(f) of Executive Order 12866, Regulatory Planning and Review, as supplemented by Executive Order 13563, Improving Regulation and Regulatory Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of Executive Order 12866 or under section 1 of Executive Order 13563. The Office of Management and Budget has not reviewed it under those Orders. Although this regulation will restrict access to the regulated area, the effect of this rule will not be significant because: (i) the Coast Guard will make extensive notification of the Safety Zone to the maritime public via maritime advisories so mariners can alter their plans accordingly; (ii) vessels may still be permitted to transit through the safety zone with the permission of the Captain of the Port on a case-by-case basis; and (iii) this rule will be enforced for only the duration of the fireworks display.

2. Impact on Small Entities

The Regulatory Flexibility Act of 1980 (RFA), 5 U.S.C. 601-612, as amended, requires federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term "small entities" comprises small businesses, not-for-profit organizations that are independently

owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities. This rule will affect the following entities, some of which may be small entities: the owners or operators of vessels intending to anchor or transit along a portion of Delaware River in Camden, NJ, from 8:30 p.m. until 10:00 p.m. on September 6, 2014, unless cancelled earlier by the Captain of the Port once all operations are completed.

This safety zone will not have a significant economic impact on a substantial number of small entities for the following reason: vessel traffic will be allowed to pass through the zone with permission of the Coast Guard Captain of the Port Delaware Bay or her designated representative and the zone is limited in size and duration. Sector Delaware Bay will issue maritime advisories widely available to users of the Indian River Bay.

3. Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Public Law 104-121), we want to assist small entities in understanding this rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact the person listed in the

FOR FURTHER INFORMATION CONTACT, above.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency's responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1-888-REG-FAIR (1-888-734-3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

4. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520).

5. Federalism

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that Order and determined that this rule does not have implications for federalism.

6. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the "FOR FURTHER INFORMATION CONTACT" section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.

7. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531-1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

8. Taking of Private Property

This rule will not cause a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

9. Civil Justice Reform

This rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

10. Protection of Children

We have analyzed this rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and does not create an environmental risk to health or risk to safety that may disproportionately affect children.

11. Indian Tribal Governments

This rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

12. Energy Effects

This action is not a "significant energy action" under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use.

13. Technical Standards

This rule does not use technical standards. Therefore, we did not consider the use of voluntary consensus standards.

14. Environment

We have analyzed this rule under Department of Homeland Security Management Directive 023-01 and Commandant Instruction M16475.1D, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321-4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves implementation of regulations within 33 CFR Part 165, applicable to safety zones on the navigable waterways. This zone will temporarily restrict vessel traffic from transiting the Indian River Bay along the shoreline of Camden, New Jersey, in order to protect the safety of life and property on the waters for the duration of the fireworks display. This rule is categorically excluded from further review under paragraph 34(g) of Figure 2-1 of the Commandant Instruction. An environmental analysis

checklist supporting this determination and a Categorical Exclusion Determination are available in the docket where indicated under ADDRESSES. We seek any comments or information that may lead to the discovery of a significant environmental impact from this rule.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

1. The authority citation for part 165 continues to read as follows:

Authority: 33 U.S.C 1231; 46 U.S.C. Chapter 701, 3306, 3703; 50 U.S.C. 191, 195; 33 CFR 1.05-1, 6.04-1, 6.04-6, 160.5; Pub. L. 107-295, 116 Stat. 2064; Department of Homeland Security Delegation No. 0170.1.

2. Add temporary §165.T05-0704 to read as follows:

§ 165.T05-0704 Safety Zone, Aquarium Wedding, Delaware River; Camden, NJ.

(a) Regulated area. The following area is a safety zone: all waters of Indian River Bay within a 130 yard radius of the fireworks launch platform in approximate position 39° 56'44"N, 075° 08'00"W in Camden, NJ.

(b) Enforcement period. This rule will be enforced from 8:30 p.m. to 10:00 p.m. on September 6, 2014, unless cancelled earlier by the Captain of the Port once all operations are completed.

(c) Regulations. All persons are required to comply with the general regulations governing safety zones in §165.23.

(1) All persons or vessels wishing to transit through the Safety Zone must request authorization to do so from the Captain of the Port or her designated representative one hour prior to the intended time of transit.

(2) Vessels granted permission to transit must do so in accordance with the directions provided by the Captain of the Port or her designated representative to the vessel.

(3) To seek permission to transit the Safety Zone, the Captain of the Port's representative can be contacted via marine radio VHF Channel 16.

(4) This section applies to all vessels wishing to transit through the Safety Zone except vessels that are engaged in the following operations:

- (i) Enforcing laws;
- (ii) Servicing aids to navigation; and
- (iii) Emergency response vessels.

(5) No person or vessel may enter or remain in a safety zone without the permission of the Captain of the Port;

(6) Each person and vessel in a safety zone shall obey any

direction or order of the Captain of the Port;

(7) No person may board, or take or place any article or thing on board, any vessel in a safety zone without the permission of the Captain of the Port; and

(8) No person may take or place any article or thing upon any waterfront facility in a safety zone without the permission of the Captain of the Port.

(d) Definitions. The Captain of the Port means the Commander of Sector Delaware Bay or any Coast Guard commissioned, warrant, or petty officer who has been authorized by the Captain of the Port to act on her behalf.

(e) Enforcement. The U.S. Coast Guard may be assisted in the patrol and enforcement of the Safety Zone by Federal, State, and local agencies.

Dated: August 1, 2014.

B. A. Cooper,
Captain, U.S. Coast Guard,
Acting Captain of the Port Delaware Bay.
